Play is how young children learn. Use Literacy Play Centers for students in grades PK–K to build understanding of literacy, mathematics, and community. The book includes 15 centers, including Grocery Store, Doctor's Office, Barbershop/Hair Salon, Post Office, Florist Shop, and Bank. The fun role-playing activities help students develop cooperation, negotiation, and sharing while incorporating phonemic awareness, letters of the alphabet and their sounds, rhyming words, syllables, concepts of print, number and shape recognition, graphing, and estimation. This 160-page book includes detailed procedures, goals, objectives, a list of theme-related children's literature, skills indexes for math and language arts, and information on embedding assessment throughout the year.

In the Dear John letter Daddy left for Mother and me, on a Saturday afternoon in early June 1996, on the inlaid Florentine table in the front entry of our house, which we found that night upon returning from a day spent in the crème-colored light of Neiman's, Daddy wrote that he was leaving us because Mother was crazy, and because she'd driven me crazy in a way that perfectly suited her own insanity. In a memoir studded with delicious lines and unforgettable set pieces, Robert Leleux describes his East Texas boyhood and coming of age under the tutelage of his eccentric, bewigged, flamboyant, and knowing mother. Left high and dry by Daddy and living on their in-laws' horse ranch in a white-pillared house they can't afford, Robert and Mother find themselves chronically low on cash. Soon they are forced into more modest quarters, and as a teenaged Robert watches with hilarity and horror, Mother begins a desperate regimen of makeovers, extreme plastic surgeries, and finally hairpiece epoxies---all calculated to secure a new, wealthy husband. Mother's strategy takes her, with Robert in tow, from the glamorous environs of the Neiman Marcus beauty salon to questionable surgery offices and finally to a storefront clinic on the wrong side of Houston. Meanwhile, Robert begins his own journey away from Mother and through the local theater's world of miscast hopefuls and thwarted ambitions---and into a romance that surprises absolutely no one but himself. Written with a warmth and a wicked sense of fun that lighten even the most awful circumstances, *The Memoirs of a Beautiful Boy* is a sparkling debut.

The story is about a Tamil immigrant family whose bread winner, a surgeon turned a civil servant namely Dr.Ratnam , experiences an avalanche of changes after Malaysia's independence from Britain and how that sadly changes him and those around him and through him the reader gets to know the many historical events like the bloodiest race riot between the Malay majority community and their Chinese counterparts who dominated the commerce and other events of Malaya/Malaysia from ancient times to the 21st century. The latter part of the book deals with the daughter of the family Oormila who runs away from an arranged marriage only to be pursued with vengeance untold by the spurned groom a certain interesting fellow named Kevin Venkat aka VK who utilizes a wizard to track and end her. So questions remain, whether she will be saved. Is by her family or by others? Could be the childhood friend Michael Soekatno a debonair of a character who hails from a wealthy and mysterious family who had broken her heart whilst she was pursuing her BA in England . And who amongst the friends and family she was familiar with had helped the wizard with inside information that assisted the wizard to get closer to ending her.

The Beatles' hair changed the world. As their increasingly wild, untamed manes grew, to the horror of parents everywhere, they set off a cultural revolution as the most tangible symbol of the Sixties' psychedelic dream of peace, love and playful rebellion. In the midst of this epochal change was Leslie Cavendish, hairdresser to the Beatles and some of the greatest stars of the music and entertainment industry. But just how did a fifteen-year-old Jewish school dropout from an undistinguished North London suburb, with no particular artistic talent or showbusiness connections, end up literally at the cutting edge of Sixties' fashion in just four years? His story – honest, always entertaining and inspiring – parallels the meteoric rise of the Beatles themselves, and is no less astounding.

It is one of Australia's worst unsolved crimes. On a Friday afternoon as the wind down to the weekend begins, two women are held hostage in a hairdressing salon. They scream and fight for their lives, but they face a killer's frenzied rage. Two unlikely victims and an unlikely crime scene at an unlikely time of day. No motive, no weapon found, no known offender; but, someone, somewhere, knows the truth. It is a long time to keep such a shocking secret - it has now been more than 20 years. Former journalist Leonie Wallace overcomes her own fears to examine in depth this heinous crime, tracing the lives of those closely connected, including members of the victims' families, witnesses and suspects, to present some important and surprising revelations. This is a disturbing account, however, it is not just a book about murder. Many more layers exist. It is also a story of great courage and love as those at its epicentre continue their quest for justice and closure.

After hairdresser Daisy Thorne finds her missing scissors in a customer's back, she becomes the prime suspect in a murder . . . When Ooh La La regular Mel Haverstock left the hair salon that morning, no one expected it would be her final parting. But when Daisy closes shop Saturday night, she finds her client dead as the mullet cut. Homicide is back in style in the quiet village of Edgemead in Surrey, England. But who would want to harm a hair on poor Mel's head? Suspicions higher than a beehive pile on Daisy when it's revealed that she and Mel had tangled back in high school, and DNA evidence seems to color her guilty. Handsome DCI Paul McGuinness gives the hairstylist new accessories—a lovely pair of silver handcuffs. To clear her name, Daisy must highlight the real backstabber, or she'll end up shaving heads in the prison barbershop. No More Hair Drama is a non-fiction book that chronicles the journey that an African American woman has taken in the world of hair through the many different styles, processes, times, and attitudes toward African American women and their hair. It is designed to be a learning tool showing the many challenges and pressures that have been put on African American women regarding hair. This book is a true testament of the African American woman's journey into the pursuit of the perfect and ideal style and how that, at times, ties into a woman's self-esteem. The chapters in the book take the readers on a walk through the past, present, and future of hair. More specifically, the book provides details on historical figures such as Madame C.J. Walker and the Bronner Brothers, hair care through the decades, spiritual, health, and cultural aspects of hair, the perspectives of men and women, and the relationship with corporate structures. After I locked my hair on December 26, 2001, my mission was to tell a story about my plight in finding myself through my hair, being comfortable in my skin, loving my distinct African features, and truly loving who God made me to be. It is my estimation that women of African descent continually connect hair with self-esteem and self-worth to the degree that we look at extremes if our hair is nappy or kinky then it is bad and if our hair is straight or loosely curled then it is good. *No More Hair Drama* is designed to be uplifting, inspiring, empowering, and a conversation piece for African American women and women in general.
