Mindfulness for Busy People Everyday demands pull us in all different directions. Our lives can feel scattered, and we often find ourselves reacting to stress rather than pausing to appreciate the moment. We rush around to keep up with our personal and professional to-do lists, yet we still feel defeated, like we're missing out on something. There's a lot working against us in this scattered world, but a mindfulness practice helps us reset, protect our energy, and move forward with a more peaceful heart. In *Own Your Present*, Dr. Candace Good provides you with a path to a more mindful life, helping you reconnect your body and mind with your surroundings. She shares engaging and deeply personal stories of her own struggles with anxiety to show you what it looks like to move beyond your past and inner critic to accept what is, imperfections and all. Dr. Good offers practical advice, therapy techniques, and activities as a map to help you begin or deepen your mindfulness practice. Owing your present, you'll come to learn, is not only noticing a moment or a gift before you but also committing to a journey to rediscover your authentic self, so you can show up when it counts. Regardless of what is happening in the world, you have what it takes to live in the moment!

The instant *Wall Street Journal*, *USA Today*, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. *Ego Is the Enemy* draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, "you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you've set out to achieve."

A proven system for transforming challenges into triumphs What if you could make each and every day victorious by focusing on daily activities rather than obsessing over results that you can't control? Based on author Ben Newman's popular program, *Own YOUR Success* gives you the power to make each day a triumph. The most successful people find great success when they focus on having a passion for the process. The key: make today victorious regardless of the obstacles that come your way. Figure out what fires YOU up without exception and ignite that passion so that you can routinely create your prizefighter day. Told through the eyes of an executive at the top of his game, yet the bottom of his existence Offers original, practical, and proven exercises to transform challenges into maximum performance Includes real-world advice and proven strategies to help individuals in the business world achieve even greater success *Own YOUR Success* will lead you to uncover your true potential and create a life that belongs to YOU.

INSTANT NEW YORK TIMES BESTSELLER The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. "This method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom." —Wim Hof Wim Hof has a message for each of us: "You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation." With *The Wim Hof Method*, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as "The Iceman" for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his story, including:

- Breath—Wim's unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- Cold—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body's untapped strength
- Mindset—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- Science—How users of this method have redefined what is medically possible in study after study
- Health—True stories and testimonials from people using the method to overcome disease and chronic illness
- Performance—Increase your endurance, improve recovery time, up your mental game, and more
- Wim's Story—Follow Wim's inspiring personal journey of discovery, tragedy, and triumph
- Spiritual Awakening—How breath, cold, and mindset can reveal the beauty of your soul

Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. "This is how we will change the world, one soul at a time," Wim says. "We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction." If you're ready to explore and exceed the limits of your own potential, *The Wim Hof Method* is waiting for you.

ADAPT is a five-stage career lifecycle model with 75 individual Tidbits, or lessons learned, that will help guide you through a successful career.

This engaging and inspirational book by Carl Lentz, the rock star pastor of Hillsong NYC, shows us the way toward a more connected, spiritually-grounded, and fulfilled life. When you think of a Christian pastor, you probably don't envision a tattooed thirty-something who wears a motorcycle jacket, listens to hip-hop music, references *The Walking Dead* and Black Lives Matter in his sermons, and every Sunday draws a standing-room only crowd to a venue normally used for rock concerts—in godless New York City, no less. But then you clearly have never met Carl Lentz. As lead pastor of the first United States branch of global megachurch Hillsong, the former college basketball player is on a mission to make Christianity accessible in the 21st century. In *Own The Moment*, he shares the unlikely and inspiring story of how he went from being an average teenager who couldn't care less about church to leading one of the country's fastest-growing congregations—how one day he is trying to convince a Virginia Beach 7-Eleven clerk to attend his service, and just a few years later he is baptizing a global music icon in an NBA player's Manhattan bathtub. Amid such candid personal tales, Lentz also offers illuminating readings of Bible passages and practical tips on how to live as a person of faith in an increasingly materialistic world. How do you maintain your values—and pass them onto your children—in a society that worships money and sex and fame? How do you embrace your flaws in this Instagram era that exalts the appearance of perfection? How do you forget about “living the dream” and learn to embrace the beauty of your reality? These are just a few of the many important questions Lentz answers in *Own The Moment*—a powerful book that redefines not just Christianity but spirituality as a whole.

STOP FOR A MOMENT. Are you here right now? Is your focus on this page? Or is it roaming elsewhere, to the past or future, to a worry, to your to-do list, or to your phone? Whether you're simply browsing, talking to friends, or trying to stay focused in an important meeting, you can't seem to manage to hang on to your attention. No matter how hard you try, you're somewhere else. The consequence is that you miss out on 50 percent of your life—including the most important moments. The good news: There's nothing wrong with you—your brain isn't broken. The human brain was built to be distractible. The even better news: You can train your brain to pay attention more effectively. Stay with me a little longer and soon you will be able to: Focus without all the struggle. Take back your attention from the pull of distraction. And function at your peak, for all that truly matters in your life.

Named one of the top health and wellness books for 2016 by MindBodyGreen Depression is not a disease. It is a symptom. Recent years have seen a shocking increase in antidepressant use the world over, with 1 in 4 women starting their day with medication. These drugs have steadily become the panacea for everything from grief, irritability, panic attacks, to insomnia, PMS, and stress. But the truth is, what women really need can't be found at a pharmacy. According to Dr. Kelly Brogan, antidepressants not only overpromise and underdeliver, but their use may permanently disable the body's self-healing potential. We need a new paradigm: The best way to heal the mind is to heal the whole body. In this groundbreaking, science-based and holistic approach, Dr. Brogan shatters the mythology conventional medicine has built around the causes and treatment of depression. Based on her expert interpretation of published medical findings, combined with years of experience from her clinical practice, Dr. Brogan illuminates the true cause of depression: it is not simply a chemical imbalance, but a lifestyle crisis that demands a reset. It is a signal that the interconnected systems in the body are out of balance – from blood sugar, to gut health, to thyroid function– and inflammation is at the root. *A Mind of Your Own* offers an achievable, step-by-step 30-day action plan—including powerful dietary interventions, targeted nutrient support, detoxification, sleep, and stress reframing techniques—women can use to heal their bodies, alleviate inflammation, and feel like themselves again without a single prescription. Bold, brave, and revolutionary, *A Mind of Your Own* takes readers on a journey of self-empowerment for radical transformation that goes far beyond symptom relief.

Napoleon Hill's timeless classic, *Think and Grow Rich*, has the distinction of being the best read self-help book of the twentieth century. Not so well known is how Hill earned his livelihood before he wrote '*Think and Grow Rich*'. Another classic work of Dr. Hill is '*How to Own Your Own Mind*' which shows the way to stabilise your mind and achieve success in life. As Dr. Hill repeatedly emphasised, action is critical to success. But you must think before you act or your actions will be wasted. These timeless chapters about the importance of thought before action will prove to be very instructive in helping you attain your own Definite Major Purpose. To do so, you must learn how to own your own mind, and this book will tell you how to do it.

From the popular host of *The Astral Hustle*, an accessible guide to hacking your mind--and life--to feel more fully present and alive, even if you're not the "the meditating type." Through his popular podcast *The Astral Hustle* and online meditation course *Release into Now*, Cory Allen has helped thousands of people better cope with the stress of daily life through meditation, mindfulness, and mental clarity. With concise advice and profound simplicity, he manages to cut through the jargon and speak to people where they are, giving them the tools to live in "the wow of now." In this accessible and supportive guide, Allen walks readers through the basics of mindfulness--not as something you should do, but as a tool to achieve greater peace of mind, dial down anxiety and stress, and truly feel like yourself. Informed by a lifelong personal journey, as well as insights gathered through podcast interviews with leaders in mindfulness, neuroscience, and philosophy, *Now Is the Way* is a simple user's manual for living the life you want, one present moment at a time.

Stop thinking of your own well-being as something that's beyond your control. Today's view of wellness is far too often fragmented, focusing on specific symptoms rather than the whole person. In *Vibrant*, Dr. Stacie Stephenson introduces readers to a new and empowering way of looking at health. A recognized leader in functional and integrative medicine, Stephenson has helped thousands by focusing not on treating disease, but on creating health-by giving individuals the knowledge, confidence, and inspiration they need to do so for themselves. By the end of this life-changing book, readers will have the tools to transform their energy, weight, fitness, and general wellness, tackling everything from enhancing sleep quality to building an iron-clad immune system. Beginning with basics such as the truth about the best diet, the critical role of exercise in vitality and longevity, and the importance of human connection, *Vibrant* also dives deeper to give a holistic picture of health and how to achieve it. With helpful breakdowns on supplements, detoxification, and how to think about disease, this is much more than just another wellness book. It's also packed with practical, useful features, including:

- Self-assessment tools to aid you in listening to your body
- A foolproof two-week meal plan
- 40 delicious, healthful chef-created recipes
- 30 days of baby steps to start building the habit of health

With Stephenson's candid and conversational voice, *Vibrant* is like having a friend who also happens to be a leading health authority take you under her wing. Along with practical advice, she shares powerful insights that will change the way you think about everything from exercise to relationships, and sends readers off with an inspirational chapter on how health has a ripple effect that can change your family, your community, and help to create a more vibrant world. With a step-by-step program for making foundational lifestyle shifts, *Vibrant* shows you how to reclaim your health and energy, reverse aging, and glow-not just on the outside, but from deep within yourself.

"Tense, addictive and powered by an unforgettable narrative voice." - PAULA HAWKINS "A stunning debut...Suspenseful? You bet. Heart-rending? From beginning to end."—The Washington Post "Gripping...The voices of Chrissie and Julia reside deep in your skull: visceral and wicked, sad and wonderful, all at the same time." —The New York Times "Fans of Lisa Jewell and smart psychological suspense will eagerly await Tucker's next." —Publishers Weekly, STARRED review "So that was all it took," I thought. "That was all it took for me to feel like I had all the power in the world. One morning, one moment, one yellow-haired boy. It wasn't so much after all." Meet Chrissie... Chrissie is eight and she has a secret: she has just killed a boy. The feeling made her belly fizz like soda pop. Her playmates are tearful and their mothers are terrified, keeping them locked indoors. But Chrissie rules the roost -- she's the best at wall-walking, she knows how to get free candy, and now she has a feeling of power that she never gets at home, where food is scarce and attention scarcer. Twenty years later, adult Chrissie is living in hiding under a changed name. A single mother, all she wants is for her daughter to have the childhood she herself was denied. That's why the threatening phone calls are so terrifying. People are looking for them, the past is catching up, and Chrissie fears losing the only thing in this world she cares about, her child. Nancy Tucker leaves the reader breathless as she inhabits her protagonist with a shocking authenticity that moves the reader from sympathy to humor to horror to heartbreak and back again.

New York Times best-selling author presents a radical alternative to psychotropic meds: discerning the meaning in your symptoms and your struggle as a way to reclaim your health and your self. For years, we've been telling ourselves that our difficult feelings—sadness, rage, shame, intensity, worry—are somehow "not okay." And, all too often, we've relied on the promise of pharmaceuticals to tamp them down. The fact is, though, that these feelings are a vital part of our experience. They are real. And those of us who feel them most strongly are the canaries in the coalmine—sensitive to things that are seriously wrong in the world today. In a book that's both provocative and promising, holistic psychiatrist Kelly Brogan, M.D., author of *A Mind of Your Own*, shows us that we don't have to medicate our mental, emotional, and physical pain away—that the best way out is through. She explodes the mistaken belief that our symptoms—from mood changes to irritability to foggy and fatigue—are evidence that we are sick or broken. Then she charts a new path to get real, get well, and get free. The journey includes:

- Coming to a new appreciation of the meaning behind symptoms, and whether you are a canary in the coal mine
- Learning the 2 major risks of medication that most doctors are not trained to disclose
- Exploring the 5 reversible physical drivers of so-called mental illness
- Starting the process of radical physical healing with inclusive details of Dr. Brogan's history-making 30-day protocol
- Taking an emotional inventory of energy drains and toxic relationships
- Taking a deeper dive into the spiritual awakening and expansion that comes when you reclaim your real self from conventional medicine
- Identifying the most likely places you have given your power away
- Understanding what the science has to say about psychedelics as a tool for awakening
- Navigating health challenges with curiosity and the proper tools
- Guidance, support, and many Travel Tips shared from the trenches! Our experiences, Dr. Brogan argues, aren't problems or pathologies; they reflect what we need to accept, acknowledge, and transform in order to truly become who we are.

Own Your Self is a journey of healing, and also something more: a journey of coming home to ourselves.

In this follow-up to his bestseller *Own the Day, Own Your Life*, Aubrey Marcus turns his attention from optimizing our physiology, to optimizing our mindset, taking you on a journey of 12 universal steps to overcome pathology and create a life of meaning, balance, and high performance. Aubrey Marcus is a successful entrepreneur, sought-after speaker, creator of a hugely popular podcast, and one of the most respected voices in the field of psychedelic medicine. But he is first and foremost a seeker. In his work he shares his experiences openly and invites the world into his deepest and darkest moments, talking openly about his struggles with depression, anxiety, and the painful lessons learned from polyamory. *Master Your Mind, Master Your Life* contains hundreds of clinical citations along with an accumulation of everything Aubrey has discovered from pushing the limits of his physical, emotional, and spiritual self. How do we transition from an action oriented, practical mindset, into the heart-centered presence of spirit? How do we synthesize and bring harmony between the thinking mind and the knowing mind? *Master Your Mind, Master Your Life* provides both practical and philosophical answers to help you overcome your mental resistance. To achieve your goals and create more unity with yourself, you must learn to recognize and accept how the story you tell yourself holds you back. *Master Your Mind, Master Your Life* is a spiritual guide, a collection of stories, and a trusted step-by-step program to help us master our thoughts and navigate any situation. Marcus take us through a hero's journey of emotional and spiritual awakening, backed by the latest science. Each chapter ends with a section called "Into the Dojo," in which he offers two different prescriptive treatments. The first option is universally accessible. The second option is a more advanced method, which includes an exploration of the great transformative practices and medicines of the world. Wise, profound, and brutally honest, Marcus shows you how to fight the programming that keeps you trapped from optimizing your life, teaches you to train your ego, recognize resistance, form a community of allies, face your inner critic, and confront your traumas all to unite your mind, body, and spirit.

From Grammy-Award winning music superstar and actor Tim McGraw comes a one-of-a kind lifestyle book that melds his personal fitness transformation story with practical advice to inspire healthy changes in readers' lives. Tim McGraw is as well-known for his unparalleled

accomplishments in the entertainment industry as he is for his boundless energy—he is the embodiment of vitality and success. But only a decade ago, he found himself struggling with his health. The demands of his meteoric career and life on the road had taken a toll. McGraw came to a crossroads where he knew that unless he made his physical health a priority, he would put his personal happiness and professional success at risk. In *Grit & Grace*, McGraw shares his transformation story along with encouragement, inspiration, and real-life, practical advice to help readers become healthy, strong and fit in mind and body. For the first time, McGraw will share the details of the mental and physical routine that got him in the best shape of his life. He suggests that there is no magic formula to getting stronger and healthier: it is about making a commitment to do and be better, and holding yourself accountable each day. McGraw didn't follow a playbook or have a squad of trainers overseeing his every step. He describes his way of getting into shape as more "maverick"—tuning into a vision of what you personally want to achieve, staying focused, and putting in the work. McGraw says his physical transformation has ignited a whole-life transformation. "My mind is clearer, my sense of purpose is sharper, and my relationships are deeper. Consistent physical exercise helps me bring focus to my life and to the people who mean the most to me." In *Grit & Grace*, McGraw makes this transformation accessible to anyone, sharing with readers the physical and mental tools they can use to create the life they deserve.

By changing our thoughts, we can change our lives. By changing our lives, we can change the world. The power to accomplish these things is within us; it is love. Love is what created us and what we return to. Love is the real power of the universe. *Own Your Power: Day by Day* is a guidebook to spiritual transformation. It teaches valuable spiritual truths and skills—learning to listen to our higher selves rather than our ego selves, accessing the part of us that is connected to unconditional love rather than fear, accepting the importance of forgiveness, and understanding the importance of the invisible energy field that surrounds us. There is an energy in words that can either crush us or heal and elevate us—particularly those words that appear in our own thoughts. Everything we need to succeed and become what we yearn to be is inside of us. Discover a way to access the part of yourself that never left God and that is larger than all the restrictions, limitations, fears, and doubts that society heaps on you. This guide seeks to help you remove spiritual, mental, and emotional blockages; heal your body, mind, and spirit; and move into peace, harmony, and joy.

Channeling the voices and wisdom of the otherworldly Guides, Paul Selig offers a way to expand your view of reality and move towards ultimate manifestation. In 1987, a spiritual experience left Paul Selig clairvoyant. Since then Selig has established himself as one of the foremost spiritual channels in the world. His unique connection has placed him in contact with The Guides, beings of higher intelligence, who share their voices and wisdom through him. Expanding on and transcending his previous work, *Realization*, the first volume in the *Beyond the Known* trilogy, is composed of the pure, unedited words of the Guides as they share their wisdom and knowledge through Selig. It serves a psychological-spiritual guide to take readers beyond the perceived limitations of accepted reality and open their minds to ultimate manifestation.

In his most extraordinary book, the bestselling author of *Awakenings* and "poet laureate of medicine" (*The New York Times*) recounts the case histories of patients inhabiting the compelling world of neurological disorders, from those who are no longer able to recognize common objects to those who gain extraordinary new skills. Featuring a new preface, Oliver Sacks's *The Man Who Mistook His Wife for a Hat* tells the stories of individuals afflicted with perceptual and intellectual disorders: patients who have lost their memories and with them the greater part of their pasts; who are no longer able to recognize people and common objects; whose limbs seem alien to them; who lack some skills yet are gifted with uncanny artistic or mathematical talents. In Dr. Sacks's splendid and sympathetic telling, his patients are deeply human and his tales are studies of struggles against incredible adversity. A great healer, Sacks never loses sight of medicine's ultimate responsibility: "the suffering, afflicted, fighting human subject."

Tired of all the "shoulds" that guide your life? Want to create a life full of meaning? Work on your own terms? See the world a little differently? Then it's time to *Own Your Weird*. Creative entrepreneur Jason Zook certainly walks the walk of "owning his weird." He's had some crazy yet successful schemes -- he's made over a million dollars by having more than 1,600 companies pay him to wear their t-shirt (a project called *I Wear Your Shirt*). Later he auctioned off his last name twice, for \$50K each time. He then self-published his first book *Creativity for Sale* by nabbing sponsors and generating \$75K in revenue. Now *Own Your Weird* is targeted to other potential "out of the box" thinkers who dream not only of doing work on their own terms, but also creating a meaningful life. Consider Jason your spirit guide, offering strategies for honing in on what makes you weird, recognizing when feedback is just another form of procrastination, and how to stop with social media already. There's a specific set of strategies and exercises that can help you prioritize your life over your business, by identifying your MMM (Minimum Monthly Magic) number. He also offers examples from his own life (how he got out of \$124K worth of debt, escaped the pressure to have a big wedding, and has thrived on social media by primarily ignoring it). *Own Your Weird* is the permission slip you need to take that big risk. To finally chase down that big idea. And to let go of "supposed to" thoughts. See how life opens up when you break out of the blueprint.

In *The Way of the SEAL*, ex-Navy Commander Mark Divine reveals exercises, meditations and focusing techniques to train your mind for mental toughness, emotional resilience and uncanny intuition. Along the way you'll reaffirm your ultimate purpose, define your most important goals, and take concrete steps to make them happen. A practical guide for businesspeople or anyone who wants to be an elite operator in life, this book will teach you how to: • Lead from the front, so that others will want to work for you • Practice front-sight focus, the radical ability to focus on one thing until victory is achieved • Think offense, all the time, to eradicate fear and indecisiveness • Smash the box and be an unconventional thinker so you're never thrown off-guard by chaotic conditions • Access your intuition so you can make "hard right" decisions • Achieve twenty times more than you think you can • and much more Blending the tactics he learned from America's elite forces with lessons from the Spartans, samurai, Apache scouts, and other great warrior traditions, Divine has distilled the fundamentals of success into eight powerful principles that will transform you into the leader you always knew you could be. Learn to think like a SEAL, and take charge of your destiny at work, home and in life.

Discover Keith Rosen's powerful roadmap to doubling your productivity, developing your team, achieving your business objectives, and creating more harmony and significance in your life. Sales managers and executives work under intense conditions unique to their roles that traditional time management strategies fail to address. Consequently, many leaders believe it's impossible to develop an effective routine when their time is consumed with phone calls, emails, meetings, texts, internal company challenges, competing priorities, and customer needs constantly demanding their attention. But *Own Your Day* changes all that. In addition to learning time management strategies that will yield immediate results in your life, you will learn how to master the inner game of time management which will enable you to coach your team to thrive and help them improve their personal productivity. Discover how to: Reduce your daily workload and protect your time.

Obliterate your never-ending to-do list. Make time your ally rather than your adversary. Develop a Personal Navigation System that aligns your routine with your goals, values, and priorities. Stop reacting to problems and become hyper-responsive so that you can take charge of your day. Identify and eliminate your time killers that distract you from your priorities, cause stress, and waste time.

Legendary leadership and elite performance expert Robin Sharma introduced *The 5am Club* concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, *The 5am Club* will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, *The 5am Club* is a work that will transform your life. Forever.

ONE OF AMAZON'S BEST BUSINESS BOOKS OF 2018 ONE OF THE FINANCIAL TIMES BUSINESS BOOKS OF THE MONTH ON RELEASE ONE OF BUSINESS INSIDER'S BEST BUSINESS BOOKS TO READ THIS SUMMER A guide to the early morning habits that boost your productivity and relax you—featuring interviews with leaders like Arianna Huffington, General Stanley McChrystal, Marie Kondo, and more. Marie Kondo performs a quick tidying ritual to quiet her mind before leaving the house. The president of Pixar and Walt Disney Animation Studios, Ed Catmull, mixes three shots of espresso with three scoops of cocoa powder and two sweeteners. Fitness expert Jillian Michaels doesn't set an alarm, because her five-year-old jolts her from sleep by jumping into bed for a cuddle every morning. Part instruction manual, part someone else's diary, the authors of *My Morning Routine* interviewed sixty-four of today's most successful people, including three-time Olympic gold medalist Rebecca Soni, Twitter cofounder Biz Stone, and General Stanley McChrystal—and offer timeless advice on creating a routine of your own. Some routines are all about early morning exercise and spartan living; others are more leisurely and self-indulgent. What they have in common is they don't feel like a chore. Once you land on the right routine, you'll look forward to waking up. This comprehensive guide will show you how to get into a routine that works for you so that you can develop the habits that move you forward. Just as a Jenga stack is only as sturdy as its foundational blocks, the choices we make throughout our day depend on the intentions we set in the morning. Like it or not, our morning habits form the stack that our whole day is built on. Whether you want to boost your productivity, implement a workout or meditation routine, or just learn to roll with the punches in the morning, this book has you covered.

We have a strong instinct to belong to small groups defined by clear purpose and understanding—"tribes." This tribal connection has been largely lost in modern society, but regaining it may be the key to our psychological survival.

Decades before the American Revolution, Benjamin Franklin lamented that English settlers were constantly fleeing over to the Indians—but Indians almost never did the same. Tribal society has been exerting an almost gravitational pull on Westerners for hundreds of years, and the reason lies deep in our evolutionary past as a communal species. The most recent example of that attraction is combat veterans who come home to find themselves missing the incredibly intimate bonds of platoon life. The loss of closeness that comes at the end of deployment may explain the high rates of post-traumatic stress disorder suffered by military veterans today. Combining history, psychology, and anthropology, *Tribe* explores what we can learn from tribal societies about loyalty, belonging, and the eternal human quest for meaning. It explains the irony that for many veterans as well as civilians war feels better than peace, adversity can turn out to be a blessing, and disasters are sometimes remembered more fondly than weddings or tropical vacations. *Tribe* explains why we are stronger when we come together, and how that can be achieved even in today's divided world.

INTERNATIONAL BESTSELLER A Best Science Book of 2021—Financial Times "Exhilarating... a vast-ranging, phenomenal achievement that will undoubtedly become a seminal text." —The Guardian "A brilliant beast of a book."—David Byrne Anil Seth's quest to understand the biological basis of conscious experience is one of the most exciting contributions to twenty-first-century science. What does it mean to "be you"—that is, to have a specific, conscious experience of the world around you and yourself within it? There may be no more elusive or fascinating question.

Historically, humanity has considered the nature of consciousness to be a primarily spiritual or philosophical inquiry, but scientific research is now mapping out compelling biological theories and explanations for consciousness and selfhood. Now, internationally renowned neuroscience professor, researcher, and author Anil Seth is offers a window into our consciousness in *BEING YOU: A New Science of Consciousness*. Anil Seth is both a leading expert on the neuroscience of consciousness and one of most prominent spokespeople for this relatively new field of science. His radical argument is that we do not perceive the world as it objectively is, but rather that we are prediction machines, constantly inventing our world and correcting our mistakes by the microsecond, and that we can now observe the biological mechanisms in the brain that accomplish this process of consciousness. Seth has been interviewed for documentaries aired on the BBC, Netflix, and Amazon and podcasts by Sam Harris, Russell Brand, and Chris Anderson, and his 2017 TED Talk on the topic has been viewed over 11 million times, a testament to his uncanny ability to make unimaginably complex science accessible and entertaining.

A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's *The Great American Read* Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.
