The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." —Lifhacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: * Create profitable side hustles that you can turn into passive income streams or full-time businesses * Save money without giving up what makes you happy * Negotiate more out of your employer than you thought possible * Travel the world for less * Live for free--or better yet, make money on your living situation * Create a simple, money-making portfolio that only needs minor adjustments * Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.

Passive Income Streams is a beginner's guide to leaving the nine to five rat race and building a financial future for yourself using multiple streams of passive income developed from the ground up and integrated together. Because many of us who have started out in passive income only had very limited resources, we will focus heavily on keeping the costs to a minimum while also discussing the options of outsourcing certain tasks to help maximize time and energy on what's truly important. In this book, we begin by helping you learn the basics of conducting invaluable market research prior to setting off on your path to a passive income. This step ensures that valuable time is spent on viable niches and products. From there, we will discuss five of the most common passive income streams for beginners. This includes: Publishing eBooks on Amazon's Kindle Store, Apple iBooks, Barnes and Nobles Nook, and Kobo. Also discussed is going to print via CreateSpace, which sells your print book Creating a blog that targets your niche and allows for monetization through affiliate programs, advertising, and promoting your other services and products. Developing YouTube content for ad revenue and promoting your other platforms. Creating online courses and building up the audience prior to release day. And creating online stores through affiliate programs and/or drop shipping to create an eCommerce setup without the need to ever ship your own products. With hard work and perseverance, the steps within this guide will set you off on the right path to finally lead yourself to success in the world of earning money while you're asleep, on vacation, or working on a completely different project. Gone are the days of hustling to work in the morning; cheers to wearing pajamas all day, waking up whenever you like, and having financial security!

The revolutionary guide that challenged businesses around the world to stop selling to their buyers and start answering their questions to get results; revised and updated to address new technology, trends, the continuous evolution of the digital consumer, and much more In today's digital age, the traditional sales funnel—marketing at the top, sales in the middle, customer service at the bottom—is no longer effective. To be successful, businesses must obsess over the questions, concerns, and problems their buyers have, and address them as honestly and as thoroughly as possible. Every day, buyers turn to search engines to ask billions of questions. Having the answers they need can attract thousands of potential buyers to your company—but only if your content strategy puts your answers at the top of those search results. It's a simple and powerful equation that produces growth and success: They Ask, You Answer. Using these principles, author Marcus Sheridan led his struggling pool company from the bleak depths of the housing crash of 2008 to become one of the largest pool installers in the United States. Discover how his proven strategy can work for your business and master the principles of inbound and content marketing that have empowered thousands of companies to achieve exceptional growth. They Ask, You Answer is a straightforward guide filled with practical tactics and insights for transforming your marketing strategy. This new edition has been fully revised and updated to reflect the evolution of content marketing and the increasing demands of today's internet-savvy buyers. New chapters explore the impact of technology, conversational marketing, the essential elements every business website should possess, the rise of video, and new stories from companies that have achieved remarkable results with They Ask, You Answer. Upon reading this book, you will know: How to build trust with buyers through content and video. How to turn your web presence into a magnet for qualified buyers. What works and what doesn't through new case studies, featuring real-world results from companies that have embraced these principles. Why you need to think of your business as a media company, instead of relying on more traditional (and ineffective) ways of advertising and marketing. How to achieve buy-in at your company and truly embrace a culture of content and video. How to transform your current customer base into loyal brand advocates for your company. They Ask, You Answer is a must-have resource for companies that want a fresh approach to marketing and sales that is proven to generate more traffic, leads, and sales.

Do you want to learn Passive Income Strategies? If YES, then keep reading... Earning a living takes time, effort and a lot of work. But the problem with most jobs is that once you clock out, you're not earning money anymore. That's no way to get ahead, especially if you're wanting to take some time off now and then. However, more and more people are realizing that it is possible to make money while they sleep, with the power of Passive Income. The internet has created a vast amount of opportunities for you to develop your very own Passive Income Engine, a system in which you use different online services and tools to slowly generate wealth for you at all hours of the day. The internet never sleeps and with billions of people visiting websites each and every day, there has never been a better time to develop your own Passive Income Stream. The Goal of this book is to help you, the reader, pick a few passive income ideas to work off of. You don't have to do everything on this list, but if you picked three of four and worked diligently to set them up, you can be making money in no time! Passive Income can be defined simply as making money without actively contributing any work. While most jobs generate active income, where hours worked= hours paid, passive income relies instead on creating interesting or attractive products and then setting up a method for customers to find said

product with minimal active effort on your part. By building a strong system that attracts people from the outside and converts them to buy whatever product or service you are offering, all you need to do is maintain what you have built, which takes minimal effort and time commitment. It is important to note that building a Passive Engine System requires plenty of work before it is ready to go. It takes discipline, hard work and a willingness to try over and over until you finally figure out what works best for you. Passive Income is like firing a rocket into space. You want to put as much fuel as you can in the rocket at first, because taking off requires a ton of effort. However, once that rocket breaks through the atmosphere and is in zero gravity, pushing the rocket takes considerably less energy. Your work, time and dedication to building a passive income engine will determine the ultimate success of your project. If you want to generate Passive Income, then you will first need to invest either time, money or energy into a project. Depending on the results that you're looking for, you may need to invest large quantities of all three. While it may be easy to think that you can get rich online without much investment, the truth is that most big earners either invested a significant amount of either time or money into their work. Passive Income is a reflection of what you have invested. If you aren't willing to invest resources adequately, you won't see returns. There is simply no way around it. The good news is that while some types of passive income systems require a lot of money, others, such as creative fields, can be done relatively cheap. The harder you work on a project, the more hours you put in, the bigger chance you have of success. There is no guarantee that you will succeed for the first time, especially if you are working in a creative field that often requires some kind of a budget for advertising. However, hustle and elbow grease can go a long way in helping you to achieve your goals of Passive Income. What are You WAITING FOR? Click BUY NOW!
