"What are you, some kinda PSYCHO?" How many times have you said this to someone? Probably a lot. How often has someone said this to you? Hopefully, not so much! Truth is, we've all dated or been involved with someone who drove us nuts or, if we haven't, chances are that we were the ones who got on the other person's nerves. Now, the question is: who is the Psycho; you or the other person? Don't Date a Psycho: Don't Be One, Don't Date One looks at why we behave in the ways that we do in relationships, what makes us stay with the person we're with and what makes us leave them, and how to tell who is safe to be in a relationship with and who is unsafe. Done with humor and written from more

than two decades of clinical experience as a psychologist, Dr. Keiron Brown helps us to gain a clearer understanding of who we are as individuals, who we are as partners in relationships and what makes each and every one of us prone to acting a little nuts sometimes when our hearts are at stake.

"Daddy, what is a white lie?" My father put down his spoon and looked at me thoughtfully. "Why'd you ask, Princess?" "I heard you talking yesterday and you said 'one more white lie isn't going to make a difference.' I just want to know what you meant." "You heard that, huh?" My father tilted his head to study me. "It's just a small lie you tell when you don't want to hurt someone's feelings. It's nothing for you to worry about." My eyes grew wide. "Like when you told Aunt Rena that her pie was good even though it tasted icky?" "Exactly." He smiled. "Or when you told the man last week that you hadn't seen Uncle Bruno and you had?" The smile fell from his face and he straightened in his chair. "No, Princess, that was a

different kind of lie." Scrunching up my nose, I asked, "What kind of lie was that?" My father swallowed hard before replying. "That's the kind of lie where you have to have a real good memory." As an inquisitive child, the woman known as Clarissa Solano, could never have imagined how significant those words would become. That she would spend years twisting the truth: hoping and praying that she would not contradict herself and expose the secrets she keeps locked inside. Most of the people in her life don't really know her at all. She forces them to swallow her lies, but she is the one who feels the bitter aftertaste of deception. When Lane Hunter sweeps into her life, she finds herself opening up in ways she never thought possible. He sees beyond the facade to the woman beneath and knows instantly that he wants her. However, all is not as it seems and when secrets and lies are exposed, it threatens to destroy them all. This is the first book in a series of standalone HEAs"

However, what this predator does not know is that he, too, is being stalked. There is someone in the shadows-a trained Citizen-who is ready to make sure that the child under his assigned protection is never harmed. One pedophile, one abuser, one killer at a time; this Citizen and others like him will take a stand against those who prey on the weak and the innocent.

Too many of us have invested ourselves into relationships that left us deeply wounded. We've been abandoned or taken advantage of, and left with little to show for what we've given. We've lost our sense of security and personal value in the process. And what's worse, we tend to either repeat the same mistakes of judgment over and over . . . Or else lock the doors of our hearts entirely and throw away the key. Why do we choose the wrong people to get involved with? Is it possible to change? And if so, where does one begin? Drs. Henry Cloud and John Townsend offer solid guidance for making safe choices in relationships, from friendships to romance. They help identify the nurturing people we all need in our lives, as well as ones we need to learn to avoid. Safe People will help you to recognize 20 traits of relationally untrustworthy people. Discover what makes some people relationally safe, and how to avoid unhealthy entanglements. You'll learn about things within yourself that jeopardize your relational security. And you'll find out what to do and what not to do to develop a balanced, healthy approach to relationships.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Safe People: How to Find Relationships That Are Good for You and Avoid Those That Aren't." Don't say we didn't

warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

In Stop Sabotaging Your Life: 3 Steps To Your Full Potential, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence. How many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough.... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams. LoGreco doesn't claim his book will cure everything that ails you. As he says, "There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether." What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco: "As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what 'I' was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself.... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that."—Cristina "The world is filled with very successful executives who for decades focus every waking minute on professional accolades and professional development [only to] realize they haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past.... I came across Bruno, and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on; challenges you to challenge yourself; opens your mind; helps you understand behaviors, experiences and patterns; gets you in touch with yourself; fuels a sense of purpose

and passion; and escorts you to chart a new course to life. He never judges, but relentlessly encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential.” —Adrian “If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him.... Bruno got me to step outside of my comfort zone and do things I normally wouldn't have done otherwise, which is undoubtedly the key to growth.” —Blaine

In *Changes That Heal*, Dr. Henry Cloud, a renowned clinical psychologist, combines his expertise, well-developed faith, and keen understanding of human nature in a four-step program of healing and growth. Dr. Cloud's down-to-earth plan shows you how to: bond with others to form truly intimate relationships, separate from others and develop a sense of self, understand the good and bad in yourself and others, and grow emotionally and spiritually toward adulthood. Full of stories, clinical advice, and accessible takeaways, *People Fuel* outlines the twenty-two relational nutrients we all need to cultivate good relationships that provide energy, focus, and the support you need to succeed. We all need more energy, the vitality that helps us stay motivated, focused and productive in life. We know we receive energy from good nutrition, along with working out, adequate sleep and maintaining positivity. But there is another major source for the energy we need: having the right kinds of relationships with others. Not the ones that drain us, but the ones that refuel us. In his new book, Dr. John Townsend, psychologist, leadership expert and coauthor of the New York Times bestselling *Boundaries*, shows you how we need the fuel of "Relational Nutrients" from others, and, in turn we can then provide them to others. Our bodies require physical nutrients to stay healthy. If we don't take enough iron, we can develop anemia. Too little calcium can lead to bone disease. In the same way, John identifies the key Relational Nutrients that we need. As we experience these critical elements from others, we grow mentally and emotionally more sharp and healthy. And as we give these elements back, others benefit as well. Finally, Dr. Townsend details the specific types of people who can either be energy sources or energy drains, and gives concrete steps to help you cultivate relationships with those who will help you be all you were meant to be. The person who taught you how to have boundaries now helps you to experience the best from those people you have allowed into your boundaries.

It actually made sense and addressed what it said it would do, which in my opinion is a rarity in these types of books. Your friends say, "Get over it!" "Ignore it." "You make a big deal out of everything." Nonetheless, YOU want to understand what to do next time, whether it involves bad behavior by someone you know, or from a stranger. It's bad enough if you're a girl; boys are "supposed" to know how to handle dicey situations with violent people. Who can they talk to about personal safety without being labeled a "wimp"? From weekly indignities at school or work, to really scary situations, reading The Safety Godmothers: The ABCs of Awareness, Boundaries and Confidence will help you to be out and about safely. Gavin de Becker, Oprah's go-to expert, shares his know-how in three featured chapters. While the subject matter sounds serious, the book is actually a lot of fun. Ellen and Lisa provide "How We See It" commentary that is often irreverent ... and sometimes even a little bit naughty! You've never had such a good time learning to stay safe. ABOUT THE AUTHORS The Safety Godmothers is not only the name of the book, but also the identity of its two authors, Ellen Snortland and Lisa Gaeta. The Safety Godmothers have decades of experience in training thousands of women, girls, men

and boys in verbal and physical self-defense. Ms. Gaeta is the founder and CEO of IMPACT Personal Safety of Southern California, and recognized internationally as the most experienced trainer in full-force, adrenaline based self-defense. Ms. Snortland is the author of "Beauty Bites Beast: Awakening the Warrior in Women and Girls," which is deemed a classic in the personal safety field. She has spoken about and taught self-defense all over the world, and been featured on Dateline NBC. Gavin de Becker, our "Safety Godfather," is widely regarded as the leading expert on the prediction and management of violence. He is also the author of several books, including the best-selling "The Gift of Fear." The Safety Godmothers wish you the best life has to offer and the inspiration to live a full and courageous life... and kick some serious butt if you must!

"Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

Jesus' journey to the woman at the well in Samaria offers insights and hope for women today to make peace with the past, find hope in the present, and step into the future. God wants us to move toward the goodness He has planned for us. But what do we do when challenges stop our forward momentum? What's the next step when we fall into a pit of despair with the determination knocked right out of us? On his way from Judea to Galilee, Jesus traveled through Samaria, a broken place everyone knew to avoid. In Samaria he stopped in Shechem, where evil had gained such a foothold of power that it eventually reigned. Yet the place once condemned as somewhere no one wanted to visit—let alone hang out in for a while—was the location of one Samaritan woman's most hope-filled encounter with the Savior. The In-Between Place offers deeply important insights to anyone who feels stuck and can't see a way forward. It is for the person who feels that if she looks left, her face will be scraped by an immovable boulder, and if she looks right, she'll see nothing but hard to handle. It's for the person who feels lost and is not sure she is worth the effort to be found, for the person who feels overlooked and unfulfilled. Because sometimes Jesus saves our greatest spiritual breakthroughs for our in-between places.
