Hamptons and neither one plans to give up without a fight. Can these passionate rivals turn up the heat on their budding romance—without burning down the house? Being engaged to Alex Waters, team captain and the highest paid NHL player in the league, is awesome. How could it not be? In addition to being an amazing hockey player, he's an incurable romantic with an XL heart, and an XXL hockey stick in his pants. And he knows how to use it. Incredibly, orgasmically well. Alex is the whole package and more. Literally. Like his package is insane. Total world record holder material. So it makes complete sense that Violet Hall can't wait to nail him down to the matrimonial mattress and become Mrs. Violet Waters. It's so romantic. Violet is totally stoked to set a date. I'm the blonde Southern belle who lives up to the cliché, except I have my own quirks. roommate and if the first thing I saw in the morning wasn't his shirtless body covered in tattoos. I've crushed on him since the day we met, but he's made it perfectly clear where we stand—just friends. I know I need to move on and accept that his feelings will never be mutual, but every day he smiles at me, I'm left dreaming of what if. He has girl issues, and I've got a crush I can't deny. We're friends, but I want more. One drunken hookup leaves us with much more than a platonic friendship. Pretending it never happened proves to be more difficult than anticipated. A crazy ex-girlfriend, a dangerous war of stolen glances, and passionate kisses leads to the most reckless battle yet. I won't be a pawn in his game, but I'll play by his rules if it will show him I'm the one worth breaking them for. Checkmate, Prince Charming. This is book 1 in the Drew & Courtney duet and must be read first. Suggested for mature readers only.

Miller "Buck" Butterson has been banging his way through life ever since a puck to the face fixed his messed up front teeth. After five years in the NHL, deflecting goals on the ice and scoring them with puck bunnies, Miller has decided he's ready for a girlfriend. A real, non-bunny girlfriend to take on dates, and not jump into bed with after five seconds of conversation. Miller thinks he's found that woman in his teammate's sister. Except, unlike team captain and all-around nice guy Alex Waters--who happens to date his stepsister, Miller's media reputation as a manwhore is well earned. Beyond that minor detail, Miller doesn't know the first thing about relationships or the time and effort they require. Miller

Jeff Bezos started Amazon in 1994 as an online bookstore based out of his garage. Since then, the ever-expanding enterprise has revolutionized shopping and, in many important ways, invented e-commerce as we know it. Today, Amazon is the third-most valuable company in the world, and Bezos's vast customer-oriented empire has mushroomed to include everything from cloud computing and fresh food delivery to movie production and consumer electronics. In recent years, Bezos also has invested in rocket technology, newspaper publishing, and artificial intelligence. Every arm of Bezos's business, however, is guided by a fundamental goal: to give customers what they want before they even think to ask for it. *First Mover: Jeff Bezos In His Own Words* offers a unique look into the mind of one of the world's most successful entrepreneurs by collecting more than 500 of Bezos's quotes on business, technology, customer service, e-commerce, innovation, entrepreneurship, and more. Meticulously curated from interviews, speeches, shareholder letters, press releases, and other sources, *First Mover* creates a comprehensive picture of Jeff Bezos, his

obsessions, and what makes his ventures thrive. After more than 20 years at the helm of Amazon and its subsidiaries, Bezos continues to operate on what he calls "Day One time" in order to maintain the early experimental spirit of his business. Since the beginning, when he first saw the potential of the internet as a powerful tool for commerce, he has looked for trends and technologies that can alter not just business but daily life. *First Mover* reveals in detail a man who wants to push the future forward—and will inspire readers to do the same.

In this follow-up to *Clipped Wings*, the emotional love story continues between Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. In the wake of losing Tenley Page, tattooist Hayden Stryker's tumultuous past is haunting him. Plagued by nightmares about the murder of his parents, Hayden reaches out again to Tenley. Having run from the man she doesn't believe she deserves, Tenley finally lays her guilt to rest. Despite their intense physical attraction, Hayden and Tenley struggle to repair their fragile emotional connection. As Hayden gets closer to the truth, he must find a way to reconcile his guilt over his parents' death in order to keep the woman who finally cracked his armor, and found her way into his heart.

From New York Times bestselling author Helena Hunting comes a new romance about trading secrets, breaking the rules, and playing for keeps. My name is Ryan Kingston, and I'm a rule follower. I've never been in a fistfight. I always obey the speed limit. I don't get drunk, and I definitely don't pick up random women at bars. Except the night I found out that my whole existence has been a lie. I got drunk. And picked up a stranger. Her name was Queenie, and she was everything I'm not: reckless, impulsive, and chaotic. We did shots and traded secrets. And ended up naked at my place. She left me a thank-you note in the morning and her panties as a parting gift. But no way to contact her. Six weeks later I'm sitting in the first official team meeting of the season, and there she is. I neglected to mention that I'm the goalie for Seattle's NHL team. And Queenie? Turns out she's the general manager's daughter.

As an NHL player, relationships haven't been my thing. Shrouded in secrecy and speculation, they never last very long. But then that's what happens when you require an NDA before the first date. Until Charlene. She's like a firefly. She's elusive, and if you catch her she'll burn bright, but keeping her trapped dulls her fire and dims her beauty. I caught her. And as much as I might want to keep her, I'll never put the lid on her jar. Not at the risk of losing her. So I've let her set the rules in our relationship. But as long hidden secrets expose us both, I discover exactly how fragile Charlene is, and how much I need her. We're all broken. We're all messed up. Some more than others. Me more than most.

it all.

From the New York Times bestselling author of Pucked and A Lie for a Lie, a new stand-alone romance about trading favors, battling wills, and winning love. When I joined Seattle's NHL expansion team, I thought it was the start of something great. But nothing ever goes the way you expect. Take my introduction to my new neighbor. She came rolling in on the hot mess express at midnight, making a racket while she tried to get into my team captain's apartment. Did I mention that he's married to a woman who definitely was not her? Imagine my surprise when I end up with an injury that has me out of the game for weeks, and she's the one to offer to help me. I should probably add that she's not the captain's mistress. She's his sexy, pastel-haired younger sister. So we come up with an arrangement: she rehabs me so that I can get back on the ice sooner, and she can add a professional athlete that isn't her brother to her client list. Seems simple enough. As long as I can keep my hands to myself and my hormones in check.
