

Rare Canadian Coins Price Guide

A bible for coin investment in the 21st century. Twenty years ago, the first edition of this book was revolutionary in its approach to the buying and selling of rare coins. Collectors and investors were told that if they followed empirical models of price performance and investment return, not only would they profit handsomely, but their coin purchases would also outperform traditional investment vehicles. For this new edition, the well-known professional numismatist Silvano DiGenova and Dr. Jason Perry, Financial Economist at the Federal Reserve Bank of Boston, have joined the book's original author, Neil S. Berman to fully update the contents, taking into account the steady acceleration in rare coin prices, changes in trading practices, the revolution in grading standards, and external factors affecting the buying and selling of coins. The result is a no-holds-barred look at today's evolving market that is indispensable to experienced collectors and investors as well as neophytes. Included is an extensive price history of all United States coins from 1955 to date, with notable auction results and listings of key dates. The numerous charts of data and illustrative graphs interspersed throughout will be useful to dealers and collectors alike in forming strategies to take advantage of what will be one of the great growth areas of the 21st century.

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

The only single-volume guide to valuation and identification of coins, medals, tokens and paper money of the world. This is undoubtedly the best reference available for beginning coin collectors. Anyone with an interest in coins or paper money will appreciate the helpful, comprehensive, and easy-to-follow format of this book - the hobby's best introductory volume. The 12th edition of this best-selling reference enables coin collectors to buy, grade, and organize their collections by using the more than 45,000 coin listings in this 3-in-1 guide. Thirteen introductory chapters cover the basics of coin collecting. Four of these chapters are new and include coverage of the 1974 aluminum cent, what's hot in 2003, buying commemorative coins, and the continuing state quarters program. Updated coin listings are provided in up to 11 grades of condition. Covers U.S. coins from colonial times to present, Canadian coins from 1858 to present, and Mexican coins since 1701. Also provides updated Web addresses of the nation's coin dealers and affiliated organizations. - Extensive coverage of more than 45,000 North American coins - Pricing in up to 11 grades of condition - Comprehensive listings for Mexico and Canada - Introductory chapters cover coin collecting basics

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

Three Countries, One Price Guide Up-to-date prices and new coin prices make the 2012 North American Coins & Prices the must-have price guide for collectors of coins from the United States, Canada and Mexico. This one volume contains nearly 47,000 individual coin listings that are organized by country, denomination and date of issue. The United States section begins with early Colonial coins and tokens of the 17th and 18th centuries. Mexico's listings begin with 1701 and Canada's begin with its earliest unified coinage in 1858. Basic information about coin collecting helps those new to coin collecting obtain a better understanding of the hobby. Featured in the 21st edition are: • Price updates reflecting the volatile changes in the prices of gold and silver bullion coins • Extensive additions to listings for Canadian coins • Market prices for collector coins from all three countries Three books in one! The 2012 North American Coins & Prices is the best coin price guide value on the market. About the Author David C. Harper is editor of Numismatic News, executive editor of World Coin News and editor of U.S. Coin Digest.

Interest in coin collecting and paper money is at an all-time high, thanks in part to the new designs of modern U.S. coins and currency, the increasing market value of precious metals, and the great investment coin collecting has been in recent years. Recent reports estimate that there are over 1 million serious coin collectors in the U.S. And the U.S. Mint estimates that nearly 150 million people have collected the 50 State Quarters. The bestselling Warman's Coins & Paper Money, now in its 5th edition, is the most comprehensive, colorful, informative, and thorough identification and price guide of its kind. It covers everything from the evolution of U.S. coins and currency to the latest in minted coinage. Big, bold and informative, this invaluable tool is a must-have for collectors of all levels, whether they are children or adults, novice or experienced veterans. But this book doesn't stop at U.S. coins and currency. It also features a panoramic and full-color view of coins and currency from Canada, Mexico, and Europe. About the Author A veteran numismatist by trade and passion, Arlyn G. Sieber is a freelance writer and editor. A former editor of Numismatic News and Coin Prices magazine, Sieber was a 25-year employee for Krause Publications. His previous numismatic book credits as a writer, editor or contributor include the first two editions of North American Coins & Prices, Warman's Companion World Coins & Currency, 2nd Edition, Warman's World Coins Field Guide, Instant Coin Collector, and Gold Rush. Sieber has also contributed to The Numismatist, the ANA's official journal. Sieber is a 25-year member of the ANA and the Central States Numismatic Society.

A pricing guide for Canadian Coins.
