Don't be afraid to redesign. The course map you created is not set in stone, as you move through the semester, lean into the strengths that arise and redesign to accommodate for any weaknesses that get exposed. Use online work to offer targeted learning plans, extensions, or one-on-one teaching for individual students.

Alan was deathly afraid of owls in the last years of his life, many people considered him paranoid. He was suspected to have been killed by the Court of Owls as he had ranted about owls hunting him in the days leading up to his death. However, no one believed him at the time, dismissing his fears as the effects of senility.

— Wesley, Owl Eyes Editor It was in Victorian society that the idea of keeping a “stiff upper lip”—that is, remaining stoic while dealing with great personal suffering—became popular. The belief that one’s soul could not be tarnished, no matter the hardships one experienced, is reflected in both this line and the poem as a whole.
