

Revelation Of John Volume 1 New Daily Study Bible

The Book of Revelation is the last book in the canon of the New Testament, and its only apocalyptic document, though there are short apocalyptic passages in various places in the gospels and the epistles. This first of two volumes on Revelation offers systematic and thorough interpretation of the book of Revelation. Revelation brings together the worlds of heaven, earth and hell in a final confrontation between the forces of good and evil. Its characters and images are both real and symbolic, spiritual and material, and it is frequently difficult to know the difference between them. Revelation's cryptic nature has ensured that it would always be a source of controversy. This commentary focuses on the theological content, gleaning the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths. Scholarship on the book of Revelation has nonetheless not only endured, but even captured the imagination of generations of Bible students, both professionals and laypeople alike. Through its focus on the message of the book through scholarly analysis, this International Theological Commentary reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement, though not slavish repetition.

For more than fifty years and for millions of readers around the world, the New Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study. William Barclay's brilliant communication, down-to-earth approach, and sheer enthusiasm have inspired generations of readers. These new editions contain a new foreword from renowned theologian and author Alister McGrath, along with updated language to clarify less familiar illustrations from the originals and the inclusion of more contemporary language. In this volume of the New Daily Study Bible, the reader meets many of the picturesque images that are popularly identified with Revelation--the four horses and their riders, the antichrist, the woman clothed with the sun, the beast with his number, and Armageddon. William Barclay helps the reader understand and interpret these and many other images drawn from Revelation that have so seized hold of the world's imagination.

To unlock the wealth of what is one of the greatest and most dramatic books of the New Testament.

NOW IN AN ENLARGED PRINT EDITION! In this volume, William Barclay makes the most difficult book in the Bible easier to understand. In his introduction he examines areas such as the characteristics of apocalyptic literature and the nature of Caesar worship. John was, as Barclay shows, "soaked and saturated" in the Old Testament, and most of the imagery he employs is drawn from that source. Barclay clarifies the meaning of this imagery as he covers the central issues of the book of Revelation. For almost fifty years and for millions of readers, the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study. Now, with the release of the New Daily Study Bible, a new generation will appreciate the wisdom of William Barclay. With clarification of less familiar illustrations and inclusion of more contemporary language, the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives.

Search 66: A Journey Through The Bible (Volume 1: Genesis - Malachi) *It is written in a detailed easy-to-read and teach format *Hundreds of illustrations *Hundreds of informative facts *Maps and charts *Special historical analysis *Each chapter contains a 5-point outline *All in an easy-to-understand contemporary style *Can be used as a handbook for ministers and teachers.

Despite the sensational nature of its subject, *Lost in Translation: Rediscovering the Hebrew Roots of our Faith* is written in simple, clear, rational language that relies 100 percent on the Bible as the ultimate authority. The book's authors clear away centuries of confusion surrounding subjects that are seldom addressed in modern sermons and Bible studies. Using the ancient Hebrew language and culture, the authors clarify many of the Bible's so-called "mysteries" and help the reader rediscover many of the foundational truths that have been "lost in translation." Topics include: Who is the Bride of Messiah? Is there a difference between covenant and testament? Israel: Who are they really? What is the difference between devils, demons, and nephilim? Join us on an exciting adventure to rediscover the treasures still buried within the pages of The Book that reveal the pathway to the heart of God. "A must-read for the church! Providing foundational insights which lead to a greater understanding of God's master plan, this book will open your eyes to scriptural distortions due to the centuries of Greek influence on the church." - Corey Berti, Senior Pastor, Silver Valley Worship Center, ID "I've been a believer for 12 years, and I've read numerous scriptures that didn't make sense. The authors do a tremendous job of explaining the importance of understanding our Hebrew roots which provide context and clarity to the overall theme of God's message. It's like watching TV in black and white and then suddenly seeing it in color. The truth hasn't changed, but it's meaning becomes more vivid." - Jason Carr

A modern commentary by an Orthodox Archbishop on the Book of Revelation, also known as the Apocalypse of St. John

For over fifty years, The Daily Study Bible series has been the ideal help for devotional and serious Bible study. With the New Daily Study Bible, a new generation will appreciate the wisdom of William Barclay. With clarification of outdated illustrations and lightly nuanced with more contemporary language, the New Daily Study Bible continues to help people live faithfully as they grow in their understanding of the Scriptures.

Barclay clarifies the meaning of this imagery as he covers the central issues of the book of Revelation.

The Book of Revelation contains passages of great beauty and comfort, as well as passages that strike the casual reader as bizarre, bewildering, and sometimes frightening. How are readers today to discern God's message in this peculiar part of the Bible? *Breaking the Code* provides a trustworthy guide to the rich symbolism of this important biblical book. Noted biblical scholar Bruce M. Metzger presents the fruits of solid scholarship in a non-academic style. *Breaking the Code* serves as a key for understanding this powerful and puzzling book from the first century of the Christian Era. Topics include: Introducing the Book of Revelation/John's Vision of the Heavenly Christ (Revelation 1:1-20) Letters to Churches/More Letters to Churches (Revelation 2:1- 3:22) John's Vision of God and the Lamb (Revelation 4:1-5:14) Opening the Seven Seals of God's Scroll (Revelation 6:1-8:2) Sounding the Seven Trumpets (Revelation 8:3-11:19) The Satanic Trinity: The Dragon and the Two Beasts (Revelation 12:1-14:20) The Seven Bowls of God's Wrath (Revelation 15:1-18:24) The Final Victory and the Last Judgment/John's Vision of the Heavenly Jerusalem (Revelation 19:1-22:21)

The Revelation of St. John an Open Book The Revelation of John: Chapters 6 to 22

The Revelation to John by Stephen Smalley is a magisterial interpretation of John's Apocalypse as a grand drama, which can only be properly understood in light of John's Gospel and letters and in the context of the Johannine community. As such, it offers the reader a significantly different approach to this enigmatic text than that offered by most contemporary commentaries. Working directly from the Greek text, Smalley offers a masterful analysis of the critical and literary dimensions of the Apocalypse for students and scholars alike. Contents include an in-depth, critical analysis of the Greek text of Revelation a wealth of scholarly interaction with other commentaries and interpretations of Revelation a canonical assessment of Revelation in light of other Johannine texts a historical understanding of Revelation in the context of the Johannine community an interpretation of Revelation as cosmic drama Here is a fresh contribution to the scholarly study of

this captivating but often perplexing book of the Bible. Smalley demonstrates that the Apocalypse speaks directly to any situation in any age and offers a portrait of God's loving justice that is relevant to our own society.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Here the reader meets many of the picturesque images that are identified with Revelation--the four horses and their riders, the antichrist, the woman clothed with the sun, the beast with his number, Armageddon. William Barclay helps the reader understand and interpret these and many other images drawn from Revelation that have so seized hold of the world's imagination. For almost fifty years and for millions of readers, the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study. Now, with the release of the New Daily Study Bible, a new generation will appreciate the wisdom of William Barclay. With clarification of less familiar illustrations and inclusion of more contemporary language, the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives.

The emotionally evocative power of the book of Revelation has been often noted and experienced by interpreters, but until now it has never been systematically explored. The strange visions of the book of Revelation provide some of the most difficult passages of the New Testament, yet Christians have long been fascinated by its power and provocative pronouncements. David deSilva analyzes how the book argues and persuades us to see the world through the eyes of John, and suggests that the study of ancient rhetoric is particularly valuable in understanding the book of Revelation. deSilva interprets the book of Revelation as a rhetorical and communicative strategy to persuade a particular audience for specific goals. Throughout this analysis, he pursues John's construction of his own authority, John's use of emotion and logic, and his attempt to shape the formation of the reader. Despite the complexities of Revelation, deSilva has produced a remarkably clear text sure to cause readers to rethink their view of Revelation.

A Commentary on the Book of Revelation - Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.

Of the 66 books in the Bible, Revelation is the only book that guarantees a blessing if you will only read it. It is like the clasp which binds the Bible together. Genesis describes the start of this world, and Revelation explains the end. If Genesis is the seed-bed of all theology, then Revelation offers the fruit of theology.

Lost in antiquity, rediscovered in 1896, and only recently accessible for study, The Secret Revelation of John offers a firsthand look into the diversity of Christianity before the establishment of canon and creed. Karen L. King offers an illuminating reading of this ancient text--a narrative of the creation of the universe and humanity and a guide to justice and salvation, said to be Christ's revelation to his disciple John. Freeing the Revelation from the category of "Gnosticism" to which such accounts were relegated, King shows how the Biblical text could be read by early Christians in radical and revisionary ways. By placing the Revelation in its social and intellectual milieu, she revises our understanding of early Christianity and, more generally, religious thought in the ancient Mediterranean world. Her work helps the modern reader through many intriguing--but confusing--ideas in the text: for example, that the creator god of Genesis, a self-described jealous and exclusive god, is not the true Deity but a kind of fallen angel; or, in an overt critique of patriarchy unique in ancient literature, the declaration that the subordination of woman to man was an ignorant act in direct violation of the "holy height." In King's analysis, the Revelation becomes not strange but a comprehensible religious vision--and a window on the religious culture of the Roman Empire. A translation of the complete Secret Revelation of John is included. How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and

their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

A shocking, fascinating novel by the author of *The Insult and Divided Kingdom*.

In this and its companion volume, Dr. Barclay makes the most difficult book in the Bible easier to understand. In his introduction he examines areas such as the characteristics of apocalyptic literature and the nature of Caesar worship, John was, as Dr. Barclay shows, "soaked and saturated" in the Old Testament, and most of the imagery he employs is drawn from that source. Dr. Barclay does more than clarify the meaning of the imagery. His commentary covers many interesting subjects, such as the seven gifts of the Holy Spirit, the probable facts about John's exile on the island, and the meaning of Christ's knocking at the door.

This encomium is a thoughtful and respectful, compression of the one and only, Holy Bible. Compiled in an attempt to enlighten those who get lost reading the lengthy, but all-important, Word of God; but most importantly, this book conveys the coveted dream of our Almighty God.

The Bible is the best-selling book in history, but it can also be hard to understand. *The Smart Guide to the Bible: The Bible* guides you through all 66 books of the Old and New Testaments, so you can see both the big picture and the Divine details that support and carry forth God's master plan. From "In the beginning" to the final "Amen" you will gain the knowledge, confidence, and clarifications you've always wanted about God's words to you.

Shows how to discern the theological and homiletical message of the book of Revelation through narrative analysis.

"The Revelation Explained" by F. G. Smith. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

This book is a study guide on Revelation designed for individual and group study

Translates and interprets the Apocalypse of John, investigating theories of authorship and deducing that the inspirations for the visions lay in the prophecies of John the Baptist.

Of all the books of the Bible, few are as fascinating or as bewildering as Revelation. Its images grip the imagination: four grim horsemen, the Antichrist, the ten-horned beast, the ultimate battle at Armageddon, and, of course, 666, the "mark of the beast," variously interpreted to signify everything from Hitler and Krushchev to credit cards and the Internet. Is the book of Revelation a blueprint for the future that needs decoding if we want to understand current events? Is it a book of powerful imagery, with warnings and promises for the church throughout the ages? Or is it essentially an imaginative depiction of historical events in the first century? *Four Views on the Book of Revelation* explores the four main views in which Revelation is understood: preterist, idealist, classical dispensationalist futurist, and progressive dispensationalist. The interactive Counterpoints forum allows each author not only to present his view, but also to offer brief commentary on other views presented. This evenhanded approach is ideal for comparing and contrasting stances in order to form a personal conclusion about the interpretation and meaning of Revelation. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.
