Trunchbull, a menacing, kid-hating headmistress. When Matilda is attacked by the Trunchbull she suddenly discovers she has a remarkable power with which to fight back. It'll take a superhuman genius to give Miss Trunchbull what she deserves and Matilda may be just the one to do it! Here is Roald Dahl's original novel of a little girl with extraordinary powers. This much-loved story has recently been made into a wonderful new musical, adapted by Dennis Kelly with music and lyrics by Tim Minchin. Set in the future after a devastating global nuclear war, *The Chrysalids* is a philosophical tale with as much resonance today as it had when it was first written. David Storm lives in a tight-knit community of religious and genetic fundamentalists; a group of people who exist in a state of constant alert for any deviation of what they believe to be the norm of God's creation. "Offenses" consist of plants and animals that are in any way unusual, and they are publicly burned to the accompaniment of the singing of hymns. "Blasphemies" are human beings who show any sign of abnormality, and they're banned from society. So when David realizes that he is in possession of a power that would label him a mutant, he is forced to keep it a secret and reckon with the idea of fleeing to the Badlands—a new world that could offer him either a death sentence or freedom.

After the suicide of Gilbert’s father, his family never fully recovered. Once the town beauty queen, Gilbert’s mother is now morbidly obese and planted eternally in front of the TV; his younger sister has recently turned both boy-crazy and God-fearing, while his older sister sacrifices everything for her family.
