More than 15 years ago, the staff at Entrepreneur Media introduced bestseller Start Your Own Business. Since its release, Start Your Own Business has sold more than 300,000 copies and has been called “the best startup book of all time.” At it again, the staff at Entrepreneur delivers a new dose of fundamental startup how-to, backed by 33+ years at the forefront of small business. Write Your Business Plan takes aspiring entrepreneurs past one of the hardest steps of startup second to committing to their business goal — defining how to achieve it. Each chapter is devoted to analyzing, explaining, and presenting practical instruction on developing a business plan relevant to today’s marketplace and lending landscapes. Appropriate for both existing companies and brand-new startups, this guide is divided into three sections: Before Writing Your Business Plan, Writing Your Business Plan, and Enhancing Your Business Plan. Starting with basic FAQs, experts then lead readers into evaluating their venture, identifying what type of plan they need, and getting their plan on paper and polished for their intended audience. Coached by a diverse group of experts and successful business owners, readers gain an in-depth understanding of what’s essential to any plan, what’s appropriate for their industry, and what they can do to ensure success.

Leading a firm means you can be your own boss, put your executive skills to work, fashion a company environment that meets your own needs, and profit directly from your success. But finding the right business to buy and closing the deal isn't always easy. In the HBR Guide to Buying a Small Business, Harvard Business School professors Richard Ruback and Royce Yudkoff help you:

- Determine if this path is right for you
- Raise capital for your acquisition
- Find and evaluate the right prospects
- Avoid the pitfalls that could derail your search
- Understand why a "dull" business might be the best investment
- Negotiate a potential deal with the seller
- Avoid deals that fall through at the last minute

Author of cult classics *The Pumpkin Plan* and *The Toilet Paper Entrepreneur* offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: $\text{Sales} - \text{Expenses} = \text{Profit}$. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: $\text{Sales} - \text{Profit} = \text{Expenses}$. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that:

- Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances.
- A small, profitable business can be worth much more than a large business surviving on its top line.
- Businesses that attain early and sustained profitability have a better shot at achieving long-term growth.

With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always dreamed of.

“Essential . . . one for the ages . . . a must read for all who care about presidential power.” —The Washington Post “Authoritative . . . The most comprehensive account yet of that smoldering wreck of foreign policy, one that haunts us today.” —LA Times One of BookPage's Best Books of 2020 *To Start a War* paints a vivid and indelible picture of a decision-making process that was fatally compromised by a combination of post-9/11 fear and paranoia, rank naïveté, craven groupthink, and a set of actors with idées fixes who gamed the process relentlessly. Everything was believed; nothing was true. Robert Draper's fair-mindedness and deep understanding of the principal actors suffuse his account, as does a storytelling genius that is close to sorcery. There are no cheap shots here, which makes the ultimate conclusion all the more damning. In the spirit of Barbara W. Tuchman's *The Guns of August* and Marc Bloch's *Strange Defeat*, *To Start A War* will stand as the definitive account of a collective scurrying for evidence that would prove to be not just dubious but entirely false—evidence that was then used to justify a verdict that led to hundreds of

More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you:

- Avoid the 9 deadly sins that destroy startups' chances for success
- Use the Customer Development method to bring your business idea to life
- Incorporate the Business Model Canvas as the organizing principle for startup hypotheses
- Identify your customers and determine how to "get, keep and grow" customers profitably
- Compute how you'll drive your startup to repeatable, scalable profits.

The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

This book will show you how to make much more money on your own, spend time how you want, build a simple business, and quit your day job. We'll do this without putting you at risk financially and without the complexity many people associate with running a business. Alright--before we move on, let me address the three "buts" I hear most often... BUT starting a small business takes a lot of time, money, and financial risk! America used to be the land of opportunity; now, we have a world of opportunity! Technology has given us all an incredible gift. And yes, launching a small business takes time. But if you do this properly, you'll pick something you're excited to do! When you are brimming with excitement, you'll have no problem waking up a little earlier. You'll want to chase down your dreams and create a better life for yourself. In this book, you'll learn the tools and processes to make room for greatness. And best of all, I'll show you how to do this so your effort is up front, while your fruits last for years to come. BUT running a business is complicated! Many businesses are complicated. Complex processes, custom systems, layers of human resources, and teams of accountants abound! But who said businesses need to be complex? The best small businesses are simple! This is why I love the term "money machine." It embodies simplicity. This book will help you avoid the complexities and find the simplest path possible. And finally...BUT it takes someone special to stand out, and I'm not special! If you pick up this book, I think there's a good chance you are special. You are striving for more. You're ready to take control. You're ready to level up your life. Most people won't turn their dreams into reality. But I can help. This book will help you uncover your true drive. You will want to pour your passion into this. You will want to out hustle the competition. You will have the tools to stand out. No more BUTS! I've filled this book with exercises to help you find your passion, generate momentum, and stand out from the crowd. The concepts in this book won't put you at risk, and they won't be complicated. So, the only thing you stand to lose is opportunity. People are taking action every day...now it's your turn.
