Standing on the side of the road, the fallen motorcycle bursts into flames. His dark eyes meet mine and he looks like an animal ready to devour me. The worst part? I want him to. A woman who is about to go down a rough road... Logan isn't my type. He's a brazen outlaw, with eyes like midnight and a fighter's hardened body. I can't help but feel uneasy when I'm around him, but with that unease comes a dark throbbing chill up my spine. He's definitely not boring, and maybe that's why I can't stop thinking about him. Problem is, he's guarded and distant with me. I can't blame him. I did just put the President of his motorcycle club in the hospital... A man on the edge of the law... A woman has never challenged my loyalty to my club. Until Cassie. She's a defiant one, with a fierce attitude and a body made for sin. Somehow, whenever I look in her blue eyes, I feel like I'm going to drown. This mess couldn't have happened at a better time. My motorcycle club needs me. With my long time friend in the hospital I need my wits about me. But how can I whip these rookies into shape with Cassie constantly on my mind? Can't I just forget about her? God knows I've done it before with weaker women. I can't have a repeat of what happened to my crew in California. Especially if it's my fault. From Amy Isan comes Part One of a sizzling Serial about an outlaw and the woman who dares to tame him...

Happily ever after doesn't always start with "first comes love." Gabriel Maguire thought he'd buried his past until the night he met Holly, only to lose the woman he cared about, again. Holly Jacobs has always put the cart before the horse. A

prodigy who shot to stardom in textile design, she never knew a normal life-and there's nothing she longs for more than to be normal. Pregnant before she even knows the name of her baby's father, Holly has put the cart miles ahead of the horse this time. But when she and Gabe meet for the second time, they decide to have their baby together. Holly finally begins to accept her unique way of doing everything backward, but Gabe's very normality drives her up the walls. Then his tragic past rears up; pain and loss threaten to destroy forever the fragile bond that has blossomed between him and Holly. Sometimes the only way to get where you need to be is to put the cart before the horse.

Persephone is held captive by the dark and commanding Aidon, the God of the Underworld, who binds her to him, claiming her bit by glorious bit as his own. Her coming of age is one of sexual awakening as she learns the bondage her new master imposes fulfills her darkest desires. But forced to face the looming specter of her history, it threatens to shatter the newly formed bonds between the couple.

community. Yet Joanna's stories aren't her only secret. She also has a beau who is courting her from afar, unbeknownst even to her sister, Cora, who, though younger, seems to have suitors to spare. Eben Troyer is a responsible young Amishman who hopes to make Joanna Kurtz his bride--if he can ever leave his parents' farm in Shipshewana, Indiana. Yet with his only brother off in the English world, intent on a military career, Eben's hopes for building a life with his dear Joanna are dimming, and patience is wearing thin. Will Joanna ever be more than a bridesmaid?

The Ancient Egyptian gods have defeated all the other pantheons and claimed dominion over the earth, dividing it into warring factions. Lt. David Westwynter, a British soldier, stumbles into Freegypt, the only place to have remained independent of the gods' influence. There, he encounters the followers of a humanist leader known as the Lightbringer, who has vowed to rid mankind of the shackles of divine oppression. As the world heads towards an apocalyptic battle, there is far more to this freedom fighter than it seems...

With U.S. intelligence agencies wracked by internal power struggles and paralyzed by bureaucracy, the President was forced to establish his own clandestine group--Covert-One--only activated as a last resort, when the threat is on a global scale and time is running out. In northern Uganda, an American special forces team is decimated by a group of normally peaceful farmers. Video of the attack shows even women and children possessing

almost supernatural speed and strength, consumed with a rage that makes them immune to pain, fear, and all but the most devastating injuries. Covert-One's top operative, army microbiologist Colonel Jon Smith, is sent to investigate the attack and finds evidence of a parasitic infection that for centuries has been causing violent insanity and then going dormant. This time, though, it's different. The parasite had been purposely kept alive and crudely transmitted in acts of terrorism. Now the director of Iranian Intelligence is in Uganda trying to obtain this biological weapon to unleash it on the West. Smith and his team are ambushed and cut off from all outside support just as they begin to suspect that forces much more powerful than the Iranians are in play—forces that can be traced to Washington itself. Allowing herself to be hypnotized, fifteen-year-old Kira reveals memories of another time and place that may eventually cost her and her mother their lives. From New York Times bestselling author Madeline Hunter comes this seductive tale of a headstrong young lady, a scandalous manuscript, and the iron-willed duke determined to save her from her ruin. For fans of Mary Balogh, Eloisa James, and Julia Quinn. When Lady Lydia Alfreton is blackmailed over the shocking contents of a manuscript she once wrote, she must go to the most desperate of measures to raise the money to buy back the ill-considered prose: agreeing to an old wager posed by the arrogant,

dangerous Duke of Penthurst. At least Penthurst is a man she wouldn't mind fleeing—and she's confident she'll win. Penthurst long ago concluded Lydia was a woman in search of ruinous adventure, but even he is surprised when she arrives at his house ready to bet her innocence against his ten thousand pounds—a wager he only proposed to warn her off gambling. When she loses to a simple draw of the cards, Lydia is shocked. Now, her problems are twofold: a blackmailer determined to see her pay and a duke determined to tame her rebellious ways. One misstep and Lydia could find herself ruined—or bound to the seductive man who would make her his duchess.

In an alternative history where Ireland is the world's largest superpower and the rest of Europe is full of disjointed nations, a group of Irish scientists who have already bent the laws of nature are striving to conquer the nature of time.

What if... Your picture was taped inside teenage boys' lockers across America, your closets were bursting with never-worn designer clothing, and the tabloids constantly asked whether you were losing your "good girl" status? It's a glamorous life, but sixteen-year-old Kaitlin Burke, costar of one of the hottest shows on TV, is exhausted from the pressures of fame. Then she hits on an outrageously daring solution, one that has to remain top secret or it will jeopardize everything she's ever worked for.

It is a secret that has been hidden for more than a half century. . . . The clues have been scattered across the globe. Now someone has begun to piece them together—and the future of the world depends on his being stopped in time. In Maryland, a vicious gang breaks into the National Cryptologic Museum and steals a Nazi Enigma machine. In a London hospital, an Auschwitz survivor is murdered in his bed, his killers making off with a macabre trophy—his severed left arm. In Prague, a seemingly worthless painting is stolen from a synagogue. Three cities. Three puzzling thefts. Could there possibly be a connection? When former art thief Tom Kirk is first asked to investigate, the Prague theft certainly seems unremarkable enough—until the stolen painting turns up alongside the amputated human arm. As Tom digs deeper into the past, both items appear to be elements in an elaborate trail of clues laid down in the dying days of the Third Reich by a secret order of SS knights—clues that stretch from the remote mountains of Idaho to the snowy streets of St. Petersburg and ultimately lead to a fabled treasure lost in the ashes of war. Spurred on by the sinister light of the Black Sun emblem, ghosts from his past, and the poisonous manipulations of a deadly enemy, Tom finds himself trapped in a situation where the greatest prize of all is life

itself—and not just his own. . . .

There's one thing I've never understood about time management books, and that is, why do so many of them take so much time to read? Have you noticed that? It seems to me a book about time management should be, well, short. To the point. Efficient. So that's what I did in *Tell Your Time*. I distilled all of the time management, organization, scheduling and goal-setting tips I've gleaned over the years (that's a lot) into one easy-to-read, easy-to-implement, straightforward, no-nonsense ebook. Remember, time management is like weight loss. There's no magic bullet. The basic principles in weight loss books are all variations on the same theme: eat well and exercise. Consume fewer calories than you expend. The same goes for time management books. There's no magic bullet. The basic principles in time management books are all variations on the same theme: make sure all your to-dos fit within the 24 hours allotted. This book will walk you through a process—the one I personally use—that has helped many others. And it will do it in a fraction of the time and at a fraction of the cost. Because I think you should live life living, not just reading about it. *Tell Your Time* will help you identify the most important things—and the most important people—in your life. You will easily set goals and learn how to manage your time efficiently so no *thing*—or no *one*—falls through the cracks. Oh, and by the way, during the

writing of this book I finally figured out the answer to my question, you know, the one about time management books being so time consuming. A traditional publisher contacted me and offered to publish Tell Your Time as a "regular" book. But there was a catch. In order to justify the cost of publishing, I had to beef it up...and make it about 7 times longer. I was very grateful for the offer, but I declined. (By the way, if you want to hear that full story, find the Tools page I reference throughout the book.) Tell Your Time packs a huge practical punch. Small time commitment, small price tag, huge benefit.

"...[a] captivating, emotionally charged journey through America's past."--Publishers Weekly starred review on *With Every Breath* Anna O'Brien leads a predictable and quiet life as a map librarian at the illustrious Library of Congress until she stumbles across the baffling mystery of a ship disappeared at sea. Thwarted in her attempts to uncover information, her determination outweighs her shyness and she turns to a dashing congressman for help. Luke Callahan was one of the nation's most powerful congressmen before his promising career was shadowed in scandal. Eager to share in a new cause and intrigued by the winsome librarian, he joins forces with Anna to solve the mystery of the lost ship. Opposites in every way, Anna and Luke are unexpectedly drawn to each other despite the strict rules forbidding Anna from any romantic

entanglements with members of Congress. From the gilded halls of the Capitol where powerful men shape the future of the nation, to the scholarly archives of the nation's finest library, Anna and Luke are soon embroiled in secrets much bigger and more perilous than they ever imagined. Is bringing the truth to light worth risking all they've ever dreamed for their futures?

What does it take to build a marriage that will last? Tony and Lauren Dungy have together known the highest of highs and the lowest of lows. They fell in love, built a family, and made sports history when Tony became the first African American head coach to win the Super Bowl. Yet they've also gone through difficult, relationship-testing setbacks, including job loss and devastating personal tragedy. In a culture where it seems harder and harder to make marriage last, what has kept the Dungys strong through it all? In *Uncommon Marriage*, Tony and Lauren share the secrets that hold them together, revealing what they've learned so far about being a good husband or wife; getting through times of loss, grief, or change; staying connected despite busy schedules; supporting each other's dreams and goals; and helping each other grow spiritually. They offer encouragement and practical advice to equip your marriage to survive tough issues and flourish with joy, purpose, and partnership—in other words, to be a marriage that is

truly uncommon.

She lost it all in one agonizing moment... Princess Michal is used to getting everything she wants, and she has her heart set on the young hero David. But their passionate love affair is destroyed by her father's murderous rage. Will David's departing promises be enough? David the King is no longer the charming harpist she gave her heart to. The most powerful man in Israel, he falls into the arms of the beautiful Bathsheba. Temptation comes in the form of a dashing Philistine warrior. Michal vows to be the only woman in David's heart, but does she know her own? A novel of betrayal, forbidden love, and redemption, *Michal's Window* is an imaginative retelling of King David's story through the eyes of the woman who loved him first.

Mandy's life changes forever when her ten-year-old twin sister eats a hamburger tainted with E coli and dies. Andrea Thalasinis's debut novel is an inspiring story of how a single act of kindness can transform your life. Rosalie MacKenzie is headed nowhere until she sees Smokey, a Siberian husky suffering from neglect. Rosalie finds the courage to rescue the dog, and—united by the bond of love that forms between them—they save each other. Soon Rosalie and Smokey are immersed in the world of competitive dogsled racing. Days are filled with training runs, the stark beauty of rural Wisconsin, and the whoosh of runners on snow. Rosalie discovers that behind the modern sport lies a tragic history: the heartbreaking story of the Chukchi people of Siberia. When Stalin's Red Army displaced the Chukchi in 1929, many were killed and others lost their homes and their

College sophomore Hannah Maquiling doesn't know why everyone tells her their love problems. She's never even had a boyfriend, but that doesn't stop people from spilling their guts to her, and asking for advice. So maybe it shouldn't be a surprise when the cutest guy in school tells her that she's going to have to take on this responsibility -- but for all humanity. The Goddess of Love has gone AWOL. It's a problem, because her job is to keep in check this world's obsession with love (and lack of it). The God of the Sun, for now an impossibly handsome senior at an exclusive college just outside of Metro Manila, thinks Hannah has what it takes to (temporarily) do the job. While she's learning to do this goddess thing, she practices on the love troubles of shy Kathy, who's got a secret admirer on campus. Hannah's mission, should she choose to accept it, is to make sure that he's not a creepy stalker and they find their happily ever after -- or at least something that'll last until next semester. (As if she could refuse! The Sun God asked so nicely. And he's so, well, hot.)
