The Essential Rumi

My verse resembles the bread of Egypt—night passes over it, and you cannot eat it any more. Devour it the moment it is fresh, before the dust settles upon it. Its place is the warm climate of the heart; in this world it dies of cold. Like a fish it quivered for an instant on dry land, another moment and you see it is cold. Even if you eat it imagining it is fresh, it is necessary to conjure up many images. What you drink is really your own imagination; it is no old tale, my good man. Jalal al-Din Rumi (1207–73), legendary Persian Muslim poet, theologian, and mystic, wrote poems acclaimed through the centuries for their powerful spiritual images and provocative content, which often described Rumi’s love for God in romantic or erotic terms. His vast body of work includes more than three thousand lyrics and odes. This volume includes four hundred poems selected by renowned Rumi scholar A. J. Arberry, who provides here one of the most comprehensive and adept English translations of this enigmatic genius. Mystical Poems is the definitive resource for anyone seeking an introduction to or an enriched understanding of one of the world’s greatest poets. “Rumi is one of the world’s greatest lyrical poets in any language—as well as probably the most accessible and approachable representative of Islamic civilization for Western students.”—James W. Morris, Oberlin College

“Really, what other book would anyone ever need?” —Naomi Shihab Nye, author of Honeybee “Elegant and exquisite.” —Deepak Chopra, author of Muhammad, Jesus, and Buddha The Big Red Book is a poetic masterpiece from Jalaluddin Rumi, the medieval Sufi mystic whom Time magazine calls “the most popular poet in America.” Readers continue to be awed and inspired by Rumi’s masterfully lyrical, deeply expressive poems, collected in volumes such as The Illustrated Rumi, The Soul of Rumi, and the bestselling The Essential Rumi. With The Big Red Book, acclaimed poet and Rumi interpreter Coleman Barks offers a never-before-published translation of a crucial anthology of poems widely considered to be one of Persian literature’s greatest treasures.

This notebook is a bridge between technical manuals on how to write haiku poetry and collections of haiku. There are two hundred haiku and senryu poems from w. f. owen’s last several years of writing. As a professor of interpersonal communication and an award-winning haiku writer, the author presents commentaries, perceptions, brief stories and haibun that are intended to help authors new to this art compose their poems. Included are first-place poems from the Harold Henderson Haiku Contest (2004) and the Gerald Brady Senryu Contests (2002, 2003) sponsored by the Haiku Society of America.

This work attempts to present Rumi to the English-speaking world and to shed light on his life as seen from within the Islamic mystical tradition. The knowledge presented in this work comes from Sefik Can, a great expert of Rumi and who used to be the highest authority, Sertariq, of the Mevlevi Sufi order in Turkey until he passed away on January 24, 2005. Two aspects of this work make it unique. The first is that the book was originally authored by a man who is ninety five years old and who has dedicated his entire life to the teachings of Rumi. Such a Mevlevi's view of Rumi makes this work greatly valuable. The second important contribution to the book is the foreword, which was translated by from the original turkish, written by M. Fethullah Gulen, a prominent Muslim thinker and interfaith activist of Turkey. Mawlana Jalaluddin Rumi, a 13th-century Persian Sufi poet, is one of the most widely-read poets today. This volume offers a comprehensive package of information and reflections on Rumi's life, poetry, and vision draws on original works in Persian including Rumi's own poetry and historical texts.
Before Maggie Nelson’s name became synonymous with such genre-defying, binary-slaying writing as The Argonauts and The Art of Cruelty, this collection of poetry introduced readers to a singular voice in the making: exhilarating, fiercely vulnerable, intellectually curious, and one of a kind. These days/the world seems to split up/into those who need to dredge/and those who shrug their shoulders/and say, It’s just something/that happened. While Maggie Nelson refers here to a polluted urban waterway, the Gowanus Canal, these words could just as easily describe Nelson’s incisive approach to desire, heartbreak, and emotional excavation in Something Bright, Then Holes. Whether writing from the debris-strewn shores of a contaminated canal or from the hospital room of a friend, Nelson charts each emotional landscape she encounters with unparalleled precision and empathy. Since its publication in 2007, the collection has proven itself to be both a record of a singular vision in the making as well as a timeless meditation on love, loss, and—perhaps most frightening of all—freedom.

Outlines an approach to achieving happiness that counsels on ways to overcome fear-based hurdles, explains how to evaluate one’s internal beliefs, and reveals the importance of pursuing growth rather than security.

As critic Diana Brydon has argued, contemporary Canadian writers are "not transcending nation but resituating it." Drawing together themes of gender and sexuality, trauma and displacement, performativity, and linguistic diversity, Selves and Subjectivities constitutes a thought-provoking response to the question of what it means to be a Canadian"--Page 4 of cover.

In this lyrical, exuberant follow-up to her novel The Bastard of Istanbul, acclaimed Turkish author Elif Shafak incarnates Rumi’s timeless message of love The Forty Rules of Love unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi’s work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on Sweet Blasphemy, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams’s search for Rumi and the dervish’s role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams’s lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi’s story mirrors her own and that Zahara—like Shams—has come to set her free.

Collects poems featuring such topics as love, devotion, rapture, suffering, loss, and the yearning for oneness, from the celebrated thirteenth century Sufi mystic.

Rumi’s poems are beloved for their touching perceptions of humanity and the Divine. Here is a rich introduction to the work of the great mystical poet, featuring leading literary translations of his verse. Translators include Coleman Barks, Robert Bly, Andrew Harvey, Kabir Helminski, Camille Helminski, Daniel Liebert, and Peter Lamborn Wilson. To display the major themes of Rumi’s work, each of the eighteen chapters in this anthology are arranged topically, such as "The Inner Work," "The Ego Animal,"
"Passion for God," "Praise," and "Purity." Also contained here is a biography of Rumi by Andrew Harvey, as well as an introductory essay by Kabir Helminski on the art of translating Rumi's work into English.

Rumi has become one of the best-selling poets in North America. Practically every biography highlights his encounter with Shams-i Tabrizi, the wandering mystic who became his beloved companion. Rumi had been a sober scholar, teaching law and theology to a small circle of students, but Shams turned him into a devotee of music, dance, and poetry. Then, after three years, he vanished, never to be seen again. It was Rumi's longing for the lost Shams that made him one of the world's greatest poets, celebrating him as the embodiment of the divine beloved. This book makes available for the first time in any European language first-hand accounts of Shams that have never been studied by Western scholars. When Rumi and Shams talked, members of the circle took notes, which were preserved and sometimes copied by later generations, ending up in various libraries scattered around Turkey; this book arranges them in a manner that clarifies their meaning and context, with notes and a glossary.--From publisher description.

As Barks writes in his introduction to this collection, "Silence is a deeper way that lovers have found." Rumi's silence is that of the chef who hands you a spoon to let you taste, now that the recipe-reading is over. The silence becomes an inward communion, an experience beyond any doctrinal description. Somehow, in these poems, Rumi uses words to take us over into that silence. This is a collection of 49 of the most divine love poems by Rumi, one of the most widely read and bestselling poets of the world. In 1244 a man wrapped in a coarse black coat entered Konya and so into the life of Islam’s most celebrated poet and mystic: Mevlana Jalaluddin Rumi. A wanderer and spiritual vagabond, Shams of Tabriz proceeded to wrestle with Rumi's soul. What he wanted from his protégé was for him to embody a wilder, more robust spirituality that would enable him to embrace life's rawness more completely than any saint had done in the past. Warriors of Love gives a fresh interpretation of a selection of 49 poems which were written by Rumi as metaphors for his love for God as well as for his friend Shams, the Wild One. This essential volume also includes a long introduction on the life and times of Rumi and his friendship with Shams, the historical facts of their encounter, Sufism, the Mevlevi Order of Dervishes, the new dimension that Shams brought to Islamic spirituality and the importance of friendship as a true path to God.

An anthology of poems translated into English presents traditional pre-Columbian work alongside contemporary poetry collected from nineteen Latin American countries, ranging from nature and nonsense to politics and magic. The Sufi mystic and poet Jalaluddin Rumi is most beloved for his poems expressing the ecstasies and mysteries of love in all its forms—erotic, platonic, divine—and Coleman Barks presents the best of them in this delightful and inspiring collection. Rendered with freshness, intensity, and beauty as Barks alone can do, these startling and rich poems range from the "wholeness" one experiences with a true lover, to the grief of a lover's loss, and all the states in between: from the madness of sudden love to the shifting of a romance to deep friendship to the immersion in divine love. Rumi, the
ultimate poet of love, explores all "the magnificent regions of the heart," and he opens you to the lover within. Coleman Barks has made this medieval, Persian-born (present-day Afghanistan) poetic and spiritual genius the most popular poet in America today. This seductive volume reveals Rumi's charms and depths more than any other. From the premier interpreter of Rumi comes the first definitive one-volume collection of the endurably popular spiritual poetry by the extraordinary thirteenth-century Sufi mystic.

Rowdy, ecstatic, and sometimes stern, these teaching stories and fables reveal new and very human properties in Rumi's vision. Included here are the notorious "Latin parts" that Reynold Nicholson felt were too unseemly to appear in English in his 1920s translation. For Rumi, anything that human beings do—however compulsive—affords a glimpse into the inner life. Here are more than 40 fables or teaching stories that deal with love, laughter, death, betrayal, and the soul. The stories are exuberant, earthy, and bursting with vitality much like a painting by Hieronymus Bosch or Chaucer's Canterbury Tales. The characters are guilty, lecherous, tricky, ribald, and finally possessors of opened souls. Barks writes: "These teaching stories are a kind of scrimshaw intricately carved, busy figures, confused and threatening, and weirdly funny. This is an entertaining collection from one of the greatest spiritual poets of all time, rendered by his most popular translator. "The minute I heard my first love story, I started looking for you, not knowing how blind that was. Lovers don't finally meet somewhere. They're in each other all along."#8212Rumi

Selection of the lyrical poetry of Jalaluddin Rumi.

This book contains 180 translations of Rumi's short devotional poems, or quatrains. Shiva's versions are based on his own carefully documented translation of Rumi from the original Persian. Drawing from his study of more than 2000 of Rumi's poems, the translator has chosen his own favourites, presenting a faithful cross-section of the poet's many moods -- from passion to adoration. The result is a text to delight, intrigue and inspire. This is a book on Rumi's life, his poetry, his thought, and his influence. Rumi's work forms one of the pillars of the Sufi orders, particularly the Mevlevi order, better known in the West as the Whirling Dervishes. In this book Rumi emerges not
only as a spiritual master, but also as a fully human being grounded firmly in the Koran and in classical Islamic mysticism. The light of the Divine Sun, in its Beauty and Majesty, manifested itself for Rumi through the person of Shams of Tabriz. Transformed by this light, consumed by this fire, Mowlana Rumi saw the world in a new light. Everywhere he perceived God's Grandeur and his Grace. The book also discusses the theological premises upon which Rumi's work rests, his attitude to the problems of free will and predestination, and his analysis of the mystical stages and stations. The book not only gives a very rich analysis of Rumi's language and poetical art, but also a picture of medieval Konya, whose features the mystical poet transforms and transfigures.

This new volume of Rumi's works, the first-ever English translation of his Arabic poems, will be exciting for the newcomer to Rumi's verses as well as to readers already familiar with his mystical philosophy. The poems take the reader on a journey of spiritual exploration, ecstatic union, cruel rejection, and mystic reconciliation. Rumi reveals his soul and welcomes everyone to his spiritual feast. This dual-language volume opens a treasury of Rumi’s mystic thought and startling poetry. His verses pulsate with desire and longing, with sensuality, and with ecstatic celebration. Rumi found in his mystic poetry a vehicle for the expression of the endless spiritual bounties of love. He placed love at the center of his faith and doctrine, and he pronounced it to be the goal of his life and the only form of true worship. This collection is stunningly rendered in English by an award-winning poet and a distinguished translator of Arabic poetry.

Grappling with her unresolved past, Kimia agrees to accompany her ailing mother back to Iran, only to arrive in the midst of the Green Uprising in the streets. Against the backdrop of the election protests, Kimia begins to unravel the secrets of
the night that broke her mother and produced a dangerous enemy. As past and present collide, she must choose between running away again or completing her unfinished journey through the Valley of Death to save her brother. On his way from Tangiers to China, the medieval Moorish traveller Ibn Battuta arrives in Konya, Turkey where the legendary dervish Rumi had lived, danced and died. More than half a century may have passed since his death, but his poetry remains alive, inscribed in every stone and tree and pathway. Rumi’s followers entrust Ibn Battuta with a manuscript of his life stories to spread word of the mystic on his travels. As Battuta reads and recites these tales, his listeners discover their own lives reflected in these stories—fate has bound them, and perhaps you, to Rumi. A Mirrored Life reaffirms the magical powers of storytelling, making us find Rumi in each of our hearts.

The poetry of Salim Barakat aims to recapture the ancient oral culture of the “Kurdu,” and, in so doing, re-invent a distinctly Kurdish culture. Through poetic innovation, this intensely Kurdish poet brings modernity to ancient Kurdish structures. This book provides an overview of new developments in modern Arabic poetry, as seen through the creativity of its leading exponents, Barakat and Mahmud Darwish, as well as the older Syrian poet Adunis. Its unsurpassed translations of the work of these poets open up possibilities for the reader to enjoy first-hand what modern Arabic poetry has to offer. Translating Barakat’s poetry, and understanding something of what this great poet has to say has thrown new light on the output of his friend Mahmud Darwish. It becomes clear that the Palestinian poet uses a semblance of Barakat’s Kurdish Shahnama and also his Ballade, genres that hail from orality. Analyzing Darwish’s “Fewer Roses,” and “The Hoopoe,” we find that the
former is an epic with 50 episodes telling of the wanderings of Palestinians in exile. “The Hoopoe” is specifically a Sufi poem based in the literary Sufism of medieval poets. Darwish has left us with clear instructions on how to translate his poetry, which this book carefully follows. Rumi the Persian poet is widely acknowledged as being the greatest Sufi mystic of his age. He was the founder of the brotherhood of the Whirling Dervishes. This is a collection of his poetry.
