"Harwell Harris would have been pleased with Lisa Germany's book. . . . The quality of the man permeates the work. It is honest, forthright architecture. It is void of tricks. It uses simple materials in an unself-conscious manner. It places priorities on the user. The emphasis on plan in his practice is the thread that takes us from project to project as Germany weaves the Harris tale."--Ray Kappe, FAIA, Journal of the Society of Architectural Historians

Believing in magic makes dreams come true...

The poems of Robert Bly are rooted deep in the earth. Snow and sunshine, barns and cornfields and cars on the empty nighttime roads, abandoned Minnesota lakes and the mood of America now—these are his materials. He sees and talks clearly: he uses no rhetoric nor mannered striving for effect, but instead the simple statement that in nine lines can embody a mood, reveal a profound truth, illuminate in an important way the inward and hidden life. This is a poet of the modern world, thoroughly aware of the complexities of the moment but equally mindful of the great stream of life—all life—of which mankind is only a part.

The first literary account of a style of comic drama which was to become the root of all subsequent Western comedy. Places the social comedy of Menander, Plautus and Terence in its ancient context and considers its universal literary qualities.

This innovative book bridges the gap between basal textbooks and supplemental workbooks. By drawing attention to the strategies students use behind the scenes, these lessons will help build confident readers who know how to get "unstuck" and construct meaning from the text. The fourteen sections in this book each address a comprehension strategy recommended in the National Reading Panel Report. Every section begins with direct instruction on the strategy or skill, followed by stories that lead students through the instructional sequence: one page of skill modeling, two pages of guided practice, and a partner reading page for independent practice. This format, along with reproducible bookmarks and content-skill assessments, make this book the perfect comprehension teaching tool.

In the north, the barbaric Hyksos still rule with unimaginable brutality. Queen Ahhotep, meanwhile, has recaptured much of the south -- but at a terrible price: her husband has been killed in combat and her elder son, Kames, was mysteriously poisoned. Ahhotep refuses to be crowned pharaoh and prepares her second son, young Amose, to take power instead. Thanks to her, the Egyptians are now ready for the final battle. They lay siege to Avaris, the Hyksos capital -- and once the city is taken, nothing can stop them. After 100 years of occupation and thousands of violent deaths, it looks as though the Egyptian empire may at last rise from the ashes.

A celebration of the underdog!

During their privileged, eccentric English childhood, Jack Rathbone enjoyed the unstinting adoration of his sister, Gin. So when both are art students in London, it is wrenching for her to watch him fall under the spell of Vera Savage, a flamboyant and reckless painter from Glasgow. Jack and Vera run off to New York City within weeks of meeting, and from a bruised, bereft distance Gin follows their progress south through Miami and pre-revolutionary Havana to Port Mungo, a seedy town in the mangrove swamps of Honduras. There, in an old banana warehouse, Jack obsessively devotes himself to his canvases while Vera succumbs to a chronic restlessness that not even the birth of two daughters can subdue. Passion, narcissism, and the relentless demands of creativity hold these riveting characters in thrall, and McGrath skilfully evokes a feverish world of tropical impulses and artistic ambition that leads ultimately to dark secrets and to death.

A collection of poetry and prose on the theme of death is designed to ease the grief of the bereaved and includes works by such writers as Shakespeare, Chekov, and Robert Frost

This ground-breaking book makes an invaluable contribution to scholarship by advancing knowledge and understanding of Spanish oral narrative and related areas of research. Steve Bailey is a consummate musician and bassist. In *Rock Bass*, he presents one of the most comprehensive bass technique books available. The exercises provided have both studio and live-playing applications, and cover such topics as hand dexterity, bass-line construction, double-stops, and chords. Try the "Finger Buster" and "Hazard" exercises for a real workout, and put it all to use in each "Lick of the Week." This book will help any bassist develop the necessary technique to produce quality recordings, as well as the technical prowess to rock out at any live show.

The Owens Valley not only reveals much about the arid West's past, it also allows us to peer into, and perhaps influence, the region's future. The *Lost Frontier* now provides a yardstick against which recent environmental issues in the Owens Valley might be measured and offers insights into our options for protecting agriculture from urban growth. Contains 10 stories such as: Creation/Adam and Eve; Noah's Ark; The 10 Commandments; David and Goliath; Daniel in the Lions' Den; The Birth of Jesus; The Feeding of the 5000; The Return of the Prodigal Son; The Good Samaritan; and, The Death and Resurrection of Jesus.

Call blacks to work together toward their own REAL emancipation.

A major novel by the award-winning author named by *Granta* as one of America's best young writers. Set at a remote beachfront cottage in the Hamptons one summer during the

Second World War, *A World Away* follows the fortunes of the Langer family, whose oldest son, Rennie, is missing in action in the Pacific theater. As we are soon aware, there is another battle raging at the same time, this one on the domestic front, as Anne and James Langer's marriage begins to unravel. In part to repay her husband for his affair with a student, Anne begins a clandestine romance with a soldier stationed at a nearby base. Yet all the passion and tenderness she finds with her lover is unable to ease Anne's empty ache from having her family torn apart. Thousands of miles away, Rennie is wounded in the effort to drive the Japanese from the island of Attu in the Aleutians, as Dorothy, his young wife, gives birth alone in San Diego. When Rennie comes home, his spirit as wounded as his body, it's clear that James and Anne must repair their own broken lives if they're going to help their son heal and bring their family back together. *A World Away* is a rich, romantic story that has all the depth and generosity of spirit Stewart O'Nan's work is known for.

Katie Cotugno meets *The Bridges of Madison County* in a magnetic tale about summer love that stays with you long after the seasons change. Rose Darrow never wanted to spend her life working on her family's farm. But when her family is rocked by an unexpected tragedy she has no choice but to put her plans for the future—and dreams of escaping her small town—on hold. Bodhi Lowell left home as a kid and hasn't looked back. Years of working farm jobs has given him the one thing he wants most: freedom to travel without answering to anyone. He's already looking past his job at Darrow Farm and plans on leaving in September—until he meets Rose. Neither Rose nor Bodhi can deny the sparks flying between them, but with the end of summer looming, they must decide if it is better to have loved and lost than never to have loved at all. . . .

Ralph Sprockett is the story of a man who knows everything there is to know about bicycles, except how to ride one. An expert bicycle mechanic, thanks to constantly crashing and subsequently having to repair bikes as a child, he is admired by everyone in town for his skill and knowledge, so much so that they have even started referring to bicycles as 'sprockets' in his honour. No one knows his deep, dark secret - not even his wife knows that the great Ralph Sprockett cannot ride a bike. When his friend Noel, who is a photographer, announces that he would like to take a picture of Ralph riding his bike down a local hill, Ralph finally has to confront his fears, with unexpectedly dramatic results. Originally published in France in 1995, *Ralph Sprockett* is the perfect companion to *Monsieur Lambert*, Sempe's earlier graphic novel.

Uncovering the life and times of some of the most important and influential artists of the modern world, each title in this series focuses on one artist, exploring their life and work in the context of world events. This book focuses on Alberto Giacometti.

Back in 1974, the sexual revolution was in full swing and the adult entertainment business was on the verge of becoming Big Business. Deep Throat had created America's first porn star in 1972, but by 1974 Linda Lovelace was already retired and the industry was seeking the next big thing. Vanessa del Rio should have been that thing, except in 1974 there were no ethnic sex stars. Undeterred, Vanessa took any role they'd give her, because, amazingly, she was there for the sex more than the money. Fans, awed by her ferocious onscreen sexuality, made her a top box office draw and America's first Latina star. Retired since 1986, Vanessa del Rio remains a sexual icon who cuts across all ethnic boundaries. What her fans don't know is that her real life was, and is, as wild as anything she did on film. In this sumptuous over-sized volume, TASCHEN celebrates a remarkably candid, confident and exuberantly sexual woman. Presented through Vanessa's own archive, in her own words, is a life at once shocking, titillating, amusing, and inspiring. And because paper and ink can't do justice to a personality this big, an original 140 minute DVD documentary is included. If you aren't already convinced, this book will end all doubt that there could ever be another woman like Vanessa del Rio. Vanessa del Rio is limited to a total of 1,500 numbered copies, each signed by Vanessa ? 1,300 copies in the Collector's Edition ? 200 copies in the Art Edition, with a signed watercolor lithograph of Vanessa by acclaimed artist Robert Crumb * Bonus for one lucky reader: one of the 1,500 copies contains a Golden Ticket good for an all-expenses paid evening with Vanessa, to be documented by a world famous photographer!! *?She is a person I dreamed about having sex with. She should go in the hall of fame for best sex scenes in the '80s.?-Snoop Dogg

Describes the thirty-year quest of Olof Rudbeck, a seventeenth-century explorer, adventurer, and Renaissance man to locate a long-lost civilization that he believed once thrived in the far north of his native Sweden. Reprint. 15,000 first printing.
