One of Apple's Most Anticipated Books of Winter 2021 A quest to explore some of the most spectacular ancient cities in human history—and figure out why people abandoned them. In *Four Lost Cities*, acclaimed science journalist Annalee Newitz takes readers on an entertaining and mind-bending adventure into the deep history of urban life. Investigating across the centuries and around the world, Newitz explores the rise and fall of four ancient cities, each the center of a sophisticated civilization: the Neolithic site of Çatalhöyük in Central Turkey, the Roman vacation town of Pompeii on Italy's southern coast, the medieval megacity of Angkor in Cambodia, and the indigenous metropolis Cahokia, which stood beside the Mississippi River where East St. Louis is today. Newitz travels to all four sites and investigates the cutting-edge research in archaeology, revealing the mix of environmental changes and political turmoil that doomed these ancient settlements. Tracing the early development of urban planning, Newitz also introduces us to the often anonymous workers—slaves, women, immigrants, and manual laborers—who built these cities and created monuments that lasted millennia. *Four Lost Cities* is a journey into the forgotten past, but, foreseeing a future in which the majority of people on Earth will be living in cities, it may also reveal something of our own fate.

But when the party comes to a sudden halt, Kayla realizes that it was no love potion that Alice put in the punch. This terrifying tale is rated a Level 4 on the Creep-o-Meter.

NEW YORK TIMES BESTSELLER - In these hilarious essays, the Saturday Night Live head writer and Weekend Update co-anchor learns how to take a beating. "I always wanted to punch his face before I read this book. Now I just want to kick him in the balls."--Larry David
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *Cosmopolitan* - *Vulture* - *Parade* If there's one trait that makes someone well suited to comedy, it's being able to take a punch--metaphorically and, occasionally, physically. From growing up in a family of firefighters on Staten Island to commuting three hours a day to high school and "seeing the sights" (like watching a Russian woman throw a stroller off the back of a ferry), to attending Harvard while Facebook was created, Jost shares how he has navigated the world like a slightly smarter Forrest Gump. You'll also discover things about Jost that will surprise and confuse you, like how Jimmy Buffett saved his life, how Czech teenagers attacked him with potato salad, how an insect laid eggs inside his legs, and how he competed in a twenty-five-man match at *WrestleMania* (and almost won). You'll go behind the scenes at SNL and Weekend Update (where he's written some of the most memorable sketches and jokes of the past fifteen years). And you'll experience the life of a touring stand-up comedian--from performing in rural college cafeterias at noon to opening for Dave Chappelle at Radio City Music Hall. For every accomplishment (hosting the Emmys), there is a setback (hosting the Emmys). And for every absurd moment (watching paramedics give CPR to a raccoon), there is an honest, emotional one (recounting his mother's experience on the scene of the Twin Towers' collapse on 9/11). Told with a healthy dose of self-deprecation, *A Very Punchable Face* reveals the brilliant mind behind some of the dumbest sketches on television, and lays bare the heart and humor of a hardworking guy--with a face you can't help but want to punch.

"Public figures as you rarely if ever hear them: strikingly personal, surprisingly open, and profoundly emotional." — Entertainment Weekly "I'm

British, so I'm medically dead inside, but even I can't help but open up whenever I talk to Marc. He uses his honesty like a scalpel, cutting himself open in front of anyone he's talking to, and in doing so, invites you to do the same." —John Oliver From the beloved and wildly popular podcast WTF with Marc Maron comes a book of intimate, hilarious and life changing conversations with some of the funniest, and most important people in the world like you've never heard them before. Waiting for the Punch features the stories and thoughts of such luminaries as Amy Schumer, Mel Brooks, Will Ferrell, Amy Poehler, Sir Ian McKellen, Lorne Michels, Judd Apatow, Lena Dunham, Jimmy Fallon, RuPaul, Louis CK, David Sedaris, Bruce Springsteen, and President Obama. This book is not simply a collection of these interviews, but instead something more wondrous: a running narrative of the world's most recognizable names working through the problems, doubts, joys, triumphs, and failures we all experience. With each chapter covering a different topic: parenting, childhood, relationships, sexuality, success, failures and others, Punch becomes a sort of everyman's guide to life. Barack Obama candidly discusses the challenges of the presidency, and the bittersweet moments of seeing your children grow up. Amy Schumer recounts the pain of her parents' divorce. Molly Shannon uproariously remembers the time she and her best friend hopped a plane from Ohio to New York City when they were twelve on a dare. Amy Poehler dishes on why just because you become a parent doesn't mean you have to like anybody else's kids but your own. Bruce Springsteen expounds on the dual nature of desperation to both motivate and devastate. Full of stories that are at once laugh-out loud funny, heartbreakingly honest, joyous, tragic and powerful, Waiting for the Punch is a book to be read from cover to cover, but it is also one to return to again and again.

When an on-court fight broke out between the Houston Rockets and the LA Lakers just before Christmas 1977, Rudy Tomjanovitch raced to break it up. He was met by Kermit Washington's fist. This is the story of how one punch changed two lives, the NBA and how we think about basketball, forever.

Whoopi's toxic relationship with Rosie. Barbara's difficulty stepping away. Plus, all the unseen hugs, snubs, tears—and one dead rodent. *Ladies Who Punch* shows why *The View* can be mimicked and mocked, but it can never be matched.

Combining research, anecdotes, and interviews with coaches and fighters, *Seconds Out* looks at the history of women in the ring, the challenges of training, and the nuances of fighting while female. She shares her own experiences, good and bad, as she takes on her first few amateur fights. With the literary acumen and panache of fighting's greatest writers, like A. J. Leibling, Joyce Carol Oates, and Katherine Dunn, but from the perspective of someone who has been in the ring, *Seconds Out* brilliantly explores our culture's relationship with violence, particularly when it is practiced by women.

Drawing on personal recollections from key players including Tony Blair, David Cameron, Harriet Harman, William Hague and Vince Cable alongside their unique knowledge, Hazarika and Hamilton take you behind the scenes of some of the biggest PMQs moments.

“Electric, surprising, and tightly plotted . . . A compelling writer to watch.” —Adrienne Westenfled, *Esquire* “A gripping, big-hearted thriller . . . whip-smart and surprisingly funny.” —Harlan Coben *The Nightworkers* is an electrifying debut crime novel from Brian Selfon about a Brooklyn family of money launderers thrown into chaos when a runner ends up dead and a bag of dirty money goes missing. Shecky Keenan's family is under fire—or at least it feels that way. Bank accounts have closed unexpectedly, a strange car has been parked near the house at odd hours, and Emil Scott, an enigmatic artist and the family's new runner, is missing—along with the \$250,000 of dirty money he was carrying. Shecky lives in old Brooklyn with his niece Kerasha and nephew Henry, and while his deepest desire is to keep his little makeshift family safe, that doesn't stop him from taking advantage of their talents. Shecky moves money for an array of unsavory clients, and Henry, volatile and violent but tenderhearted, is his bagman. Kerasha, the famed former child-thief of Bushwick, is still learning the family trade, but her quick mind and quicker fingers are already being put to use. They love one another, but trust is thin when secrets are the family trade. And someone will be coming for that missing money—soon. Inspired by a career that has included corruption cases and wiretaps as an investigative analyst for New York law enforcement, Brian Selfon unspools a tale of crime and consequence through shifting perspectives across the streets, alleys, bodegas, and art studios of Brooklyn. *The Nightworkers* is an evocative blend of genres: a literary crime thriller with a mystery at the center of its big beating heart: What really happened to Emil Scott, and what can the future possibly hold for a family when crime is what keeps them together?

Following his appearances on Conan and his Comedy Central special, Brian Scolaro releases his first book of his jokes, rants and musings. "How to Punch a Monkey" is a ridiculous journey through the mind of one of America's best underrated comedians. It contains his thoughts on topics like social media, death, being fat, sneezing, New York, sports, good-looking people, and the lighter side of his battle with multiple sclerosis, as well as nonsensical sketches like a conversation with his penis, the Ten Commandments writing session, an Old West Sheriff who pronounces the word "posse" wrong, and things never said by Mother Teresa. He goes from silly... I have self worth. I just don't use it. I finally had Pissghetti. It was disgusting. Frankenberry was the first openly gay monster. God must be tired of organ music by now. A NEW YORK TIMES EDITORS' PICK • A TODAY SUMMER READING LIST PICK • AN ENTERTAINMENT WEEKLY BEST DEBUT OF SUMMER PICK • A PEOPLE BEST BOOK OF SUMMER PICK A poetic and raw coming-of-age memoir about Blackness, masculinity, and addiction "Punch Me Up to the Gods obliterates what we thought were the

limitations of not just the American memoir, but the possibilities of the American paragraph. I'm not sure a book has ever had me sobbing, punching the air, dying of laughter, and needing to write as much as Brian Broome's staggering debut. This sh*t is special." —Kiese Laymon, New York Times bestselling author of Heavy "Punch Me Up to the Gods is some of the finest writing I have ever encountered and one of the most electrifying, powerful, simply spectacular memoirs I—or you—have ever read. And you will read it; you must read it. It contains everything we all crave so deeply: truth, soul, brilliance, grace. It is a masterpiece of a memoir and Brian Broome should win the Pulitzer Prize for writing it. I am in absolute awe and you will be, too." —Augusten Burroughs, New York Times bestselling author of Running with Scissors

Punch Me Up to the Gods introduces a powerful new talent in Brian Broome, whose early years growing up in Ohio as a dark-skinned Black boy harboring crushes on other boys propel forward this gorgeous, aching, and unforgettable debut. Brian's recounting of his experiences—in all their cringe-worthy, hilarious, and heartbreaking glory—reveal a perpetual outsider awkwardly squirming to find his way in. Indiscriminate sex and escalating drug use help to soothe his hurt, young psyche, usually to uproarious and devastating effect. A no-nonsense mother and broken father play crucial roles in our misfit's origin story. But it is Brian's voice in the retelling that shows the true depth of vulnerability for young Black boys that is often quietly near to bursting at the seams. Cleverly framed around Gwendolyn Brooks's poem "We Real Cool," the iconic and loving ode to Black boyhood, Punch Me Up to the Gods is at once playful, poignant, and wholly original. Broome's writing brims with swagger and sensitivity, bringing an exquisite and fresh voice to ongoing cultural conversations about Blackness in America.

"In this hilariously irreverent collection of essays, Jen Mann, nationally bestselling author of People I Want to Punch in the Throat, turns her mordant wit on the holidays. On Mann's naughty list: mothers who go way overboard with their Elf on the Shelf, overzealous carolers who can't take a hint, and people who write their Christmas cards in the third person ("Joyce is enjoying Bunko.' Yeah, Joyce, we know you wrote this letter."). And on her nice list... well, she's working on that one. Here, no celebration is off-limits. The essays include: You Can Keep Your Cookies, I'm Just Here for the Booze; Nice Halloween Costume. Was Skank Sold Out?; Why You Won't Be Invited to Our Chinese New Year Party.
