War never changes. The Fallout franchise certainly has, however. In 2008 Bethesda revived Interplay's famous "Post Nuclear Role Playing Game", moving from third person to first person, and from the west coast to the east coast. You are the Lone Wanderer, an outcast from Vault 101 who sacrifices a relatively easy life in order to brave the terrors of the post-apocalyptic Wasteland and find your Dad, whose mysterious departure from Vault 101 sets a chain of events in motion that will change the Capital Wasteland forever... This guide is intended to be the ultimate completionist's guide to Fallout 3. ?The guide offers the following: - Every area in the game covered extensively including all side quests and main quests. - All the Bobbleheads, skill books and schematic locations. - A full trophy/achievement guide. - An in-depth information about character creation is also provided so you can create whatever Vault Dweller suits you best. - Good, evil and neutral alternatives to quests will be presented where applicable. Become the Last, Best Hope of Humanity... or add to the continuing sum of human misery in your selfish quest for survival. Sneak past foes, talk your way out of confrontations, shoot everything in the head, or create a character who can do it all. The Wasteland is a big, dangerous place, and this guide will help you experience as much as possible.

*** ATTENTION! This guide is a work-in-progress guide. That means that it, currently, doesn't cover the whole game. However, it's being worked on and will be updated regularly. Please bear that in mind before you decide to buy the guide. Thank you. *** Welcome, welcome, please come right on in (but mind the Moogles resting there on the floor). I see you're a weary traveller and you're looking for some guidance as you navigate your way around Midgar. Well, you've certainly come to the right place, I can alleviate those frustrations and anger and let you in on some of Midgar's greatest secrets, including: * My one-of-a-kind guidance through each and every chapter. * I overheard someone gossiping in the weapons shop the best ways to beat the biggest, nastiest, boss-like monsters. * You do look like you have a compassionate side, I can help you gain favor with the locals by helping all of them out with their side-quests. * Don't forget, you'll need pockets full of Materia to keep you safe. I'm sure I can tell you everything you need to know about it. * Do you like shiny weapons? Would you be interested in finding out how to get them all and how you can fully upgrade them? Who am I kidding? Of course you do! * Someone dropped this list of every animal you can come across in Midgar. Think you'd be interested in it? * I see you're eyeing up my impressive trophy collection. If you're nice, I'm sure I can tell you how I earned every last one of them, including that super-shiny platinum one. If you think you'd like my help, then I'll gladly sell you this weighty strategy guide walkthrough I put together. However, don't tell my boss. It's 100% unofficial and unauthorized, so keep it a secret between you and me, yea? Thanks! You're awesome. Disclaimer: No Chocobo's or Moogles were harmed in the making of this guide. However, many, *many* evil monsters were.

An online criminal craves real-life danger, but her flawed instincts may cost her new crew everything. Rafael Santos didn't get the nickname 'Goldie Locks' for his shimmering blond curls. His hair is as black as his criminal heart. No, it's his Midas touch. His ability to earn--coupled with a love for theft and technology--has gained him the coveted Number Two position in the Covington Heights crew. The problem is...after a murder that sent their regular clients packing, even his numbers are down. Now, finding new sources of illegal income is his number one priority. Marigold Pfeifer is the fairy princess of online deceit. She can slip her computer viruses into a system at the blink of an eye and steal personal information in a twinkly flash. And that's exactly what she does when screen name 'GoldieLocks' slides into her instant messenger. What'd he expect? A gift card? But when the naïve hacker rides the train uptown to check out mysterious Covington Heights, she's approached by the leader of the crew and forced to think fast on her feet. A hate-filled rivalry sparks between her and Rafael--and with it a deviously sinful attraction. Will real-life criminals and the danger they breed be enough to wise up the goth-pixie with zero street smarts when she must navigate dark waters--or will her flawed instincts burn all she's worked for to the ground?

Six people, from very different backgrounds, get thrown together in a series of tumultuous events. A Pulse fal'Cie (a demi-god) has been found in the seaside town of Bodhum, a place where the fates of everyone converge and the discovery sets in motion a chain of events that will change the world forever. An innocent fireworks display in the town soon turns nasty when government soldiers storm the peaceful celebration and commit everyone to the Purge (sending individuals "contaminated" by the Pulse fal'Cie into exile). This is where your story and legend begins. Can you fight fate? Our guide covers everything you need to complete the game 100% including: - A complete walkthrough of all thirteen chapters. - All Cie'th stone marks and missions completed, with detailed strategies for every one. - Weapons and Shop lists and much more! Coming Soon Version 1.1 - A detailed guide on the optimum Crystarium paths for all characters as well as optional uses for them. - An upgrade guide for the most efficient way to level up your weapons to save you time and a lot of Gil. - Complete trophy/achievement guide.

After a years-long cold war between the Kingdom of Lucis and the empire of Niflheim over the world's last crystal, an armistice is finally agreed upon. As part of the peace treaty, the heir to the Lucian throne Noctis Lucis Caelum is to marry Lady Lunafreya Nox Fleuret, an oracle from the imperial province of Tenebrae. After Noctis sets out to meet his betrothed, the treaty collapses. Merely a ruse to bring down the magical barrier protecting Lucis, Niflheim invades and takes the kingdom and the crystal for itself. With the treaty in tatters and his father and betrothed believed dead, Noctis must rely on his own tenacity and the support of his band of loyal followers to get him through what is to come.
