

Prism Quilt

Anyone can learn to machine quilt! Lessons in quilting with a walking foot, freehand quilting with a darning foot, and quilting with decorative threads are included.

Shizuko Kuroha's Japanese Patchwork Quilting Patterns infuses a cherished American craft with an exquisite Japanese sense of color, detail, and design. This book brings a fresh eye to classic patchwork patterns in a way that is delighting quilters all around the world today. Here, Kuroha shares her intricate hand-quilting techniques and a design sense that has been refined over her 40-year career as a celebrated book author and teacher. Her easy combinations of soft colors, detailed patterns, and bold stripes show how to achieve balance and flow in any type of patchwork project—from the simplest to the most complex. Step-by-step illustrations walk quilters through Kuroha's intricate hand-piecing process. The book includes 19 sampler blocks used to make hundreds of different combinations for all kinds of quilting projects. The photos and diagrams of the block assembly are so clear, you hardly need to read the steps! A handy printable pattern sheet at the back of the book takes the labor out of drawing the pieces used to build these blocks. Detailed instructions show you how to incorporate the blocks into projects large and small, including: Pincushions in round and square designs Drawstring bags and zippered pouches embellished with patchwork Quilted tote bags and a stylish backpack Table runners and wall hangings with gorgeous color schemes Full-sized quilts destined to become cherished heirlooms This book is an invaluable introduction to the basics of hand-stitched piecing. Practiced quilters will also love it for the way it broadens their horizons. Kuroha fans will be happy to see this popular book finally available in English—where it's sure to become a treasured reference for years to come!

Welcome to PRISM! Do you ever do things you later regret, such as use drugs, get into fights, run away, steal things, or say things you do not mean? If so, doing the exercises in the PRISM workbook can help you develop better control over your behavior. Her tips for setting up your workspace, choosing the best tools, and transferring patterns will turn you into the expert.

Improve your quilt designs by learning how to organize fabric by size and color, while making adorably sophisticated quilts (both pieced and appliquéd) for babies and children. Each of the 20 bright, happy quilts is shown in warm and cool colorways to spark the imagination and use up your stash. Stacey Day's friendly voice and great advice make it easy to choose beautiful palettes and add design flair, while also guiding you through the best methods for organizing fabrics by color and size, from tiny scraps to bulky yardage.

Jet Stroud has always been treated like an outcast. Born with a strange condition that makes his eyes glow, people believe he is bad luck and choose to avoid him. Shunned by his family and living in a halfway home with only one adversary-turned-friend to his name, his life seems hopeless-until the day he is unexpectedly accepted into Skylight University. The renowned college-orbiting earth and located on the inner belt of the Skylight System-only permits exceptional students, which makes him suspicious why he has been selected. Once there he discovers that his strange condition is actually a disease called ephebus mortem, or the youthful death, and legend says he will die before turning twenty-four years of age. To make matters worse, there is no known cure and victims gradually become delusional just before they die. At first, Jet has his doubts about the legend, until he sees the ghost of a former student who died ten years prior. He worries that the myth may be true after all, and his condition is growing worse. Forced into action, he seeks out the remaining students who also have the disease. Cord, a mathematical savant, Bo, a reluctant track star, and Vail, a reclusive lone wolf, agree to join him on a quest to find the cure. Their search for clues leads to several old paintings with hidden holographic messages only they can see. Unexplained events soon follow, and Jet begins to fear they won't survive the semester. Haunted by shadowy apparitions, invisible ghosts and a mysterious journal, the team's resolve is pushed to the limit as they race to find a cure for the strangest disease ever know. In the end, Jet is faced with a decision that will change his life forever? and maybe the fate of the human race.

The Half Square Triangle (HST) is a quilt-making staple! At once both a simple block yet one that yields complex results, this workhorse is the star of the show in Jeni Baker's first book. A series of 12 patterns start with a beginner friendly fast and easy design and progresses to more and more challenging designs. The HST is a workhorse block unit that can be used to make beautiful, timeless quilts. This book shows you the multiple methods for making them (from the slow to the speedy) and combines HSTs with other pieced blocks that complement the triangle blocks. The book is organized into four main sections: patterns that feature Color, Scale, Patchwork Play and, finally culminating with a chapter on Half-

Square Triangles only. This final chapter features an inspirational index of over 12" 60 HST block designs and encourages the reader to design their own quilts using a single block or combining a few.

Athas, world of the dark sun: Ruled for thousands of years by power-mad sorcerer-kings, its cities have become vile centers of slavery and corruption. Only heroes of the greatest strength and bravest heart can stand against the might of these overlords. The Prism Pentad is a tale of such heroes. Rajaat, the First Sorcerer, betrayed by his champions at the moment of his paramount victory, has been imprisoned beyond space and time, but he alone can return Athas to its verdant splendor. From the Trade Paperback edition.

Gudrun takes you on a journey of her home country of Iceland through her quilts that are inspired by nature, Iceland's history of handwork and the heritage of Icelanders. The journey is complete with multiple color photos from the tours she gives quilters among others as well as treasured recipes from family and friends of Icelandic treats. Full color instructions for 19 original quilts of different sizes, using Gudrun's innovative techniques and tools such as the Stripology rulers.

Showcase a spectrum of color with striking quilts that breathe new life into the lucky rainbow. Fourth-generation quilter Rebecca Bryan shares 14 modern quilt patterns that take their cues from the color wheel. Ranging from modern-traditional to improvisational, Bryan's rainbow quilts look stunning in your favorite designer fabrics. You'll play with jewel tones, pastels, and even neons, as you incorporate a modern rainbow into quilting projects. Arrange your fabric in a way that honors nature's prism, or take liberties as you mix in neutrals, substitute related colors, or experiment with intensity. It's like quilting with a fresh box of crayons!

Papyrus Parables is a stimulating collection of paintings and poetry designed to reveal the untapped potential of humanity. It will take you into the mindsets of alchemic scribes from the past and the future reporting visionary observations about their time and ours. Papyrus Parables is separated into ten scrolls that articulate lost data that could be essential to the fundamental core of our planet. This book will certainly get under your skin.

Every quilter will want to possess this stunning anthology, which features 10 years worth of the most innovative pieces chosen for the Quilt National biennial exhibition--the top showcase for modern quilt artists. Acclaimed author Robert Shaw, a widely recognized expert on American folk art, introduces the volume and provides both a beautifully illustrated history of the art quilt movement and a special section on building, displaying, and caring for collection of quality pieces. The techniques and materials featured in these 400 spectacular quilts are as varied as the people who created them, and through spectacular color photographs and artists' discussions, readers will discover how the boundaries of traditional quilt-making have expanded in the last decade. The author of 1, 2, 3 Sew brings her creative skill-building approach to beginning and intermediate quilters—with two dozen projects included. In this book, expert seamstress and craft blogger Ellen Lockett Baker shares her fun building-block approach to quilting. Organized by quilting shapes—squares, triangles, hexagons, circles, flowers, stars, and diamonds—this easy-to-follow guide provides a simple way to master the elements of quilt design. Twenty-four projects progress in difficulty, allowing you to develop

your technical skills as you work through the book. From the minimal Argyle Apron to the stylish Hexagon Handbag and more intricate Star Quilt, these modern, bright designs will appeal to beginning and intermediate quilters alike.

Embrace your inner cat lady with contemporary cat-themed projects! Play with texture and style to create 16 unique projects from bags and decor to 7 different patchwork quilts. Each project includes step-by-step instructions guiding stitchers on a variety of techniques from foundation paper piecing to free-motion embroidery. Also learn how to play with different substrates such as cotton, linen, wool, wool-blended felt, denim, vinyl, and repurposed clothing. From beginners to more experienced, there is something new to learn for every stitcher. The paw-sibilities are endless!

Filled with inspiration and encouragement, this delightful craft book, bridging modern and traditional quilting through 20 beautiful projects, offers valuable advice, creative exercises and more, helping quilters to find even more reasons to love quilting. Original. 50 DIY crafts, cooking, decorating, and gardening projects from the experts at the Smithsonian Institution The Smithsonian Institution presents a uniquely curated collection of lively how-to projects and historical narratives of four realms of American domestic arts: cooking, crafts, decorating, and gardening. Perfect for hobbyists interested in the historical context of what they create for their homes, this beautifully illustrated book contains fifty DIY projects—from a uniquely American quilt pattern to on-trend crafts like terrarium making and pickling—that all offer satisfying ways to bring history and culture to life. For those craving more, features provide rare insights from Smithsonian experts on prominent figures, events, and trends. Readers can learn about influential Americans who've had an impact on each realm; look at visual timelines of significant events that pushed development forward; or stay in the present and see how American arts in contemporary life is being redefined, all while enjoying satisfying and unique projects.

Put your Stripology Rulers to work with 13 original quilts made from precuts. The book includes quilts made from 10" squares, 5" squares, 2-1/2" strips and 1-1/2" strips and tips on how to make your own precuts. Full color instructions for using all three Stripology rulers or regular rulers are included, along with 13 delicious cocktail recipes to reward yourself with.

Spend an evening stitching any of the designs in this book and you'll instantly remember what you've always loved about embroidery: it's fun, you can see the design quickly take shape right before your eyes, and in the end you have a delightful piece to brighten your home or office. From beautiful florals to inspirational sayings to whimsical tacos (yes, tacos!), you'll find more than a dozen designs to make you smile. Beverly McCullough of Flamingo Toes provides easy embroidery and finishing instructions so you can display pieces in hoops, on pillows or zip bags, and even on cork and clothing. Beverly's inspiring designs and ideas will make it a pleasure to take each stitch.

Ready to take the triangle challenge? Choose from 70 pieced modern triangle blocks and 11 exquisite quilts that wow! Fourth-generation quilter Rebecca Bryan is back—this time with beautiful 3-sided blocks sewn from pieced stripes, chevrons, curves, and more. A dedicated graphic design chapter will help you choose a winning color palette, play up unexpected elements, and achieve balance and symmetry. Grab your favorite ruler and the full-size block templates to create equilateral, isosceles, and right triangles

with ease. With no tricky seams, these sampler blocks are perfect to mix and match.

This anthology assembles two decades' of work initiated by SisterSong Women of Color Health Collective, who created the human rights-based "reproductive justice" to move beyond polarized pro-choice/pro-life debates. Rooted in Black feminism and built on intersecting identities, this revolutionary framework asserts a woman's right to have children, not have children, and to parent and provide for the children they have.

Build your skills, gain confidence, and have fun with improv piecing! Scappy Improv Quilting is the first quilting book of its kind that takes the intimidating technique of improv piecing and breaks it down to a smaller scale, making this guide an approachable how-to resource for quilters of every skill level. With 22 mini quilt patterns, step-by-step instructions on improv piecing, tutorials on how to select and combine scraps, and so much more, the featured quilting projects will allow you the freedom to test various ideas using scraps of different colors and patterns, resulting in adorable little quilts that are perfect for decorating and gifting. Create a charming collection of mini scrappy quilts and be inspired to keep going and move onto larger-scale improv! Author Kelly Young of My Quilt Infatuation has been quilting for more than 20 years. Her tutorials are featured on FaveQuilts.com, and in 2018 she published her first book, Stash Statement.

Sewing with pre-cut fabric packs is all the rage. It allows for endless creativity and makes it a cinch to stitch up lovely quilts without breaking the bank. Little Bits Quilting Bee features 20 projects for small fabric scraps and bundles including jelly rolls, charm squares, layer cakes, and fat quarters. From king-sized quilts to wall hangings, and more, this beautifully illustrated book has something for sewers of every skill level. To top it all off, author Kathreen Ricketson founder of the hugely popular craft site WhipUp.net offers expert shortcuts and step-by-step instructions.

Quilting: 17 Modern Quilt Patterns And Ideas For Your Home" by scrolling up and clicking "Buy Now with 1-Click" button! In a world where magic is tightly controlled, the most powerful man in history must choose between his kingdom and his son in the first book in the epic NYT bestselling Lightbringer series. Guile is the Prism. He is high priest and emperor, a man whose power, wit, and charm are all that preserves a tenuous peace. Yet Prisms never last, and Guile knows exactly how long he has left to live. When Guile discovers he has a son, born in a far kingdom after the war that put him in power, he must decide how much he's willing to pay to protect a secret that could tear his world apart. If you loved the action and adventure of the Night Angel trilogy, you will devour this incredible epic fantasy series by Brent Weeks. This classic reference explains the revolutionary paper-folding system for creating original or traditional geometric designs. Its simple approach will free any artisan from manufactured templates and complicated mechanical drafting methods.

These are among the most innovative, outstanding quilts being designed today--chosen to appear in the 2001 Quilt National Biennial Exhibition--and a source of new ideas, interest, and excitement for quilt makers, collectors, and enthusiasts alike. Since its inception 22 years ago, the Quilt National exhibit continues to be a showcase for contemporary artists who expand the boundaries of traditional quilt making, creating designs meant for display on walls rather than as covers for beds. It sets the standards and serves as the model for all other art quilt shows. Through the large, spectacular color photographs here, as well as the artists' descriptions of the motivations behind their works, you can enjoy and refer to these quilts as often as you like at home. These designs are wonderful reflections of where quilting has been--and where it's going.

Revised edition of Gender through the prism of difference, 2011.

Family can be murder A quilting conference brings Harriet Truman face-to-face with a past she had been happy to forget. Then she learns the quilter staying at Aiden Jalbert's house is an old flame whose real agenda might not involve needle and thread. Then the old flame is found dead in Aiden's temporary living quarters, and all the evidence points to him.

Unless Harriet and the Threads can track down the real killer, Harriet's blooming romance may wither on the stem.

Ready for a machine quilting adventure? It's time to explore walking foot machine quilting with Leah Day! Specifically designed for quilting on a home machine, this style uses a walking foot to evenly feed the layers of your quilt to produce beautiful quilting stitches. Learn how to quilt thirty designs in seven quilt projects.

Demonstrates how to transform a room with fresh, colorful cushions and pillows, in a creative guidebook that features more than twenty-five patterns for stylish pillows for every room in the house, from easy-to-make throw pillows, shams, and bolsters, to more intricate bench pads, ottomans, and oversized floor cushions. 12,900 first printing.

A revealing look at how user behavior is powering deep social divisions online—and how we might yet defeat political tribalism on social media

Download Ebook Prism Quilt

In an era of increasing social isolation, platforms like Facebook and Twitter are among the most important tools we have to understand each other. We use social media as a mirror to decipher our place in society but, as Chris Bail explains, it functions more like a prism that distorts our identities, empowers status-seeking extremists, and renders moderates all but invisible. *Breaking the Social Media Prism* challenges common myths about echo chambers, foreign misinformation campaigns, and radicalizing algorithms, revealing that the solution to political tribalism lies deep inside ourselves. Drawing on innovative online experiments and in-depth interviews with social media users from across the political spectrum, this book explains why stepping outside of our echo chambers can make us more polarized, not less. Bail takes you inside the minds of online extremists through vivid narratives that trace their lives on the platforms and off—detailing how they dominate public discourse at the expense of the moderate majority. Wherever you stand on the spectrum of user behavior and political opinion, he offers fresh solutions to counter political tribalism from the bottom up and the top down. He introduces new apps and bots to help readers avoid misperceptions and engage in better conversations with the other side. Finally, he explores what the virtual public square might look like if we could hit "reset" and redesign social media from scratch through a first-of-its-kind experiment on a new social media platform built for scientific research. Providing data-driven recommendations for strengthening our social media connections, *Breaking the Social Media Prism* shows how to combat online polarization without deleting our accounts.

Quilting Can Be Quick! Creating handmade, beautiful quilts has never been more fun . . . or more time-efficient! In her follow-up book to *90-Minute Quilts*, Meryl Ann Butler teaches you to add a new dimension to your quilts by incorporating triangles into the designs, while still using her 90-minute methods. Whether you're a novice or an advanced quilter, you'll love using these techniques to whip up quick baby quilts, charity projects and last-minute gifts! Inside you'll find:

- How-to techniques for creating a basic 90-minute quilt, including several methods for easy half-square triangle units.
- Step-by-step instructions for over 20 quilt projects, including baby quilts, lap quilts, tablecloths, wall hangings, pillows and community service quilts.
- Full-color illustrations for all of the 90-Minute techniques and projects.
- Tips and suggestions from the author that will help maximize your time on any quilting project.

If you think you just don't have the time to quilt, think again! Enjoy time-saving methods and beautiful designs in *More 90-Minute Quilts!*

The editors have gone beyond simply assembling a collection of readings by the leading scholars of sex and gender; they introduce a new way to conceptualize the interrelationships between gender relations and other systems of inequality and difference. The editors invoke the image of a prism, through which different groups are seen not as distinct, but in "a continuous spectrum". The prism approach illustrates the varied ways that gender is constructed relationally, and thus experienced differently. Toward this end, the editors draw from the most recent studies of women and men -- especially studies of gender relations in the context of different sexual, racial/ethnic, social class, physical abilities, age, and national citizenship contexts. Though the majority of articles in the book focus on issues in U.S. gender relations, the editors have included numerous articles that focus on international and transnational factors. Together, the articles in this book shed critical, yet at times optimistic, light on the possibilities for change.

Beloved fabric and quilt pattern designer Edyta Sitar for *Laundry Basket Quilts* has designed 12 gorgeous quilt blocks that take you through the seasons of the year. 5 appliqué quilt block project settings provide the foundation for creating a one, two or four block appliqué project as well as a 12 block-12 month full-size calendar quilt.
