John MacArthur and other distinguished teachers of preachers respond to the apostle's mandate in this comprehensive treatment of expository preaching. Dr. MacArthur's well-known passion for the Scriptures is combined with the vision and expertise of other faculty members at The Master's Seminary to produce a definitive statement on how to unfold the meaning of God's Word effectively to today's congregation. Other contributors include: James F. Stitzinger, James E. Rosscup, Robert L. Thomas, George J. Zemek, Donald G. McDougall, Richard L. Mayhue, Irvin A. Busenitz, and David C. Deuel.

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

As Preacher makes plans to attend an annual rendezvous, he agrees to lead a train of sixty wagons on the last leg of the rugged trail to Oregon through territory controlled by outlaws and hostile Native Americans.

It is the year 1899 and a new century is fast approaching. Robbie Hewitt intends to get in as much living as possible between now and the new year, but his antics eventually entangle him in a dangerous scheme--one that holds the life of a man in balance.

Founder of the phenomenon social media account PreachersNSneakers tackles how faith, capitalism, consumerism, and (wannabe) celebrity have collided. What started as a joke account on Instagram has turned into a movement. Through this provocative project, the founder of PreachersNSneakers is helping thousands of Jesus followers wrestle with the inevitable dilemmas created by a culture obsessed with image and entertainment. In *PreachersNSneakers: Authenticity in an Age of For-Profit Faith and (Wannabe) Celebrities*, the author boldly confronts many of the difficult questions plaguing countless Christians' minds, such as: Should pastors grow wealthy off of religion, and why do we get so angry when they do? Is it okay to stoke envy among others with curated "lifestyle" images on social media? Do we really believe that divine blessings are monetary, or is that just religious wallpaper to hide our own greed? Is there space in Christendom for celebrities like Kanye and Bieber to exist without distorting the good news? What about this: Is it wrong for someone like this author to call out faith leaders online and leverage "cancel culture" to affect change?

PreachersNSneakers will navigate these challenging questions and many more with humor, wit, candor, and a few never-before-published hijinks. Each chapter will explore the various sides of the debate, holding space for readers to make up their own minds. The book will doubtlessly become a staple for church small groups, college ministries, and book clubs, emboldening struggling believers who want to live a more genuine faith. After all, the Lord works in mysterious colorways.

You can teach the craft, but you must first form the heart. Many preachers want to preach better, but they don't always know how to go about improving, and most books on preaching focus on the mechanics of the craft. But preaching involves more than the steps from a text to a sermon, because every time a preacher stands up to preach, their character shines through--for better or for worse. In *The Heart of the Preacher*, Rick Reed focuses on the personal heart preparation required before any preacher is ready to preach. He explores issues preachers often wrestle with--like discouragement, insecurity, and pride. He then offers practices to fight these challenges and form a heart that carries the fruit of the Spirit into the pulpit. It takes more than a good speaker to preach. It takes a Spirit-filled person. This book will help you check your heart and cultivate the most important aspect of preaching: your character.

Disillusioned with his own beliefs, Jesse Custer, along with his girlfriend Tulip and their Irish vampire friend Cassidy, begins a violent and riotous journey across the country in search of God, who has abandoned heaven.

Jack "Preacher" Prior is at a crossroads -- literally. Left for dead in the Badlands, he's managed to survive. He's stolen a truck, but where can he go? Body broken, mind reeling from betrayal from his own MC brothers, he knows he won't last a day back in Rapid City in his current condition. Two roads stretch out in front of him. One leads to the city and one deep into the black hills where no one knows him as the former President of the Badlands Buzzards. Revenge is not a question; it's an absolute. Preacher will get his due soon enough or die trying. Erin Walker is at a crossroads of her own. Dealt a bad hand by being the daughter of Buck Walker, ex-Rodeo Champ, she's made her own way in the world without his help. She owns Thunder Ridge Ranch outright, and she's carved out a piece of paradise for herself with her own two hands. She's not giving it up without a fight, but she's alone in the world with no one to trust. In Erin, Preacher finds something that doesn't exist in his own world: a smart, fierce independent woman who sets his blood on fire. For Erin, the mysterious man who threatens her life might very well be the only one who can save it. Can Preacher put aside his desire for revenge against his old MC and accept what's in front of him: a woman who needs him and a future worth having? Erin knows in her heart that Preacher is a bad, dangerous man, but can she trust him anyway? Not every choice is theirs to make, though, and in Rapid City the past never stays buried.

The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through

time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

Preacher Jesse Custer hits the road again in this, the second collection of Preacher stories in graphic novel form. This time, the man looking for God meets the family from Hell. Recommended for adult readers only - contains bad language, sexual situations and extreme violence.

Preacher Book FiveVertigo

A classic tale by Newbery Medalist Kate DiCamillo, America's beloved storyteller. One summer's day, ten-year-old India Opal Buloni goes down to the local supermarket for some groceries – and comes home with a dog. But Winn-Dixie is no ordinary dog. It's because of Winn-Dixie that Opal begins to make friends. And it's because of Winn-Dixie that she finally dares to ask her father about her mother, who left when Opal was three. In fact, as Opal admits, just about everything that happens that summer is because of Winn-Dixie. Featuring a new cover illustration by E. B. Lewis and an excerpt of Kate DiCamillo's newest novel, *Raymie Nightingale*.

This is the story of a country pulpwooder preacher who had five close relatives die under mysterious circumstances. At least two of them were clearly murdered, and the preacher just happened to have substantial amounts of life insurance on all of them. Was he ever convicted on any crime? No, but he was judged and sentenced in a much more severe manner from which there was no appeal!

"When the city was filled with these bonfires, he then combed the city, and whenever he received notice of some public sodomite, he had him immediately seized and thrown into the nearest bonfire at hand and had him burned immediately." This story, of an anonymous individual who sought to cleanse medieval Paris, was part of a sermon delivered in Siena, Italy, in 1427. The speaker, the friar Bernardino (1380-1444), was one of the most important public figures of the time, and he spent forty years combing the towns of Italy, instructing, admonishing, and entertaining the crowds that gathered in prodigious numbers to hear his sermons. His story of the Parisian vigilante was a recommendation. Sexual deviants were the objects of relentless, unconditional persecution in Bernardino's sermons. Other targets of the preacher's venom were witches, Jews, and heretics. Mormando takes us into the social underworld of early Renaissance Italy to discover how one enormously influential figure helped to dramatically increase fear, hatred, and intolerance for those on society's margins. This book is the first on Bernardino to appear in thirty-five years, and the first ever to consider the preacher's inflammatory role in Renaissance social issues.
