Hank stars the same Hank as in the bestselling Hank Zipzer series, only this time he's in 2nd grade! Hank is a kid who doesn't try to be funny, but he somehow always makes the kids in his class laugh. He's pretty bad at memorizing stuff, and spelling is his worst subject. (But so are math and reading!) In the first book in this new series, Hank's class is putting on a play, and Hank wants the lead part: Aqua Fly. But he freezes in his audition and can only buzz like a fly. His teacher creates a special part for Hank, a silent bookmark. This may seem like an insignificant role, but when his enemy, Nick McKelty, freezes during the performance, it's up to Hank to save the play!

Newbery Medalist Christopher Paul Curtis brings his trademark humor and heart to the story of a boy struggling to do right in the face of history's cruelest evils.

Two-time Newbery medalist Lois Lowry has crafted a beautiful picture book about the power of longing and the importance of reconnection between a girl and her father in post-WWII America. This is the story of young Liz, her father, and their strained relationship. Dad has been away at WWII for longer than she can remember, and they begin their journey of reconnection through a hunting shirt, cherry pie, tender conversation, and the crow call. This allegorical story shows how, like the birds gathering above, the relationship between the girl and her father is graced with the chance to fly.

It seems too good to be true. The most popular boy in school has asked Jane out -- and she's never even dated before. Stan is tall and good-looking, friendly and hard-working -- everything Jane ever dreamed of. But is she ready for this? Suppose her parents won't let her go? What if she's nervous and makes a fool of herself? Maybe he'll think she's too young. If only she knew all the clever things to say. If only she were prettier. If only she were ready for this... With her usual warmth, perceptiveness, and humor, Beverly Cleary creates the joys and worries of a young girl's first crush.

Six-year-old Ramona tries to cope with an unsympathetic first-grade teacher.

Beezus and Ramona Beezus tries very hard to be patient with her little sister, but four-year-old Ramona has a habit of doing the most unpredictable, annoying, embarrassing things in the world.

Sometimes Beezus doesn't like Ramona much, and that makes her feel guilty. Sisters are supposed to love each other, but pesky little Ramona doesn't seem very lovable to Beezus right now. Ramona the Pest Ramona is off to kindergarten, and it is the greatest day of her life. She loves her teacher, Miss Binney, and she likes a little boy named Davy so much she wants to kiss him. So why does Ramona get in so much trouble? And how does Ramona manage to disrupt the whole class during rest time? Anyone who knows Ramona knows that she never tries to be a pest. Ramona the Brave Now that she's six and entering the first grade, Ramona is determined to be brave, but it's not always easy, with a scary new all-by-herself bedroom, her mother's new job, and a new teacher who just doesn't understand how hard Ramona is trying to grow up. Ramona Quimby, Age 8 Ramona feels quite grown up taking the bus by herself, helping big sister Beezus make dinner, and trying hard to be nice to pesky Willa Jean after school. Turning eight years old and entering the third grade can do that to a girl. So how can her teacher call her a nuisance? Being a member of the Quimby family in the third grade is harder than Ramona expected.

To celebrate a timeless classic, we're releasing a special paper-over-board edition of Newbery Honor Book Ramona Quimby, Age 8, featuring a foreword written by actress, producer, and author Amy Poehler, as well as an exclusive interview with Beverly Cleary herself. In Ramona's world, being eight isn't easy, but it's never dull!

Plus, Mr. Quimby's new job offer could have the entire family relocating. It's a lot to handle for Ramona. But whatever trial comes her way, Ramona can count on one thing for sure—she'll always be Ramona...forever!

Newbery Medal Winner * Teachers' Top 100 Books for Children * ALA Notable Children's Book Beverly Cleary's timeless Newbery Medal-winning book explores difficult topics like divorce, insecurity, and bullying through the thoughts and emotions of a sixth-grade boy as he writes to his favorite author, Boyd Henshaw. After his parents separate, Leigh Botts moves to a new town with his mother. Struggling to make friends and deal with his anger toward his absent father, Leigh loses himself in a class assignment in which he must write to his favorite author. When Mr. Henshaw responds, the two form an unexpected friendship that will change Leigh's life forever. From the beloved author of the Henry Huggins, Ramona Quimby, and Ralph S. The Hatford-Malloy feud continues in this fast-paced sequel to *The Boys Start the War* and *The Girls Get Even* (both Delacorte, 1993). Their egos still smarting from the humiliation they suffered on Halloween at the hands of their female neighbors, the Hatford boys try to frighten them with tales of the abaguchie, a creature of local legend. A funny series of

plans for revenge and retaliation from both sides follows. Ultimately, the children call a truce when they are united by a common cause-sharing a joke at their parents' expense. Although this title sums up the background of the story clearly, it relies on the earlier books for characterization. The girls come across as stereotypes-an athlete, a bookworm, and an aspiring actress-and the boys are virtually indistinguishable from one another. Nevertheless, fans of the previous books will enjoy this installment.

This book contains tabs to pull, wheels to spin and pop-ups, based on the well-loved Knick-knack Paddywhack counting rhyme.

Mouse to Ellen Tebbits, she has created an evergreen body of work based on the humorous tales and heartfelt anxieties of middle graders. But in A Girl from Yamhill, Beverly Cleary tells a more personal story—her story—of what adolescence was like. In warm but honest detail, Beverly describes life in Oregon during the Great Depression, including her difficulties in learning to read, and offers a slew of anecdotes that were, perhaps, the inspiration for some of her beloved stories. While he's working, his sister, Janet, pretends to be a bird! She likes to use her imagination. But the twins both like silly jokes, brand- new boots, and talking to Mr. Lemon, the mailman. Lacing cultural criticism, Victorian literature, and storytelling together, Too Much explores how culture corsets women's bodies, souls, and sexualities - and how we might finally undo the strings. Written in the tradition of Shriill, Dead Girls, Sex Object and other frank books about the female gaze, Too Much encourages women to reconsider the beauty of their excesses - emotional, physical, and spiritual. Rachel Vorona Cote braids cultural criticism, theory, and storytelling together in her exploration of how culture grinds away our bodies, souls, and sexualities, forcing us into smaller lives than we desire. An erstwhile Victorian scholar, she sees many parallels between that era's fixation on women's 'hysterical' behavior and our modern policing of the same; in the space of her writing, you're as likely to encounter Jane Eyre and Lizzie Bennet as you are Britney Spears and Lana Del Rey. This book will tell the story of how women, from then and now, have learned to draw power from their reservoirs of feeling, all that makes us 'too much'.

Ramona at 7 1/2 sometimes feels discriminated against by being the youngest in the family.

'Watch closely,' said Mrs Jewls. 'You can learn much faster using a computer instead of paper and pencil.' Then she pushed the computer out of the window. The children all watched it fall thirty floors. 'See?' said Mrs Jewls. 'That's gravity . . .' That's the way things happen at Wayside School. There are twenty-nine kids in Mrs Jewls' class and this book is about all of them: there is Todd, who is in trouble every day, until he gets a magic dog; Paul, whose life is saved by Leslie's pigtails; Ron, who dares to try the cafeteria's mushroom surprise; and all the others who help turn a day at Wayside School into one madcap adventure after another. Suggests activities to be used in the classroom to accompany the reading of Ralph S. Mouse by Beverly Cleary.
