Saga #8 Image Comics

Before WATCHMEN, Alan Moore made his debut in the U.S. comic book industry with the revitalization of the horror comic book THE SWAMP THING. His deconstruction of the classic monster stretched the creative boundaries of the medium and became one of the most spectacular series in comic book history. With modern-day issues explored against a backdrop of horror, SWAMP THING's stories became commentaries on environmental, political and social issues, unflinching in their relevance. SAGA OF THE SWAMP THING Book One collects issues #20-27 of this seminal series including the never-before-reprinted SAGA OF THE SWAMP THING #20, where Moore takes over as writer and concludes the previous storyline. Book One begins with the story 'The Anatomy Lesson,' a haunting origin story that reshapes SWAMP THING mythology with terrifying revelations that begin a journey of discovery and adventure that will take him across the stars and beyond.

Collects issues #1-4 of the ongoing series. nFrom writers Jackson Lanzing and Collin Kelly (Batman and Robin Eternal, Grayson) and artist Marcus To (Nightwing, New Avengers), Joyride is a rebellious love letter to the sci-fi genre, exploring what happens when nothing stands between a group of teens and their freedom amongst the stars. n"...a satisfying escape. Its confidence, joy, and colorful vision of space all contribute to genuinely fun read." - Comic Book Resources

Marko and Alana's long-lost babysitter Izabel finally returns to the fold, but at what cost?

The 1990s was the decade when Marvel Comics sold 8.1 million copies of an issue of the X-Men, saw its superstar creators form their own company, cloned Spider-Man, and went bankrupt. The 1990s was when Superman died, Batman had his back broken, and the runaway success of Neil Gaiman's Sandman led to DC Comics' Vertigo line of adult comic books. It was the decade of gimmicky covers, skimpy costumes, and mega-crossovers. But most of all, the 1990s was the decade when companies like Image, Valiant and Malibu published million-selling comic books before the industry experienced a shocking and rapid collapse. American Comic Book Chronicles: The 1990s is a year-by-year account of the comic book industry during the Bill Clinton years. This full-color hardcover volume documents the comic book industry's most significant publications, most notable creators, and most impactful trends from that decade. Written by Keith Dallas and Jason Sacks.

The first of three volumes chronicling the entire NORTHLANDERS saga! Writer BRIAN WOOD (DMZ, REBELS, THE MASSIVE), with a lineup of acclaimed artists including DAVIDE GIANFELICE (DAREDEVIL: REBORN) and RYAN KELLY (LUCIFER), brings his modern, stylish sensibility a thousand years into the past. The British Isles were a tempting target to the Vikings, who craved lush land to farm and rich monasteries to plunder, and the fractured Saxon kingdoms were barely able to resist. But as time progressed and the centuries-old pagan belief in nature, the fates, and a raucous warrior afterlife were gradually replaced by the rigid traditions of Christianity, a dark ages culture war took shape. An exiled Viking warrior returns to Orkney to claim a family title in "Sven The Returned.

In one of the greatest American classics, Baldwin chronicles a fourteen-year-old boy's discovery of the terms of his identity. Baldwin's rendering of his protagonist's spiritual, sexual, and moral struggle of self-invention opened new possibilities in the American language and in the way Americans understand themselves. With lyrical precision, psychological directness, resonating symbolic power, and a rage that is at once unrelenting and compassionate, Baldwin tells the story of the stepson of the minister of a storefront Pentecostal church in Harlem one Saturday in March of 1935. Originally published in 1953, Baldwin said of his first novel, "Mountain is the book I had to write if I was ever going to write anything else." "With vivid imagery, with lavish attention to details ... [a] feverish story." —The New York Times Saga is back, as is almost the entire cast!

This gorgeous fantasy epic follows Jonas, a young boy from our human world, who stumbles into an alternate universe through a painting in his grandmother's attic. When the portal closes behind him, Jonas must find another way home and begins a journey through this strange and fascinating land. Along the way he meets Raya, who becomes his guardian in the new world. But there are many things Raya is not telling Jonas, and this world is not peaceful. Raya takes Jonas to the bucolic waterfall village of Ankal Aasha and brings him before a priest who tells him that his destiny is to heal the rift in their world. Raya and Jonas travel to the city of King's Peak, home of the Worm Mountain, under which, according to

legend, the great fire god Unurtha is buried. Here they find that the city's people have turned a blind eye to the dangers of Unurtha and are using a crack in the mountain to harvest energy from the fire and create new kinds of energy crystals. It is Jonas's job to stop this. But in a world of mounting violence, monstrous creatures, and shifting allegiances, what can one small, scared, human boy do?

Collects Thor (1966) #292-301. The war between gods and Eternals may be over, but Thor's still left to face the Fourth Celestial Host - along with the fearsome Fafnir, the devastating Destroyer and, as ever, the larcenous Loki! Plus: a gathering of gods! The mystery of Mother Nature! The legends of Asgard across the millennia as told by the ultimate Eye-witness! Guest-starring the Valkyrie and the Young Gods!

Collects Miles Morales: Spider-Man (2018) #22-28. Nothing will ever be the same for the Morales family! The battle against Ultimatum is over, but Miles and his family will bear the scars for the rest of their lives. A day with Starling may raise Miles' spirits, but there's always another shoe about to drop - like symbiote dragons attacking Brooklyn! And that's not the worst thing unleashed by the King in Black: Knull has taken over one of Miles' friends and is using them to go after the young Spider-Man! If Miles can come out of this ordeal unscathed, he'll face an even greater one when the Assessor's machinations are revealed at last - and Miles' Clone Saga will mess up his life even worse than Peter Parker's did!

Y: THE LAST MAN, winner of three Eisner Awards and one of the most critically acclaimed, best-selling comic books series of the last decade, is that rare example of a page-turner that is at once humorous, socially relevant and endlessly surprising. Written by Brian K. Vaughan (LOST, PRIDE OF BAGHDAD, EX MACHINA) and with art by Pia Guerra, this is the saga of Yorick Brown—the only human survivor of a planet-wide plague that instantly kills every mammal possessing a Y chromosome. Accompanied by a mysterious government agent, a brilliant young geneticist and his pet monkey, Ampersand, Yorick travels the world in search of his lost love and the answer to why he's the last man on earth. Collects Y THE LAST MAN #1-10.

Continuing the series of books collecting the classic Robotech comic material. The stunning finale to the adaptation of the Robotech Macross saga! It's the final battle between the humans and the Zentraedi, with the fate of Earth being sealed in the process. Who will escape alive? Collects issues 24 to 36 of the original Robotech Macross comics.

Former soldier and new mom Alana has already survived lethal assassins, rampaging armies and alien monstrosities, but now she faces her greatest challenge yet: the in-laws.

The explosive "season finale" to SAGA's most shocking storyline yet.

Henry Wilt, tied to a daft job and a domineering wife, has just been passed over for promotion yet again. Ahead of him at the Polytechnic stretch years of trying to thump literature into the heads of plasterers, joiners, butchers and the like. And things are no better at home where his massive wife, Eva, is given to boundless and unpredictable fits of enthusiasm - for transcendental meditation, yoga or the trampoline. But if Wilt can do nothing about his job, he realises he can do something about his wife - and as each day passes, his fantasies grow more murderous and more real.
