Egypt 1923. Fifteen-year-old Alec Devlin is on his way to the Valley of the Kings. Accompanied by his faithful valet, Coates, Alec is to spend his summer holidays working on his Uncle Will's archaeological dig. It's not the first time he's spent his summer this way . . . but this year things are different. Uncle Will and his young assistant, Tom Hinton, have recently made an amazing discovery - an ancient tomb hidden deep below the earth. But only hours after opening its doors, Uncle Will falls mysteriously ill and Tom seems to have disappeared without trace. Together with Ethan Wade, the young American soldier of fortune who is managing the dig in Uncle Will's absence, and a pretty French woman called Madeleine Duval, Alec sets about unravelling the tomb's mysteries. Seemingly harmless animals have turned into rabid killers . . . long dead mummies are rising from their tombs . . . the spirit of a powerful High Priest is claiming the bodies of the living as his living hosts . . . Together Alec and Ethan must confront a terror that has waited three thousand years to be reborn.

Kip's dad owns an old-fashioned cinema, the Paramount. Struggling to survive in an age when multiplexes rule the world, the cinema seems doomed. But then Mr Lazarus arrives, and introduces himself as the new projectionist. He's very old, and a bit magical, and when he sets up his equipment, suddenly the images seem brighter and sharper, and the audience numbers are better than ever before. But one day Kip and his friend are watching Terror Island - a scary adventure set on an island full of sabre-toothed tigers and hungry cavemen - when Kip's little sister Rose appears on screen! Kip quickly puts two and two together, runs up to the projection room and confronts Mr Lazarus, who demonstrates the Lazarus Enigma: a device that can

project things, and people, in to the world of the movie itself. When you're in the film, everything is real. Real bullets, real swords, real monsters. But beware . . . if you don't get out by the time the closing credits roll, you'll be trapped in the film forever! Can Kip get to Rose before the sabre-toothed tigers? And if he can - how is he going to get back?!

Sebastian, Max and Cornelius are heading to the port of Ramalat to embark on a sea journey in search of the lost treasure of a pirate. But first, they must cross the mysterious forest of Geltane and survive an encounter with a powerful enchantress. And when they reach Ramalat, a breathtaking action awaits them. Will they discover the treasure?

A multimillion-copy bestseller in China—now available in English! In this heart-pounding adventure, a group of individuals who have come together for an expedition, each with a specific interest, soon find themselves motivated by one common goal: the sheer will to survive. **THE QUEST:** To find the lost city of Jingjue, a once-glorious kingdom, along with the burial chamber of its mysterious queen. Both lie buried under the golden dunes of the desert, where fierce sandstorms and blazing heat show no mercy. **THE TEAM:** Teenagers Tianyi, who has the ability read the earth and sky through feng shui, and Kai, Tianyi's best friend and confidant; Julie, a wealthy American whose father vanished on the same trek a year ago; Professor Chen, who wants to fulfill a lifelong dream; and Asat Amat, a local guide gifted in desert survival. **THE OBSTACLES:** Lethal creatures of the desert and an evil force that wants to entomb the explorers under the unforgiving sands of China's Taklimakan Desert forever. Translated from the Chinese by Jeremy Tiang, whose recent work includes **NEVER GROW UP**, the translation from Chinese of the autobiography from action movie superstar Jackie Chan.

Max, the talking buffalope, has an enquiring mind, a keen sense of humour, and a grumpy disposition. Orphaned by the villainous Neruvians, sold off as a slave to the callous Berundians, he escapes into the wilderness, is attacked by vicious lupers, and rescued in the nick of time by the jester, Alexander Darke.

Sebastian Darke, his opinionated buffalope, Max, and the fierce fighter Cornelius are heading to the bustling port of Ramalat to embark on a perilous sea journey. They are ready to risk their lives in search of the fabled lost treasure of the pirate King, Captain Callinestra. But first, they must make it through the dark and mysterious forest of Geltane and survive an encounter with the beautiful and bewitching Leonora, a powerful enchantress with a magical hold over Sebastian's senses. And, as if that wasn't bad enough, little do they know that, when they finally reach Ramalat, a feisty female sea captain, an infamous young pirate, ravenous sea creatures, and furious sea battles await them. But there's no turning back. Will they discover the lost treasure? Will Sebastian live to tell the tale? Will Max ever stop moaning? Philip Caveney has written many novels for adults. This is his second book for young adults. He lives in England.

He who pays the piper calls the tune. When Peter and his little sister, Daisy, are evacuated from London to the countryside, they find themselves on an isolated farm in the middle of a treacherous marshland. As Daisy gets drawn deeper into the secrets of their new home, Peter starts to realise that something very sinister is going on. What is that music they can hear at night? And who are the children dancing to it?

The year is 1969, and Professor Allen Gray is ready to lead you on a magical mystery tour of a world where space creatures mingle with earthlings, unbeknownst to all but a chosen few

A perilous journey across vast ice fields, dodging ravenous vulpins, is only the beginning of Sebastian Darke's final adventure. He, Cornelius and Max are on their way to Golmira, Cornelius's beloved home kingdom, on a rescue mission, for Golmira has been invaded by the cruel Tannisians and its people cast out of the city into the frozen Badlands.

After the thrills and spills of his adventure on Terror Island, Kip is reluctant to allow Mr Lazarus to send him into another movie - but Beth has other ideas, particularly when she discovers The Paramount Picture Palace is planning to show the latest film in the Jason Corder series, Spy Another Day. Its star, Daniel Crag, has always been Beth's favourite screen actor. When Mr Lazarus asks her to obtain Corder's ID card, she agrees to go in and Kip feels duty-bound to accompany her. But what should have proved a simple visit ends in disaster when Kip and Beth are separated and find themselves in different parts of the same film. Can they find their way through all the dangers of a spy movie and defeat the evil genius, Doctor Leo Kasabian, before the final credits roll and they are trapped there . . . forever?

Edinburgh. At his new school, Tom is simply known as 'The Manc' - a blow-in, an outsider. On a routine school trip to the historic site of Mary King's Close, Tom follows the ghostly figure of a young girl - only to find himself transported back in time to 1645, the year of the Edinburgh plague. Apprenticed against his will to a violent plague doctor, Tom needs to use all of his modern-day skills in order to survive.

After his nightmarish adventures in Mary King's Close in Crow Boy, Tom Afflick is drawn back to Edinburgh. At the National Museum of Scotland, he sees the eight tiny coffins that were discovered on Arthur's Seat in 1836 - one of the city's most intriguing mysteries. After a violent confrontation with his stepfather, Tom finds himself spinning back in time again, to the year 1828, where the peril comes not from bubonic plague but from a series of unexplained disappearances. Lost and confused, Tom seeks refuge in Tanner's Close as the guest of two of the city's most infamous inhabitants - But even two hundred years after the events of Crow Boy, he cannot escape the vengeful pursuit of bogus plague doctor, William McSweeney. Tom is soon caught up in a desperate struggle for survival - and the mystery of the tiny coffins is finally solved.

Why were so many religious images and objects broken and damaged in the course of the Reformation? Margaret Aston's magisterial new book charts the conflicting imperatives of destruction and rebuilding throughout the English Reformation from the desecration of images, rails and screens to bells, organs and stained glass windows. She explores the motivations of those who smashed images of the crucifixion in stained glass windows and who pulled down crosses and defaced symbols of the Trinity. She shows that destruction was part of a methodology of religious revolution designed to change people as well as places and to forge

in the long term new generations of new believers. Beyond blanked walls and whited windows were beliefs and minds impregnated by new modes of religious learning. Idol-breaking with its emphasis on the treacheries of images fundamentally transformed not only Anglican ways of worship but also of seeing, hearing and remembering.

The lord of Laughter, the Monarch of Mirth—if only the bumbling 17-year-old Sebastian Darke could be a successful jester like his father. The problem is Sebastian's not funny. But after his father's death, with no choice but to beg in the streets, the half-human, half-elf teen sets off with Max, his father's slightly cynical Buffalope, to offer his services as a jester to King Septimus of Keladon. On the way they meet Captain Cornelius Drummel, small in stature, but the fiercest of fighters. The three rescue the fair princess Kerin, who's being held captive by brigands, and happily escort her home. If only Sebastian knew the kidnapping was engineered by the evil King Septimus! Sebastian Darke; his snarky buffalope, Max; and fierce fighter Cornelius are off on another hair-raising quest after being hired by a rich merchant to seek out the legendary lost city of Mendip. Not only must they find it, they must bring back valuable proof of its existence. Sebastian doubts they'll reach their destination after trudging through miles of jungle filled with warrior beasts and terrifying tribes. But then he meets the beautiful Keera, whose people believe he's the Chosen One sent to free their tribe from their brutal enemy. Little do they know that Sebastian is definitely not the hero type. He just wants to bring back valuable proof of the lost city. But will the price they

must pay outweigh the rewards?

Pandora is a sweet, bright, sixteen-year-old girl when she leaves her parents in London to spend the summer in Wales with her great-great aunt Rachel. Since she knows Rachel Ellis is very old, Pandora is surprised when she meets a youthful woman who doesn't look more than forty years old. Naturally inquisitive, Pandora sets out to explore the surrounding countryside, only to discover that her aunt is feared by the local townspeople because of her inexplicable youth and because her strange gardener, Ewen, has an eerie, seductive power over the village women. Protected only with her innocence, Pandora searches for her aunt's dark secret in an atmosphere of fear, suspicion, and ageless evil. As this gripping tale builds to its chilling climax, Pandora must answer the terrifying questions that confront her: Just what does Rachel Ellis want from her? Why does Ewen look at her that way; why does he come to her room at night? Why does she find herself drawn to his power in spite of her fear? What is hidden behind the boarded-up doorway to the top floor of the mansion? And why does the ghostly apparition of a child beckon to her from the lawn in the night? After this summer, Pandora will never be the same. *The Sins of Rachel Ellis* by Philip Caveney is a novel of inescapable terror--the explosive story of a child's soul in peril.

Forced to be in the streets after his father's death, seventeen-year-old jester Sebastian Darke takes on the world with his only friend, Buffalo Max at his side, but while on the way to offer their services to King Septimus of Keladon, the two take part in the

isn't long before they are picked up by the slave catcher and dragged before the Emperor himself. Discovering that Aoife and Madoc are the children of the counsellor to Caratacus, the self-appointed king of Britannia, the Emperor orders them aboard his fleet. He is about to sail to Britannia to put down Caratacus's anti-Roman rebellion, and he realises what valuable hostages the children will be. But Aoife has a secret: she is a healer, with a special bond with animals. Onboard ship are the elephants that the Emperor will use when he rides in victory against Caratacus. Can Aoife forge a bond with the magnificent creatures and then, somehow, use them against the might of the Imperial army?

This book explores literary culture in England between 1630 and 1700, focusing on connections between material, epistemic, and political conditions of literary writing and reading. In a number of case studies and close readings, it presents the seventeenth century as a period of change that saw a fundamental shift towards a new cultural configuration: neoclassicism. This shift affected a wide array of social practices and institutions, from poetry to politics and from epistemology to civility.

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. This book explores the life, thought and political commitments of the free-thinker John Toland (1670-1722). Studying both his private archive and published works, it illustrates how Toland moved in both subversive and elite political circles in England and abroad. It explores the connections between his republican political thought and his irreligious belief about Christian doctrine, the ecclesiastical establishment and divine revelation, arguing that far from being a marginal and insignificant figure, Toland counted queens, princes and government ministers as his friends and political associates. The book argues that Toland shaped the republican tradition after the Glorious Revolution into a practical and politically viable programme, focused not on destroying the monarchy, but on reforming public religion and the Church of England. It explores the connections between Toland's erudition and print culture, arguing that his intellectual project was aimed at compromising the authority of Christian 'knowledge' as much as the political power of the Church.

After centuries of calm, the Nameless One is stirring. When local author Dane Starbuck set out several years ago to write the biography of Pierre Goodrich, scion of one of Indiana's most prominent twentieth-century families, he soon discovered that it was impossible to really understand Pierre Goodrich without also closely examining his family. Starbuck's years of research culminated in *The Goodriches: An American Family*, now available from Liberty Fund. This work is a revealing window into the founding ideals of both Indiana and our country, and how our founders meant these ideals to be lived. *The Goodriches: An American Family* begins with the birth of James P. Goodrich in 1864 and continues through the death of his son Pierre F. Goodrich in 1973. As the story of two fascinating and fiercely individualistic men, it is compelling reading, but as author Dane Starbuck says in the preface, "the later chapters of this book are as much a social commentary on American life in the twentieth century as parts of a biography of two accomplished men." In his foreword to *The Goodriches: An American Family*, James M. Buchanan, Nobel laureate in economics and celebrated Liberty Fund author, says, "The Indiana Goodriches are an American family whose leading members, James and Pierre, helped to shape the American century. . . . This biography makes us recognize what is missing from the millennial setting in which we find ourselves. We have lost the 'idea of America,' both as a motivation for action and as a source of emotional self-confidence. We have lost that

which the Goodriches possessed.” What did the Goodrich family “possess” which made them so unique? A belief in the power of knowledge, the importance of education, and a strong work ethic combined to imbue the Goodrich family with a distinctive sense of civic duty. James Goodrich served as governor of Indiana from 1917 to 1921 and as adviser to Presidents Warren G. Harding, Calvin Coolidge, and Herbert Hoover. During his eulogy of James Goodrich, the Reverend Gustav Papperman explained, “The Governor felt that he had been given talents that were a trust, that he was to administer them faithfully. . . .” According to author Dane Starbuck, “Education was a large part of the Goodriches’ work ethos. . . . The family viewed education as a process by virtue of which the individual remained informed, made better business decisions, learned the importance of citizenship, and was given an opportunity for individual self-improvement. Therefore, work and education became the centerpieces of the Goodrich family’s ethical and practical life.” In later years, Pierre Goodrich, successful businessman and entrepreneur, would set aside a portion of his estate to found Liberty Fund because he believed that the principles of liberty on which our nation was founded need to be constantly kept before the public.

It should have been a case like any other: a missing princess, a king willing to pay in gold for her return. But before he realizes it, sword jockey Eddie LaCrosse is swept up in a web of mystery and deceit involving a brutally murdered royal heir, a queen accused of an unspeakable crime, and the tragic past he thought he'd left behind. In order to uncover the answers he seeks, Eddie must delve into the dark underbelly of society while digging deep into his own private history, drawing past and present together. Vast conspiracies, women both beautiful and deadly, and a centuries-old revenge scheme are only a few of the pieces in a lethal puzzle. The Sword-Edged Blonde is a tour-de-force foray into a realm of action, intrigue, and murder. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

It's South Africa 1990. Two major events are about to happen: the release of Nelson Mandela and, more importantly, it's Spud Milton's first year at an elite boys only private school. Cursed with parents from well beyond the lunatic fringe, a senile granny, and a dormitory full of strange characters, Spud has his hands full trying to adapt to his new home. Surrounded by names such as Gecko, Rambo, Rain Man and Mad Dog, Spud takes his first tentative steps along the path to manhood. (The path, it seems, could be a rather long road.) Armed with only his wits and his diary, Spud takes us from illegal night swimming to the red-hot furnace of the cricket pitch, from ghostbusting to a catastrophic family vacation. He also invites us into the mind of a boy struggling to come to terms with a strange new world; a boy whose eyes are being opened to love, friendship and complete insanity.

Jennifer C. Vaught illustrates how architectural rhetoric in Shakespeare and Spenser provides

a bridge between the human body and mind and the nonhuman world of stone and timber. The recurring figure of the body as a besieged castle in Shakespeare's drama and Spenser's allegory reveals that their works are mutually based on medieval architectural allegories exemplified by the morality play *The Castle of Perseverance*. Intertextual and analogous connections between the generically hybrid works of Shakespeare and Spenser demonstrate how they conceived of individuals not in isolation from the physical environment but in profound relation to it. This book approaches the interlacing of identity and place in terms of ecocriticism, posthumanism, cognitive theory, and Cicero's art of memory. *Architectural Rhetoric in Shakespeare and Spenser* examines figures of the permeable body as a fortified, yet vulnerable structure in Shakespeare's comedies, histories, tragedies, romances, and Sonnets and in Spenser's *Faerie Queene* and *Complaints*.
