

Sacajawea And The Journey To The Pacific A Historical Novel Disney's American Frontier Book 7

In the saga of early western exploration a young Shoshoni Indian girl named Sacajawea is famed as a guide and interpreter for the Lewis and Clark Expedition to the Far Northwest between 1804 and 1806. Her fame rests upon her contributions to the expedition. In guiding them through the wilderness, in gathering wild foods, and, above all, in serving as an ambassador to Indian tribes along the way she helped to assure the success of the expedition. This book retraces Sacajawea's path across the Northwest, from the Mandan Indian villages in present-day South Dakota to the Pacific Ocean, and back. On the journey Sacajawea was accompanied by her ne'er-do-well French-Canadian husband, Toussaint Charbonneau, and her infant son, Baptiste, who became a favorite of the members of the expedition, especially Captain William Clark. The author presents a colorful account of Sacajawea's journeys with Lewis and Clark and an objective evaluation of the controversial accounts of her later years.

"Thomas Jefferson's Corps of Discovery included Captains Lewis and Clark and a crew of 28 men to chart a route from St. Louis to the Pacific Ocean. All the crew but one volunteered for the mission. York, the enslaved man taken on the journey, did not choose to go. Slaves did not have choices. York's contributions to the expedition, however, were invaluable. The captains came to rely on York's judgement, determination, and peacemaking role with the American Indian nations they encountered. But as York's independence and status rose on the journey, the question remained what status he would carry once the expedition was over. This is his story."--Provided by publisher.

Told from the point of view of Jean Baptiste Charbonneau, the baby on Sacagawea's back, this breathtaking picture book reveals the adventure and natural wonders that Lewis and Clark encountered on their Western expedition in the early 1800s. Donna Jo Napoli's lyrical text and Jim Madsen's majestic artwork offer a fresh perspective on the remarkable sights and sounds of a young country, and give voice to a character readers are already familiar with: baby Charbonneau is shown on the golden Sacagawea dollar.

A biography of the Shoshoni Indian woman who played an important role in guiding the Lewis and Clark expedition through the Northwest Territory of the United States in 1805-1806.

More than two hundred years later, the voyage of discovery with its outsized characters, geographic marvels, and wondrous moments of adventure and mystery continues to draw us along the Lewis and Clark Trail. Stephenie Ambrose Tubbs first fell under the trail's spell at sixteen and has been following in Lewis and Clark's path ever since. In essays historical and personal, she revisits the Lewis and Clark Trail and its famous people, landmarks, and events, exploring questions the expedition continues to raise, such as, What really motivated Thomas Jefferson to send out his agents of discovery? What mutinous expressions were uttered? What happened to the dog? Why did Meriwether Lewis end his own life? In the resulting trip through history, Tubbs recounts her travels along the trail by foot, Volkswagen bus, and canoe at every turn renewing the American experience inscribed by Lewis and Clark.

The Lewis and Clark Expedition comes to life beautifully in this novel which alternates the voices of Sacagawea and Captain William Clark. The arduous journey across unexplored and newly acquired United States territory was fraught with danger and physical adversity, but it was also a rich and powerful journey laced with adventure, joy, and love. Although Sacagawea was a young girl with a baby, she proved herself an invaluable asset to the Expedition, especially when she translated for the Captains as they bartered with her native Shoshone tribe for the horses needed to cross the mountains. Captain Clark successfully marshaled the men of the Corps of Discovery to their destination--the Pacific Ocean and back, while also establishing good relations with the native tribes encountered on the trail. The bond of friendship between Captain Clark and Sacagawea grew with each step of the journey, and Clark could hardly contain his anxiety when the expedition ended. He wrote to Sacagawea and her husband, urging them to bring their baby to St. Louis to establish a residence near his.

W. Dale Nelson offers a frank and honest portrayal of Toussaint, suggesting his character has perhaps been judged too harshly. He was indeed valuable as an interpreter and no doubt helpful with his knowledge of the Indian tribes the group encountered. And with his experience as a fur trader, he always seemed to strike a better bargain than his companions.

The classic story of Sacajawea for young readers in a new, illustrated edition. Seldom given the credit she deserves, Sacajawea is one of America's true heroines. Without her assistance as a guide and interpreter, the Lewis and Clark Expedition would never have crossed the Rockies and reached the Pacific Northwest - and the course of U.S. history would have been changed forever. Master Western storyteller Neta Frazier, author of *The Stout-Hearted Seven: Orphaned on the Oregon Trail*, tells the story of this courageous Shoshone woman from the time when she was kidnapped as a young girl by a Hidatsa war party, through her amazing journey with Lewis and Clark, and finally to the mystery surrounding her final years and death.

Uses previously unknown information about Sacagawea's later years to separate fact from myth about the courageous Indian woman who accompanied the Lewis and Clark Expedition

Sacagawea, the only Indigenous person included in Lewis and Clark's historic expedition, is the 13th hero in the New York Times bestselling picture book biography series for ages 5 to 8. Sacagawea was the only girl, and the only Native American, to join Lewis and Clark's Corps of Discovery, which explored the United States from the Mississippi River all the way to the Pacific Ocean in the early 1800s. As a translator, she helped the team communicate with members of the Shoshone nation across the continent, carrying her child on her back the whole way. By the time the expedition arrived at the west coast, Sacagawea had proved that she truly was a trailblazer. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are:

- A timeline of key events in the hero's history
- Photos that bring the story more fully to life
- Comic-book-style illustrations that are irresistibly adorable
- Childhood moments that influenced the hero
- Facts that make great conversation-starters
- A character trait that made the person heroic and that readers can aspire to

You'll want to collect each book in this dynamic, informative series!

A brief biography of Sacagawea, the Shoshoni woman who accompanied explorers Lewis and Clark on their expedition in the early 1800s.

Profiles the life of the young Shoshoni woman Sacagawea, who served as an interpreter and guide for the Lewis and Clark expedition at the beginning of the nineteenth century.

Sacagawea *The Journey to the West* Silver Burdett Press

Explore one of the most recognized figures in American history with this biography of Sacagawea. Kids will learn about her crucial role in the Lewis and Clark expedition and her influential legacy. The level 3 text provides accessible, yet wide-ranging, information for independent readers.

Sacajawea, a Shoshoni Indian interpreter, peacemaker, and guide, and William Clark alternate in describing their experiences on the Lewis and Clark Expedition to the Northwest.

As a young girl, Sacajawea was separated from her family when she was captured by a band of Minnetaree warriors and taken to be their slave. Several years later, she was bought by a French fur trader to be his wife. Then, in 1804, when she was only sixteen years old, Sacajawea met Lewis and Clark. Carrying her infant son on her back, Sacajawea helped guide the famous team of explorers through the uncharted terrain of the western United States. Her courageous efforts made an important contribution to America's history.

Tells the story of Sacagawea, the teenage Shoshone mother who traveled with the Lewis and Clark expedition as an interpreter. Written in graphic-novel format.

Sacagawea's life is shrouded in mystery. Although she died around the age of 24, her role as a guide and interpreter during the Lewis and Clark Expedition have landed her a permanent place in history. Readers explore the history of Sacagawea and the Lemhi Shoshone people, learning how she and her tribe were forever changed by the arrival of Europeans in their land. However, readers also learn how her contributions affected the course of United States history. With its focus on social studies, this historical biography brings important classroom concepts to life. Primary sources, historical artwork, sidebars, and a timeline complement the text's information-rich content.

Join Meriwether Lewis and William Clark's Corps of Discovery as they navigate the muddy Missouri River and begin a great adventure set against the background of the vast North American continent. Lewis and Clark for Kids takes children from President Jefferson's vision of an exploratory mission across a continent full of unique plants and animals through their dangerous and challenging journey into the unknown to the expedition's triumphant return to the frontier town of St. Louis. Twenty-one activities bring to life the Native American tribes they encountered, the plants and animals they discovered, and the camping and navigating techniques they used. A glossary of terms and listings of Lewis and Clark sites, museums, and related Web sites round out this comprehensive activity book.

A concise look at the legendary Shoshone woman who led explorers Lewis and Clark on their route from the Dakotas to the Pacific Ocean. Born in the Rocky Mountains, Sacagawea was taken captive and held hundreds of miles away from home for years. When Meriwether Lewis and William Clark came through her new village, Sacagawea was offered as a guide since the explorers were heading toward Shoshone territory, where she was from. Pregnant with her first child and the only woman on the expedition, she accompanied them through the frigid winter of 1804-05 and gave birth to her son as the group traveled west. Her knowledge of the land, interpretation skills, and diplomatic manner were of great use to the team and helped ensure a successful voyage. This child friendly narrative of Sacagawea's intrepid life contains memorable facts, history, and context, accompanied by elegant illustrations. Back matter includes a timeline, author's note, and bibliography.

The true story of a Shoshoni Indian girl who served as interpreter, peacemaker, and guide for the Lewis and Clark Expedition to the Northwest in 1805-1806.

A collection of over one hundred tribal tales drawn from government documents, old periodicals and histories, reports of anthropologists and folklorists, and personal interviews with Indians of Washington and Oregon.

The story of Sacagawea and how she helped guide the Lewis and Clark Expedition.

A brand-new biography series featuring some of the most important people from history and today. I am only sixteen years old as I trek across the country with my infant son strapped to my back. I have a river, two lakes, and four mountain peaks named after me. I am featured on the U.S. golden dollar. I am Sacagawea. Learn all about this admirable woman, whose accomplishments are truly inspiring, in the debut of Scholastic's new biography series: I AM. The series will feature full-color illustrated covers, one-color illustrations throughout, a timeline, an introduction to the people you'll meet in the book, maps, sidebars, and a top ten list of important things to know at the end of every book.

Sacagawea was only sixteen when she made one of the most remarkable journeys in American history, traveling 4500 miles by foot, canoe, and horse—all while carrying a baby on her back! Without her, the Lewis and Clark expedition might have failed. Through this engaging book, kids will understand the reasons that today, 200 years later, she is still remembered and immortalized on a golden dollar coin.

True or False? Sacagawea guided the Lewis and Clark expedition through the western United States.

Clad in a doeskin, alone and unafraid, she stood straight and proud before the onrushing forces of America's destiny: Sacajawea, child of a Shoshoni chief, lone woman on Lewis and Clark's historic trek -- beautiful spear of a dying nation. She knew many men, walked many miles. From the whispering prairies, across the Great Divide to the crystal capped Rockies and on to the emerald promise of the Pacific Northwest, her story over flows with emotion and action ripped from the bursting fabric of a raw new land. Ten years in the writing, SACAJAWEA unfolds an immense canvas of people and events, and captures the eternal longings of a woman who always yearned for one great passion -- and always it lay beyond the next mountain.

Taking a rare look beyond the myths and legends surrounding Sacagawea's life, this extraordinary illustrated history recounts the known facts about a remarkable woman and her contribution to one of America's greatest journeys of exploration. Combining beautifully wrought oil paintings, a moving true story, and a unique larger format, Sacagawea will captivate readers of all ages. Kidnapped from her Shoshone tribe when she was just eleven or twelve, Sacagawea lived with her captors for four years before being given in marriage to a French Canadian fur trapper, Toussaint Charbonneau. With him, she served as interpreter, peacemaker, and guide for the Lewis and Clark Expedition to the Northwest in 1805-1806. Braving hunger and fierce blizzards, Sacagawea traveled thousands of miles with a baby on her back. By the end of the legendary journey, Sacagawea's steadfast courage and capable guidance had ensured her place in history.

Sacagawea, kidnapped as an adolescent and sold as a slave to a French-Canadian fur trader, is best known for her role as interpreter and symbol of goodwill for Lewis and Clark on their journey west. Despite her pivotal role in this era of Manifest Destiny and blending cultures, much of her ensuing life story remains uncertain, thanks to a larger focus on Lewis and Clark themselves, as well as the perpetuation of legend over fact in several 20th century movies and publications. This concise and readable biography offers an objective treatment of Sacagawea's childhood, her journey with Lewis and Clark, her later life, her explorer son, and the mythology surrounding her death and legacy. As the Lewis and Clark expedition is heavily represented in the U.S. history curriculum, this much-needed volume fills a gap on the reference shelves and supplements American history

and Native American studies curricula. Lively narrative chapters are supplemented with a timeline, photos, print and nonprint bibliography, and an index. As the Lewis and Clark expedition is heavily represented in the U.S. history curriculum, this much-needed volume fills a gap on the reference shelves and supplements Native American studies curricula. The subject matter directly supports the National Standards for U.S. history Era 4: Expansion and Reform (1801-1861). Lively narrative chapters are supplemented with a timeline, photos, print and nonprint bibliography, and an index.

Particularly valuable for Ronda's inclusion of pertinent background information about the various tribes and for his ethnological analysis. An appendix also places the Sacagawea myth in its proper perspective. Gracefully written, the book bridges the gap between academic and general audiences. OCo"Choice"

*Includes pictures of important people, places, and events. *Includes passages from the journals of Lewis and Clark. *Explains Sacagawea's role in the expedition and the legends of her life and death. *Includes a Bibliography for further reading. "Your woman who accompanied you that long dangerous and fatiguing route to the Pacific Ocean and back deserved a greater reward for her attention and services on that route than we had in our power to give her at the Mandans." - William Clark in a letter to Sacagawea's husband "Ocean in view! O! The Joy!" - William Clark, journal entry dated November 7, 1805 It is the most fabled and storied journey in American history. From 1804-1806, the first expedition across the North American continent was commissioned by President Thomas Jefferson, who had recently bought a vast swath of territory from France. Though he knew he had bought a huge amount of land, Jefferson wasn't entirely sure of what he had bought, so he asked a team led by Meriwether Lewis and William Clark to traverse the continent until they reached the Pacific, studying everything from the ecology to geography along the way to get an understanding of the country's new region. Lewis and Clark would find far more than they bargained for. The 33 members who made the trip came into contact with about two dozen Native American tribes, many of whom helped the men survive the journey. Though they suffered deaths on their way west, the group ultimately reached the Pacific coast and got back to St. Louis in 1806, having drawn up nearly 150 maps and giving America a good idea of much of what lay west. Sacagawea is one of the most famous Native American women in American history, and few played such a central role in the settlement of the West for the young nation. As a young woman who was married to a French trapper from Quebec, Sacagawea happened to be in the right place at the right time for the legendary Lewis and Clark expedition, which set off for the Pacific coast after President Thomas Jefferson negotiated the Louisiana Purchase with France. The young Shoshone girl acted as a guide and interpreter for the expedition, helping it safely travel thousands of miles west from North Dakota to the Pacific over unfamiliar ground and amongst unfamiliar peoples. Put simply, the expedition could not have succeeded without her. Sacagawea's role in the Lewis and Clark expedition made her a national figure, and she continued to be popularized in literature and even among groups advocating for women's rights. Sacagawea is still taught to every American in school and stands alongside Pocahontas as the most famous Native American women, even though few people knew much about her life aside from her role in the trek. For that reason, few truly know about her life, her tribe, or her death, the latter of which is still controversial. At the same time, given the history and conflicts between the United States and various Native American tribes during the 19th century, Sacagawea's role in helping the nation push westward at the expense of Native Americans has taken on a more mixed and controversial character. Sacagawea and the Lewis & Clark Expedition profiles the lives, legends, and legacies of the famous explorers and their expedition, Along with excerpts from contemporary accounts, a bibliography and pictures of important people, places, and events, you will learn about the Lewis & Clark Expedition like you never have before, in no time at all.

In Scott O'Dell's classic novel, a young Native American woman, accompanied by her infant and her cruel husband, experiences joy and heartbreak when she joins the Lewis and Clark expedition seeking a way to the Pacific.

In graphic novel format, tells the story of Sacagawea, the teenage Shoshone mother who traveled with the Lewis and Clark expedition as an interpreter.

A portrait of the life of Sacajawea includes coverage of the attack on her childhood Shoshone tribe, her selection as a guide by Lewis and Clark, and her travels beyond the boundaries held by other women of her time.

When Lewis and Clark's Corps of Discovery set out in the spring of 1804, they had chosen to go on an unprecedented, extremely dangerous journey. It would be the adventure of a lifetime. Unlike others in the group, two key members did not choose to join the hazardous expedition: York, Clark's slave, and Sacajawea, considered to be the property of Charbonneau, the expedition's translator. The unique knowledge and skills Sacajawea and York had were essential to the success of the trip. The dual stories of these two outsiders, who earned their way into the inner core of the Lewis and Clark Expedition, shed new light on one of the most exciting and important undertakings in American history. Claire Rudolf Murphy is the author of many books, including *Children of the Gold Rush*, which *School Library Journal* lauded as a "positive, satisfying immersion into a little-known subject." After living in Alaska for twenty-four years, Claire returned to her hometown of Spokane, Washington, with her husband and two children. She felt drawn to Sacajawea's and York's stories when she started hiking around the region and realized that she had grown up only 105 miles away from the Lewis and Clark trail and about 400 miles from where Sacajawea and York voted on where to build their winter fort. Higgins Bond illustrated *The Seven Seas: Exploring the World Ocean* for Walker & Company. *School Library Journal* commented that her "realistic ... vivid [illustrations in *The Seven Seas*] envelop and transport readers to these waters." Higgins earned her BFA from the Memphis College of Art. She has illustrated numerous children's books and created commemorative stamps for the U.S. Postal Service. She lives in Nashville, Tennessee.

Excerpts from the diaries of Lewis and Clark reveal the true story of a Shoshoni Indian girl who served as interpreter, peacemaker, and guide for the Lewis and Clark Expedition

When Meriwether Lewis, William Clark, and the "Corp of Discovery" left St. Louis, Missouri, on May 21, 1804, their mission was to explore the vast, unknown territory acquired a year earlier in

the Louisiana Purchase. The travelers hoped to find a waterway that crossed the western half of the United States. They didn't. However, young readers will love this true-life adventure tale of the two-year journey that finally brought the explorers to the Pacific Ocean.

A biography of Sacagawea, the Shoshoni who was an interpreter on the Lewis and Clark Expedition, including her childhood in a Shoshoni village, capture by Hidatsas, and reunion with her brother. Includes activities, a chronology, and a map.

Sacagawea, the only Native American included in Lewis and Clark's historic expedition, joins the inspiring list of heroes whose stories are told in this New York Times Bestselling biography series. Sacagawea was the only girl, and the only Native American, to join Lewis and Clark's Corps of Discovery, which explored the United States from the Mississippi River all the way to the Pacific Ocean in the early 1800s. As a translator, she helped the team communicate with members of the Shoshone tribe across the continent, carrying her child on her back the whole way.

By the time the expedition arrived at the west coast, Sacagawea had proved that she truly was a trailblazer. This friendly, fun biography series focuses on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves. Each book tells the story of one of America's icons in a lively, conversational way that works well for the youngest nonfiction readers and that always includes the hero's childhood influences. At the back are an excellent timeline and photos.
