The Teacher's Handbook for Levels 1 & 2 of Music for Little Mozarts serves as an aid in curriculum development and daily lesson planning while providing information related to teaching young children. The suggested lesson plans provide teachers with a starting point to adapt this series for their own teaching situation. A special section provides helpful teaching tips for using the Music Discovery Book and teacher examples for the ear training pages in the Music Workbook are also given. Beginning teachers of young students should find the handbooks extremely useful.

The motivation this music provides is outstanding! Playing duets is important to the musical growth of young pianists. And with Alfred's Top Hits Duet Books, students get twice as many benefits. In addition to learning how to develop steady rhythm, listen for proper balance, and play with appropriate dynamics, students will also receive the enjoyment of playing specially arranged duets of pop music. These duet collections are correlated page-by-page with lesson Books 1B, 2, 3 and 4 of Alfred's Basic Piano Library one of the best-selling piano methods in the world (it's translated into 13 languages). All four duet books feature the best-known popular songs from films, Broadway musicals and best-selling CDs. The arrangers selected for this series include Alfred's best-known composers including Dennis Alexander, Tom Gerou, Margaret Goldston, Martha Mier, Catherine Rollin and George Peter Tingley.

More than 3-million adult students have learned to play the piano using this well-sequenced course. Perfect for beginners who prefer a chord approach, students learn how to play chords in either hand in order to move beyond simply playing single note melodies. The course contains outstanding songs such as "The Entertainer," "Scarborough Fair," "Greensleeves" and "Amazing Grace."

Alfred's Basic Adult All-in-One Course is designed for the beginner looking for a truly complete piano course that includes lesson, theory, technic and popular repertoire in one convenient, all-in-one book. This course has a number of features that make it particularly successful in

achieving this goal, among them are smooth progression between concepts, the thorough explanation of chords and outstanding song material. At the completion of this course, the student will have learned to play some of the most popular music ever written and will have gained a thorough understanding of the basic concepts of music.

Designed to be used in conjunction with Piano 101, Book 1, this collection of popular pieces will help motivate students in continuing their studies.
