About the Authors
Elizabeth Hollinger still has fond memories of playing video games with her mother and sister in the wee hours of the morning before catching the bus to go to school. She swears that this latest trek through childhood is prompted only by the Japanese game manuals she translates for friends (both real and web-based). Really.
James M. Ratkos still finds time to fuss over the appearance of the website he and Beth maintain when not stressed out by his full-time job. In his spare time, he enjoys mountain biking through the huge, uh, hills in Michigan.

"Black & White" is a new strategy game from Peter Molyneux. Players are gods a world populated with tribes that will worship out of fear or admiration. This non-linear game allows player's actions to define whether as a god they are good or evil rulers. The more tribes that worship the god either out of fervent devotion or abject terror, the more powerful a god can become. "Black & White" truly allows players to exploit their god-complex.
