Break the Chains, Achieve Financial Freedom, and Leave the 9-to-5 With US Real Estate Are you interested in real estate investing, but aren't sure how to begin? Do you want to live your life on your terms, create true long term wealth, and break the chains of a J-O-B? Do you want to achieve financial freedom? Do you feel confused by US investment lingo, or unsure you have the ability to make a career of it? Do you wish you could make millions and free yourself from that desk ... for life? You, my friend, need the help of Reed Goossens and his new book, Investing in the US: The Ultimate Guide to US Real Estate. This bold instruction manual, taught by a surprisingly down-to-Earth real estate investor, brings passion and excitement to a subject that most consider inaccessible. Goossens shares knowledge built on almost a decade of real estate success and hundreds of millions of dollars worth of controlled assets which has allowed him to achieve financial freedom, quit his JOB, and live his life on his terms! Wish this same story could be yours? It can. This guide will teach you how to: Get started in the exciting, yet daunting, world of real estate investment Decode the complicated lingo and insider speak of the industry Find the right investment market for your needs and abilities Review the competition and find your opening Become a financing expert and choose the right options for you Spin deals to your advantage and close them with aplomb Turn these steps into a reliable, repeatable process Ditch debt, break the chains and leave your 9-to-5 behind Live a life of design, intention and success, every day Of all the investors in the US market, Reed Goossens is perhaps the most qualified to teach US investing. As an Australian, he had to learn the tricks of the trade from nothing, exploring the market from the outside in. The result: A no-nonsense approach lacking in preconceived notions and chock full of winning strategies. Before beginning his real estate investing career, back in 2009, Goossens' civil engineering background took him around the world. He was an integral part in projects ranging from Australia to the US, Fiji to Europe, and even worked on the 2012 Summer Olympic Games. His worldly approach plus hard-hitting (but fun!) approach makes this the perfect read for anyone looking to transition from the cubicle to the unfettered life - just like he did. If Reed can move halfway across the globe in order to achieve financial freedom, then so can you! Ready to give life a CRACK, as Goossens would say? Don't wait. Buy this book NOW. If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the

other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

Smith Mountain Lake has quickly become one of the East's most popular destinations for vacationers, second-homeowners, retirees, and telecommuters. Live where you want, and invest anywhere it makes sense. "It is a common misperception in real estate investing that you should buy only where you live. David Greene has put that myth to rest... This is a must-read for investors who want to expand their real estate empire nationwide." --David Osborn, bestselling author of *Wealth Can't Wait* Are you interested in real estate investing, but you live in a hot market that is not suited for buy and hold investing? Do you want to take advantage of wealth-building opportunities, but that seems impossible until the next market crash? Real estate investing is one of the greatest vehicles to build wealth, but it doesn't make sense in every market. Some locations provide incredible returns, while others make it almost impossible to find a single property that profits. Traditionally, investing out of state has been considered risky and unwise. But the rules, technology, and markets have changed: No longer are you forced to invest only in your backyard! In his book, real estate investor and police officer David Greene shows you exactly how he's built a multi-million dollar portfolio through buying, managing, and flipping out-of-state properties, often without ever even seeing the properties in person. David shares every tip, trick, and system he has put in place for over twenty rental properties, so you can avoid making mistakes and shorten your learning curve immensely! What's inside: How to assemble an all-star team to handle each aspect of a deal from A-Z. How to find great deals in any state, regardless of where you live. How to rehab a project from thousands of miles away without worry or complication. How to speak the language of the agents, contractors, lenders, and property managers you will use. How to quickly and easily know which neighborhoods to buy, and which to pass in. How to choose the best materials for your rehab projects and pay the least amount of money. ...And more! Don't let your location dictate your financial freedom. Get the inside scoop to invest--and succeed--anywhere!

A hilarious view of life after divorce; you'll never look at properties again without thinking of your dating life. Back on the Market is a Realtor's guide to life, love, and dating and the multitude of challenges that come with it all. Holly Parker has sold 8 billion dollars of luxury real estate throughout her career as one of Manhattan's most successful brokers. Through her humor and quick wit, she connects common real estate terms to everyday life, making Back on the Market a fun and unforgettable read. After seven years of marriage, Holly found herself "falling out of contract," as a newly divorced woman reluctantly facing the prospect of being "back on the market." She understands that life is transactional, whether it's a business decision or those we spend our time with, so she took her skills as a master real estate agent and applied everything she knew to getting her life back. Cleverly told through the eyes of a Realtor, Holly depicts the perils of life, love, and dating—whether it's dealing with first-time buyers (those who have a romanticized version of what they think they want and what they can actually have), the value of curb appeal, fixing the foundation of a damaged home, not listing before you're ready to sell, staging, and so much more. Hilarious and emotional, Holly shares her dating

The Real Estate Solar Investment Handbook explains the business case for property professionals to pursue solar projects. A project's value is determined by its potential risks and rewards; these are explained thoroughly in terms understood by the real estate industry. This book provides a framework for practical decision-making, with each chapter addressing a step in the process, from project idea to completion. Written from the perspective of the commercial real estate industry professional, it will help investors evaluate opportunities and execute projects that offer solid risk-adjusted investments. For property owners, investors, landlords, service providers, and all those looking to invest in solar on commercial property, The Real Estate Solar Investment Handbook will guide you through all the steps needed to gain years of revenue from a project.

Maloof has built a stellar career by farming for-sale-by-owner listings. He made six figures his first year as a real estate agent using his prospecting plan. Now, he shows other agents how they can do the same.

Real estate is a complex industry, often mired by low standards and greed. Many agents are poorly trained and lack an in-depth understanding of the intricacies of sales, business, and negotiation. Much of the established realty thinking and the accepted strategies are outdated, deceptive, or just plain ineffective. This isn't the opinion of a buyer or seller-it's the considered conclusion award-winning realtor P. Johan Sekovski has come to after years in the industry. In Real Estate Essentials, Sekovski aims his biting wit at the inadequacies of the industry while offering buyers, sellers, realtors, and brokers a road map to navigate real estate's perilous waters and come out on top. Sekovski artfully skewers and deconstructs the problems within the industry with an honest guide through the real estate quagmire-including realty techniques already proven to work well. He explains how to figure out who benefits from what and how to use such knowledge to your advantage. He covers everything from buying and selling to running a brokerage (and whether you should), managing rental properties, and flipping homes for profit. Discover the advice you need to thrive in real estate, whether you're buying, selling, or working within the exciting, often tumultuous industry.

This practical, real-world guide gives investors all the tools they need to make wise decisions when weighing the value and potential of investment properties. Written for old pros as well as novice investors, this friendly, straightforward guide

As home prices in the U.S. hit record highs, Mexico has emerged as a solid contender for people who are considering either buying second homes or investing in a holiday home or future retirement properties. The U.S. State Department estimates that there are 385,000 Americans permanently living in Mexico. This book details precisely what to look for in real estate investments and buying prospects, as well as how to find the best opportunities, buy with little or no money down, decide where to purchase, and how to choose and hire a realtor. You also will become knowledgeable about negotiating and financing, budgets, home-buying timelines, the process of building a house, homeowners' insurance, creative financing, closing and settlement inspections, legal contracts, what you can afford, and which government agencies can help. This book is a must-have for the investor considering a second home below the border.

What Suze Orman did for the stock market, Lisa Vander is doing for real estate. This single parent and self-made success introduces real estate investing to the general public. In *The Real Guide to Making Millions Through Real Estate*, Lisa Vander provides a step-by-step plan, lacking in most real estate books, that lets anyone earn long-term profits, starting with as little as \$3,000. Her book is a practical how-to guide that educates, motivates, and transforms the way people purchase, sell, hold, and manage real estate. Unlike most real estate investing books, this is no "get rich quick" scheme; it's a long-term plan to make and grow sustainable wealth--in other words, "get richer and stay richer." Charts, graphs, and worksheets make its contents easily accessible, and the success stories sprinkled throughout prove that anyone can benefit from the advice within.
