Secrets From Heaven A Book Of Divine Knowledge And Deep Mystery Based On The Messages The Author Received From The Lord And His Holy Angels From The Spiritual Elevation Of Mankind

I spent most of my life believing I was flawed, ugly, and that there was something wrong with me to the core of my being. I was taught to trust the wrong people through events in my childhood. I found myself in so many abusive relationships and wasn't even aware of the fact that they were abusive. I was shut down, living in "fright or flight," not able to think for myself. It was what I knew to be normal. It took a Near-Death Experience to reconnect myself to my spirit, I then was able to look at my life from a audience perspective. That's when I discovered I was living in complete fear. So much fear that I had attracted a man involved in a Satanic Cult into my life. How did I end up with a man involved in a Satanic Cult I tell a very honest, raw, revealing story of how damaging abuse and bullying was to the emotional part of me. I share tools and techniques that allowed me to heal my wounds. I believe that had I not had the NDE I would not be alive! I do not share details of the abuse however this book is not for the faint of heart! My journey has

been terrifying at times, there were moments when I was hanging on by a thread. Yet in those moments I found the strength to my healing. The journey was so guided and I know that I was meant to experience everything to write this book. It is my honour to share how I healed my childhood emotional wounds of bullying and abuse at the hands of my father, as well as my peers. This book is so revilement with the times we are in, "Me Too."

Ancient Aliens meets The Da Vinci Code: What Alex Jones, Coast to Coast AM and David Wilcock didn't tell you. Ancient conspiracies, secrets and legend: Could ancient secrets have an effect on the polarized human life we live today? What are the origins of the "me too" movement and conflicts between the sexes? Where does the Russian meddling begin and end? From Dan Brown and the Da Vinci Code, Daniel Silva and The Unlikely Spy, to The Illuminatus Trilogy by Robert Shea and Robert Anton Wilson, writers have explored the secrets of religion, government agencies such as the FBI and CIA, the 'deep state', shadow governments and big business as they seek to establish, manage and control the advent of a New World Order. What is their ultimate goal? What truths do they seek to hide? Who is it that truly controls the events that affect human life? This book explores historical elements such as the impact of the Russian Revolution, biblical references and the fall of the Soviet Union as well as the story of Lucifer

and the Fallen Angels, the book of Enoch and the role of the Vatican in shaping human history. Organized crime, the Mafia and a deep secret paranormal administrative body that truly influences and guides human kind are also explored as they too seek to exploit humanity in their sinister ambitions. The Narrator is the Author, Dee Martin, drawn innocently into the quest as a scribe, observer and historian but for what ultimate end? The main character is the erudite assassin Mr. French, employed by a deep, secretive administration to re-balance the scales of justice supporting a deep ancient conspiracy while readying the landscape for a final battle. We drift into and out of the backstory of the biblical fall of the Angels referenced but largely written out of the Bible although detailed by a man who walked with God....Enoch. A beautiful young girl taken from her village and exploited during The Fall is explored. The spirit of this long forgotten child is relived through the character of 'The Waif', a gorgeous, sardonic bartender in our modern world with attitude, whose curiosity thrusts her headlong into the story and into a whirlwind romance. 'The Waif' symbolizes the curious, independent and intrepid feminine spirit that seeks to recover from this fall, a spirit subordinated and marginalized throughout time yet a spirit whose time to rise has come. But is it all too late?

"The exchanged life." Hudson Taylor first used the term to describe what it means to know Christ as our sufficiency in all things. Taylor is but one of the many Christian luminaries who have discovered Christ as the secret to abundant living. John Bunyan, Andrew Murray, Amy Carmichael, Oswald Chambers, Charles Finney--behind the varied lives and personalities of these and other men and women lies a common theme, a pattern that leads from desperation to the abundant life Jesus promised. From their stories, we too can find the path to deeper faith and a more vital relationship with God. In *They Found the Secret*, Raymond Edman presents the lives of twenty well-known and little-known Christians. "The details of their experience of the crisis of the deeper life are delightfully different," Edman writes, "yet their testimony to the reality of the joy and power of the Spirit-filled life is unanimous . . . It is [the Lord] who satisfies the longing soul. He is the secret of the exchanged life!"

When a man discovers his father in New York has long had another, secret, family—a wife and two kids—the interlocking fates of both families lead to surprise loyalties, love triangles, and a reservoir of inner strength in this "expansive and elegantly crafted novel" (Fresh Air, NPR). "Rich with the complexities of life . . . the stories create a world made fully dimensional through changes of perspective—major characters appear and reappear as part of one or another's experience and testimony . . . Pull any life's thread and you discover a mesh of involvement that soon takes in all the others. It is a fine thing, subtly done, and truly exhilarating." —The Wall Street Journal Ethan, a young lawyer in New York, learns that his father has long kept a second family—a Thai wife and two kids living in Queens. In the aftermath of this revelation, Ethan's mother spends a year working abroad, returning much changed, as events introduce her to the other wife. Across town, Ethan's half brothers are caught in their own complicated journeys: one brother's penchant for minor delinquency has escalated, and the other must travel to Bangkok to bail him out, while the bargains their mother has struck about love and money continue to shape their lives. As Ethan finds himself caught in a love triangle of his own, the interwoven fates of these two households elegantly unfurl to encompass a woman rallying to help an ill brother with an unreliable lover and a filmmaker with a girlhood spent in Nepal. Evoking a generous and humane spirit, and a story that ranges over three continents, *Secrets of Happiness* elucidates the ways people marshal the resources at hand to forge their own forms of joy.

Gleason have woven an intense tale of ambition, success, friendship, betrayal, greed and corruption. It's an intricate and interesting tale of mankind's most startling invention, and technology gone awry.

When his disciples asked Jesus why he spoke in parables, Jesus did not say that the parables made his teachings easier to understand. Instead, he indicated that many people would misunderstand his parables. He suggested that they were spoken in a code that would only be understood by believers. "To you has been given to know the secrets of the kingdom of heaven, but to them it has not been given," he said (Matthew 13:11). What secrets are these? They are the identity of Jesus-truly and completely God, truly and completely human, and the world's only Savior and Redeemer-and the mission of Jesus-to live a sinless life in the place of his people, and to offer that life as a sacrifice to redeem his people. Lacking knowledge of those secrets, the parables of Jesus appear to be lessons about how to live as Christians. Knowing those secrets, the parables are revealed as descriptions of how to have eternal life through the work of Jesus-his sinless life, his sacrificial death, and his victorious resurrection. This book guides the reader to understand the parables of Jesus according to the secrets of the kingdom of heaven. It helps the reader to become that disciple described by Jesus: "Every scribe who has been trained for the kingdom of heaven is like the master of a house, who brings out of his treasure what is new and what is old" (Matthew 13:52). Secrets of Heaven Revealed! It is by faith, grace, and the spirit of our Lord Jesus Christ

that the word was revealed to me. For over a decade, mankind misunderstood the power of our creator. Lord God Almighty has his own plan and purpose for our lives unless he reveals them to you. Through Jesus Christ we can claim our ownership to the kingdom of heaven. I dedicate this book of God to guide Christians and non-Christians for their search and pursuit for the truth. I pray that reading this book will enrich and transform your life. Also he will open your spiritual eyes so you may see; because he is the way the truth and the life. (John 14:6)

The greatest teacher who ever lived, Jesus knew how to reach his audience where they were at. Whether preaching to a group in parable or holding an intimate conversation, he had an unequaled ability to get across the message that his listeners needed to hear. His teachings in the Gospels speak no less directly to us today. But so rich in meaning are the words of our incarnate God, so layered and profound his messages, that often we fail to do more than scratch their surface. And over time, our habit of superficial encounter with the Word can become self-perpetuating. In *Secrets from Heaven*, Fr. Sebastian Walshe helps you break free from stale and familiar takes on the Gospel, giving you new eyes to see and new ears to hear the inexhaustible depths of Christ's wisdom. The Parable of the Sowers, the Good Samaritan, the Prodigal Son, the woman caught in adultery - all these and more come alive in fresh ways, revealing significant details and nuances, scriptural/historical connections, and testaments to Christ's rhetorical and pedagogical genius that you've never noted before. You'll marvel

at Jesus' skill as an evangelist; but more importantly, you'll be powerfully moved to faith and love just as those who heard him in person long ago. Nothing Jesus taught was truly "secret" - he revealed the Father for all the world to see. But that doesn't mean his revelation is simplistic. Read *Secrets from Heaven* and go deeper into the saving mysteries of his life and words.
