Baring It All Generations of werewolves have been secretly residing in a secluded valley a stone's throw from Grundy, Alaska. So when a snooping Outsider comes to Grundy to investigate rumors of lycanthropic shenanigans in the area, the valley's pack alpha, Maggie Graham, resolves to chase him away, even if doing so takes a quick bite on the butt. What a pity that researcher Nick Thatcher turns out to be so drool-worthy, and that his kisses make Maggie want to sit up and beg. Maggie just can't seem to convince Nick to leave . . . and even worse, she can't convince herself to stay away from him. Cross-species dating is problem enough for a harried alpha female, but on top of that, a rival group of werewolves is trying to move into the valley. With interpack war threatening, Maggie can't afford to be distracted. Combining romance and a career can be tough for anyone; for a werewolf in love with a human, it may be disastrous. . . .

"Je sais que l'on m'observe. Il y a toujours quelqu'un. Quelqu'un qui essaie de me faire manger. C'est une femme. Elle me dit son nom, mais ça m'est égal. Elle ne m'intéresse pas. Rien ni personne ne m'intéresse vraiment. Il y a toujours quelqu'un qui m'observe. Toujours. Je veux partir d'ici. Je ne suis pas malade. Si Caleb était là, je sortirais sur mes deux pieds, heureuse, souriante,

complète. Mais il est parti. Et ils ne me laissent pas le pleurer."

BOOK 3 OF THE DARK DUET I'm writing this because you begged. You know how I love the begging. In fact, you probably know too many things and know them far too well. Who am I? Well, that's what I'm trying to figure out. I was a whore in my youth, a killer since my adolescence, and a monster as a man. I am the man who kidnapped Livvie. I am the man who held her in a dark room for weeks. But, most importantly, I am the man she loves. She loves me. It's quite sick, isn't it? Of course, there's more to our story than can be surmised in a few short sentences, but I'm at a loss for justifying my behavior back then. I assume if you're reading this, I don't need to make those justifications. You've already made your own. You're reading this because you want to know about the rest of the story. You want to know what happened that warm summer night in September of 2010, the night I met Livvie at The Paseo. It was the night my life changed all over again. It didn't happen exactly as Livvie said. She's been very kind to me in the retelling of our story. The truth is far more...complicated. He fell in love with the woman of his dreams, but he never realized what that love would cost him. When a dark prince attends the Lammastide rites, he lays eyes on his fated mate. The problem? Graham Russell and I weren't made for one another. I was driven by emotion; he was apathetic. I dreamed while he lived in nightmares. I cried when he had no tears to shed. Despite his frozen heart and my readiness to run, we sometimes shared seconds. Seconds when our eyes locked and we saw each other's secrets. Seconds when his lips tasted my fears, and I breathed in his pains. Seconds when we both imagined what it would be like to love one another. Those seconds left us floating, but when reality knocked us sideways, gravity forced us to descend. Graham Russell wasn't a man who knew how to love, and I wasn't a woman who knew how to either. Yet if I had the chance to fall again, I'd fall with him forever. Even if we were destined to crash against solid ground.

Erica Jong's memoir-a national bestseller-was probably the most wildly reviewed book

of 2006. Critics called it everything from "brutally funny," "risqu? and wonderfully unrepentant," and "rowdy, self-deprecating, and endearing" to "a car wreck."* Throughout her book tour, Jong was unflappably funny, and responded to her critics with a hilarious essay on NPR's All Things Considered, which is included in this paperback edition. In addition to prominent review and feature coverage, Jong was a guest on Today and Real Time with Bill Maher. Even Rush Limbaugh flirted with Jong on his radio program: "I think she wants me. I think she's fantasizing about me." Love her, hate her, Jong still knows how to seduce the country and, most important, keep the pages turning.

I am Meredith Gentry, P.I. and Princess Merry, heir to the throne of Fairie. Now there are those among me who whisper I am more. They fear me even as they protect me. And who can blame them? I've awakened the dazzling magic that's slumbered in them for thousands of years. But the thing is, I can't figure out why. My aunt, the Queen of Air and Darkness, is no longer distracted by her usual sadistic hobbies. Her obsession has turned unwaveringly to me. The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected. Even though I spend each night with the Queen's Ravens, my immortal guards, no child has come of our decadent pleasures. But something else is happening. My magic courses through me uncontrollably. And as I lock my half-mortal body with their full-Sidhe blooded ones, the

power surges like never before. It all began with the chalice. I dreamed of it, and it appeared, cool and hard, beside me when I awoke. My guards know the ancient relic well—its disappearance ages ago stripped them of their vital powers. But it is here with us now. My touch resonates with its force, and they're consumed with it, their Sidhe essences lit up by it. But even as they cherish me for this unexpected gift, there are those who loathe me for it. Me, a mongrel, only half fey and part mortal. The Unseelie court has suffered for so long, and there are some who would not have it weakened further by an impure queen. My enemies grow in number every day. But they do not know what I am capable of. Nor, for that matter, do I. . . . In *Seduced by Moonlight*, Laurell K. Hamilton brings the dark, erotic reign of the immortal fey to a startling new depth. Full of sensuality and the consuming anticipation of latent powers unleashed, this world of gods, shapeshifters, and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceits.

Seduced into Darkness: Transcending My Psychiatrist's Sexual Abuse is a vivid and captivating story of hope for survivors of abuse as well as a case study in a skilled manipulator's tragic exploitation of his professional power. This poignant memoir chronicles the traumatic psychological abduction and sexual exploitation of depressed college student Carrie Tansey at the hands of her psychiatrist, Dr. Anthony Romano—thirty-one years her senior. For three years, their secret "affair" was carefully calculated and controlled by Romano, as Carrie's mental and emotional health continued to deteriorate, bringing her closer and closer to the edge. Their dual-relationship finally came to light when Carrie's suicide attempts landed her in a world-renowned psychiatric hospital. Gradually, she began to reclaim her power, reported Romano to the state licensing board, successfully sued him for malpractice, and testified before the state legislature to bring awareness to such abuses. As Carrie tells her tale, it is a journey paralleling that of the mythical archetype Persephone, the naive innocent who was abducted

into darkness, reemerged and regenerated herself, then fearlessly returned to the prison she had fled, this time to help free others. Today, Carrie Ishee is a widely respected art therapist and life coach as well as a teacher specializing in the issues of ethics, self-care, and boundaries for mental health professionals.
