

Revelation Of The Holy Grail

INCLUDES AN EXTRACT FROM ORIGIN, THE NEW THRILLER BY DAN BROWN: OUT NOW

----- Harvard professor Robert Langdon receives an urgent late-night phone call while on business in Paris: the elderly curator of the Louvre has been brutally murdered inside the museum. Alongside the body, police have found a series of baffling codes. As Langdon and a gifted French cryptologist, Sophie Neveu, begin to sort through the bizarre riddles, they are stunned to find a trail that leads to the works of Leonardo Da Vinci - and suggests the answer to a mystery that stretches deep into the vault of history. Unless Langdon and Neveu can decipher the labyrinthine code and quickly assemble the pieces of the puzzle, a stunning historical truth will be lost forever...

In Paula Armstrong's new book, 'Revelations', many important secrets are revealed that make us question many of the beliefs we've taken for granted. Paula's found the vital key that unlocks the door to many unsolved mysteries of history; e.g. the rivalry between the apostles Peter and Paul in the early Christian Church, the true relationship between Jesus, John the Baptist and Mary Magdalene, the true story behind the crucifixion of Jesus, and she offers stunning biblical evidence that suggests Jesus survived the cross. 'Revelations' also reveals what happened to the treasure of the Cathars of Montsegur, what happened to the Treasure of Solomon's Temple, and unlocks the secrets around finding the fabled Holy Grail.

The esoteric mysteries were hidden in high mountain retreats, mystery schools, poetry, alchemical formulas, tarot cards, the Holy Grail of King Arthur and many other avenues of secrecy. The great Truths, therefore, have not been lost, but only a few people have had access to them. This fact explains the Dark Ages as well as the present-day narrow minded people who do not understand that the word OCCULT merely means HIDDEN

The author of Bloodline of the Holy Grail focuses on another lost treasure of the bible, the Ark of the Covenant, retracing its path through history, and its mysterious disappearance, using biblical and Rosicrucian texts to unlock its secrets. Original.

Fifty-one-year-old Jack Molay is a wealthy, retired engineer who now finds himself with plenty of time to read. Among his reading material are two highly controversial works of nonfiction: Holy Blood, Holy Grail and The Tomb of God. Both books posit that Jesus did not die in the Holy Land, as the Bible says, but rather later in France and mdash;and that his body was buried there. Molay is surprised when he seemingly makes more sense of these books than the authors. He believes the books are correct; furthermore, he believes he can locate the final resting place of Jesus Christ. He organizes an expedition to southern France and, once there, uses his expertise as a mining engineer to locate a cave that contains two limestone ossuaries filled with bones. His friend and associate, Dr. Ron Campbell, determines that the hand bones show evidence of a crucifixion and mdash;but are the bones really the last remnants of Jesus Christ? Soon, Molay feels as if he and his team are in danger. The Vatican appears, as do other sinister forces planning to thwart their efforts. If Molay and rsquo;s suspicions are true, the implications for the entire Christian faith are dramatic. There are those who would do anything to keep Molay and rsquo;s discovery a secret; his curiosity could get him killed.

- A great surge of renewed interest in the Holy Grail has come about due to the success and popularity of the book, The Da Vinci Code - Bennett's book is based on the writings of ancient and modern Spanish authors, and separates valid tradition from me

These two moving studies by the eminent Orthodox theologian and sophiologist Father Sergei Bulgakov are remarkable in many ways. The first is a unique consideration--from the point of view of Eastern Christianity--of the Holy Grail, the chalice used by Joseph of Arimathea to catch the blood and water as it flowed from Jesus' side when it was pierced on the Cross by the spear of Longinus. This moment is described in John 19:34. Bulgakov's essay is a "dogmatic exegesis" of this passage in which, with astounding passion and precision, he reveals that the Earth itself and hence the human universe is the Grail wherein Christ lives forever. The second essay is also unique--the most important contribution to eucharistic theology by an Orthodox theologian. In the West, the meaning of the Communion bread and wine as the Christ's Body and Blood has been interpreted largely in philosophical terms deriving from Aristotle and Thomas Aquinas. Bulgakov insists on a christological and Gospel-based interpretation, one with tremendous significance for our understanding of the supernatural and sophianic nature of a world interpenetrated by the divine. This little book is a priceless gift, enriching our understanding of the Christian mystery and two of its deepest aspects, the Grail and the Eucharist.

"In Mary Magdalene's Dreaming Steven Strong and Even Strong continue their esoteric journey tracing the origins of religion that they began in their first book, Constructing A New World Map. Strong and Strong examine the Gnostic Scriptures detailing the words and deeds of Mary and Jesus recently found at Nag Hammadi. They were, as Jesus stated in the Gospel of Thomas, custodians of a secret tradition. Jesus insisted he is but the caretaker of a "bubbling spring that I have tended." The authors further assert their belief that this "bubbling spring" is identical to the "secret place" aboriginal elder, Bill Neidjie, urges all to discover and it is their contention that a closer inspection of the ancient mystical spring Jesus and Mary accessed is evident in many Gnostic texts. The secret knowledge Mary and Jesus preached, stripped of cultural and geographic differences, is undoubtedly the purest replication of the Dreaming since the first mariners were banished from Australia."--BOOK JACKET.

A journalist tells of his quest to find the Ark of the Covenant, how he traced it to a remote corner of war-torn Ethiopia, and the significance of the Ark and its mysterious disappearance

Take a ride to the Holy Tent to find the Holy Grail! Learn what the infamous number 666 represents! Learn who the person is who represents the number; directly from the Bible! Most importantly, learn what the mark of the devil is and how it will appear! Holy Tent/Holy Grail offers an insight into the Bible as never before! It explains Creation in a way that has never been described by any other author! In Holy Tent/Holy Grail you will learn what God has named the heaven and the earth that He has created! Many people will be horrified and deny it, but they cannot deny the truth of God!

From the ancient British tales of King Arthur and his knights through the medieval Central European sagas of Parzival, right up to modern-day blockbuster novels and films, the Grail has long maintained its enigmatic presence in western culture. It is said to be many things: a lost and priceless treasure, the chalice cup of the Last Supper, the cup that caught Jesus Christ's blood from the cross on Golgotha, or even a secret royal bloodline...Basing his presentations on far-reaching spiritual research, Rudolf Steiner gave profoundly esoteric, multifaceted insights into the mysteries of the Holy Grail. Collected together for the first time in a single volume, together with commentary and notes, these passages offer vivid tableaux with a multiplicity of meanings: a story that speaks to the human soul with a depth and complexity that intellectual interpretations alone cannot begin to fathom. Just as Parzival had to encounter and engage with veils of illusion and valleys of shadow and doubt, Rudolf Steiner presents us with a similarly challenging path. This book is more than a treasure of thought and insight: it invites us to embark on a personal quest to develop the abilities and vision required for grasping the elusive Grail itself. As editor Matthew Barton writes: "The vessel of the Grail gradually descends towards us and comes into focus as we raise ourselves individually to it by piercing through the illusions of materialism, acknowledging that we ourselves can ultimately become true vessels for the spirit."

THE MOST CLOSELY GUARDED SECRET OF THE WESTERN WORLD IS ABOUT TO BE REVEALED -- AND YOU WILL NEVER SEE CHRISTIANITY IN THE SAME LIGHT AGAIN. In a remarkable achievement of historical detective work that is destined to become a classic, authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons, the Cathars, the Knights Templar, and the occult to discover the truth behind an underground religion with roots in the first century that survives even today. Chronicling their fascinating quest for truth through time and space, the authors reveal an astonishing new view of the real motives and character of the founder of Christianity, as well as the actual historical -- and revelatory -- roles of John the Baptist and Mary Magdalene. Painstakingly researched and thoroughly documented, The Templar Revelation presents a secret history, preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe, whose final chapter could shatter the foundation of the Christian Church.

A woman believes she and her child are end-of-time saviors meant to fulfill an ancient biblical prophecy. She believes they are destined to warn the world of imminent danger and immortal enemies dedicated to ruin humanity. The novel is a psychological journey of self-discovery, hope, and rebirth.

An essential notion in the #1 New York Times bestseller The Da Vinci Code is the existence of an age-old French society, the Priory of Sion, whose task it is to protect Christ's sacred bloodline. In The Sion Revelation, Picknett and Prince reveal the story of the Priory, taking readers on a highly significant, disturbing, and even alarming ride through history into an intriguing world where a great many uncomfortable facts will have to be faced, both religious and political. Drawing on a wealth of astonishing evidence, they answer numerous questions that shroud this society, including: • Does the Priory actually exist or is the group's entire history an elaborate hoax? • Was Leonardo da Vinci really one of the Priory's Grand Masters? • What is the truth behind Pierre Plantard, the enigmatic French aristocrat who claimed to be a Priory Grand Master -- and who some claim was a Nazi sympathizer? • Could the Priory be a front for other occult societies in Europe with religious or even political agendas? By carefully untangling centuries of obfuscation, rumor, and documented fact, The Sion Revelation unravels the great intricacies of this secret society and takes us on a historical journey that is as groundbreaking in its explanation as it is riveting in its telling. Martin Liedtke, is a leading-light who puts his neck on the line for truth. He got involved in archaeology and history and while digging away at ancient sites, he unearthed more questions than answers were given. Rather than accept the narrative presented, Martin began to pose questions of his own - and began to explore. What Martin found was earth-shattering and mind-blowing - and his book, The Holy Grail of Our Flat Earth, gives you the answers. Martin's revelations on his YouTube channel urge you to want to find out more. Now, in his book, you are offered an alternative story of humanity's history - one that, until now, has been hidden for reasons unknown. This book provides transcripts from his YouTube presentations where he gives in-depth information that will simply blow your mind. Are you prepared for the revelation of an alternative view of our historical roots? If so, you'll find they are more fantastically mysterious than you would ever have imagined. Martin Liedtke's book is a re-telling of the history has been hidden from us and when we find out about it, we're actively encouraged to deny. The Holy Grail of Our Flat Earth reveals through images and documented evidence, that we're not living on a globe. Martin's findings consistently challenge the accepted format we've been spoon-fed since birth and each of his revelations encourages you to open your own eyes to start your own quest for truth.

The second millennium of the Christianity has ended. What will the third coming one bring? Daring and glorious challenge for the future transforming of the humanity is offered in the scroll of the heavenly revelations, received by the author at the peak of the Nightingale Mountain in Turkey. This is the wonderful piece of the spiritual-mystical literature, attractive for the serious and thoughtful reader.

The mysterious Knights Templar kept a secret in the legends of the Holy Grail that still has scholars today debating about what they were hiding. Was the Holy Grail a cup that contained the blood of Christ or was it the bloodline of Jesus Christ and Mary Magdalene? What does the rare RH negative blood type have to do with the Israelite bloodline? Never has any book attempted to explain the secrets hidden within the Knights Templar cross emblem which was emblazoned on their robes. This book explains the mystery about the Knights Templar cross and how this simple symbol was encoded within the Holy Bible and the very structure of our universe. Peter Plichta re-discovered that writing the numbers in a circle pattern shows that the prime numbers actually form a cross that looks like the Knights Templar cross. The prime number cross encodes eight mysterious triangles which show a triad pattern of three tones. Could the prime number cross encode the tones that should be used for the new song prophesized in the book of Revelation? Read this book and find out why this symbol is so important to the Knights Templar and the legend of the Holy Grail.

This book is a condensed yet thorough revelation of the exact location of the Hall of Records that Edgar Cayce predicted would be found. This book is a cohesive masterpiece that connects the fragmented bits of information scattered throughout dozens of readings given over a period of many years by Edgar Cayce. You won't be disappointed with this dramatic evidence! The quest for the Hall of records has become tantamount to the quest of the Holy Grail.

Composed by an unknown author in early thirteenth-century France, The Quest of the Holy Grail is a fusion of Arthurian legend and Christian symbolism, reinterpreting ancient Celtic myth as a profound spiritual fable. It recounts the quest of the knights of Camelot - the simple Perceval, the thoughtful Bors, the rash Gawain, the weak Lancelot and the saintly Galahad - as they journey through danger and temptation to reach the elusive Holy Grail. But only one of them is judged worthy to see the mysteries within the sacred vessel, and look upon the ineffable. Enfused with tragic grandeur and an aura of mysticism, The Quest is an absorbing and radiant allegory of man's perilous search for divine grace, and had a

profound influence on later Arthurian romances and versions of the Grail legend. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

In the early part of the last century, Professor Hermann Beckh began a search to discover the truth about the Mystery wisdom of antiquity. As a recognized authority on Buddhist texts, he knew that complete knowledge of such Mysteries was not to be found within the limitations of waking consciousness, sense perception and logic. Beckh was already aware that Gautama Buddha had indicated the stages of higher knowledge. Furthermore, his studies of Rudolf Steiner's anthroposophical teachings revealed that such knowledge could be experienced directly, given disciplined meditation. Clairvoyant cognition included the conscious penetration of sleep consciousness, the dream state and an experience of pre-natal consciousness. Both the Mysteries and Rudolf Steiner's major books, he concluded, were founded on the same perceptions. Beckh – a worldwide expert on Tibetan, Sanskrit, Pali and Avestan texts – quickly became disenchanted with Madame Blavatsky's Theosophy, as it displayed little precise academic knowledge of primary records. At the same time, university departments showed scant trace of understanding the texts they analysed through philology and sociology. Thus, based on comprehensive studies and personal experience, he resolved to present his own perceptions and vision to the public. The results are to be found in this invaluable book, bringing together for the first time in English three groundbreaking publications: *Our Origin in the Light (Genesis 1-9)* (1924); *Zarathustra* (1927) and *From the World of the Mysteries* (1927), as well as five of Beckh's articles from contemporary periodicals.

The world has been longing to have the mysteries of the Da Vinci Code, the Holy Grail, the Knights Templar ... unveiled. The controversies of a hidden secret about the Savior Jesus Christ - have been hot worldwide. If you are a believer, a truth-seeking reader, or a scholar ... wouldn't you wish to have a book that genuinely tells it all? *The Secret Truth of Jesus* is the one! I believe that the Savior Jesus has called and led me to the Truth of his secret teachings. I can assure you that you will be amazed as I've been! It's truly wonderful. Reading "The Secret Truth of Jesus," you will know much more about the Savior. You will see that many spiritual aspects of the saving Lord have been superficially understood. Jesus has taught the way how to regenerate the Holy Spirit that is free from slavery of sin. The secret teachings are thoroughly presented in the long Chapter 6. It is the "Fire baptizing" by Jesus, but now it is shown clearly with what, why, and how. *The Secret Truth of Jesus* comes with his full instructions! Jesus intentionally demonstrated on the Cross (to his disciples and future followers) that the Holy Spirit reborn by his secret teachings is indestructibly-everlasting. It is resurrection. "A true born-again believer" will resurrect and never die spiritually. And this is the hopeful purpose of all believers. God the Father had sacrificially used his Son Jesus to persuasively offer his Salvation to humankind. God want all of "the elect" to be like Jesus, often called Christ-like, so that they could enter his Heavenly Kingdom. And the way to be like him is achievable only by learning his secret Truth. The Holy Spirit is described in the Revelation as "the tree of life that produces twelve different fruits monthly (hence year round eternally)." Each Commandment of Jesus yields a "corresponding fruit." There are twelve Commandments in total in Matthew Synoptic Gospel: 6 Positive and 6 Negative Commandments. These interact to create the basic system of spi

For the first time, inside sources from the reclusive Priory of Sion--thrust into the limelight by Dan Brown's bestselling *The Da Vinci Code*--share their best-kept secrets, including proof of the marriage of Jesus and Mary Magdalene. The reason is as sensational as the secrets themselves: the apocalypse foretold in the Book of Revelation, culminating in the emergence of a savior sprung from the bloodline of Christ. Join Robert Howells as he traces the clues to this cataclysm in tombs, temples, churches, manuscripts, and paintings to give readers the truth they need to face the Second Coming without fear.

"In Search for the Holy Grail: Why Ministers Fall" takes a comprehensive look into the baffling and painful events surrounding the moral failure of ministers, as well as the effects on their congregations and ministries. It is a quest to discover why failure occurs and examines the even more concerning revelation that few ministers are ever truly restored to ministry and why. In the final analysis, this book points the way toward a healthy approach to restoration and healing for the ministers, their families, the victims and congregations, not by method or procedure but through addressing the broader view of our Christian culture.

Challenged to find the Holy Grail, Andrew Collins discovered new evidence, including relics and secret teachings.

Mystics believe that the Holy Grail is representative of our Real Self or Higher Self. In each chapter Elizabeth Clare Prophet, inspired by Archangel Gabriel, unlocks the mystery of true Selfhood in the ongoing quest for the Holy Grail. In this quest, we become aware of the unseen forces that affect our lives. Being aware can mean the difference between triumph and tragedy. This book helps prepare us to meet the challenges of our time.

Mary Magdalene is a larger figure than any text, larger than the Bible or the Church; she has taken on a life of her own. She has been portrayed as a penitent whore, a wealthy woman, Christ's wife, an adulteress, a symbol of the frailty of women and an object of veneration. And, to this day, she remains a potent and mysterious figure. In the manner of a quest, this book follows Mary Magdalene through the centuries, explores how she has been reinterpreted for every age, and examines what she herself reveals about woman and man and the divine. It seeks the real Mary Magdalene in the New Testament and in the Gnostic gospels where she is extolled as the chief disciple of Christ. It investigates how and why the Church recast her as a fallen woman, it traces her story through the Renaissance when she became a goddess of beauty and love, and it looks at Mary Magdalene as the feminist icon she has become today.

The Holy Grail has become a popular field of study in recent years, however most books on the subject are written by authors who are not themselves initiated into the mystery school tradition of the Grail. *Revelation of the Holy Grail* is one of the first books on the subject which is written by an initiate within several of the Knighthood Orders associated with the Grail Tradition. This book provides many previously unpublished facts about the history and tradition of the Grail movement, which includes some of the most influential people in human history. The Quest of the Holy Grail has proved to really be about the quest for human civilization. It has spawned not only the greatest political movements in history, but also it has been the cornerstone of human technology. Alchemy, Hebrew Mysteries, Templar Secrets, ancient technologies, Gnostic traditions, and secret societies have all been involved in this exciting history which is the backbone of our modern day world.

From royal and suppressed archives comes documented proof of the heritage of Jesus in the West and the long awaited discovery of the

Holy Grail. In fulfilling this time-honored quest, penetrating new light is cast upon the Grail Code of Service and the venerated feminine element, upheld in chivalry but forsaken by the Church in order to forge a male dominated society. This unique work offers revelatory insight concerning the descendant heirs of Jesus and his brother James while, in documenting a hidden legacy of the Messiah, it unveils hitherto guarded facts about characters such as Mary Magdalene and Joseph of Arimathea. Tracing the sacred lineage through centuries of persecution and Inquisition, Bloodline of the Holy Grail reveals a systematic suppression of authentic records and a strategic manipulation of the New Testament Gospels. Featuring all the charm and adventure of Arthurial romance, coupled with enthralling Rosicrucian and Templar disclosures, this extraordinary work has a cutting edge of intrigue that removes the established blanket of enigma to expose one of the greatest conspiracies ever told.

This interdisciplinary volume of text and art offers new insights into various unsolved mysteries associated with Mary Magdalene, Mary of Bethany, Mary the Mother of Jesus, and Miriam the sister of Moses. Mariamic traditions are often interconnected, as seen in the portrayal of these women as community leaders, prophets, apostles and priests. These traditions also are often inter-religious, echoing themes back to Miriam in the Hebrew Bible as well as forward to Maryam in the Qur'an. The chapters explore questions such as: which biblical Mary did the author of the Gospel of Mary intend to portray-Magdalene, Mother, or neither? Why did some writers depict Mary of Nazareth as a priest? Were extracanonical scriptures featuring Mary more influential than the canonical gospels on the depiction of Maryam in the Qur'an? Contributors dig deep into literature, iconography, and archaeology to offer cutting edge research under three overarching topics. The first section examines the question of "which Mary?" and illustrates how some ancient authors (and contemporary scholars) may have conflated the biblical Marys. The second section focuses on Mary of Nazareth, and includes research related to the portrayal of Mary the Mother of Jesus as a Eucharistic priest. The final section, "Recovering Receptions of Mary in Art, Archeology, and Literature," explores how artists and authors have engaged with one or more of the Marys, from the early Christian era through to medieval and modern times.

The Grail Legend takes you back through the centuries to view an emerging family dynasty who may soon attempt to establish One-World government.

Explores the mysterious Priory of Sion organization, investigating key questions about the alleged descendants of Jesus and Mary Magdalene, Leonardo da Vinci's possible membership, and the identity of Grand Master Pierre Plantard.

Zerach an Archangel a faithful warrior who devotes his life to saving those worthy of entering the gates of paradise. But, this time he faces a task like no other.. Protecting the Holy Grail. Zerachs Nemesis Jaricus, a rogue demon who desires to become a god searches for the Holy Grail to use its power to rule hell and bring hell upon Earth. Alexa, an average teen who has the world at her feet does not realize her true destiny for she will discover what her life means for the fate of humanity. In the hands of good she is humanities salvation. But, in the hands of evil she is humanities destruction.

"Many, perhaps most, who see the title of this book, will wonder to what the "crystal halls of Christ's Court" refer. In the Book of Revelation, his heavenly city is described as a perfect crystal cube descending out of heaven: "Her light was like unto a stone most precious, even like a jasper stone, clear as crystal ... And the city lieth foursquare" the length and the breadth and the height of it are equal. The Bible does not provide the reason why the royal court of Christ is made of crystal, or why it is cube shaped. However, we can assume that this description was not arbitrary. It was the eyewitness account of a prophet named John. Several other prophets, including Enoch and Ezekiel, described a similar locale.

According to esoteric teaching, Christ's Court once had its densest expression in the ethers above the city of Jerusalem ("city of Peace"). When it returns as the New Jerusalem it will be in another location. Here will be revealed the secrets of walking the crystal halls of Christ's Court. The location of the New Jerusalem and how to connect with Christ's Court are among the vital questions that are explored in this book"--Publisher's web site.

This is Laurence Gardner's final book, written shortly before his death in 2010 and is the accompanying book to his Origin of God (published 2011 by dash house publishing). Together with Origin of God, this book outlines an irrefutable and searing indictment of conventional belief and exposes the evils and absurdities perpetuated over the millenia in the name of Christianity. In Revelation of the Devil, Laurence Gardner traces the history of the Devil, from its roots in Mesopotamia and the Old Testament all the way up to the modern world of today. Travelling through the New Testament, as well as the Koran, and then passing in turn through the Inquisitions, the Reformation and the Enlightenment, he unmasks what he has called "the myth of evil and the conspiracy of Satan." For nearly 2,000 years a supernatural entity known as the Devil has been held responsible by Church authorities for bringing sin and wickedness into the world. Throughout this period, the Devil has been portrayed as a constant protagonist of evil, although his origin remains a mystery and his personality has undergone many interpretive changes, prompting questions such as: If God is all good and all powerful, then why does evil exist? How can it exist? If God created everything, then where did the Devil come from? If the Devil exists, then why does he not feature in any pre-Christian document? Revelation of the Devil follows the Devil's sinister history, in the manner of a biography, from his scriptural introduction to the dark satanic cults of the present day. In a strict chronological progression, we experience the mood of each successive era as the Devil's image was constantly manipulated to suit the changing motives of his creators in their bid for threat-driven clerical control.
