

Professional Spankers Spank And Get Paid

Managing Mrs Burton Chimera Pub

Reclaim Your Family with Your Own Family Constitution Both manifesto and handbook, **DESPERATELY SEEKING PARENTS: Why Your Child Needs a Parent in Charge and How to Become One** calls all parents to reclaim their position of authority in the home. Emphasizing that today's children need (and ultimately want) parents to assert their sovereignty and control in a loving and consistent manner, Dr. Paterno illustrates how to become a Parent in Charge by using simple, proven methods. The first parenting book to utilize the Family Constitution, Dr. Paterno explicitly champions parents' rights, simplifies parental expectations and rewards children can earn, and rejects the current trend of reducing expectations because of so-called diseases, disorders, and disabilities. Provocative, but proven and practical, Dr. Paterno will help you reclaim your family by becoming the vital, valid source of love and authority you were meant to be for your children. Praise for **DESPERATELY SEEKING PARENTS** "Take heed, you and your child are in good hands with the advice that rests between the pages of this wonderful book. Thank the good Lord that there is a writer with the scholarship and good sense to write a book that parents can safely rely on." —David Stein, Ph.D., author of *Unraveling the ADD/ADHD Fiasco* and *Ritalin is Not the Answer* "If every parent read this book and incorporated Dr. Paterno's principles and techniques, every pediatrician's office would see far fewer children with behavior problems." —Colette Sabbagh, M.D., Pediatrician, Bangor, Maine "Dr. Paterno has managed to squeeze 3,000 years of common sense and experience, a command of child development and behavioral theory, tons of wit and humor, and dozens of practical solutions into this thoroughly readable parenting guide." —Toby Tyler Watson, Psy.D., Executive Director, International Center for the Study of Psychiatry & Psychology

A CHOICE Outstanding Academic Title 2014! Why do parents hit those they love? What effect does it have on children? What can be done to end this pattern? These are some of the questions explored in *The Primordial Violence*. Featuring longitudinal data from over 7,000 U.S. families as well as results from a 32 nation study, the book presents the latest research on the extent to which spanking is used in different cultures and the subsequent effects of its use on children and on society. Evidence that shows the relationship between spanking and the subsequent slowing of cognitive development and increase in antisocial and criminal behavior is shown. Both cross-sectional and longitudinal studies are explored in an accessible fashion. An abundance of high quality research has produced findings that are highly consistent from study to study which show that spanking is a risk factor for aggressive behavior and other social and psychological problems. Because of these findings, the authors argue for policy changes and recommend a drastic reduction in the use of spanking. Policy and practical implications are explored in most chapters. *The Primordial Violence* highlights: The benefits of avoiding spanking such as the development of better interpersonal skills and higher academic achievement; The link between spanking and behavioral problems and crime; The extent to which spanking is declining and why despite the unusually high level of agreement between numerous studies which found harmful effects from spanking, most parents continue to spank. Part 1 documents the worldwide use of spanking and why parents spank. The possible adverse effects of spanking on children's behavior and academic achievement, and the potential for violence and criminal behavior in later life, are explored in Parts 2, 3, and 4. Part 5 examines trends in spanking, and suggests what can be done to lower the percent of parents who spank. Contradictory opinions about whether to spank are explored. The book concludes with a call for change in this aspect of parenting which will have profound benefits, for the children and families involved, and society as a whole. Intended for a general audience of readers who are interested in child development and parenting and for advanced undergraduate and/or graduate courses in child abuse, family violence, juvenile delinquency, criminal behavior, social development, sociology of the family, or parenting and family relations taught in psychology, human development, family studies, criminology, education, social work, sociology, and social policy.

Themelios is an international, evangelical, peer-reviewed theological journal that expounds and defends the historic Christian faith. *Themelios* is published three times a year online at The Gospel Coalition (<http://thegospelcoalition.org/themelios/>) and in print by Wipf and Stock. Its primary audience is theological students and pastors, though scholars read it as well. *Themelios* began in 1975 and was operated by RTSF/UCCF in the UK, and it became a digital journal operated by The Gospel Coalition in 2008. The editorial team draws participants from across the globe as editors, essayists, and reviewers. General Editor: D. A. Carson, Trinity Evangelical Divinity School Managing Editor: Brian Tabb, Bethlehem College and Seminary Consulting Editor: Michael J. Ovey, Oak Hill Theological College Administrator: Andrew David Naselli, Bethlehem College and Seminary Book Review Editors: Jerry Hwang, Singapore Bible College; Alan Thompson, Sydney Missionary & Bible College; Nathan A. Finn, Southeastern Baptist Theological Seminary; Hans Madueme, Covenant College; Dane Ortlund, Crossway; Jason Sexton, Golden Gate Baptist Seminary Editorial Board: Gerald Bray, Beeson Divinity School Lee Gatiss, Wales Evangelical School of Theology Paul Helseth, University of Northwestern, St. Paul Paul House, Beeson Divinity School Ken Magnuson, The Southern Baptist Theological Seminary Jonathan Pennington, The Southern Baptist Theological Seminary James Robson, Wycliffe Hall Mark D. Thompson, Moore Theological College Paul Williamson, Moore Theological College Stephen Witmer, Pepperell Christian Fellowship Robert Yarbrough, Covenant Seminary It all started with a photograph. What was supposed to be a simple entry into the Greek Week Beauty and the Beast contest turns into a humiliating experience for fraternity president Josh Banta. The girls of Eta Rho trick Josh into a compromising position, and inadvertently rouse his curiosity concerning a discipline ritual they call Justice Day. Summer Sunday, president of Eta Rho, dismisses his questions - paddles are only symbolic these days, she says - but Josh pursues the secret. His snooping leads him down a path he never expected and lands him right in the middle of Justice Day.

I make my living off of being spanked. I love how my butt is almost always warm and marked. I also have a lovely, though sadist mistress who I play with as all this spanking sure makes me horny. My butt can take a lot of spanking and good thing because folks who pay to spank me, really like to get their money's worth. Often they spank me as hard and as long as they physically can. These spankings almost always make me cry. Sometimes I'm stripped naked and tied down to a wooden platform for a long hard strapping and/or paddling. Often however that's only after they've first given me a good over the knee spanking. Yes it hurts a lot but it pays the bills and gets me so excited. I'll now tell you in full detail about all my spankings and playtime sessions with Mistress. Two free bonus \$6.95 books are also included (making this book a \$20.85 value!) Your three books are presented in this order: 1) Constantly Spanked: Confessions of

a Professional Female Spankee 2) Bed Arrest, the Punishment for BDSM Enthusiasts 3) Mistresses Ultimate Collection of S&M and BDSM Rules for FEMALE Submissives and Slaves
Publisher's Note: This book contains explicit sexual content and BDSM. All characters are of legal age. Hello everybody! Your opinion is very important! If you like this book please make sure to leave a review. Thank you!

Governess Gemma Forbes is one of the best known spankers you've probably never heard of. Intensely private, her expertise in the art and science of traditional, old-fashioned domestic discipline is known among the initiated the world over. This book allows you to benefit from that knowledge. The daughter of an American college professor and a British dance instructor, Gemma was born in London, England. Her family relocated to the U.S. when she was six years old. Her background in literature and the theater prepared her well to explore her fascination with spanking fantasies. One thing led to another and, in an era when such things were tolerated far less amicably than they are now, she transformed recreational pursuits into a continuously expanding trade, at which she was able to bring her unique brand of excitement to the lives of spanking lovers worldwide. In the pages of this book you'll find a plethora of stories about the early days of Ms. Forbes' career. You'll also find here essential useful tips, hints and advice for beginners and experienced spanking enthusiasts alike. If there's ever been something you've wondered about spanking games, you'll likely find it addressed right here. There's information on how to begin your exploration, how to find someone to play with, how to use (and even find) spanking implements, how to broach the idea of inviting your significant other to join you in your penchant, even what to do when a spanking scene goes wrong... and much, much more. It's another night in San Francisco, and Miranda (aka Randy, when she's not dressed like a boy) has hit the streets looking for trouble. She has an eye for gay men in leather, and most nights she's too much of a girl for them. But tonight she meets her match: Jack, who thinks she's hot no matter who she is. This is San Francisco's notorious SOMA of the 1990s - home to dark alleys, tastefully appointed dungeons, hotel penthouses, clubs where gender dissolves and reshapes. In this bygone sexual utopia, Randy/Miranda embraces desires beyond gender and orientation, beyond what she ever thought she could contain... A FIRECRACKER ALTERNATIVE BOOK AWARD WINNER FOR BEST FICTION!

By using positive methods of discipline parents have the opportunity to provide their children with an optimal home environment for healthy emotional growth and development. Consensual adult spanking can be sexy or strict, giggly or grave, gentle enough to pinken the skin or intense enough to leave marks. It can involve infinite combinations of roles, implements and positions - enough to keep even the most avid spankophile busy for a lifetime. Janet W. Hardy (formerly "Lady Green") has been a spanker and spankee for more than a quarter century, with partners of all genders from all over the globe. Here, paired with famed spanking illustrator "Barb," she offers the how-to and why-to of spanking for anyone from the beginner looking to spice up their sex life to the advanced player. This book combines the content of Hardy's previous books "The Compleat Spanker" and "The Toybag Guide to Canes and Caning" into a comprehensive, readable guide that will take its place among the classics of kinky sexuality.

The Bible has long served as the standard for Christian practice, yet believers still disagree on how biblical passages should be interpreted and applied. Only when readers fully understand the constructs that inform their process of moving from Scripture to theology—and those of others—can Christians fully evaluate teachings that claim to be “biblical.” Here, scholars who affirm an inspired Bible, relevant and authoritative for every era, present models they consider most faithful to Scripture: - Walter C. Kaiser, Jr.: A Principled Model - Daniel M. Doriani: A Redemptive-Historical Model - Kevin J. Vanhooser: A Drama-of-Redemption Model - William J. Webb: A Redemptive-Movement Model Each position also receives critiques from the proponents of the other views. Moreover, due to the far-reaching implications this topic holds for biblical studies, theology, and church teaching, this book includes three additional reflections by Christopher J. H. Wright, Mark L. Strauss, and Al Wolters on the theological and practical interpretation of biblical texts. Four Views on Moving beyond the Bible to Theology empowers readers to identify, evaluate, and refine their own approach to moving from the Bible to theology.

This updated, second edition of Köstenberger and Jones's landmark work tackles the latest debates and cultural challenges to God's plan for marriage and the family and urges a return to a biblical foundation.

Six fabulous spanking stories by some of Xcite's favourite writers. Corrections by C. Margery Kempe Simon had worked for Dr. Kettering for six months and he still couldn't quite figure her out. It wasn't that she was cold or withdrawn; quite the opposite, in fact. She was also gorgeous, tall with curly auburn hair and striking green eyes. Every move had grace and poise, even if she was a trifle distant. Safely at home, he had fantasies of her exposing a vulnerability to him. But he couldn't have been more surprised on that rainy Friday afternoon when she asked, "Can I share a secret with you, Simon?" because her fantasy, was also his. La Petite Mort by Shashauna P Thomas Despite the possible repercussions to her career, Camille agrees to meet her best friend at Onyx, a well known BDSM club in New Orleans's French Quarter. While searching for her friend she catches

the attention of a sexy, mysterious stranger with intense eyes who makes sure her evening spent at the Onyx is one she'll never forget. The Credit Crunch By Congressio 'If ever the estate makes a loss, I will punish you severely, darling!' That's what his wife had threatened and he had no doubt she would carry out her threat. The question is not, can he withstand the punishment she deems fitting, but does she have another motive for spanking him? Who's The Boss? By Simon Asquith Despite being a smart career girl with a good head on her shoulders, Rachel has always found job interviews to be something of an ordeal. This time however, she may get more than she bargained for. Behind closed doors, authority is everything, and a degree of role-playing can be a fun and revealing experience. But executive power games can go too far between a man who's used to being obeyed, and a woman who knows exactly what she wants. In the end, strict disciplinary procedures are brought into play. But will the tables be turned before everyone is fully satisfied? Bum Steer by Landon Dixon It was the kind of set-up a butt-loving PI just couldn't resist: a big-bootied babe lounging poolside, bottoms-up. So, he took the bait, sinking everything he had into the plush richness of the woman's rear end. But temporary ecstasy soon turned into a royal pain in the derriere, when he received a blackmail note the following morning. Then, it was his ass on the line; spank or be spanked. Black Lace and Wood by Giselle Renarde It was months ago that Rebecca cheated on her husband with his younger brother. Navin still won't look at her, even when she dresses up for him in black lace, stockings, garters and heels. There's only one way to salve the old wound, Navin must discipline her like a naughty child. A wooden spoon against her bottom should do the trick.

In today's complex world, parenting is a tough job. Beyond the difficulties of the changing world we live in, there are also the daily frictions of imperfect people sharing a home together. However, Daniel P. Huerta, Focus on the Family's Vice President of Parenting, offers hope and help for you to become an effective parent. Based on exhaustive research, Huerta presents a collection of seven powerful character traits designed to help parents grow and thrive as they take on the task of raising children. Parents will be encouraged to navigate family life with grace and love so their children ultimately see God's transformative power, love, and influence.

School corporal punishment is currently legal in 19 states, and over 160,000 children in these states are subject to corporal punishment in schools each year. (Corporal Punishment in U.S. Public Schools: Prevalence, Disparities in Use, and Status in State and Federal Policy by Elizabeth T. Gershoff and Sarah A. Font)Our survey was begun in 2009 and continues through today. It is not a scientific survey, but is intended to give people an opportunity to respond to questions about their experiences. These are the questions that were asked in the survey:1.How old are you now?2.Are you male or female?3.What country did you grow up in?4.If you grew up in the United States, what states did you live in when you were going to school?5.Did you wear a uniform to school?6.Did you go to a public or private school?7.What grades were you spanked at school and what were you spanked with?8.Who spanked you at school?9.What was the gender of the person that spanked you?10.How were you positioned for the spanking?11.How soon after the offense were you spanked?12.Where were you spanked?13.How many swats were you given? If you received more than one spanking at school, please tell how many swats you received each time and what you were spanked with.14.If there was a witness present, who was it?15.If your parents were informed, how was that done?16.How was your spanking administered?17.If it was done on your bare bottom did you know it would be done that way?18.If it was done on your bare bottom, how were you told that it would be done that way?19.If you were spanked on your bare bottom, how were you prepared for that?20.Please take a moment and tell us about your most memorable school spanking and why you were punished.At the time of this writing, there were 585 responses. We have included charts documenting the answers provided. While many respondents didn't provide much information on Question 20, those responses that were interesting are included in this book, including their responses to all questions. Much of the data is not surprising. Most of the students receiving corporal punishment were males. Most of the students were from the southern United States. While public schools in the south still use corporal punishment, many states have outlawed it in public schools. Private religious schools seem to use it with more consistency and severity.Students in elementary school were usually spanked over the knee with the hand by the teacher, right after the offense. Older students were spanked in a more traditional manner with a paddle or cane, bending over. These were usually done by a principal or headmaster, often after school.Witnesses were often present, but not always, and to our surprise, parents weren't always informed. We were very surprised that a number of respondents claimed that corporal punishment was administered to their bare bottoms.

Features a step-by-step method for parents that experience problems with their children; discusses seven myths of parenting; and offers advice for solving common issues with children in different age groups, from toddlers to adolescents.

Drawing on the expertise of the American Academy of Pediatrics, this comprehensive reference offers a objective and informative overview of preventive healthcare guidelines for parents of children from newborns to eleven years old, furnishing the latest information on more than 120 childhood ailments and illnesses, including genetic, hormonal, and infectious diseases. Reprint.

To spank or not to spank? If you are a parent, you have most likely already asked yourself this question - should you spank your child? And if so, how should you go about it? Spanking is an effective punishment and discipline method when done right. This book will take you through the principles of ethical and constructive spanking, followed by a step-by-step guide on how to spank your child with love. Punishing your child can hurt you more than it does him/her. Responsible parents will do everything they can to mold their children to principled and compassionate individuals, including an occasional whip. However, spanking your child could have the opposite effects if you don't do it right. Unfortunately, lack of knowledge, or willful breaking of the spanking rules, will have the same negative results on your child's psychology. It is your responsibility as a parent to educate yourself in spanking, or not do it all.

Do your children seem to be getting out of control, showing no respect for you or others unless they feel like it? Are you lost as to whether spanking is useful, given all of the controversy surrounding it? If you were to spank, what are the things you need to know? In Raising Civilized Kids! authors Bob and Elaine Lehman share their experiences about what works and what doesn't in child discipline. With the deep impact of broad legislation, the disciplining of children has been placed more and more into the hands of the government. Parents everywhere are often confused and don't know what to believe. Bob and Elaine cut through the fog and offer clear, common-sense guidance on the most important issue facing the next generation: their upbringing. Readers will learn about the various arguments for or against

corporal punishment as well as methods, measures, and guides for implementing it. Whether a reader already has children, works with children, or is just curious, Raising Civilized Kids! gives readers a no-nonsense, straightforward approach to parenting and teaching respectful, honest, and well-balanced children.

This book is for parents who want a close relationship with their children, and want their children to learn self-control, but don't know how to get there. Refuting the ineffective psycho-babble of today's discipline "experts," this book focuses on love and communication, and details the careful use of controlled spanking as a deterrent to misbehavior. Revised edition with lots of personal comments from happy customers.

Nobody needs (or likes) a spanking more than Rachel Kramer Bussel. And, nobody can spot a good spanking story better than Rachel Kramer Bussel, who has achieved mastery of the genre. Ranging from naughty and nice to fabulously kinky, this set of superb spanking stories will please aficionados as well as readers new to the pleasures of paddle, crop or whip. Author of the bestselling Spanked, Bussel notes "there are an infinite number of ways to talk about the pleasures of spanking. Me? I get off just thinking about bending over for that special someone."

"The author provides step-by-step guidance on how to achieve Japanese rope bondage on both genders and a variety of body types." -- Provided by publisher.

"A stern discipline pervades all nature, which is a little cruel that it may be very kind." -- HERBERT SPENCER "For relationships too, must be like islands... surrounded and interrupted by the sea, and continually visited and abandoned by the tides." -- ANNE MORROW LINDBERG, in A Gift from the Sea. Once again, the young narrators of this steamy, romantic tale, Walter (W.) and Gretchen (G.), are taking a break from the bustle of their real lives in a far-off Texas city to enjoy the rustic, vacationland splendor of Little Black Fly Island, Maine. Here the saucy duo, and the women of the island "book" club, indulge their erotic obsession: spanking -- erotic, recreational, wicked good and hard, adult spanking. To celebrate the Summer Solstice, the spanking club heads for the out-of-doors, where the week's 'Chosen One' is subjected to the Ten Torments, culminating in a ritual whipping tied to a rock altar as the sisters dance naked around a blazing bonfire. The club's secret rites and rituals--and Walter's fiendish penances imposed on his naughty wife's bare bottom--continue through to summer's end. At a party hosted in their island home, Gretchen assumes the position of 'Chosen One' and he gets to view the club in action and learn the full truth about his mate's summer-long F/F spanking games. The two volumes of Our Spanking Island are packed with bantering humor, evocative description of the fogbound coastal Maine setting, and all the red hot, M/F, F/M, and F/F bottom-blistering scenes that a bookish spanko could lust for. Come, take a trip out to Little Black Fly Island and explore how naughty fantasies get acted upon, dark secrets get kept, and wicked/good behaviors get dealt with in one loving couple's egalitarian, he-spanks-her/she-spanks-him marriage. * * * * * ABOUT THE AUTHOR The novels of W.G. Ames delve the briny, erotic depths of the adult consensual spanking obsession. In RL--as in their fictional personae--professional careers given to matters of space, time, numbers, and words get punctuated with recreational passions for Baroque music, birds, desert hikes, and coastal sails. Descended from long lineages of English and German rear-baring spanko forebears, G. and W. reside seasonally in Maine and the American Southwest.

Every stroke produced a frantic, immodest weaving of hips and drumming of toes, but Mrs Burton somehow managed to maintain her stance, keeping some shred of decorum as her curvaceous bottom was soundly whipped. "Well done", he said, "you took that caning very well, now stay exactly where you are and I'll reward you for your fortitude". "Thank you". Mrs Burton replied huskily, "that would be lovely". In town and in the country, in offices and suburban semis, women have been getting their first spankings. Reluctantly, hesitatingly, sometimes forcibly; some even discovering a taste for further punishment.

Perhaps that's why the woman sat next to you on the train is smiling?

"This ... book is written and illustrated by ... children."--Prelim.

Is she misguided, misinformed or just misbehaving? If so adult spanking is there for you! Is it a punishment spanking that the lovely lady is going to get? Looks like it. As she waits naked in their bedroom for the inevitable, she bites her nails nervously while her tummy is churning. She knows she's been bad but thought she could get away with it one more time. His arm is strong and his body is firm and he'll be upstairs soon to take care of this matter once and for all. As she stands in the corner waiting for her spanking, her untouched bottom is exhibited in all its pristine glory. The pretty lady fidgets in nervous anticipation. She knows that soon she'll be back in the corner but sporting a much redder behind. (Please note that this ebook does not have any information about spanking minors.) "Spanking Dictionary" presents and defines roughly two hundred adult spanking words and terms in a sexy but articulate manner. (Note, this ebook does not have any information about spanking minors.) This ebook also contains three ebooks which are normally sold separately. Your ebooks are presented in this order: 1) Spanking Dictionary (adult erotica) 2) Bare Bottom Spankings (The Las Vegas Adventure) 3) Bed Arrest, the Punishment for BDSM Enthusiasts Publisher's Note: This publication contains explicit sexual content and BDSM related situations. All characters are of legal age.

The fourth in the pioneering series, True Spanking Stories, Volume IV offers over 55 more true letters about the pain and pleasure of spanking and being spanked. The spankings reveal exciting sensations and emotions, and cover a wide range. Some spankings are pleasurable and sizzlingly erotic, often followed by sex. Others are ordeals of fearful anticipation, humiliation and pain. The editor chose the most vivid descriptions of spankings themselves, as well as the thoughts and feelings that went with them... Every relationship is here: husbands spanking wives and wives spanking husbands. Boyfriend/girlfriend, parent/teen, brother/sister, principal/student, sorority sister/pledge, reformatory official/inmate, senior cheerleaders and new girls, birthday girls getting spanked by their friends, and much more. There are even celebrity spankings. Learn how actress Kate Hudson felt about Casey Affleck spanking her hard on camera. What Michelle Obama said about spanking her children. What Barack Obama said about whuppin' other children as well as your own. Every position, method, technique and ritual is here. Every level of nudity- underwear, panties, thongs, or nothing at all. Every level of severity. Every spanking implement- hand, paddle, strap, switch, hairbrush, cane and over a dozen others. Warning: some stories include dominance/submission, erotic embarrassment and humiliation, restraint, exhibitionism, voyeurism, age play, medical play, other punishments like mouth soaping and enemas, and many kinds of sex. There's also lots of advice about getting and giving your first spanking, introducing a partner to spanking play, and spanking safety and etiquette. Plus arguments about spanking teenage girls and boys, methods of doing so, and whether it is proper to bare them--- including the sometimes surprising opinions of teenagers themselves. Plus spanking stories from newspapers. Plus an amazing pro-spanking editorial from a leading British newspaper, urging its 5 million readers to help pain lead to pleasure. And much, much more. Some sample true accounts include: Spanking his Girlfriend Gets her Excited; Embarrassing Birthday Spanking at College Party; Spankings from her Brother and Sister; Spanking Cures her PMS; Teen Boy Gets Embarrassing Spanking from Girls; She Prefers Paddling to Detention; Sorority Paddling Got out of Hand; Teenage Girl Hates her Humiliating Spankings; Is Spanking a Teen Bare Bottom over the Knee Too 'Old-fashioned'? (including many responses); Amazing Spanking with Sneakers Showed Up on TV; Punishment Spankings as Teen; Erotic Spankings as Wife; Spankings and Enemas; How to Enjoy your First Spanking; Football Team Paddled the Cheerleaders; A Roadside Punishment in Uganda; I Loved School Corporal Punishment; Why Women Crave Spankings (based on his first 26 spankings); Humiliating Punishment with the 'Boy's Pussy'; Spanked by his Girlfriends and dozens more. Critics call the True Spanking Stories series fascinating...erotically charged...eye-opening...must-haves on a once-taboo topic and say, If you are interested or curious about spanking, you must have this book.EDITOR Sasha cave has written and edited books, articles and stories on spanking and other edgy and erotic topics, including True Spanking Stories, Volumes I, II and III. Volume I was called a spanking classic and the second-most important spanking book of the 21st Century.

Editor Cave lives near Los Angeles, California in the foothills of the San Gabriel Mountains.

My name is Peter, I'm 55 and I'm a Spank Daddy. I offer a spanking and disciplining service to women. Discover an underworld of sex, spanking and submission. A world where high-powered executives and cuddly mums go to be spanked, caned and disciplined. Chapter by chapter he reveals his clients' stories as he turns their fantasies into reality. The writing is powerful, the stories graphic and compelling. Discover an unknown world.

"A clear, actionable, sometimes humorous (but always science-based) guide for parents on how to shape their kids into honest, kind, generous, confident, independent, and resilient people--who just might save the world one day"--

The statistics are startling. Since 1973, America's imprisonment rate has multiplied over five times to become the highest in the world. More than two million inmates reside in state and federal prisons. What does this say about our attitudes toward criminals and punishment? What does it say about us? This book explores the cultural evolution of punishment practices in the United States. Anne-Marie Cusac first looks at punishment in the nation's early days, when Americans repudiated Old World cruelty toward criminals and emphasized rehabilitation over retribution. This attitude persisted for some 200 years, but in recent decades we have abandoned it, Cusac shows. She discusses the dramatic rise in the use of torture and restraint, corporal and capital punishment, and punitive physical pain. And she links this new climate of punishment to shifts in other aspects of American culture, including changes in dominant religious beliefs, child-rearing practices, politics, television shows, movies, and more. America now punishes harder and longer and with methods we would have rejected as cruel and unusual not long ago. These changes are profound, their impact affects all our lives, and we have yet to understand the full consequences.

The author, sensitive to the growing problem of child abuse, talks about the use of corporal punishment in child-rearing and makes a clear distinction between spanking and beating. His attempt to provide a biblical perspective will be helpful to many parents.

Charlie and Lydia continue to face long separations due to Charlie's blossoming career. To help Lydia make better choices, and stay focused on why doing so is important even in Charlie's absence, the two add "just-because" [later to be known as maintenance] spankings to their marriage. Lydia struggles with accepting them, since it seems so unfair to her to be spanked to the point of tears when she's done nothing wrong, even if the spanking ceases right after she begins crying. Their first effort at a "just-because" spanking ends with Lydia acting resentful, conflicted, and angry, and Charlie accusing her for the first time ever of being a "brat" in need of correction. Things eventually reach a state of equilibrium, until Charlie visits around the holidays, only to discover Lydia minimized the seriousness of a citation she got, and actually got cited not simply for speeding, but for careless driving by an officer who took pity on her when she was actually intoxicated. Lydia refuses to acknowledge that the verbal warning Charlie gave her a few years back matters at all, since it was mistakenly left out of their written spanking contract. The two must then figure out the complexities of Lydia being deserving of a scheduled "just-because" spanking the same day as Charlie's convinced she also deserves a punishment spanking. Given her obstinance, Charlie must also finally confront whether there are circumstances where he feels compelled to administer a forced punishment spanking despite a spanking contract which states that he'll never do so, and a personal promise not to do so. NOTE: This book contains vivid descriptions of sexual activity, domestic discipline, the spanking of an adult woman, anal sex and anal discipline. If such scenes offend you or trigger you, please do not purchase this book. In addition, the series is also about two young, devoted married people growing and maturing together over the course of multiple story lines; they are flawed, loving, devoted human beings, and therefore make mistakes they try to correct. If you are looking for perfect people, look elsewhere. Finally, please note: Any resemblance to real people, living or dead, is unintended and coincidental.

In this profound and profoundly controversial work, a landmark of 20th-century thought originally published in 1971, B. F. Skinner makes his definitive statement about humankind and society. Insisting that the problems of the world today can be solved only by dealing much more effectively with human behavior, Skinner argues that our traditional concepts of freedom and dignity must be sharply revised. They have played an important historical role in our struggle against many kinds of tyranny, he acknowledges, but they are now responsible for the futile defense of a presumed free and autonomous individual; they are perpetuating our use of punishment and blocking the development of more effective cultural practices. Basing his arguments on the massive results of the experimental analysis of behavior he pioneered, Skinner rejects traditional explanations of behavior in terms of states of mind, feelings, and other mental attributes in favor of explanations to be sought in the interaction between genetic endowment and personal history. He argues that instead of promoting freedom and dignity as personal attributes, we should direct our attention to the physical and social environments in which people live. It is the environment rather than humankind itself that must be changed if the traditional goals of the struggle for freedom and dignity are to be reached. Beyond Freedom and Dignity urges us to reexamine the ideals we have taken for granted and to consider the possibility of a radically behaviorist approach to human problems--one that has appeared to some incompatible with those ideals, but which envisions the building of a world in which humankind can attain its greatest possible achievements.

Hello, thank you for stopping by. Spanking, spanking and more spanking. This big BDSM-oriented spanking book offers a full plate of adult spanking stories, novellas and knowledge. PS-spot and A-spot orgasm sex manuals are included as bonuses. Your twelve ebooks (all of which are normally sold separately) are presented in the below order: 1) The Spanking Dictionary (Adult Only Erotica) 2) Spanking Contract & Agreement (Adult Only Erotica) 3) Bare Bottom Spankings (The Las Vegas Spanking Adventure) 4) Regularly Spanked, Strapped and Paddled: The Life of a Female Spanking Mode 5) The Three Day Spanking Party: 18 Girls & 270 Spankings 6) BDSM Sex Slaves 7) 14 Male-Female Anal Sex Stories 8) Central America's Secret Prison For Submissive Ladies 9) Excuse for Sadism: How the Inquisition Beat the Devil Out of Cathar Women 10) Jenni's Dilemma Your two bonus women's sex manuals are: 11) The PS-Spot Orgasm: Don't Wait Any Longer For This Kind of Pleasure 12) Women's Super Sex Secret Publisher's Note: This publication contains explicit sexual content and BDSM related themes. All sexually active characters are at least 18 years of age.

Does God really want children to be spanked? Where did spanking come from? How can I discipline my children in a manner that is truly pleasing to God? In *Gentle Firmness*, Stephanie G. Cox answers all of these questions and more. Take this fascinating journey to learn how to accurately read and interpret the "rod" verses of Proverbs. See why spanking is more of a church doctrine rather than a biblical principle. Read many stories from actual people raised in Christian homes that were "lovingly" spanked and yet were emotionally scarred. And finally, discover how ALL children can be effectively disciplined in a biblical manner without being hurt. Stephanie G. Cox, M.S.Ed is severely physically disabled with cerebral palsy. She is an amazing overcomer, as evidenced by the fact that she typed the entire book the way she always types...with her nose!

In June 2015, Canada's Truth and Reconciliation Commission released 94 Calls to Action that urged reform of policies and programs to repair the harms caused by the Indian Residential Schools. "Decolonizing Discipline" is a response to Call to Action 6—the call to repeal Section 43 of Canada's Criminal Code, which justifies the corporal punishment of children. Editors Valerie Michaelson and Joan Durrant have brought together diverse voices to respond to this call and to consider the ways that colonial Western interpretations of Christian theologies have been used over centuries to normalize violence and rationalize the physical discipline of children. Theologians, clergy, social scientists, and First Nations, Inuit, and Métis leaders and community members explore the risks that corporal punishment poses to children and examine practical, non-violent approaches to discipline. The authors invite readers to participate in shaping this country into one that does not sanction violence against children. The result is a multifaceted exploration of theological debates, scientific evidence, and personal journeys of the violence that permeated Canada's Residential Schools and continues in Canadian homes today. Together, they compel us to decolonize discipline in Canada.

William Webb confronts those often avoided biblical passages that call for the corporal punishment of children, slaves and wrongdoers. How should we understand and apply them today? Are we obligated to replicate those injunctions today? Or does the proper interpretation of them point in a different direction? Webb notes that most of the Christian church is at best inconsistent in its application of these texts. But is there a legitimate basis for these lapses? Building on the findings of his previous work, *Slaves, Women and Homosexuals*, Webb argues that the proper interpretation and application of these texts requires ascertaining their meaning within the ancient cultural/historical context. In recognizing the sweep of God's redemptive purposes already evident in the Old Testament and fulfilled in the New, we remain truly biblical.
