After studying the current research on literacy learning for young children, delving into the beliefs and schools of Reggio Emilia, and discovering the Maker Movement, the authors created StoryMaking. With great success, they implemented it in their diverse and large public school district. StoryMaking shares the processes, first steps, next steps, uses for materials, and lessons learned so teachers can implement their own versions in their classrooms. The book shares practical suggestions, student samples, photographs, anchor charts, and other forms of documentation.

Family child care providers filing their own taxes save time and money at tax season with this essential perennial resource.

Helps family child care providers gain more financial control over their lives.

For home-based family child care (daycare) providers, taking care of the children is only half of the job. The other half is taking care of the business—tracking expenses, being profitable, filing taxes, and meeting government requirements. This resource covers everything family child care providers need to keep accurate business records. If a family child care provider pays close attention to the recommendations in this book, he or she will be able to claim the maximum allowable deductions and pay the lowest possible federal taxes. Since the previous edition of Family Child Care Record-Keeping Guide, Congress and the IRS have made many changes to tax rules that affect family child care providers. There have been changes in depreciation rules, adjustments to food and mileage rates, and clarifications on how to calculate the Time-Space percentage. Author Tom Copeland has been involved in many IRS audits and represented providers in several Tax Court cases that have also clarified numerous rules. Further necessitating this ninth edition, the IRS issued two significant new rules in 2013. These updates, new rules, and clarifications are detailed in this book; all of the information is applicable to child care providers in every state, regardless of local

regulations. Tom Copeland, is a writer, trainer, lawyer, and consultant focusing on family child care business issues. He has conducted record-keeping, tax preparation, and business workshops for family child care providers across the country since 1981. Find the time, clarity, and mental space to achieve your goals The Free-Time Formula helps you slow down time and get the important things done. We're all overworked, stressed, and always being asked to do more, and do it better; the days aren't getting any longer, so something has to give—don't let it be your sanity. This book provides a real-world framework for more effective time management that helps you prioritize, focus, clarify, and go. You'll begin with a time audit to assess your current stress, strategies, and output—and the results may shock you. From there, you'll work step-by-step toward a new daily routine that will help you become the focused, efficient achiever you've been trying to be for so long. It's not about cramming more into your precious 24 hours, it's about figuring out what really matters to you, and getting the most important things done first. Every day. Never miss another big deadline, never flake on an important meeting, never be late to an appointment again. It is possible with great planning, and this book is your personal guide. Focused on action, not filler, this book is an excellent resource for those who want to achieve more, but do less. With a few simple changes, you'll find the time you've been missing and put it to more productive use. Define and prioritize your personal and professional goals and responsibilities Cut the distractions and clarify your daily objectives Adapt your workplace tools and environment to facilitate actual work Periodically self-assess, course-correct when needed, and plan for the future Rather than rush through another day leaving things un-done and roses un-sniffed, take a beat and a breath, and take back your day with The Free-Time Formula.

Attention seeking is seen as misbehavior in young children, and giving them the attention they need is often times interpreted as reinforcement of bad behavior. Everyone Needs Attention focuses on how we, as adults, manage our emotions when children seek our attention, including a "how-to" chapter to help reflect about how the reader sought out attention when they were children. This book includes conversations with teachers as well as some concrete steps to assist in self-explorations. Tamar Jacobson, PhD, includes her own life story suffering emotional neglect, as well as anecdotes of her work with teachers, families and children over the past forty years as a preschool teacher, professor, mother, and early childhood consultant. Published in 1996: The Book the author produced, A Journall or Diary of a Thankfull Christian is essentially a manual, a how-to book about how to write a spiritual diary; moreover, it is the only one of its kind written in seventeenth-century England.

Tom Thorne's career is on the skids. Having seriously crossed the line on his last case and depressed over the recent suspicious death of his father, the once ambitious police detective has been reduced to pushing papers . . . and is being encouraged to take a prolonged leave of duty. But someone is stalking the city's most destitute citizens. Three homeless men have recently been kicked to death, each brutalized corpse

discovered with a banknote pinned to its chest. With nothing to lose, Thorne volunteers to try to find the killer—taking to the streets he knows so well from his days as beat policeman and as a homicide detective, but this time joining the squalid ranks of life's rejects. In this harsh and harrowing netherworld, with its own rules and moral codes, a shocking link between the brutal crimes and a fifteen-year-old atrocity could end up costing Thorne what little life he has left.

Built in the 1890s at the center of the nation, Leavenworth Federal Penitentiary was designed specifically to be a replica of the US Capitol Building. But why? The Prison of Democracy explains the political significance of a prison built to mimic one of America's monuments to democracy. Locating Leavenworth in memory, history, and law, the prison geographically sits at the borders of Indian Territory (1825–1854) and Bleeding Kansas (1854–1864), both sites of contestation over slavery and freedom. Author Sara M. Benson argues that Leavenworth reshaped the design of punishment in America by gradually normalizing state-inflicted violence against citizens. Leavenworth's peculiar architecture illustrates the real roots of mass incarceration—as an explicitly race- and nation-building system

former servicemen, local Boy Scouts, and other community groups march in the Armistice Day parade. When the marchers swung past the meeting hall of the Industrial Workers of the World, a group of veterans broke ranks, charged the hall, and were met by gunshots. Before the day was over, four of the marchers were dead and one of the Wobblies had been lynched by the mob. Through a wealth of newly available primary source material including previously sealed court documents, FBI records released under the Freedom of Information Act, and interviews with surviving witnesses, Tom Copeland has pieced together the events of that day and has traced the fate of the men who were accused and convicted of murdering the marchers. Copeland focuses on Elmer Smith, the local attorney who advised the Wobblies that they had the right to defend their hall against an anticipated attack. Although he never belonged to the IWW, Smith sympathized with their interests, championing the rights of working people, and speaking on their behalf. He was originally arrested with the Wobblies and then took up their cause in the courts, beginning a life-long struggle to free the men who were charged with murdering the Centralia marchers. Copeland recounts Smith's disbarment and eventual reinstatement, his run for political office, his speeches throughout the Northwest, and his unyielding support for the workers cause. This book is a balanced treatment of the Centralia tragedy and its legal repercussions written by a practicing lawyer. It is also a compelling human drama, centering on the marginal life of an industrial frontier labor lawyer, a study of radical politics of the 1920s, and a
