"It is no very easy matter for an author to condense his own work into so small a space as one-half or one-third of its original magnitude. ... I have considered it better to rearrange fragmentary portions of the original story into another form of narrative, ... I have presented only the direct adventures of Robin Hood and of certain important members of his band. I have given a couple of chapters relating to their quarrel with the Sheriff of Nottingham; I have introduced Robin Hood to the Court at London and have brought King Richard of the Lion's Heart into the Forest of Sherwood."--Preface.
