

## Sacred Success A Course In Financial Miracles

Follow the step-by-step techniques to manifest a new way of being and step out of the chaos of the third dimension into the higher consciousness of the fifth. Connect with the Teachers of Light directly as you absorb the energetics embedded in every page of this book. Access free supplemental meditations, lectures, videos and animations from the actual Mastering Alchemy course, guided by the Teachers of Light. A free, private online classroom is available only to readers of this book. This unique, interactive book offers a self-contained programme to access a totally new way of life. It is A Course in Miracles for the 21st century, reaching far beyond that earlier initiative by incorporating the profound Shift in human consciousness that has been occurring over the last few decades. A Course in Mastering Alchemy has been specifically orchestrated by the Teachers of Light to expand your understanding, your consciousness and your ability to use the new energy tools and manifestation techniques they offer. What can Alchemy do for you? Alchemy is the ability to alter the frequencies of our thoughts to change how you perceive and interact with the world. Begin to experience a new higher level of conscious awareness. To master alchemy, new energy tools of unparalleled capacity have now become available. These are provided here for the first time in book form by the Teachers of Light. The guidance of these Ascended Beings has been given to Jim Self and Roxane Burnett and are presented in the hugely popular online Mastering Alchemy course. This book will provide you with all the information, exercises and practical experiences you need to:

- Become conscious of the rules and limitations of your present reality.
- Recognize that much of who you believe you are has very little to do with who you really are.
- Step out of the unnecessary concept of “suffering” into a state of complete wellbeing.
- Recreate yourself so you are no longer at the mercy of conditioned thoughts and emotionally charged reactions.
- Begin to access your highest consciousness.
- Create a new, strong and capable platform for experiencing the world.

Join with Jim and Roxane and walk the pathway into your personal ascension.

"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff

What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

In this timely book, authors Matthew and Terces Engelhart present the idea that love before appearances is the antidote to our spiritual, environmental, and social degradation. Exploring topics such as mission statements, manager as coach, human resources as a sacred culture, and inspirational meetings, they offer a manual for building a spiritual community at the workplace—a vital concept in an age when work consumes the bulk of most adults' time. Business, the authors explain, is all about providing a service, product, or experience the market wants, and no business can succeed by failing to understand this point. However, integrating the concept of “Sacred Commerce” into business can provide both financial success and spiritual satisfaction. Stressing that every business is an opportunity to make a lasting impact on the lives of both clients and employees, the Engelharts share the tools they've learned in their own enterprises to fulfill this vision. Sacred Commerce is the ideal mix of the personal and the practical—a guidebook written by people who have felt success, not just spent it. Dissatisfaction with work is at record levels, and the Engelharts show that you don't have to suffer personally—or give up your humanity—to pay the mortgage. From the Trade Paperback edition.

With a new introduction, Phil Jackson's modern classic of motivation, teamwork, and Zen insight is updated for a whole new readership "Not only is there more to life than basketball, there's a lot more to basketball than basketball." --Phil Jackson

Eleven years ago, when Phil Jackson first wrote these words in Sacred Hoops, he was the triumphant head coach of the Chicago Bulls, known for his Zen approach to the game. He hadn't yet moved to the Los Angeles Lakers, with whom he would bring his total to an astounding nine NBA titles. In his thought-provoking memoir, he revealed how he directs his players to act with a clear mind--not thinking, just doing; to respect the enemy and be aggressive without anger or violence; to live in the moment and stay calmly focused in the midst of chaos; to put the "me" in service of the "we"--all lessons applicable to any person's life, not just a professional basketball player's. This inspiring book went on to sell more than 400,000 copies. In his new introduction, Jackson explains how the concepts in Sacred Hoops are relevant to the issues facing his current team--and today's reader.

As a botanist, Robin Wall Kimmerer has been trained to ask questions of nature with the tools of science. As a member of the Citizen Potawatomi Nation, she embraces the notion that plants and animals are our oldest teachers. In Braiding Sweetgrass, Kimmerer brings these two lenses of knowledge together to take us on “a journey that is every bit as mythic as it is scientific, as sacred as it is historical, as clever as it is wise” (Elizabeth Gilbert). Drawing on her life as an indigenous scientist, and as a woman, Kimmerer shows how other living beings—asters and goldenrod, strawberries and squash, salamanders, algae, and sweetgrass—offer us gifts and lessons, even if we've forgotten how to hear their voices. In reflections that range from the creation of Turtle Island to the forces that threaten its flourishing today, she circles toward a central argument: that the awakening of ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world. For only when we can hear the languages of other beings will we be capable of understanding the generosity of the earth, and learn to give our own gifts in return.

NEW YORK TIMES BEST SELLER • A TODAY SHOW #ReadWithJenna BOOK CLUB PICK! • Finalist for the WOMEN'S PRIZE

Yaa Gyasi's stunning follow-up to her acclaimed national best seller Homegoing is a powerful, raw, intimate, deeply layered novel about a Ghanaian family in Alabama. Gifty is a sixth-year PhD candidate in neuroscience at the Stanford University School of Medicine studying reward-seeking behavior in mice and the neural circuits of depression and addiction. Her brother, Nana, was a gifted high school athlete who died of a heroin

overdose after an ankle injury left him hooked on OxyContin. Her suicidal mother is living in her bed. Gifty is determined to discover the scientific basis for the suffering she sees all around her. But even as she turns to the hard sciences to unlock the mystery of her family's loss, she finds herself hungering for her childhood faith and grappling with the evangelical church in which she was raised, whose promise of salvation remains as tantalizing as it is elusive. *Transcendent Kingdom* is a deeply moving portrait of a family of Ghanaian immigrants ravaged by depression and addiction and grief—a novel about faith, science, religion, love. Exquisitely written, emotionally searing, this is an exceptionally powerful follow-up to Gyasi's phenomenal debut.

This book is a major contribution to Washington scholarship.--Washington Times

Debunks nine myths about effective money management and describes the principles that lead to true financial success and prosperity.

Acclaimed writer and thinker Douglas Rushkoff, author of *Ecstasy Club* and *Coercion*, has written perhaps the most important—and controversial—book on Judaism in a generation. As the religion stands on the brink of becoming irrelevant to the very people who look to it for answers, *Nothing Sacred* takes aim at its problems and offers startling and clearheaded solutions based on Judaism's core values and teachings. Disaffected by their synagogues' emphasis on self-preservation and obsession with intermarriage, most Jews looking for an intelligent inquiry into the nature of spirituality have turned elsewhere, or nowhere. Meanwhile, faced with the chaos of modern life, returnees run back to Judaism with a blind and desperate faith and are quickly absorbed by outreach organizations that—in return for money—offer compelling evidence that God exists, that the Jews are, indeed, the Lord's "chosen people," and that those who adhere to this righteous path will never have to ask themselves another difficult question again. Ironically, the texts and practices making up Judaism were designed to avoid just such a scenario. Jewish tradition stresses transparency, open-ended inquiry, assimilation of the foreign, and a commitment to conscious living. Judaism invites inquiry and change. It is an "open source" tradition—one born out of revolution, committed to evolution, and willing to undergo renaissance at a moment's notice. But, unfortunately, some of the very institutions created to protect the religion and its people are now suffocating them. If the Jewish tradition is actually one of participation in the greater culture, a willingness to wrestle with sacred beliefs, and a refusal to submit blindly to icons that just don't make sense to us, then the "lapsed" Jews may truly be our most promising members. Why won't they engage with the synagogue, and how can they be made to feel more welcome? *Nothing Sacred* is a bold and brilliant book, attempting to do nothing less than tear down our often false preconceptions about Judaism and build in their place a religion made relevant for the future. From the Hardcover edition.

A Buddhist monk takes up arms to resist the Chinese invasion of Tibet - then spends the rest of his life trying to atone for the violence by hand printing the best prayer flags in India. A Jain nun tests her powers of detachment as she watches her best friend ritually starve herself to death. Nine people, nine lives; each one taking a different religious path, each one an unforgettable story. William Dalrymple delves deep into the heart of a nation torn between the relentless onslaught of modernity and the ancient traditions that endure to this day. **ONGLISTED FOR THE BBC SAMUEL JOHNSON PRIZE**

"Through candor and comprehensiveness, Jackson writes a convincing revisionist take, in which he emerges as an excellent coach . . . highly readable . . . reflects Jackson's polymathy." —The New York Times Book Review "Part sports memoir, part New Age spirit quest, part pseudo-management tract . . . But the primary thing with Jackson—as with all the old bards, who were also known for repeating themselves—is the voice." —Sam Anderson, The New York Times Magazine A New York Times Bestseller The inside story of one of basketball's most legendary and game-changing figures During his storied career as head coach of the Chicago Bulls and Los Angeles Lakers, Phil Jackson won more championships than any coach in the history of professional sports. Even more important, he succeeded in never wavering from coaching his way, from a place of deep values. Jackson was tagged as the "Zen master" half in jest by sportswriters, but the nickname speaks to an important truth: this is a coach who inspired, not goaded; who led by awakening and challenging the better angels of his players' nature, not their egos, fear, or greed. This is the story of a preacher's kid from North Dakota who grew up to be one of the most innovative leaders of our time. In his quest to reinvent himself, Jackson explored everything from humanistic psychology and Native American philosophy to Zen meditation. In the process, he developed a new approach to leadership based on freedom, authenticity, and selfless teamwork that turned the hypercompetitive world of professional sports on its head. In *Eleven Rings*, Jackson candidly describes how he: • Learned the secrets of mindfulness and team chemistry while playing for the champion New York Knicks in the 1970s • Managed Michael Jordan, the greatest player in the world, and got him to embrace selflessness, even if it meant losing a scoring title • Forged successful teams out of players of varying abilities by getting them to trust one another and perform in sync • Inspired Dennis Rodman and other "uncoachable" personalities to devote themselves to something larger than themselves • Transformed Kobe Bryant from a rebellious teenager into a mature leader of a championship team. Eleven times, Jackson led his teams to the ultimate goal: the NBA championship—six times with the Chicago Bulls and five times with the Los Angeles Lakers. We all know the legendary stars on those teams, or think we do. What *Eleven Rings* shows us, however, is that when it comes to the most important lessons, we don't know very much at all. This book is full of revelations: about fascinating personalities and their drive to win; about the wellsprings of motivation and competition at the highest levels; and about what it takes to bring out the best in ourselves and others.

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

All of us have a money story. A story that we tell ourselves about what we can afford, what we should buy, why we shouldn't spend, and about the real power of money. But many of us never examine these money stories, which are the same stories that keep us living in chronic cycles of binge spending, money hoarding, and financial amnesia for our whole adult lives. These forms of financial dysfunction cripple us, erode our confidence, and leave us burdened by guilt, shame, and anxiety. They threaten to leave us financially and emotionally bankrupt if we don't learn how to break free from the chaos and heal our relationship with money for good. Fortunately, our relationship with money does not have to be a major source of stress in our lives. In fact, our relationship with money can actually be a source of joy and provide us with peace of mind once we learn how to care of it, listen to it, and respond to the messages it sends to us. *Heal Your Relationship with Money* guides you through 28 days of money lessons, financial introspection, and daily "lifework" to help you examine your financial past and connect with your true financial voice. The spiritual tools and financial guidance of *Heal Your Relationship with Money* allow you to rewrite your money narrative so it empowers you and transforms how you relate to your money life.

When you are making a decision, do you feel torn between what you are supposed to do and what you would like to do? Do you feel unable to live a fully spontaneous and authentic life? Are you troubled that some of the things you do conflict with your intuition or inner knowing? Have you wondered why your positive affirmations aren't coming true? In general, do you feel stuck or frustrated with the way things are? If so, you may be experiencing a conflict between your evolving spirit and your tribal beliefs. Tribal beliefs are a set of unwritten rules that are passed down to us from our families and other cultural, religious, or social organizations about the way life works, what defines a good person, and how we should live our lives. Unfortunately, some tribal beliefs can limit our intuitive choices causing dissatisfaction, anxiety, fatigue, depression, and eventually physical illness. In this warm, engaging, and inspirational work of personal renewal, Christel Nani guides you to listen to your inner "knowing," the always wise and honest voice of your spirit that will illuminate the specific tribal beliefs that are standing in the way of your success, happiness, and healing. Based on a program that has helped thousands of people transform

their lives, Nani shows you how to creatively rewrite your tribal beliefs in areas such as work, marriage, health, and success in a way that harmonizes with your own spirit, talents, secret wishes, and individuality. Best of all, you will be astonished at how easy it is to accomplish such a personal transformation and how quickly you will be healed and liberated from a sense of burden and guilt that you probably believed would be with you for a lifetime. The decision to break free of your limiting beliefs and live the life you were meant to live is truly a sacred choice. With this joyous and enlightening book as your guide, you have the power to make that happen—starting today.

With *Search Inside Yourself*, Chade-Meng Tan, one of Google's earliest engineers and personal growth pioneer, offers a proven method for enhancing mindfulness and emotional intelligence in life and work. Meng's job is to teach Google's best and brightest how to apply mindfulness techniques in the office and beyond; now, readers everywhere can get insider access to one of the most sought after classes in the country, a course in health, happiness and creativity that is improving the livelihood and productivity of those responsible for one of the most successful businesses in the world. With forewords by Daniel Goleman, author of the international bestseller *Emotional Intelligence*, and Jon Kabat-Zinn, renowned mindfulness expert and author of *Coming To Our Senses*, Meng's *Search Inside Yourself* is an invaluable guide to achieving your own best potential.

International speaker and empowerment coach Shannon Kaiser understands why so many of us, despite our best intentions, cling to patterns of self-destruction. Better yet, Kaiser knows how to get us out of the vicious, draining cycle. Committed to finding meaning, connection, and joy in our day-to-day lives, she's travelled the world in search of the universal truths and spiritual wisdom we desperately need today. Joy Seeker is her transformational approach to life, drawn from her own life-changing experiences. It's time to live worry-free in your wildest dreams. It's time to be your own Joy Seeker.

*Pilgrimage beyond the Officially Sacred: Understanding the Geographies of Religion and Spirituality in Sacred Travel* examines the many ways in which pilgrimage engages with sacredness, delving beyond the officially recognized, and often religiously conceived, pilgrimage sites. As scholarship examining the lived experiences of pilgrims and tourists has demonstrated, pilgrimage need not be religious in nature, nor be officially sanctioned; rather, they can be 'hyper-meaningful' voyages, set apart from the everyday profane life—in a word, they are sacred. Separating the social category of 'religion' from the 'sacred,' this volume brings together a multidisciplinary group of scholars employing perspectives from anthropology, geography, sociology, religious studies, theology, and interdisciplinary tourism studies to theorize sacredness, its variability, and the ways in which it is officially recognized or condemned by power brokers. Rich in case studies from sacred centers throughout the world, the contributions pay close attention to the ways in which pilgrims, central authorities, site managers, locals, and other stakeholders on the ground appropriate, negotiate, shape, contest, or circumvent the powerful forces of the sacred. Delving 'beyond the officially sacred,' this collective examination of pilgrimages—both well-established and new, religious and secular, authorized and not—presents a compelling look at the interplay of secular powers and the transcendent forces of the sacred at these hyper-meaningful sites. Providing a blueprint for how work in the anthropology and geography of religion, and the fields of pilgrimage and religious tourism, may move forward, *Pilgrimage beyond the Officially Sacred* will be of great interest to an interdisciplinary field of scholars. The chapters were originally published as a special issue in *Tourism Geographies*.

*Sacred Matters* explores the multi-disciplinary literature about the role of religion in family life and provides new research and a new theory about ways various aspects of the sacred are helpful and harmful. The authors hope that their new conceptual framework will stimulate new research and encourage the creation of new intervention programs designed to help families. *Sacred Matters* features: a new conceptual framework and theory about how, when, and why sacred matters influence family processes and outcomes new qualitative and quantitative research collected in a variety of ways from people with different religious perspectives in different geographical areas an expansion in theory and research about the role of forgiveness, sacrifice, prayer, and sanctification in family life the integration of studies and issues from psychology, sociology, family studies, anthropology, and religion. This book raises the bar in creating new theories about family processes and in the integration of theory, research, and application. It begins with a review of the previous literature and then expands the research about sanctification to create a new general theory (or model) about ways sacred processes help and hinder families. Next the authors expand the theory and research about the role of forgiveness, sacrifice, and prayer in families. New theory and research are then added about loving, coping with conflict, dealing with undesirable behavior, generational relationships, morality, and the psychosocial aspects of religion. The authors then describe ways sacred theory can be integrated with other theories and ways it provides new explanations about broader social problems. The book concludes with new quantitative research and suggestions for future research. Researchers, practitioners, and advanced students in several disciplines will find this volume valuable. It will expand and enrich the reading in graduate and advanced undergraduate courses in areas such as family studies, human development, marriage and family therapy, the psychology of the family and the psychology of religion, the sociology of the family and the sociology of religion, pastoral counseling, anthropology, and social work.

*Sacred Success®: A Course in Financial Miracles* shows women there is a better way to achieve wealth and power: on your own terms—as a woman. Barbara Stanny, the leading expert on women and money, has helped women take control of their finances for two decades—and she knows there is much more to success than how much you earn. In her work with powerful, successful women over the last 20 years, bestselling author and financial educator Stanny has found that most women's problems with money have little to do with money itself, but rather with their fear of, or ambivalence toward, power. Instead of pushing women to pursue financial success in the traditional fashion, *Sacred Success* seeks to redefine power from a feminine perspective. More than a financial guide, *Sacred Success* is a primer on power for women—a tutorial for taking charge of your life by taking charge of your finances, and not only growing your money but creating a deeper, richer, and more meaningful life. Best described as "A Course in Miracles meets the Wall Street Journal," *Sacred Success* gives you a proven process that uniquely blends the practical, psychological, and spiritual work of wealth. You can be financially successful without sacrificing your soul or compromising your values. You can create wealth and exercise power by staying true to your authentic self and personal mission. Start now.

This is a book of contemplative poetry that is a spiritual gem. It is written from mindfulness practices in relation to a sense of the Sacred. This little book has spiritual insights that are a source of daily inspiration particularly helpful in times of personal challenges, grieving, or simple attendance to one's spiritual growth. There is much depth in these pages which offers a meaningful lens into ordinary life through a deeper way of knowing. It would appeal to a wide audience as it speaks beyond any one particular concept of God. The contemplative poetry, when read slowly, becomes a meditation and prayer in itself. Many people have a longing for a sense of the Sacred, a sense of the presence of God, and these poems supports growth in spiritual

sensitivity and awareness of the Sacred in every aspect of the fully lived life. The mystical nature of the writings, the sense of inner calm that it fosters, and the utter simplicity of its spiritual perspectives, make this book a likely daily companion. It has all the makings of a spiritual classic.

"The only edition that contains in one place all of the writings that Dr. Helen Schucman, its Scribe, authorized to be printed"--P. [4] of cover.

Humanity is a part of Nature, yet every thinking person at one time or another asks herself or himself, "How did we get here? What makes me different from the rest of Nature?" In *The Course of Nature* an artist and a scientist ask those questions with full respect for all contexts, both scientific and not. Amy Pollack's figures stand on their own as elegant summaries of one or another aspect of Nature and our place in it. Robert Pollack's one-page essays for each illustration lay out the underlying scientific issues along with the overarching moral context for these issues.

Together the authors have created a door into Nature for the non-scientist, and a door into the separate question of what is right, for both the scientist and the rest of us.

When women are empowered with money, they become "difference makers." They transform not only their own lives but also those of their children, their families, and their communities at large. Author Meriflor Toneatto, an award-winning leadership and coaching executive, shows you how to extend your limits and create the life of your dreams, one that is rich and fulfilling in every way — financially, spiritually, and emotionally. This powerful book explains how money is "emotional currency" and prescribes eight Holistic Principles that help you overcome deep-seated blocks, "pay forward" your own successes, and live the life of your dreams.

*The Master Key System* is a personal development book by Charles F. Haanel. The book describes many New Thought beliefs such as the law of attraction, creative visualization and man's unity with God, and teaches the importance of truth, harmonious thinking and the ability to concentrate. The Book that will not only leave you 'feeling' good, but also 'thinking' good. In *The Master Key System*, presented as a series of twenty-four lessons, delivered to students, Charles Haanel discusses everything from how to feel healthy to how to become wealthy. Using precise logic and a consistent, common-sense frame-work, Haanel shows us how to achieve that what we most desire. Used as thus instructed "*The Master Key*" will make of the reader a greater, better personality, and equipped with a new power to achieve any worthy personal purpose and a new ability to enjoy life's beauty and wonder.

MorningCoach motivational speaker and consultant JB Glossinger thought he had found what he was looking for once he achieved a golden level of corporate success and financial freedom. But even as he relished having conquered the corporate ladder, he felt a strong pull to seek something more, leading him to actualize his personal dream. By aligning his mission, values, and goals, JB was able to form an action plan and achieve his vision of a fulfilling career of guiding others toward realizing their inner purpose balanced with his passions of family, golf, and writing—all with a three-hour workday. Grounded in years of coaching groups, companies, and individuals, JB has developed a Sacred Six process, adaptable to each person's core principles, "keystone" positive habits, and unique goals. More than a simple self-help program, the Sacred Six process is about getting things done and focusing on one's life story, encompassing their journey and purpose. An insightful and entertaining raconteur, JB weaves his personal tale of trials and triumph into his time-tested steps for creating a joyful and fulfilling life.

BASED ON NATURAL laws which govern all of creation, this book shatters the myth that success is the result of hard work, exacting plans, or driving ambition. In *The Seven Spiritual Laws of Success*, Deepak Chopra offers a life-altering perspective on the attainment of success: Once we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, energy and enthusiasm for life, and material abundance will spring forth easily and effortlessly. Filled with timeless wisdom and practical steps you can apply right away, this is a book you will want to read and refer to again and again.

Winner of the Booker Prize A historical novel set in the eighteenth century, *Sacred Hunger* is a stunning, engrossing exploration of power, domination, and greed in the British Empire as it entered fully into the slave trade and spread it throughout its colonies. Barry Unsworth follows the failing fortunes of William Kemp, a merchant pinning his last chance to a slave ship; his son who needs a fortune because he is in love with an upper-class woman; and his nephew who sails on the ship as its doctor because he has lost all he has loved. The voyage meets its demise when disease spreads among the slaves and the captain's drastic response provokes a mutiny. Joining together, the sailors and the slaves set up a secret, utopian society in the wilderness of Florida, only to await the vengeance of the single-minded, young Kemp.

Offers ecumenical meditations on love, perception, forgiveness, eternal life, and theoretical concepts in theology

First published in 1938, '*Anthem*' is a dystopian fiction novel by British writer Ayn Rand. It takes place at some unspecified future date when mankind has entered another dark age. Technological advancement is now carefully planned and the concept of individuality has been eliminated.

In these troubled times, do you wonder about the future and the destiny of humanity? Do you want to know the true purpose of your existence on Earth and in the Universe? The most secret book in the world holds the answers you seek! Named as one of the 100 Most Spiritually Influential Living People by Watkins Mind Body Spirit, Zinovya Dushkova, Ph.D., is one of the few who has gained access to the million-year-old manuscript widely known as the Book of Dzyan, which contains answers to humanity's most pressing questions. Written in the language of the Gods, called Senzar, it is secretly hidden in the heart of the Himalayas, accessible to only a chosen few over the course of human history, accessible to only a chosen few over the course of human history, including Gautama Buddha, Jesus Christ, Pythagoras, Plato, and Helena Blavatsky. Now, for the first time ever, Dr. Dushkova has presented a never-before-seen excerpt from the mysterious Book of Dzyan in *The Book of Secret Wisdom* to bring new meaning and hope into your life. Beautiful and enlightening, it will reveal not only our past, but also our present and future. To facilitate your understanding of this profound and poetic text, the book contains a comprehensive glossary gleaned from the supreme sources of wisdom. In *The Book of Secret Wisdom*, you will discover the answers to these questions: • What are the

ultimate goal and purpose of human existence? • What is the cause of natural disasters, global warming, and epidemics? • What really happened in 1999 and 2012? • What Great Event occurred invisibly in 2017? • When will Armageddon and the Last Judgment occur? • What should you expect in the coming decades? • Why are people dying, and is there a chance to be immortal? • Why does it seem that time is speeding up? • What is the famous Philosopher's Stone? • and much, much more! The all-embracing and undistorted Truth presented in this book was once accessible only to the privileged initiates of ancient civilizations who spent much of their lives seeking it. But now it is available to you in the pages of *The Book of Secret Wisdom*, a book that offers unprecedented access to the world's most ancient mysteries. If you are a spiritual seeker who enjoys expanding the boundaries of your understanding, this book is for you. "This book is an immeasurable treasure of knowledge. Its depth and scope are incredible." — 2016 Benjamin Franklin Awards Judge "It reads beautifully like a storybook, feels like a fable, and reveals valuable lessons of love for this lifetime." — Allyson Gracie, Wellness Specialist, Pilates & Yoga Instructor "One of the most inspiring, all encompassing, volumes of true truth I have read in all my years of seeking truth." — April Giesecking "It is deep, deeper and vast than you could have ever imagined." — Aakriti, Goodreads Don't wait! Buy *The Book of Secret Wisdom* now to unveil the future and destiny of humanity! In 2010, Nick Polizzi did something unimaginable. He assembled a group of eight desperately ill patients from around the world and brought them into the heart of the Amazon rainforest to put the mysterious medicines of native shamans to the test. The healing journey that unfolded would change their lives—and his own—forever. In *The Sacred Science*, we join Nick as he explores these primordial traditions and learns firsthand what it takes to truly heal ourselves of physical disease, emotional trauma, and the sense of "lostness" that so many of us feel in these modern times. We venture into a place where the ordinary rules we live by, even survival instincts, don't apply—where "the only thing to do is to step forward and be ready for anything." Nick is not a guru or shaman; he is an ordinary guy who pieced together an illuminating journey, one experience at a time. In this riveting true story, we're shown the many layers that must be peeled away in order for us to find the truth of who we are and why we're here. This book is a bridge between the flashy, fast-moving modern world and the forgotten ways of a healthier, earth-connected ancestral past. You'll find practices and principles of native wisdom that you can put to use in your own life, and you'll gain a new understanding of what it means to heal. In the end, what will become of the eight patients who set out on this path with Nick? Will the exotic jungle medicines and harrowing rites of passage destroy them or give them a new lease on life? Five will return with remarkable healing results. Two will return disappointed. One won't return at all.

According to the Department of Labor, the average woman in 1998 was bringing home less than \$25,000 a year. For every dollar that a man makes, a woman makes between 50 and 75 cents, and that is hardly news. But what you may not know is that, quietly and steadily, the number of women making six figures or more is rapidly increasing. Currently, over fifteen million women make \$100,000 or more, and the number continues to rise at a rate faster than for men. And these women come from every industry - psychologists, dot com founders, consultants, freelance writers, and even part-timers. What makes these particular women able to do so well in the workplace? Fueled by curiosity, Barbara Stanny, author of *Price Charming Isn't Coming: How Women Get Smart About Money* (Viking Penguin), set out to research this phenomenon. What she discovered was that, though the high-earning women she interviewed came from different backgrounds and had had greatly different work experiences, they all had certain characteristics in common. *Secrets of Six Figure Woman: Surprising Strategies of the Successful High Earners* will be a ground breaking book for high earners who want to ensure their wealth, enhance their success, and learn from others who are in the same boat. It will also offer inspiration, guidance, and motivation to those who aspire to make more.

A groundbreaking program to help women create a habit of building wealth—from renowned financial therapist Barbara Huson (formerly Barbara Stanny) The men in her life had always handled Barbara Huson's money: First her father (the "R" of H&R Block), and then her husband, a stockbroker who turned out to be a compulsive gambler. When tax bills arrived for over \$1m for his illegal deals, her ex left the country, her father refused to help, and Huson—who'd always been "scared and intimidated by money"—realized she had to grow up financially, fast. Since that dramatic financial wake-up call, Huson has devoted herself to learning everything there is to know about women and money, and in *Rewire for Wealth* she goes to the very core of the disconnect between the two: According to multiple studies, women's and men's brains process information differently—and that has a profound effect when it comes to money. (Men, for example, view investing as a challenge; women see it as a threat.) Fortunately, you can "un-learn" previous bad lessons—and train your brain to process differently. In *Rewire for Wealth*, Huson offers a proven and integrative approach to re-wiring your brain. Using the latest neuroscience, psychology, and mind-training techniques with original research that includes more than 20 years of hard-won financial expertise, she shows you how to quickly but methodically eliminate maladaptive financial behaviors, and expand your ability to build wealth. By repeatedly applying a practical three-step formula—recognize, reframe, and respond differently—old brain circuits become weaker and new ones grow stronger, paving the way to a more confident approach to wealth building. You may never get a financial wake-up call as dramatic as Huson's, but the real, positive, and life-changing power to take charge, now, is at your fingertips.

**NATIONAL BESTSELLER** In the bestselling tradition of *The Four Agreements*, learn how to access the hidden power of consciousness, shed anxiety, and cultivate a life of wealth and happiness with this eye-opening and accessible guide outlining the four keys to success—from the founders of the revolutionary O&O Academy. From stress to calm. From isolation to love. From chaos to peace. From lack to abundance. *The Four Sacred Secrets* combines proven scientific approaches with ancient spiritual practices to take you on a journey that will open your mind to an extraordinary destiny. Drawing on the power of our untapped consciousness, brilliant insights will help you find solutions to long-held challenges. The easy-to-follow meditations included in this book will transform your experience of reality and open you to the power of creating a beautiful life for yourself. Including ancient fables and modern stories that will speak intimately to your heart, this life-transforming book fuses the transcendental and the scientific, the mystical and the practical, to guide you to consciously create wealth, heal your heart, awaken yourself to love, and help you to make peace with your true self. *The Four Sacred Secrets* will cast its spell on you from the first page and guide you to life in a beautiful state.

**Sacred Success®: A Course in Financial Miracles** shows women there is a better way to achieve wealth and power: on your own terms—as a woman. Barbara Stanny, the leading expert on women and money, has helped women take control of their finances for two decades—and she knows there is much more to success than how much you earn. In her work with powerful, successful women over the last 20 years, bestselling author and financial educator Stanny has found that most women's problems with money have little to do with money itself, but rather with their fear of, or ambivalence toward, power. Instead of pushing women to pursue financial success in the traditional fashion, *Sacred Success* seeks to redefine power from a feminine perspective. More than a financial guide, *Sacred Success* is a primer on power for women—a tutorial for taking charge of your life by taking charge of your finances, and not only growing your money but creating a deeper, richer, and more meaningful life. Best described as “*A Course in Miracles* meets the *Wall Street Journal*,” *Sacred Success* gives you a proven process that uniquely blends the practical, psychological, and spiritual work of wealth. You can be financially successful without sacrificing your soul or compromising your values. You can create wealth and exercise power by staying true to your authentic self and personal mission. Start now. When it comes to money, are you controlled by fear? Do you live in financial chaos? Do you underestimate your worth? Are you ready to go to the next level, but can't seem to get there? If the answer is yes to these questions, you may be an underearner. Under earners are self-saboteurs who never live up to their earnings potential, says Barbara Stanny, a financial educator, motivational speaker, former journalist, and career counselor. Under earners tend to live paycheck to paycheck. They rarely balance their checkbooks and are often in debt. Ironically, many work incredibly hard. Yet they are ashamed to admit that money matters to them. They all have a high tolerance for low pay. The good news is that under earning is often self-imposed. By focusing on overcoming under earning, you will not only earn what you deserve, but you can live up to your full potential. With techniques and exercises that have helped thousands of people who have participated in her *Overcoming Under earning™* workshops, Stanny teaches you five essential steps to financial independence. Once you understand these steps, you will be confident asking for a raise, increasing your prices, or getting a better job. "Now I'm making more than my friends, all because I had the guts to dream and ask for more," says one Stanny fan. First, **Tell the Truth**: be honest about your financial situation and figure out your attitudes toward money. Second, **Make a Decision**: decide that you want to make more money. Third, **Stretch**: take action, face your fears, and be willing to be uncomfortable. Fourth, **Create Community** by finding supporters and asking for help. Fifth, **Respect and Appreciate Money**: learn to save and invest. *Overcoming Under earning* is filled with inspiring, real-life stories of under earners who turned their lives around. Stanny brings a message of empowerment and hope to all those who chronically undervalue themselves. "I'm making more, working less, feeling healthier, have more energy, and I'm so much happier," concludes another Stanny believer.
