A fascinating study of the Winding Sheet Our Lord was wrapped in (now in Turin, Italy) with a comparison from the visions of four famous mystics: St. Bridget of Sweden, Ven. Mary of Agreda, Ven. Anne Catherine Emmerich and Therese Neumann. Most moving.

Mother of Church Is a collection of writings and addresses on Our Lady by Pope John Paul II. He has already given to the Church profound and inspiring doctrine on Our Lady. In his teaching he always sees Mary as inseparably linked to Christ and as intimately associated with the life and mission of Church. This has been clear from the very beginning of his Pontificate when he placed his entire future ministry under Mary's maternal care. Pope John Paul's teaching on Mary is profoundly biblical in inspiration and we see in her real, living person, with human emotions and feelings. She lives by faith, proceeding step by step along her pilgrim way, at times in the midst of darkness. She also comes across to us as someone who fully shares day-to-day human concerns, while at the same time dedicating her whole being without reserve to God's transcendent purposes. She remains within reach. She is very near to each one of us, someone whose help we can rely on and whose virtues we can always look to as a model for our lives. -- BACK COVER.

The first historical appraisal of the astonishing life and times of a controversial twentieth-century saint Padre Pio is one of the world's most beloved holy figures, more popular in Italy than the Virgin Mary and even Jesus. His tomb is the most visited Catholic shrine anywhere, drawing more devotees than Lourdes. His miraculous feats included the ability to fly and to be present in two places at once; an apparition of Padre Pio in midair prevented Allied warplanes from dropping bombs on his hometown. Most notable of all were his stigmata, which provoke heated controversy to this day. Were they truly God-given? A psychosomatic response to extreme devotion? Or, perhaps, the self-inflicted wounds of a charlatan? Now acclaimed historian Sergio Luzzatto offers a pioneering investigation of this remarkable man and his followers. Neither a worshipful hagiography nor a sensationalist exposé, Padre Pio is a nuanced examination of the persistence of mysticism in contemporary society and a striking analysis of the links

between Catholicism and twentieth-century politics. Granted unprecedented access to the Vatican archives, Luzzatto has also unearthed a letter from Padre Pio himself in which the monk asks for a secret delivery of carbolic acid—a discovery which helps explain why two successive popes regarded Padre Pio as a fraud, until pressure from Pio-worshipping pilgrims forced the Vatican to change its views. A profoundly original tale of wounds and wonder, salvation and swindle, Padre Pio explores what it really means to be a saint in our time.

Introduces young readers to Catholic beliefs as expressed in the Catechism of the Catholic Church.

"I put before you the one great thing to love on earth: the Blessed Sacrament." —J.R.R. Tolkien Eucharistic adoration according to Fr. Frederick Faber is "the queen of all devotions." Pope St. Pius X taught that it was the devotion "most profitable for our salvation." And St. Gemma Galgani treasured it as "the school of Paradise where one learns how to love." So many popes and saints exhort us to spend time with our Eucharistic Lord. And the Manual for Eucharistic Adoration will enrich your hours with Him. Part One, "Preparing for Eucharistic Adoration," answers these questions: -What is Eucharistic adoration, and why is it so important? -What does Scripture teach about this devotion? -What are the fruit of Eucharistic adoration? -How should I spend my time with Jesus in the Blessed Sacrament? Part Two, "Aids in Eucharistic Adoration," provides these essential resources: -Teaching about the Eucharist from Scripture and Church documents -Scripture verses for adoration, wisdom and inspiration from saints especially devoted to our Eucharistic Lord -Prayers, Rosary meditations, reflections and hymns Mother Teresa once said: "The time you spend with Jesus in the Blessed Sacrament is the best time you will spend on earth." Take this great saint's words to heart. Then take the Manual for Eucharistic Adoration when you go to meet Him, and keep it with you Spiritual Communions and other moments of spontaneous adoration throughout the day.

We do not create prayer," writes Kenneth Leech, "but merely prepare the ground and clear away obstacles. Prayer is always a gift, a grace, the flame which ignites wood; the Holy Spirit gives prayer." From George Washington's orders for troops to attend divine services to Abraham Lincoln's annual day of thanksgiving to Harry S. Truman's annual day of prayer, America's leaders of the past have a tradition of faith, especially in times of crises.

PASSION PRAYER OF JESUS THE CHRIST The 7 Secret Principles of Jesus

Angels and saints. Catholics tend to think of them as different from the rest of us. They're cast in plaster or simpering on a holy card, performing miracles with superhero strength, or playing a harp in highest heaven. Yet they are very near to us in every way. In this lively book, Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance. The truth is that Jesus Christ has united heaven and earth in a close communion. Drawing deeply from Scripture, Dr. Hahn shows that the hosts of heaven surround the earthly Church as a "great cloud of witnesses." The martyrs cry out from heaven's altar begging for justice on the earth. The prayers of the saints and angels rise to God, in the Book of Revelation, like the sweet aroma of incense. Dr. Hahn tells the stories of several saints (and several angels too) in a way that's fresh and new. The saints are spiritual giants but with flesh-and-blood reality. They have strong, holy ambitions—and powerful temptations and opposition that must be overcome. Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives. In this telling of their story, the saints are neither otherworldly nor this-worldly. They exemplify the integrated life that every Christian is called to live. Still, their lives are as different from one another as human lives can be. Dr. Hahn shows the heavenly Church in all its kaleidoscopic diversity—from Moses to Mary, Augustine to Therese, and the first century to the last century. Only saints will live in heaven. We need to be more like the saints if we want to live in heaven someday. Dr. Hahn shows us that our heavenly life can begin now. It must.
