After the success of her New York Times-bestselling childhood memoir *Twenty Letters to a Friend*, Josef Stalin's daughter Svetlana Alliluyeva—subject of Rosemary Sullivan's critically acclaimed biography *Stalin's Daughter*—penned this riveting account of her year-long journey to defect from the USSR and start a new life in America. The story of *Only One Year* begins on December 19, 1966, as Svetlana Alliluyeva leaves Russia for India, on a one-month visa, in the custody of an employee of the Soviet Ministry of Foreign Affairs. It ends on December 19, 1967, in Princeton, New Jersey, as she and two American friends join in a toast to her new life of freedom. That year of pain, discovery, turmoil, and new hope reaches its climax with her decision to break completely from the world of Communism, to turn her back on her country, her children, and the legacy of her notorious father—Joseph Stalin. Why did she make such a drastic choice? This book, a detailed account of reality in the USSR, is her explanation. Frank, fascinating, and thoroughly engrossing, *Only One Year* reveals life behind the Iron Curtain, the risks and subterfuge of defection, and one extraordinary woman's fight for her future. "Among the great Russian autobiographical works: Herzen, Kropotkin, Tolstoy's Confession."—Edmund Wilson, *The New Yorker*

Russian Society and the Orthodox Church examines the Russian Orthodox Church's social and political role and its relationship to civil society in post-Communist Russia. It shows how Orthodox prelates, clergy and laity have shaped Russians' attitudes towards religious and ideological pluralism, which in turn have influenced the ways in which Russians understand civil society, including those of its features - pluralism and freedom of conscience - that are essential for a functioning democracy. It shows how the official church, including the Moscow Patriarchate, has impeded the development of civil society, while on the other hand the non-official church, including nonconformist clergy and lay activists, has promoted concepts central to civil society.
