A child compares pets in this silly look at cats and dogs. "My cat can sleep. My dog can sleep. My cat can sleep on top of my dog." Simple sentences and whimsical illustrations are ideal for toddlers, preschoolers, and beginning readers.

Sometimes, the things that a child hears about himself or herself is confusing to him or her. That is the case with the young boy in Almond Eyes. As a young child, he is constantly told that he has "beautiful Almond Eyes". He doesn't understand what this means until he asks his mother. She explains that his eyes are shaped like almonds because he is Korean. The boy then notices the different eye shapes of all of his friends. This is a wonderful book about celebrating the differences among friends.

Reiki is a technique for stress reduction which is also claimed to promote healing. It is said to create many beneficial effects including relaxation and feelings of peace, security and well-being. The technique is thought to have originated in Tibet, but was rediscovered by a Japanese Buddhist early in the 20th century. This revised edition includes the history of Reiki, and describes several successful approaches to integrate Reiki into patient care. Also included are pictures of the Usui memorial in Tokyo and of Mount Kurama where Reiki was discovered.

Lanie learns about the energy healing technique called "Reiki" and how it can help her feel better when she is stressed. My First Reiki Book is part of the Psychic Kids Series, a book for empathic and intuitive children.

Illustrated by seven different artists in a collage of breathtaking styles, author Jordan Courtney takes us for a creative climb with this easy to read picture book.

An illuminating guide to one of the fastest-growing spiritual healing practices in the world and an essential tool for anyone ready to bring healing into his or her life.

Perhaps the gentlest healing therapy in the world, Reiki originated in early twentieth-century Japan. In this indispensable guide to Reiki, one of the foremost experts traces the origin and development of the practice, detailing how and why it restores and renews the human body in ways we've only begun to understand. A pioneer in bringing Reiki into mainstream medical practice, Miles draws on her unique background to explain how this therapeutic technique, which involves a gentle laying on of the hands, complements conventional medical treatments and can hasten recovery from invasive surgical procedures, as well as ease the symptoms of cancer, insomnia, depression, anxiety, and other conditions. With compassion, wisdom, and the accumulated experience that comes from nearly twenty years as a Reiki practitioner, Pamela Miles empowers readers by showing how simple it is to take.

Here is a simple, easy-to-read, delightfully illustrated book for young children! The author presents, in a very easily comprehensible way, the basic Spiritual truths, explaining who we are, where we have come from, why we are here and the part God plays in all our lives. It is our responsibility as adults and particularly as parents, to ensure that our young children come to an understanding of the truths about Spiritual matters at as early an age as possible. This book is meant to develop a child's imagination, awakening tender young minds to the beauty that lies all around us and to connect with that beauty in an inspiring and meaningful way. It also explains, in simple terms, realities about creation and the subtle higher energy vibrational levels, which exist in close proximity all around us. The exercises and experiments will delight and amaze, as well as nurture your child's creativity, introducing, in a fascinating way, the truths that are fundamental to our understanding of our existence here on Planet Earth. Your child will learn that life is meant to be fun and to be enjoyed. But there are rules, as in any game! This book explains these Spiritual Universal Laws, helping your child to see this world as the wonderful, amazing, beautiful place it really is, and to live a life of fulfillment, joy and abundance. What more could you ever hope for?

Cory says, "Reiki is kinda crazy, but I really love it. It also makes my little brother seem a lot less annoying!" Cory's mother wants you to know that it's also helped with sleep, anxiety and patience. What if your family had a way to help their stress, sleep better, and improve their mood and focus? Something your kids could do for themselves, at any time of the day, had no side effects and was actually fun for them? Sound wonderful? Well, that's what this book is about! *Reiki Helps You Feel Better: A Guide for Young People and Curious Adults* explains the energy medicine self-care technique called Reiki. Thorough enough for adults but aimed at ages 10 to 14, it's firmly rooted in the everyday teen and tween world of soccer practice, friendships, school, and growing up. Talking about the What, Why and How of taking care of your energy anatomy doesn't have to be vague or confusing, and this book proves it. Because Reiki is something kids (and adults!) can do to provide healing for themselves independently, you'll see how your child's self-confidence and self-esteem grow along with their understanding of their body's energy. Using it they'll be able to better manage their worries and pain, they'll sleep better, lessen anxiety and depression, and develop a greater ease with mindfulness. What's even better is that Reiki doesn't have to be added to the schedule, like homework or meditation. It can be integrated seamlessly throughout the day, and it can be kept private. It's part of wholistic (or alternative) health, doesn't have side effects, and it works with any other treatment being used. Reiki is something your child does for themselves, on themselves, and under their own control, to improve their energy anatomy and bring more harmony to their lives.

Stimulate your child's creativity by working on this coloring book! Coloring gives him/her the chance to bring out his/her creative side because it is an open form of expression. A child would create an imaginary world and then use that to create art on paper. Don't fret too much if your child colors outside the lines. He/she will only improve with more practice and coloring pages!

From master Reiki teacher Lisa Campion comes *The Art of Psychic Reiki*, a one-of-a-kind, step-by-step guide for learning the sacred art of Reiki while cultivating the psychic and intuitive skills crucial to this healing energy work. Reiki is a gentle yet powerful, hands-on energy healing method from Japan that's been gaining in popularity over the last century—not only with bodyworkers and massage therapists in the West but also with medical professionals who can attest to its healing power. Born from the author's decades of experience with Reiki healing and her own methods, *The Art of Psychic*

Reiki provides everything you need to know about this healing art, including the critical psychic development and empathy training that prepares healers to go out and do the work they were meant to do. If you're drawn to the healing art of Reiki, you might be a highly sensitive person, with high levels of empathy, intuition, and latent psychic abilities (a combination of intuition and inner knowing, plus the ability to connect with higher wisdom). And since Reiki is a form of energy healing, many new practitioners may experience what's called a psychic opening as they learn or practice. For this reason, it's important that every Reiki practitioner master the ability to navigate their empathic and psychic sensitivities while engaged in this work—and this book can help. Whether you're new to Reiki or you're a practitioner seeking to deepen your knowledge and enhance your skills, with this guide you'll learn how to use Reiki to heal yourself and others, cultivate and trust your natural intuition, develop your empathic and psychic abilities, work with your spirit guides, and ground and protect yourself as a practitioner of this sacred healing art.
