We've all done dumb stuff in our lives. We all have regrets. Yet none of us plans to mess up our lives. Why, then, does it keep happening? Life doesn't have to be that way. You can fool-proof your life...as this book shows. God's promise and pattern is for something better. In *The Best Question Ever*, Andy Stanley effectively teaches the practical and lasting value of simply asking this question about our actions in all of life's arenas: What is the wise thing for me to do, in light of my past experience, my present circumstances, and my future hopes and dreams? This book probes for honesty —it pushes us to open our eyes to reality and helps us expose the little (and big) self-deceptions we have. Prepare yourself. You are about to be introduced to a single question that will revolutionize the way you make decisions. Over the past twenty years, speaker and author Andy Stanley has shared the power of this question with thousands of students and adults all

over the country. In this ground-breaking new book, Andy provides you with a filter through which to evaluate every decision in every arena of your life. As you are about to discover, the Best Question Ever will bring clarity to decisions involving your finances, your love life, your schedule, even your career. People everywhere agree that their greatest regret could have been avoided had they asked the Best Question Ever and then acted on their conclusions. A time-tested truth that has immediate application, the Best Question Ever has the power to change the trajectory of your entire life. Story Behind the Book After continually making decisions that were short-sighted and hasty, Andy Stanley sought counsel. In Ephesians 5:15 he read, "Be very careful, then, how you live—not as unwise but as wise." It was there that Andy discovered what he considers to be The Best Question Ever. At our very core is the desire to be God's woman or man—faithful, having fulfilled the potential God created in us. To reach that point, sometimes we have to endure hard things, things God has designed for good, to supernaturally shape us into the people he wants us to be. When we choose to accept the "hard good," we discover our life's purpose, and he promises to give us the joy and passion as our deepest longing is fulfilled. The hard good is a powerful path to growth, as you learn to accept things you wish were different.

witnessed more miracles than he could count, saw more displays of power than he could comprehend, and experienced more love than he could fathom. John was there when Jesus turned the water to wine, offered living Water to the woman at the well, yielded to His Father's will in the garden of Gethsemane, and gave His life on a Roman cross. And one unforgettable morning young John outran Peter to his Savior's empty tomb. Yet God had more in store for the Son of Thunder. As the other disciples were martyred one by one, John remained to write his sublime Gospel proclaiming Jesus' identity as the eternal Word of God. In his three letters John left a legacy of divine love to ignite the passion of future believers. And while exiled on Patmos, John recorded His risen Lord's glorious revelation of victory and hope. John referred to himself as "the disciple whom Jesus loved." Just as Christ took John on a lifelong journey into the depths of His love, He will do the same for you. The book covers all those aspects of ministry required within the more practical contextual areas of the course of preparation for ministry in use by mainstream denominations, such as baptisms, weddings, working with others, communication, meetings and funerals. It provides practical guidance which is soundly theologically and pastorally based.

“McConaughey’s book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand.”—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I’ve been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If

you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call “catching greenlights.” So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

The Relationship Between You and Your Pastor According to God's Design The Bible says God gave the gift of the pastor to the Church — and this gift is indeed needed for the Body of Christ! Since this ministry gift is so important, it is vital that you understand what a pastor is. Is it possible that a pastor is much more than you know or that your view of the pastoral ministry is tainted by a traditional background? In this five-part series, Rick Renner examines Scripture from both the Old and New Testaments to reveal the heart of God for giving us pastors. You'll find out why you need a pastor, how to find your pastor if you don't have one, and how you and your pastor should relate according to the teaching of the Word. Rick will show you: How to recognize a true pastoral gift. How to “know the

You fear you won't make it through. We all do. We fear that the depression will never lift, the yelling will never stop, the pain will never leave. In the pits, surrounded by steep walls and aching reminders, we wonder: Will this gray sky ever brighten? This load ever lighten? In this six-session small group Bible study, pastor and New York Times best-selling author, Max Lucado offers refreshing assurance. Max reminds participants God doesn't promise that getting through trials will be quick or painless. It wasn't for Joseph—tossed in a pit by his brothers, sold into slavery, wrongfully imprisoned, forgotten and dismissed. But his Old Testament story is in the Bible for this reason: to teach us to trust God to trump evil. With the compassion of a pastor, the heart of a storyteller, and the joy of one who has seen what God can do, Max explores the story of Joseph and the truth of Genesis 50:20. What Satan intends for evil, God redeems for good.
