

## Raven Boys

From the #1 New York Times bestselling author of *The Raven Boys*, a mesmerizing story of dreams and desires, death and destiny. The dreamers walk among us . . . and so do the dreamed. Those who dream cannot stop dreaming - they can only try to control it. Those who are dreamed cannot have their own lives - they will sleep forever if their dreamers die. And then there are those who are drawn to the dreamers. To use them. To trap them. To kill them before their dreams destroy us all. Ronan Lynch is a dreamer. He can pull both curiosities and catastrophes out of his dreams and into his compromised reality. Jordan Hennessy is a thief. The closer she comes to the dream object she is after, the more inextricably she becomes tied to it. Carmen Farooq-Lane is a hunter. Her brother was a dreamer . . . and a killer. She has seen what dreaming can do to a person. And she has seen the damage that dreamers can do. But that is nothing compared to the destruction that is about to be unleashed. . . .

The #1 New York Times bestselling author Maggie Stiefvater (*The Raven Cycle* series) and artist Morgan Beem unearth the primal power of memory and how it twists the bond between two brothers. Twins Alec and Walker Holland have a reputation around town. One is quiet and the other is the life of any party, but they are inseparable. For their last summer before college, the two leave the city to live with their rural cousins, where they find that the swamp holds far darker depths than they could have imagined. While Walker carves their names into the new social scene, Alec recedes into a summer school laboratory, because he brought something from home on their trip—it's an experiment that will soon consume him. This season, both brothers must confront truths, ancient and familial, and as their lives diverge, tensions increase and dormant memories claw to the surface. *Swamp Thing: Twin Branches* is a story of shadows, both literal and imagined—and those that take form and haunt us.

A Sunday Times top ten bestseller. Amanda Owen has been seen by millions on ITV's *The Dales* and Channel 5's *Our Yorkshire Farm*, living a life that has almost gone in today's modern world, a life ruled by the seasons and her animals. She is a farmer's wife and shepherdess, living alongside her husband Clive and seven children at Ravenseat, a 2000 acre sheep hill farm at the head of Swaledale in North Yorkshire. It's a challenging life but one she loves. In *The Yorkshire Shepherdess* she describes how the rebellious girl from Huddersfield, who always wanted to be a shepherdess, achieved her dreams. Full of amusing anecdotes and unforgettable characters, the book takes us from fitting in with the locals to fitting in motherhood, from the demands of the livestock to the demands of raising a large family in such a rural backwater. Amanda also evokes the peace of winter, when they can be cut off by snow without electricity or running water, the happiness of spring and the lambing season, and the backbreaking tasks of summertime – haymaking and sheepshearing – inspiring us all to look at the countryside and those who work there with new appreciation.
