100 Satisfying salads to get you to mealtime in no time Salads are a great quick, healthy go-to meal--but the same lettuce and dressing options can feel repetitive fast. Toss in some variety with the Simple Salad Cookbook's creative and nourishing recipes. With a few ready-made staples and basic techniques, you can create delicious, fresh salad masterpieces in less than 10 minutes--perfect for your busy life. This salad cookbook includes handy lists of pantry and equipment staples, along with a seasonal eating chart that makes it a snap to set up your kitchen for salad success. 100 recipes require minimal prep and use easy-to-find ingredients with a focus on healthy foods, including both animal and plant-based proteins. Whether you are serving salad as a side dish or the main event, this salad cookbook will bring nourishment--and major flavor--to your table. Simple Salad Cookbook features: Keep it simple (or not!)--Make salads fast with prepackaged fresh veggies and other store-bought ingredients--or do it yourself with mini bonus recipes that let you start from scratch. 100 Fresh recipes--This salad cookbook lets you pick from a huge variety of leafy salads, veggie salads and slaws, grain and bean salads, pasta salads, tofu salads, and seafood and meat salads. Flexible and customizable--Helpful labels highlight dietary preferences, and many recipes include easy substitutions for ingredients you might not have on hand. Healthy, hearty, flavor-packed meals are easier than ever with Simple Salad Cookbook. In over 200 recipes, Jessica Fisher shows budget-conscious cooks how they can eat remarkably well without breaking the bank. Good Cheap Eats serves up 70 three-course dinners—main course, side, and dessert—all for less than ten dollars for a family of four. Chapters include "Something Meatier," on traditional meat-centered dinners, "Stretching It," which shows how to flavor and accent meat so that you are using less than usual but still getting lots of flavor, and "Company Dinners," which proves that you can entertain well on the cheap. The hard-won wisdom, creative problem-solving techniques, and culinary imagination she brings to the task have been chronicled lovingly in her widely read blog Good Cheap Eats. Now, with the publication of the book Good Cheap Eats, she shows budget-challenged, or simply penny-pinching, home cooks how they can save loads of money on food and still eat smashingly well.

A provocative, handpicked collection of relevant (and surprising) essential recipes for today's cook. We have countless recipes at our disposal today but what are the real keepers, the ones that don't just feed us when we're hungry or impress our friends on Saturday night, but inspire us to get into the kitchen? At the forefront of American cooking for more than 20 years, the editors at America's Test Kitchen have answered this question in an essential collection of recipes that you won't find anywhere else: 100 Recipes Everyone Should Know How to Make. Organized into three recipe sections—Absolute Essentials, Surprising Essentials, and Global Essentials—each recipe is preceded by a thought-provoking essay that positions the dish. For example, Treating Pasta Like Rice Simplifies Everything; A Covered Pot Is a Surprisingly Good Place to Roast a Chicken; and Re-imagine Pie in a Skillet to Simplify the Process. You'll find useful workday recipes like a killer tomato sauce that's almost as easy as opening a jar of the store-bought stuff; genius techniques for producing amazing flavor—try poaching chicken breasts over a garlic-and-soy- spiked brine (trust us, it's that good); and familiar favorites reinvigorated—the best beef stew comes from Spain (and it's even easier to make than the stateside stew you've been eating for years). Gorgeous photography (shot right in the test kitchen) accompanies every recipe, revealing the finished dish as well as highlights of its preparation. Likely to stir debate among anyone interested in food and cooking, 100 Recipes Everyone Should Know How to Make provides a snapshot of how we cook today and will galvanize even the most jaded cook to get into the kitchen. From the Hardcover edition.

A collection of recipes for hearty salads features such options as charred brocolli and lentil salad, spring vegetable panzanella, grilled lobster salad with lemon-thyme butter, and curried chicken, grape and cheddar salad. Any school child can make a salad, but you're looking for something that can carry the day as a one-bowl lunch or dinner. Dressing on lettuce isn't going to cut it. The editors of Food52 present a collection of recipes for hearty salads you can use as jumping-off points for your own culinary experimentation.

The New York Times bestseller from the founder of Oh She Glows "Angela Liddon knows that great cooks depend on fresh ingredients. You'll crave every recipe in this awesome cookbook!" —Isa Chandra Moskowitz, author of Isa Does It "So many things I want to make! This is a book you'll want on the shelf." —Sara Forte, author of The Sprouted Kitchen A self-trained chef and food photographer, Angela Liddon has spent years perfecting the art of plant-based cooking, creating inventive and delicious recipes that have brought her devoted fans from all over the world. After struggling with an eating disorder for a decade, Angela vowed to change her diet — and her life — once and for all. She traded the low-calorie, processed food she'd been living on for whole, nutrient-packed vegetables, fruits, nuts, whole grains, and more. The result? Her energy soared, she healed her relationship with food, and she got her glow back, both inside and out. Eager to share her realization that the food we put into our bodies has a huge impact on how we look and feel each day, Angela started a blog, ohsheglows.com, which is now an Internet sensation and one of the most popular vegan recipe blogs on the web. This is Angela's long-awaited debut cookbook, with a treasure trove of more than 100 mouthwatering, wholesome recipes — from revamped classics that even meat-eaters will love, to fresh and inventive dishes — all packed with flavor. The Oh She Glows Cookbook also includes many allergy-friendly recipes — with more than 90 gluten-free recipes — and many recipes free of soy, nuts, sugar, and grains, too! Whether you are a vegan, "vegan-curious," or you simply want to eat delicious food that just happens to be healthy, too, this cookbook is a must-have for anyone who longs to eat well, feel great, and simply glow!

A beginner's guide to cooking, featuring recipes from the famous Buttercake Bakery in Los Angeles. Cooking can be intimidating, but with the right equipment and a few great recipes, it doesn't have to be. The Kitchen Decoded is a fun new cookbook with chapters organized according to gadgets and appliances, and accompanying recipes that can be prepared with each tool. Designed to arm every would-be cook with an arsenal of time-tested equipment and foolproof dishes, The Kitchen Decoded is packed with meals guaranteed to impress guests and loved ones. Logan Levant, owner of LA's famous Buttercake Bakery for ten years, spent countless hours showing friends how to use the kitchen tools they received as gifts . . . and thus the idea of The Kitchen Decoded was born. By following Logan's professional tips and simple how-to guides, anyone can learn how to make the most of their kitchen—or simply whip up an impressive batch of Buttercake Bakery lemon bars (with the help of a KitchenAid stand mixer and a microplane, that is). Other tools featured include the Cuisinart food processor, the Le Creuset stock pot, cookie sheets, measuring tools, and other basic and advanced gadgets of all sorts. Pair any gift of amazing-but-mysterious kitchen equipment with The Kitchen Decoded to ensure that your thoughtful present is put to good use. This book is a must-have for every home cook! Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The blogger behind the Saveur award-winning blog The First Mess shares her eagerly anticipated debut cookbook, featuring more than 125 beautifully prepared seasonal whole-food recipes. Home cooks head to The First Mess for Laura Wright's simple-to-prepare seasonal vegan recipes but stay for her beautiful photographs and enchanting storytelling. In her debut cookbook, Wright presents a visually stunning collection of heirloom-quality recipes highlighting the beauty of the seasons. Her 125 produce-forward recipes showcase the best each season has to offer and, as a whole, demonstrate that plant-based wellness is both accessible and delicious. Wright grew up working at her family's local food market and vegetable patch in southern Ontario, where fully stocked root cellars in the winter and armfuls of fresh produce in the spring and summer were the norm. After attending culinary school and working for one of Canada's original local food chefs, she launched The First Mess at the urging of her friends in order to share the delicious, no-fuss, healthy, seasonal meals she grew up eating, and she quickly attracted a large, international following. The First Mess Cookbook is filled with more of the exquisitely prepared whole-food recipes and Wright's signature transporting, magical photography. With recipes for every meal of the day, such as Fluffy Whole Grain Pancakes, Romanesco Confetti Salad with Meyer Lemon Dressing, Roasted Eggplant and Olive Bolognese, and desserts such as Earl Grey and Vanilla Bean Tiramisu, The First Mess Cookbook is a must-have for any home cook looking to prepare nourishing plant-based meals with the best the seasons have to offer.

The path to a healthy body and happy belly is paved with real food--fresh, wholesome, sustainable food--and it doesn't need to be so difficult. No one knows this more than Kathryne Taylor of America's most popular vegetarian food blog, Cookie and Kate. With Love Real Food, she offers over 100 approachable and outrageously delicious meatless recipes complete with substitutions to make meals special diet-friendly (gluten-free, dairy-free, and egg-free) whenever possible. Her book is designed to show everyone--vegetarians, vegans, and meat-eaters alike--how to eat well and feel well. With brand-new, creative recipes, Taylor inspires you to step into the kitchen and cook wholesome plant-based meals, again and again. She'll change your mind about kale and quinoa, and show you how to make the best granola you've ever tasted. You'll find make-your-own instant oatmeal mix and fluffy, naturally sweetened, whole-grain blueberry muffins, hearty green salads and warming soups, pineapple pico de gallo, healthier homemade pizzas, and even a few favorites from the blog. Of course, Love Real Food wouldn't be complete without plenty of stories starring Taylor's veggie-obsessed, rescue dog sous-chef, Cookie! Taylor celebrates whole foods by encouraging you not just to "eat this," but to eat like this. Take it from her readers: you'll love how you feel.

Comfort classics with a lighter spin, from the creator of the healthy-eating blog Well Plated by Erin. Known for her incredibly approachable, slimmed-down, and outrageously delicious recipes, Erin Clarke is the creator of the smash-hit food blog in the healthy-eating blogosphere, Well Plated by Erin. Clarke's site welcomes millions of readers, and with good reason: Her recipes are fast, budget-friendly, and clever; she never includes an ingredient you can't find in a regular supermarket or that isn't essential to a dish's success, and she hacks her recipes for maximum nutrition by using the "stealthy healthy" ingredient swaps she's mastered so that you don't lose an ounce of flavor. In this essential

cookbook for everyday cooking, Clarke shares more than 130 brand-new rapid-fire recipes, along with secrets to lightening up classic comfort favorites inspired by her midwestern roots, and clever recipe hacks that will enable you to put a healthy meal on the table any night of the week. Many of the recipes feature a single ingredient used in multiple, ingenious ways, such as Sweet Potato Boats 5 Ways. The recipes are affordable and keep practicality top-of-mind. She's eliminated odd leftover "orphan" ingredients and included Market Swaps so you can adjust the ingredients based on the season or what you have on hand. To help you make the most of your cooking, she's even included tips to store and reheat leftovers, as well as clever ideas to turn them into an entirely new dish. From One-Pot Creamy Sundried Tomato Orzo to Sheet Pan Tandoori Chicken, all of the recipes are accessible to cooks of every level, and so indulgent you won't detect the healthy ingredients. As Clarke always hears from her readers, "My family doesn't like healthy food, but they LOVED this!" This is your homey guide to a healthier kitchen.

Popular husband-and-wife bloggers and podcasters (acouplecooks.com) offer 100 recipes with an emphasis on whole foods and getting into the kitchen together. The couple's non-diet approach features simple lifestyle changes to make healthy cooking sustainable, rather than a short-term fix. A love story at its finest, Alex and Sonja Overhiser first fell for each other--and then the kitchen. In a matter of months, the writer-photographer duo went from eating fast and frozen food to regularly cooking vegetarian meals from scratch. Together, the two unraveled a "pretty simple" approach to home cooking that kicks the diet in favor of long-term lifestyle changes. While cooking isn't always easy or quick, it can be pretty simple by finding love in the process. A Couple Cooks | Pretty Simple Cooking is an irresistible combination of spirited writing, nourishing recipes with a Mediterranean flair, and vibrant photography. Dubbed a "vegetarian cookbook for non-vegetarians", it's a beautiful book that's food for thought, at the same time providing real food recipes for eating around the table. The book features: 100 vegetarian recipes, with 75 vegan and 90 gluten-free options A full-color photograph for every recipe Recipes arranged from quickest to more time-consuming 10 life lessons for a sustainably healthy approach to cooking, artfully illustrated with a custom watercolor

Eat vegan—for less! Between low-paying jobs, car troubles, student loans, vet bills, and trying to pay down credit card debt, Toni Okamoto spent most of her early adult life living paycheck to paycheck. So when she became a vegan at age 20, she worried: How would she be able to afford that kind of lifestyle change? Then she discovered how to be plant-based on a budget. Through her popular website, Toni has taught hundreds of thousands of people how to eat a plant-strong diet while saving money in the process. With Plant-Based on a Budget, going vegan is not only an attainable goal, but the best choice for your health, the planet—and your wallet. Toni's guidance doesn't just help you save money—it helps you save time, too. Every recipe in this book can be ready in around 30 minutes or less. Through her imaginative and incredibly customizable recipes, Toni empowers readers to make their own substitutions based on the ingredients they have on hand, reducing food waste in the process. Inside discover 100 of Toni's "frugal but delicious" recipes, including:

With a foreword by Michael Greger, MD, Plant-Based on a Budget gives you everything you need to make plant-based eating easy, accessible, and most of all, affordable. Featured in the groundbreaking documentary What the Health

"This book features whole-meal salads that encompass everything from greens to meat and fish, dairy, and pasta and grain, that deliver healthful, year-round recipes that will satisfy vegetarians and meat-eaters alike"--

Get healthier, happier, and your lunch salad organized in record time. All you need is this book and nine minutes of your morning. These fifty-two recipes are a comprehensive range of diverse salads, including vegan salads, grain salads, zoodle, and seafood salads. Expect myriad flavors from across the globe. Imagine a Vietnamese-style chicken coleslaw, Mexican-spiced quinoa salad, or a Japanese(ish) combination of edamame and chickpeas with avocado-lime dressing. Do you know what Korean-style bibimbap is? This diverse cookbook explains, alongside its foolproof recipe. Sometimes preparing your food for the impending day can feel impossible. You opt for the easy way out: buying lunch. Often this is less healthy, and always more expensive, than bringing your own to work. On the other hand, maybe you're just in desperate need of inspiration after making the same pitiable sandwich day after day (month after month... year after year). This book makes food prepping an exciting and nutritious lunch a total breeze. Lunch breaks should always be something to look forward to. A restorative breath--away from a working world of email chains, customer service nightmares, or manual labor. Your mornings will be drastically improved by the comfort of knowing that your five-minute salad awaits you. With the protein gained from any of these fifty-two salads, you can safely

forgo that second afternoon coffee: this is all the energy your workday is ever going to need.

Longing for more than yet another limp salad? Tired of tussling with the kids over junk food lunch kits? Sounds like you've got the lunch box blues. J. M. Hirsch has the fix. But it isn't a cookbook. Because when it comes to lunch, nobody has time to break out a recipe to bang out a brown bag special. Busy people need lunch ideas. Lots of them. And those ideas need to be healthy, fast, easy, affordable, and delicious. That's what *Beating the Lunch Box Blues* is—an idea book to inspire anyone daunted by the daily ordeal of packing lunch. Jammed with nearly 200 photos and more than 500 tips and meals, this book is designed to save families time, money, and their sanity. Whether you want to jazz up a grilled cheese, turn leftover steak into a DIY taco kit, or make pizza “sushi,” Hirsch has it covered. And because the best lunches often are built from the leftovers of great suppers, he has also included 30 fast and flavorful dinner recipes designed to make enough for tomorrow, too. Crazy good stuff like short ribs braised in a Rosemary-Port Sauce, Hoisin-Glazed Meatloaf, and kid-friendly classics such as Turkey Sloppy Joes and American Chop Suey. With ideas this easy and this delicious, there's no reason to let the lunch box blues get you down.

Get the recipes everyone is talking about in the debut cookbook from the wildly popular blog, *Skinnytaste*. Gina Homolka is America's most trusted home cook when it comes to easy, flavorful recipes that are miraculously low-calorie and made from all-natural, easy-to-find ingredients. Her blog, *Skinnytaste* is the number one go-to site for slimmed down recipes that you'd swear are anything but. It only takes one look to see why people go crazy for Gina's food: cheesy, creamy Fettuccini Alfredo with Chicken and Broccoli with only 420 calories per serving, breakfast dishes like Make-Ahead Western Omelet "Muffins" that truly fill you up until lunchtime, and sweets such as Double Chocolate Chip Walnut Cookies that are low in sugar and butter-free but still totally indulgent. *The Skinnytaste Cookbook* features 150 amazing recipes: 125 all-new dishes and 25 must-have favorites. As a busy mother of two, Gina started *Skinnytaste* when she wanted to lose a few pounds herself. She turned to *Weight Watchers* for help and liked the program but struggled to find enough tempting recipes to help her stay on track. Instead, she started “skinny-fying” her favorite meals so that she could eat happily while losing weight. With 100 stunning photographs and detailed nutritional information for every recipe, *The Skinnytaste Cookbook* is an incredible resource of fulfilling, joy-inducing meals that every home cook will love.

Easy recipes for satisfying make-ahead salads, dressings, and veggie-packed meals, each 30 minutes or less to prepare, with 10 ingredients or fewer *Eating lunch "al desko"* doesn't have to mean frozen burritos or pricey takeout. *Lunchbox Salads* shares easy, affordable, substantial, and vibrant salad inspiration for every workday (and for dinner and weekends, too!). These creative recipes use 10 or fewer easy-to-buy ingredients and take no more than 30 minutes to make; those that contain meat can be made vegetarian and always keep the focus on healthy veggie-strong eating. Each recipe yields 2 substantial portions to support energy throughout the afternoon, and everything will keep for up to 2 days in the fridge (with specific packing instructions to avoid soggy leaves at lunchtime). Each chapter focuses on a different hero vegetable (like squash, carrot, red pepper, beet, cabbage, and zucchini); the recipes are easy to customize for different dietary preferences and are suitable for vegetarians and meat-lovers alike.

These recipes are Shauna's staples, and each one should be enjoyed around a table with people you love. So read and learn and pray and cook and share. Remember to savor each day, whatever it holds: work and play, coffee and kids, meals and prayers and the good stuff and the hard stuff. Life is all about relationships, and your daily relationship with God is worth savoring in every moment.

The healthy diet plan that's become a million-copy word-of-mouth bestseller -- now completely revised and updated. Hailed a "medical breakthrough" by Dr. Mehmet Oz, Eat to Live offers a highly effective, scientifically proven way to lose weight quickly. The key to Dr. Joel Fuhrman's revolutionary six-week plan is simple: health = nutrients / calories. When the ratio of nutrients to calories in the food you eat is high, you lose weight. The more nutrient-dense food you eat, the less you crave fat, sweets, and high-caloric foods. Eat to Live has been revised to include inspiring success stories from people who have used the program to lose shocking amounts of weight and recover from life-threatening illnesses; Dr. Fuhrman's nutrient density index; up-to-date scientific research supporting the principles behind Dr. Fuhrman's plan; new recipes and meal ideas; and much more. This easy-to-follow, nutritionally sound diet can help anyone shed pounds quickly-and keep them off.

A healthy, customizable way to cook every day with 75 complete bowl recipes and mix-and-match bases, toppings, and sauces Want to cook healthier low-stress dinners, improve your lunch game, and find meals that can be prepped mostly in advance? Bowls are for you! The beauty of building a meal in a bowl is its versatility, and this book helps you compose 75 interesting bowls that incorporate a multitude of flavors and textures, from a Harvest Bowl to a Pork Mojo Quinoa Bowl, all while streamlining prep work to keep them casual and fun. Where to start? Choose your base--we've got chapters based on grains, noodles, greens, and broths--and then peruse options as diverse as Seared Tuna Poke Bowl, Green Fried Rice Bowl, Indian-Spiced Chicken Zoodle Bowl, and Vietnamese Beef Pho. Components within recipes are frequently interchangeable, so if you've got pre-cooked grains on hand, or a rotisserie chicken, you can easily swap these foods in. (Lunch tip: Most bowl components can also be made the day before and transported.) Feel like improvising? Turn to our Bowl Basics section which offers 100 components, from Quinoa Pilaf to Quick Pickled Carrot Ribbons. Our vibrant Beet Tzatziki sauce or crunchy Savory Seed Brittle might be just the ticket to transform your bowl improvisation into something special, and everything can be made in advance and stored. Looking to eat vegetarian, vegan, or gluten-free? You'll find plenty of options here, plus full nutritional information for every recipe.
