The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

Internationally known photographer and philanthropist Jeremy Cowart uses snapshots of his own story to inspire readers with the message that all things are possible when we actively engage our God-given purpose to change the world. Recognized as "the most influential photographer on the Internet," Jeremy Cowart is known as a photographer, hotelier, fund-raiser, teacher, artist, world uniter, lover of life, and man of adventure. What fans don't always know is that Jeremy started out as a failure. Growing up, Jeremy's life was defined by the words I can't do it. Thankfully, Jeremy's parents reprogrammed his mind with a single sentence: I can do all things through Christ who strengthens me. That simple truth propelled Jeremy to achieve greatness in many forms, including running photo shoots with A-list clients, such as Sting, the Kardashians, President Obama, the Pope, and many more, launching the Help-Portrait movement to invest dignity and value in people from underserved communities and who were victims of tragedy, and launching the Purpose Hotel as a for-profit hotel chain designed to fuel the work of not-for-profit organizations. I'm Possible is an extension of Jeremy's belief that greatness must serve a greater purpose. It's a book that will inspire readers with the message that all things are possible when we actively engage our God-given purpose to change the world.
