Cuentos de Amor de Locura y de Muerte Horacio Quiroga This collection of stories includes tales about illness, despair, exile, and human brutality. The author himself compiled the selection. Held to be among the greatest writers of short-fiction, Horacio Quiroga has been compared to Kipling and Poe.

twilight and Philosophy PHILOSOPHY/POP CULTURE What can vampires tell us about the meaning of life? Is Edward a romantic hero or a dangerous stalker? Is Bella a feminist? Is Stephenie Meyer? How does Stephenie Meyer's Mormonism fit into the fantastical world of Twilight? Is Jacob "better" for Bella than Edward? The answers to these philosophical questions and more can be found inside Twilight and Philosophy: Vampires, Vegetarians, and the Pursuit of Immortality. With everything from Taoism to mind reading to the place of God in a world of vampires, this book offers some very tasty philosophy for both the living and the undead to sink their teeth into. Whether you're on Team Edward or Team Jacob, whether you loved or hated Breaking Dawn, this book is for you! Dory, the youngest in her family, is a girl with a very active imagination, and she spends the summer playing with her imaginary friend, pretending to be a dog, battling monsters, and generally driving her family nuts.

Professor and Mrs. Moriarty seek justice where the law can't — or won't — apply. In this series of lively stories, they assemble a band of misfits -- others who have been cast out or falsely accused -- to help them defend the victims of the rich and powerful in Victorian society. Their efforts often put them at odds with police consultant Sherlock Holmes. Book 1: Moriarty Meets His Match Prof. Moriarty has one desire in his ruined life: to destroy his enemy. Then he meets amber-eyed Angelina and his world turns upside down. Now he's being stalked by the implacable Sherlock Holmes and entangled in a web of murder and deceit. Book 2: Moriarty Takes His Medicine Professor & Mrs. Moriarty tackle a case too ticklish for Sherlock Holmes — a doctor with a private clinic murdering wealthy women for a price. Book 3: Moriarty Brings Down the House The Moriartys must stop the deadly pranks threatening a West End Christmas pantomime before someone they love is killed or Holmes obtains the damning evidence his client demands. Bonus short story: The Stockbroker's Wife Professor Moriarty commits a small fraud to expose a larger one.

After Thomas Mann, Stefan Zweig was perhaps the most well-known and widely read author writing in German before the Nazi rule. Beware of Pity was written in Zweig's London exile in 1938, and although it is above all a psychological novel whose tragedy unfolds in the private realms, Zweig's humanistic perspective provides a commentary on the larger historical and political situation. His subtle analysis of pity and its implications - his psychological study of the self-denying surrender to the object of one's pity and his Nietzschean verdict against the fatal

power of the weak - resonates with the political ills of the time. The main action is set in 1914, in the months leading up to World War I. Pushed on by circumstances and caught between the polarities of his life as an officer in the Austro-Hungarian Army and his acquaintance with a wealthy local family, Anton Hofmiller consents to an engagement with Edith, the crippled daughter who loves him. Immediately regretting his assent, remorseful yet refusing responsibility, he denies the news of his engagement to his comrades. His weakness of character and his selfish and superficial pity for Edith and her father, his fear of making decisions and his inability of facing the consequences, drive the woman to commit suicide and break her father's heart.

An artist's guide to the craft, beauty, and utility of punch needle rug hooking. Discover the simple art of rug hooking with this colorful guide that includes both instructions for beginners and innovative ideas for those wanting to go further. Rose Pearlman's abstract designs use modern color, composition, and texture to bring this traditional fiber art to life. The 22 projects featured here start small and simple as you get used to the process and move on to a range of unique objects—for kids, to wear, for the home, and utilizing alternative materials. From purses, crib pockets, slide shoes, and rugs to wall art made from recycled plastic bags, this beautifully photographed book showcases punch needle rug hooking as an incredibly versatile—and stylish—craft.

Every book tells a story . . . And the 70 titles in the Pocket Penguins series are emblematic of the renowned breadth and quality that formed part of the original Penguin vision in 1935 and that continue to define our publishing today. Together, they tell one version of the unique story of Penguin Books. Admired by millions across the world, Gabriel Garcia Marquez first came to prominence as an imaginative writer of genius with his fantastical novel *One Hundred Years of Solitude*, published by Penguin in 1972. Alternately enchanting and disconcerting, the four tales in this volume describe the frailty of humanity and the bewitching force of the imagination, in a world where the lines between reality and dream are hopelessly blurred.

In this book, Nobel Peace Prize winner and Maya activist Rigoberta Menchú Tum returns to the world of her childhood. The Honey Jar brings us the ancient stories her grandparents told her when she was a little girl, and we can imagine her listening to them by the fire at night. These Maya tales include creation myths, a classic story about the magic twins (which can also be found in the *Popol Vuh*), explanations of how and why certain natural phenomena came to exist, and animal tales. The underworld, the sky, the sun and moon, plants, people, animals, gods and demi-gods are all present in these stories, and through them we come to know more about the elements that shaped the Mayas' understanding of the world. Rich and vibrant illustrations by noted Mazatec-Mexican artist Domi perfectly complement these magical Maya tales. Key Text Features illustrations Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.3.2 Recount stories, including fables, folktales, and myths from diverse cultures; determine the central message, lesson, or moral and explain how it is conveyed through key details in the text.

Lonely railroad heiress Tempy Bliss, a budding journalist, is elated that Charles Dickens wants her to write an article about gambling for his newspaper. But when casino owner Lucien Hamlin bans Tempy from his gambling palace once he learns of her profession, she begins to suspect a much bigger story is at hand. Lucien's secretive behavior goads Tempy into uncovering the real story. Lucien is a hard-driving businessman whose life is about to be upended by his unexpected inheritance of an earldom. It's a fact he'd rather not have announced, and certainly not in newsprint, until after the sale of his casino. With Tempy's career goals progressing, as well as her dreams of becoming a part of her fiancé's family, she refuses to accept defeat even when Ernest sends her a letter from Paris informing her he's fallen in love with a Frenchwoman. Tempy resolves to win him back while simultaneously conducting her research at the sumptuous Hamlin House casino.

She wants her fiancé's betrayers found. He yearns to fix a horrible mistake. When tensions explode, will they find an ally in each other or an enemy? Lena Rebel's heart bled out when her military mission went south and her fiancé never made it home alive. Two years later, she still struggles between her drive to gain justice for his death and the potential for healing she's found in the Stryker Security Force. When her next protection assignment has her acting as nanny, her patience and resolve is tested. Marshall Rand's entire existence revolves around redeeming the one decision that cost him everything. After finding out his wife was used and murdered to manipulate his vote in Congress, Marshall spends his energy doing everything he can to support the military that he failed. When his son's life is threatened and he needs covert help, he calls the best security team he knows. With threats escalating to attacks, will Lena and Marshall's escape into the Alaskan wilderness provide the safety they need or more danger than they can handle? If you like page-turning adventure, fascinating characters, and engaging stories of triumph, you'll love Sara Blackard's riveting inspirational security romance series.

The Improbable Conquest offers translations of a series of little-known letters from the chaotic Spanish conquest of the Río de la Plata region, uncovering a rich and understudied historical resource. These letters were written by a wide variety of individuals, including clergy, military officers, and the region's first governor, Pedro de Mendoza. There is also an exceptional contribution from Isabel de Guevara, one of the few women involved in the conquest to have recorded her experiences. Writing about the conditions of settlements and expeditions, these individuals vividly expose the less glamorous side of the conquest, narrating in detail various misfortunes, infighting, corruption, and complaints. Their letters further reveal the colony's fraught relationship with the native peoples it sought to colonize, giving insight into the complexities of the conquest and the colonization process. Pablo García Loaeza and Victoria Garrett provide an introduction to the history of the region and the conquest's key players, as well as a timeline and a glossary explaining difficult and archaic Spanish terms.

Third grade is a sad time for Amber because her best friend Justin is getting ready to move to a distant state.

A pig enjoys bath time alone, until his friends sheep, cow, and donkey try to join in. Only Amber Brown can handle going to a new grade without her best friend with such honesty, humor, and heart. Amber Brown isn't entirely ready for fourth grade. She has her pens, pencils, new clothes, and new shoes. But the one thing she doesn't have is

her best friend, Justin Daniels. Justin has moved away, leaving Amber utterly best friend-less. Amber knows Justin can't be replaced, but she is on the lookout for a new friend. Brandi seems a likely choice, but does Brandi want to choose Amber in return? Will Amber Brown go fourth, and go forth, with a new best friend? Along with the ups and downs of shared custody, the Amber Brown chapter books are beloved for tackling relatable dilemmas with thoughtfulness, humor, and plenty of puns.

The rhino Topper draws on the living room wall with his magic pencil comes alive, causing a great many complications.

Playbook.

Masculine Virtue in Early Modern Spain extricates the history of masculinity in early modern Spain from the narrative of Spain's fall from imperial power after 1640. This book culls genres as diverse as emblem books, poetry, drama, courtesy treatises and prose fiction, to restore the inception of courtiership at the Spanish Hapsburg court to the history of masculinity. Refuting the current conception that Spain's political decline precipitated a 'crisis of masculinity', Masculine Virtue maps changes in figurations of normative masculine conduct from 1500 to 1700. As Spain assumed the role of Europe's first modern centralized empire, codes of masculine conduct changed to meet the demands of global rule. Viewed chronologically, Shifra Armon shows Spanish conduct literature to reveal three axes of transformation. The ideal subject (gendered male in both practice and law) became progressively more adaptable to changing circumstances, more intensely involved in currying his own public image, and more desirous of achieving renown. By bringing recent advances in gender theory to bear on normative rather than non-normative masculinities of early modern Spain, Armon is able to foreground the emergence of energizing new models of masculine virtue that continue to resonate today.

Their trap is elaborate and insidious, leading both Tarzan and Jane to be kidnapped as well. Rokoff exiles Tarzan on a jungle island, informing him that Jack will be left with a cannibal tribe to be raised as one of their own, while Jane's fate is to be left to his imagination.

When Hazel and her beloved doll Eleanor are set upon by bullies, Hazel's mother comes to the rescue in a surprising way.

Larry Darrell is a young American in search of the absolute. The progress of this spiritual odyssey involves him with some of Maugham's most brilliant characters - his fiancée Isabel, whose choice between love and wealth have lifelong repercussions, and Elliot Templeton, her uncle, a classic expatriate American snob. The most ambitious of Maugham's novels, this is also one in which Maugham himself plays a considerable part as he wanders in and out of the story, to observe his characters struggling with their fates.

Dani is probably the happiest person she knows. She's happy because she's going to start school. She's been waiting to go to school her whole life. Then things get even better—she meets Ella. Dani and Ella stick together through wet and dry, sun and rain, thick and thin. They do everything together. But then

things start to happen that Dani isn't prepared for... REVIEWS: 'An illustrated chapter book about a young girl with a lot of optimism -necessary when you start school.' - Bookrapt, July 2012; "Written with humour and pathos this is an up-beat chapter book for five to seven-year-olds learning how to face the challenges of the big world. Dani's courage and her optimistic view of life are a lesson for readers of all ages." - Library Mice (UK);

An amusing chronicle of the tribulations of the Ghost of Canterville Chase when his ancestral halls became the home of the American Minister to the Court of St. James.

Amber Brown wants a room makeover, not another life makeover. She's used to changes--finding a new best friend, Brandi...having her old best friend, Justin, move to Alabama...dealing with her parents' divorce...seeing her father move to Paris. She's even getting used to her mom's boyfriend, Max. The only change that she wants now is to redo her bedroom. Then Max asks her mom to marry him. If she says yes, they might have to move. And if she says no, Max may leave. Amber's mom is confused. Amber is confused. Next thing Amber knows, she and her mom are on a plane to Alabama. It's time to make some decisions...and it's time to see Justin.

Ulthar is a city in which it is forbidden to kill cats. But it was not always the case – years ago there was an old cotter and his wife who enjoyed trapping and killing the cats of their neighbours. The locals were frightened by the odd couple, and no one dared to put a stop to their nonsense. Things changed, however, when a certain traveller arrived in the town. When his black kitten suddenly disappeared,
