On several occasions, I have been opportune to work closely with the author and have found out the he is a fine Christian, hardworking, a man of great honor and no wonder he is writing about the virtue honor. He is very articulate and very good when it comes to the work of God. Honor is not giving but it is acquired through hard work and humility. The writer of this book tries to admonish his readers to always seek the honor from God rather than man. This is the biblical standard and it the one that a good Christian should seek after. Honor from men does not always last and it is always bedeviled with strings. It is only God that gives blessing without attaching strings to it. Men will always expect something in return for any good done. The writer also tries to enumerate the ways to acquire godly honor and the possible pitfalls one should avoid in the quest for godly honor. Honor is a virtue everybody should seek after because godly honor brings respect and makes way for anyone that rightly has it. I have no doubt that when you read through this book it will impart your life positively and makes you a man of honor indeed. "I therefore recommend to you this book, *The Pathway to Honor*, as a book you must read." ~ Pastor Percy O. Adekanle, Resident Pastor of Foursquare Gospel

"The Battle of Identity" is all about how to regain our past glory, honor and authority to rule and reign over every circumstance around us, because man was created to have dominion and to excel in whatsoever he does, hence we're born to rule, but the setback can be recovered. The Book enumerated the principles to recover that which is lost and enter into the divine covenant originally meant for man, by humility and fear of God that will avail tributes blessings of riches, honor and long life as stated in Proverbs 22:4. The book further revealed that there is no solution to the jigsaw puzzle of our lives called "difficult" hence we must learn to hear from God first before we embark the journey of our lives else we may end up on a wild-goose chase that produce nothing. The Battle of our Identity may appear difficult, we are however not alone, we have God's assurance of His presence in our journey of life. When we think we are all alone He watches over us.

Peculiar Treasure is all about those who have learned through obedience, they will be given authority, for they can be trusted to carry out the father's wishes. God gives those who hear His voice, and have learned to obey His voice the right to act on His behalf. They are God's ambassadors. The book of proverbs (putting it succinctly) in proverbs 25:12 "As an earring of gold, and an ornament of fine gold, so is a wise reprove upon an obedient ear". Therefore the unbroken chain of obedience is the secret for receiving the substance of God's promise. God expects trust and total obedience from His people and His children, since we're special possession which is over and above all else. Nevertheless, we must have radical obedient, because it is only through a humbling of ourselves that we will be allowed to walk with God. Thereby become a peculiar treasure unto the Lord.
