What even the best researchers of the Illuminati and veiled fraternities such as the Freemasons were never able to fully decipher is spelled out herein for the first time. The power at work behind global affairs and why current planetary powers are hurriedly aligning for a New Order from Chaos is exposed. Most incredibly, one learns how ancient prophets foresaw and forewarned of this time. ZENITH 2016 REVEALS FOR THE FIRST TIME: Unveiled! It started in 2012—the secret Freemasonic countdown for a Global World Leader circa 2016. Disclosed! How recent US Presidents and other global leaders are—and have been—deeply involved in the scheme to enthrone the Man of Sin. Found! The hidden connection between the years 2012, 2014, 2015, 2016, and 2019. Is it really the end!? Revealed! What the world has never heard about the End of the Mayan Calendar. The role that Pope Francis—the FINAL POPE—may play in the year 2016 during the installation of the King of the NWO. The eight-hundred-year-old prophecy of Rabbi Judah Ben Samuel and what it says about the timeframe 2012–2016. What Protestant Reformers believed about the years 2012–2016. Discover what they expected to happen...and predicted. Blood Moons and 2014, 2015, Feast days, and the comet of the century. Is God, Himself, preparing to light the first real candle of Chanukah!? The return of the Watchers and the mysterious, worldwide connection between these angelic NEPHILIM creators and the numbers 33, 2012, and 2016. Internationally acclaimed investigative author Thomas Horn uncovers what you can expect to unfold in the coming days, and, more importantly, what you can do to be prepared for the arrival of the kingdom of Antichrist.

Mogi Franklin and his sister Jennifer are delighted to be attending a high school science conference in New Mexico amidst a hundred thousand acres of meadows, mountains, rivers, and volcanoes far older than recorded time. But their focus quickly changes when they learn of the disappearance fifty years ago of a plane with two hundred pounds of plutonium—and of the terrorist nations vying today to find it in those same mountains. Soon, they are engulfed in a complex web of Russian spies, government lies and deceit, an old box full of clues, and the real possibility that the shipment bound decades ago for nearby Los Alamos national laboratory is indeed hidden tantalizingly close to their conference center. Puzzling over the mystery, Mogi sets out with some friends on a backpacking trip to a remote lake. Too late they realize their mistake, as a minor forest fire suddenly explodes into the most dangerous blaze in the state's history, trapping Mogi and the others right in its path. They're fighting for their lives in this fifth book of the Mogi Franklin Mysteries, and if he's going to come up with a way out, he'd better do it fast!

RADICAL NATION makes it clear what is at stake. If you want to Save America you must read this--it is MAGA all the way." -- PRESIDENT DONALD J. TRUMP "RADICAL NATION is a must-read. Spicer presents a clear and concise understating of the direction we are headed and provides the tools and tactics necessary to combat it." -- NEWT GINGRICH "The Biden-Harris regime is pushing discredited policies that will destroy the very fabric of America. RADICAL NATION provides us with background on the direction they could take us, and ways we can fight back and win." -- DAN BONGINO "RADICAL NATION is critically important. My friend Sean perfectly diagnoses the problems with the Biden presidency and what we can do to save our nation." -- CHARLIE KIRK The Biden-Harris progressive agenda presents a radical change to the American economy, values, national security, and freedom. From the former Trump White House press secretary and New York Times bestselling author of THE BRIEFING and LEADING AMERICA comes a stark warning: Under Joe Biden and Kamala Harris, America is lurching towards economic collapse, runaway inflation, wide-open borders, an all-out assault on human life and religious liberty, a K-12 school indoctrination plan, "election reforms" to ensure never-ending Democratic Party rule, and more. RADICAL NATION is a bold grassroots agenda for defending America against the Progressives' Socialist agenda. Featuring powerful stories that will move you and keep you riveted,

this book will channel conservatives discouragement, anger, and betrayal into meaningful action to keep America free, strong, and secure for our children and grandchildren.

Every person has a story, a personal narrative that informs their life, their decisions, and their way of thinking. But did you know that it also affects the wiring of your brain? Renowned psychiatrist and professor at Harvard Medical School John Sharp, M.D., offers an eight-step process to discovering your unconscious narrative and using your new insight to eradicate the "false truth" that has been at the core of your self-sabotage. His unique approach integrates four core domains of applied psychology—control mastery theory, attachment theory, narrative therapy, and positive psychology—with his own research and professional experience to construct an insightful and soul-searching path to insight. Throughout his step-by-step process, Dr. Sharp provides: · The “Sharp Focus” to distill and emphasize important concepts · Quizzes to help you analyze your internal and external tendencies · “First Impressions” case studies from his professional practice · Awareness, insight, change, and narrative tools to facilitate your transformation · “Gut Checks” to help you figure out if you are ready to move on to the next step in the process Dr. Sharp’s approach is simple and accessible, with the power to wield profound results. Through exercises, quizzes, thorough exploration of case studies, and clear guidance, you will be able to find your false truth, rewrite your story, and transform your life. Once you have flipped the switch of insight, nothing can hold back the light that shines from within.

Are you ready to make changes in your Christian school? Moving Learning Forward in Christian Schools: A Practical Guide for a Mission-Focused Curriculum challenges those involved in Christian schools to consider changes to better prepare students to enter adulthood and impact the world. Readers will gain insights into: •How current brain research about how the brain learns can be put into practice in classrooms. •How Christian schools can be much more mission-focused than they currently are. •An excellent framework to shift Christian schools’ instructional programs from skills and knowledge (textbook-based) curriculum to focusing on understanding and transfer with improved curriculum, instruction, and assessment. •A perfect platform for developing better integration of biblical concepts in all subject areas. •How the six Facets of Understanding from Understanding by Design provide a vehicle to intentionally include the development of personal characteristics that are Bible based and often related to the school’s mission. •A wonderful guideline for helping Christian schools think systemically about changes needed and for developing a three-to-five-year strategic plan for improving the instructional program. This is your opportunity to consider concrete and practical ideas for school improvement!

In Integrity Counts, lifelong Republican and Georgia Secretary of State Brad Raffensperger speaks out against the former president’s false claims of voter fraud in the 2020 election and hopes to restore confidence and trust in our country’s elections. “Brad Raffensperger put public service above party service, and for that he is a true democracy action hero, and he is also my hero. His book serves as a reminder that American democracy is bigger than any individual candidate or election.” —THE HON. ARNOLD SCHWARZENEGGER, former governor of California Integrity stands as the cornerstone of American democracy. Brad Raffensperger, Georgia Secretary of State, defended American democracy by refusing to bend to demands that he change the legitimate results of the 2020 presidential election in his state. Raffensperger’s defense of democracy made him a target of President Donald Trump for months following the election, culminating in an hour-long phone call in which the president told him, “I just want to find 11,780 votes,” the exact number he needed to win Georgia’s sixteen Electoral College votes. Once again, Raffensperger refused. Georgia voters had spoken. A lifelong conservative Republican who had financially supported President Trump’s reelection campaign and voted for Trump, Raffensperger called for a hand recount of every vote to confirm the results and affirm the integrity of Georgia’s election. Still President Trump persisted in his personal attacks. One of the most troubling questions in the wake of the 2020 election, Raffensperger says, is whether America will see every candidate who loses a major election refuse to accept the results and, instead, set out to raise money and build support on unfounded claims of fraud and corruption. To avoid that prospect, Americans must come to terms with the scope of the problem, but doing so won’t be comfortable for either party. Either party because the 2020 crisis was not unprecedented in Georgia. By November 2020, Raffensperger had been challenging the claims of a “stolen election” for nearly two years. In the fall of 2018, after Democrat Stacey Abrams lost the race for governor of Georgia, she told a crowd of supporters, “So, to be clear, this is not a speech of concession. Concession means to acknowledge an action is right, true, or proper. As a woman of conscience and faith, I cannot concede.” The similarities don’t end there, and when considered with some care, they paint a troubling picture of an all-too-bipartisan willingness to undermine the integrity of our democracy, and the public’s confidence in it, for the sake of personal and partisan gain. Integrity Counts tells Raffensperger’s inspiring story of commitment to the integrity of American democracy.

BECOME A DUMPLING MASTER WITH HELP FROM A TOP CHEF Making delicious, unique dumplings has never been easier with celebrity chef Lee Anne Wong's most coveted recipes and techniques. Each recipe in Dumplings All Day Wong will have you creating one-of-a-kind dumplings that wow your family and friends. With friends and family begging to come over and try a new dumpling recipe from the master again and again, this book will be a go-to in your kitchen for years to come.

In this lively, learned, and wholly engrossing volume, F. González-Crussi presents a brief yet authoritative five-hundred-year history of the science, the philosophy, and the controversies of modern medicine. While this illuminating work mainly explores Western medicine over the past five centuries, González-Crussi also describes how modern medicine’s roots

extend to both Greco-Roman antiquity and Eastern medical traditions. Covered here in engaging detail are the birth of anatomy and the practice of dissections; the transformation of surgery from a gruesome art to a sophisticated medical specialty; a short history of infectious diseases; the evolution of the diagnostic process; advances in obstetrics and anesthesia; and modern psychiatric therapies and the challenges facing organized medicine today. González-Crussi's approach to these and other topics stems from his professed belief that the history of medicine isn't just a continuum of scientific achievement but is deeply influenced by the personalities of the men and women who made or implemented these breakthroughs. And, as we learn, this field's greatest practitioners were, like the rest of us, human beings with flaws, weaknesses, and limitations—including some who were scoundrels. Insightful, informed, and at times controversial in its conclusions, *A Short History of Medicine* offers an exceptional introduction to the major and many minor facets of its subject. Written by a renowned author and educator, this book gives us the very essence of humankind's search to mitigate suffering, save lives, and unearth the mysteries of the human animal. Praise for F. González-Crussi "What Oliver Sacks does for the mind, González-Crussi [does] for the eye in this captivating set of philosophical meditations on the relationship between the viewer and the viewed." —Publishers Weekly, on *On Seeing* "[González-Crussi fuses] science, literature, and personal history into highly civilized artifacts." —The Washington Post, on *There Is a World Elsewhere*

Children will love finding out what it's like to be a monkey with this book, featuring stunning photographs, playful and informative text, jokes, cartoons and masses of things to make and do.

Hendrix was taking London by storm, beginning the journey that would establish him as one of the most influential and charismatic rock stars of all time. Considered by many to be the finest studio portraits ever taken of Hendrix and the Experience, these extraordinary images capture the acclaimed musician at a defining moment in his brief but spectacular career. Since the early 1990s, select photographs from Mankowitz's sessions with Hendrix have been widely used as covers for Hendrix re-issue albums, and are now iconic in their own right. *The Experience: Jimi Hendrix at Mason's Yard* showcases these famous images while reproducing Mankowitz's entire Hendrix portfolio, including his contemporary color reinterpretations of the archive. In an accompanying essay, rock critic and Hendrix historian Richie Unterberger discusses the significance of Mankowitz's photos to the Hendrix legacy and puts the Mason's Yard sessions in the context of Hendrix's explosive rise to fame in 1967. A brief encounter with Jimi when he was enjoying the spotlight for the first time, this is a candid record of a legend.

The most popular schools song and hymn book ever! Combines Come and Praise 1 and 2, giving you the words for 149 traditional and contemporary hymns and songs in one volume.

"The train jerks to a halt, and as I get out at Oxford Circus, Stewart gets out with me. We look at each other, laugh, and make the standard remark about it being a small world. But this is the brilliant collision, one train later and it might all have turned out differently." In this extraordinary memoir, world-renowned guitarist Andy Summers provides a revealing and passionate account of a life dedicated to music. From his first guitar at age thirteen and his early days on the English music scene to the ascendancy of his band, the Police, Summers recounts his relationships and encounters with the Big Roll Band, Jimi Hendrix, Eric Clapton, the Animals, John Belushi, and others, all the while proving himself a master of telling detail and dramatic anecdote. But, of course, the early work is only part of the story, and Andy's account of his role as guitarist for the Police---a gig that was only confirmed by a chance encounter with drummer Stewart Copeland on a London train---has been long-awaited by music fans worldwide. The heights of fame that the Police achieved have rarely been duplicated, and the band's triumphs were rivaled only by the personal chaos that such success brought about, an insight never lost on Summers in the telling. Complete with never-before-published photos from Summers's personal collection, *One Train Later* is a constantly surprising and poignant memoir, and the work of a world-class musician and a first-class writer.

A trio of festive terror! From the author of the *Shadow Fabric* mythos comes this 70-page Christmas chapbook featuring three stories. *SANTA'S ELITE* While human population fast approaches eight billion, it's up to Santa's special branch to lessen his seasonal workload. *AWAY IN A MANGLER* There's a shop, selling unique gifts, whose proprietor has a horrifying secret or two he does not want shared. *HO HO HOLLOW* Something out in the woods turns a family Christmas into a day of death and despair. "Turning up the heat is Santa's Elite ... A more casual style to this story [and] I wasn't sure exactly what I was expecting from this but in true Cassell style he brought it in. Reference to some fairly close to home stuff for many, this story manages to be respectful in its endeavour to entertain its audience. If you want a gritty festive tale of mutiny you've got it." - Rebbie Reviews on *Santa's Elite* Original publications: *SANTA'S ELITE* (originally published in *The Horror Collection: White Edition* anthology by KJK Publishing, 2019) *AWAY IN A MANGLER* (originally published in *Bah! Humbug!* anthology by Matt Shaw Publications, 2016) *HO HO HOLLOW* (originally published in *Collected Christmas Horror: Vol. 2* anthology by KJK Publishing, 2018)

Happy Christmas Day This Christmas Day you give your loved ones a gift to the people you love and you can gift your wife a gift to your queen

Marriage between man a woman when ordained by God comes with obstacles, trials, tribulations, and days where one party may not like the other, yet the love remains strong. In this book I share my personal journey on how I experienced infidelity, financial hard times, having to be

lead by a husband who was not yet surrendered to God. I share how God was my guiding light on the journey to a healthy marriage despite me wanting to leave several times. When reading this book, it is my hopes you will see yourself and learn to lean on God for what to do for your troubled marriage, or troubled times within your marriage.

Power Beyond Scrutiny uncovers the forces which distort and limit public debate in the media. From the misuse of politician's expenses to recent phone hacking scandals, establishment corruption has never been more in the headlines. Yet amidst the din of scandal, there have been seismic silences. Justin Schlosberg interrogates these silences - why did a plea bargain which allowed Britain's biggest arms company to escape bribery prosecution, go almost entirely unchallenged in television news? Why did journalists routinely endorse the official explanation of how intelligence analyst David Kelly died, while all but ignoring mounting evidence which undermined it? Why, in 2010, did broadcasters offer an unchallenged platform to critics of Wikileaks but not its supporters? These are some of the questions and imbalances that Schlosberg seeks to address as he explains the nature of public debate in the digital age. In doing so he uncovers a range of news blockages that are more than just accidents of a fragmented, chaotic mediascape. They are ultimately ideological forces which ensure that contestability and dissent remain within definable limits.

Being a Mom Boss means you need a Boss level Planner! Finally take total control of your priorities with this mom boss weekly planner.
