To maximise this publications core strengths, the authors have included revised concepts, features, and examples throughout to maintain timely coverage of current marketing trends and strategies.

Marketing has changed forever—this is what comes next Marketing 4.0: Moving from Traditional to Digital is the much-needed handbook for next-generation marketing. Written by the world's leading marketing authorities, this book helps you navigate the increasingly connected world and changing consumer landscape to reach more customers, more effectively. Today's customers have less time and attention to devote to your brand—and they are surrounded by alternatives every step of the way. You need to stand up, get their attention, and deliver the message they want to hear. This book examines the marketplace's shifting power dynamics, the paradoxes wrought by connectivity, and the increasing sub-culture splintering that will shape tomorrow's consumer; this foundation shows why Marketing 4.0 is becoming imperative for productivity, and this book shows you how to apply it to your brand today. Marketing 4.0 takes advantage of the shifting consumer mood to reach more customers and engage them more fully than ever before. Exploit the changes that are tripping up traditional approaches, and make them an integral part of your methodology. This book gives you the world-class insight you need to make it happen. Discover the new rules of marketing Stand out and create WOW moments Build a loyal and vocal customer base Learn who will shape the future of customer choice Every few years brings a "new" marketing movement, but experienced marketers know that this time its different; it's not just the rules that have changed, it's the customers themselves. Marketing 4.0 provides a solid framework based on a real-world vision of the consumer as they are today, and as they will be tomorrow. Marketing 4.0 gives you the edge you need to reach them more effectively than ever before.

Features of the fourth edition of The Marketing Plan Handbook include: Your Marketing Plan, Step-by-Step - This new feature guides you through the development of an individualized marketing plan, providing assistance in generating ideas, and challenging you to think critically about the issues. Model of the Marketing Planning Process - A new conceptual model of the planning process serves as an organizing figure for the book. The model helps you visulize the connections between the steps and to focus on the three key outcomes of any marketing plan: to provide value, to build relationships, and to make a difference to stakeholders. Sample Marketing plan - the updated sample plan for the SonicSuperphone, a multimedia, multifunction smartphone, illustrates the content and organization of a typical marketing plan. Practical Planning Tips - Every chapter includes numerous tips that emphasize practical aspects of planning and specific issues to consider when developing a marketing plan. Chapter Checklists - Prepare for planning by answering the questions in each chapter's checklist as you create your own marketing plan. There are 10 checklists in all, covering a wide range of steps in the planning.

Since 1969, Philip Kotler's marketing text books have been read as the marketing gospel, as he has provided incisive and valuable advice on how to create, win and dominate markets. In *KOTLER ON MARKETING*, he has combined the expertise of his bestselling textbooks and world renowned seminars into this practical all-in-one book, covering everything there is to know about marketing. In a clear, straightforward style, Kotler covers every area of marketing from assessing what customers want and need in order to build brand equity, to creating loyal long-term customers. For business executives everywhere, *KOTLER ON MARKETING* will become the outstanding work in the field. The secret of Kotler's success is in the readability, clarity, logic and precision of his prose, which derives from his vigorous scientific training in economics, mathematics and the behavioural sciences. Each point and chapter is plotted sequentially to build, block by block, on the strategic foundation and tactical superstructure of the book.
