Katrina's Grace: Wind, Water and Wisdom takes us on Sandra's journey of recovery from Hurricane Katrina. Join her from a pre-hurricane fall that left her helpless and found her at her daughter's home waiting and wondering what was happening in Gulfport, to first sight of her destroyed home, car, and treasures. The journey continues through a lifetime of memories as lost treasures were unearthed, to the streams of volunteers who came to help her wade through the upheaval, build a temporary living space, and care for her neighbors and others in the community. As we read Sandra's story, we remember our own grief and loss after Katrina or similar disaster experiences. This story speaks not only to the survivors, but to disaster responders who come to pick up the pieces yet don't hear the rest of the story of those with whom they shared an hour or a week, and finally they and all readers are able to feel the pain around the disasters where they served. Additionally, it provides insight for volunteers going into disaster work. A powerful yet sensitive story of dwelling in Grace and the incredible gifts of Grace from nature; from those who prayed, sent gifts, and came; and from living memories. Weaving reflections on lost treasures with journal excerpts, poetry, stories of those who came to help, sent needed materials and supplies, and also prayed, Sandra Price presents stories from a heart-breaking disaster. Katrina's Grace invites us into the depth of Sandra's soul and on into the depth of our own souls. As we read her story, we remember our own disasters and weep, laugh and ponder. And we can understand why Sandra said of Katrina, "I wouldn't have missed it for the world."

"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

On the 20th anniversary of his draft in 1989, former Green Bay Packer Mandarich reveals the reasons why he never achieved what was expected of him. His story is an inspiration for alcoholics and drug abusers, and offers hope for those trying to help themselves out of the nightmare of addiction.

In Power, Freedom, and Grace, Deepak Chopra considers the mystery of our existence and its significance in our eternal quest for happiness. Who am I? Where did I come from? Where do I go when I die? Chopra draws upon the ancient philosophy of Vedanta and the findings of modern science to help us understand and experience our true nature, which is a field of pure consciousness. When we understand our true nature, we begin to live from the source of lasting happiness, which is not mere happiness for this or that reason, but true inner joy. By knowing who we are, we no longer interfere with the innate intelligence of the cosmos. Instead, we allow the universe to flow through us with effortless ease, and our lives are infused with power, freedom, and grace. "This book captures the essence of all of my talks over the last 20 years. It is the distillation of almost everything I have taught up to now." — Deepak Chopra

It is shame that the modern world have lost the edge when it comes to the power of prayer. Prayer is so powerful that in the hand of a righteous person, that a man like us named Elijah prayed earnestly that it will not rain and it did not rain for three and half year. And to show how effective prayer can be, he prayed again and the heavens gave rain. The bible shows us time and time again how the less powerful have used prayer to conquer their adversaries. Our Lord and savior, Jesus Christ told us Mathew 17:20, "I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you. Why will Jesus give us such an assurance? It is because, the weapon we fight with are not the weapons of the sinful world, we the children of God use divine power of God to tear down the strong hold of the evil one. So we must continue to pray even when you think your answers are not coming as quickly as you wanted. Remember when Martha and Mary send a message to Jesus that Lazarus is sick," his sisters sent unto him, saying, Lord, behold, he whom thou lovest is sick" even though the answer took two days to get to the sisters. The most important thing is that Jesus was called and that is when action was put in process and they did not put their request on the righteousness of Lazarus or his status in the ministry or how hard he

works or even what he has given to the Church. The appeal was based on the love of Jesus Christ. "The one whom you love is sick," that is our clue; we must always focus our prayers on the love of God. We also have the confidence that God will answer our prayers if they are in agreement with His will. So I know that anything I ask that is according to His will be answered no matter how sinful the person praying may be. Even though we don't always get yes, but His answer are always in our best interest. And we don't have to follow any secret incantation before praying or offer some unnecessary repetition while praying. And the eloquence of our prayer will not make God answer our prayer. That is why in Matthew 6:7-8, Jesus rebukes those who pray using repetitions, "And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need before you ask him." "The Word of God is full of accounts describing the power of prayer in various situations. The power of prayer has overcome enemies (Psalm 6:9-10), conquered death (2 Kings 4:3-36), brought healing (James 5:14-15), and defeated demons (Mark 9:29). God, through prayer, opens eyes, changes hearts, heals wounds, and grants wisdom (James 1:5). The power of prayer should never be underestimated because it draws on the glory and might of the infinitely powerful God of the universe! Daniel 4:35 proclaims, "All the peoples of the earth are regarded as nothing. He does as he pleases with the powers of heaven and the peoples of the earth. No one can hold back his hand or say to him: 'What have you done?'" So pray and God who loves you first will answer your prayers.

In our Christian walk in this world, we are always presented with choices and subtle offers that can appear appealing. However, we often ignore the small print, either deliberately, or through ignorance. Interestingly, the Israelites, faced similar offers, as they 'negotiated' with Pharaoh for their freedom from slavery. Freedom Bargains explores five subtle offers usually presented to us as alternatives to God's ideal of real and total freedom. It provides lessons from the wisdom of Moses and his attention to detail, in avoiding these subtle traps (schemes), intended to keep believers in perpetual bondage and also provides vital biblical keys for walking in complete freedom. The book details the need to be alert to our life's purpose as spelt out by God, in being able to navigate past all the traps that are intended to trip us into living life below the level God intends for us. It encourages and challenges believers to re-examine God's original intention for setting us free. It encourages us to be alert to and remain steadfast in the liberty with which we have been set free and to let this be manifest in all areas of our lives. The book is written in a contemporary, conversational style with real life (personal, family, social and political) examples which speaks to current popular and social culture and makes it easily accessible to those new to engaging with the Bible as well as more mature believers. This notwithstanding, the book's message is strongly biblical and culturally informed. The chapters include contemporary real-life stories and quotations from a wide spectrum of well-known Christian and political leaders, which will make it easy for most readers to identify with. It is my desire for you to believe again that you can walk in complete freedom in all aspects of your life and to go ahead and live it. Above all, I desire that all believers will rise up and be outward looking to impart their freedom found in Christ, to other people in their various fields of endeavor.

It actually made sense and addressed what it said it would do, which in my opinion is a rarity in these types of books. Like any self-help book, you must read it smart and not take everything the author says as gospel, but see how much of it really applies to what you are looking for. I highly recommend it for anyone hanging on to a lot of old hurts and struggling to get past certain portions of their life. Drew Maddox is a rough Private Investigator who believes what his eyes can see and his senses feel. He has very little use for imagination and flights of fantasy annoy him, yet when a naked woman suddenly appears on the road in front of his truck it sends his brain tumbling and his life into a spiral of myth he can barely comprehend. Pandimora wears her name well, causing her own flurries of Pandemonium just by existing. Born to a mother rumored to have the madness in her, Pandimora is different than most fairies in the Realm of Aisywel. She has little regard for the incredible histories of her people, nor of the supposed rules. While not an outright rebel, she skirts the laws of Faerie propriety, but no more so than when she overhears a conversation her ears should never have found. A high elder, one of the strongest and most magical of her people has committed a crime - and now he knows that she has heard, and seen him. Pandimora has fled, but not before the elder, Lukais wraps his dark tentacles of power around her, poisoning her and barring the doors to her realm - forever. Hurt and grieving, Pandimora awakens on a snowy road - moments from being hit by Drew Maddox's fast moving truck. Her senses muddled, her powers muffled and her entire sense of self shaken, Pandimora reaches out to Drew in desperation, finding in him the young boy she once danced with in a field. With cord of attachment fully realized between them, Faerie magic is at play, pulling them both deep into a mire of intrigue and deceit - one that sets this unlikely pair against an entire realm of mystical beings with their own rules, trials and meanings. "Find Me" is Book One in the new Faeries Lost Trilogy - an epic journey into the center of the unknown and the hearts of two souls that can never be.

The life force, also known as "spirit," is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

"Perhaps you hunger to finally end the struggle of living from a consciousness of fear and separation. Perhaps you yearn for a saner, wiser, more spiritually elegant way to move through our world. Perhaps you are weary of the dizzying pace of a culture that drives us ever further from our true nature. There is another way: a way of Grace. This book is a hand of friendship to help you come to abide in the living presence that you are and always were."—Miranda Macpherson, *The Way of Grace* Many of us struggle to truly live what we believe spiritually. What if closing that gap wasn't about trying harder, but something quite the opposite? *The Way of Grace* is a guide to spiritual surrender and nondual realization based on the practice of ego relaxation—a holistic, feminine approach to welcoming all of your experience and responding with compassion and wisdom in a world in need of your unique gifts. "Grace has four primary dimensions, or ways that it comes alive," explains Macpherson. "Ego relaxation gives us access to these dimensions, so we can stop trying to beat ourselves into spiritual shape and yield instead to an unshakable presence within." In *The Way of Grace*, she shares reflections, inquiries, and meditation practices for each phase of your journey: • Relaxing into the Ground of Grace—move beyond identification with your personality and return to the felt sense of your connection to Grace as your natural and ever-present foundation • Receiving the Blessings of Grace—move beyond "the spiritual poverty of lack" and rediscover the gift of life in every moment through the portals of trust, humility, patience, and joy • The Transforming Power of Grace—move beyond that which limits your full freedom through forgiveness, compassion, unwinding ego identity, and abiding in your boundless nature • Living the Embodiment of Grace—continue to surrender anything that binds you into self-centered patterns and behaviors and become a "Grace-delivery device," the presence of love here on Earth "Grace will always deepen, season, and bring out the very best in you," writes Macpherson. "You are its embodiment, always and forever." *The Way of Grace* will be your steady companion to "live as the fountain we were made to be, letting the living waters flow to quench our parched and tired Earth." Foreword by Russ Hudson.

The Instant New York Times Bestseller! A speculative thriller in the vein of The Handmaid's Tale and The Power. Optioned by Universal and Elizabeth Banks to be a major motion picture! "A visceral, darkly haunting fever dream of a novel and an absolute page-turner. Liggett's deeply suspenseful book brilliantly explores the high cost of a misogynistic world that denies women power and does it with a heart-in-your-throat, action-driven story that's equal parts horror-laden fairy tale, survival story, romance, and resistance manifesto. I couldn't stop reading." – Libba Bray, New York Times bestselling author Survive the year. No one speaks of the grace year. It's forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life—a society that doesn't pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it's not just the brutal elements they must fear. It's not even the poachers in the woods, men who are waiting for a chance to grab one of the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, The Grace Year examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between.

Whether it is called enlightenment, pure presence, or "unconditioned awareness," there exists an awakened state of true liberation that is at the heart of every contemplative tradition. Yet according to Peter Fenner, this experience of boundless consciousness does not have to exist separately from your day-to-day "conditioned" existence. Rather, you can learn to live as a unique individual at the same time as you rest in a unified expanse of oneness with all existence—in a state he calls "Radiant Mind." Students in the West often feel frustrated in trying to follow the Eastern path to awakening, confused by seemingly vague or counterintuitive teachings. Peter Fenner created the Radiant Mind practice to help you break through the obstacles that are often challenging for practitioners in our culture.
