Do you feel like you are too nice? Sherry Argov's *Why Men Love Bitches* delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask:

- Why are men so romantic in the beginning and why do they change?
- Why do men take nice girls for granted?
- Why does a man respect a woman when she stands up for herself?

Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," *Why Men Love Bitches* gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry—you'll gain your man's love and respect with far less effort.

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information,

essential to both beginners and experienced lovers.' It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

An edgy yet accessible “bad bitch” guide to life, love, and success from Amber Rose, renowned model, entrepreneur, and pop culture personality. Bad Bitch (n.): A self-respecting, strong female who has everything together. This consists of body, mind, finances, and attitude; a woman who gets her way by any means necessary. Amber Rose didn't let her early years in the tough neighborhood of South Philly keep her from achieving her star-studded goals. From the sets of music videos, to high fashion runways and magazines, to life at home with her beautiful son, Amber doesn't hesitate to command her personal stage with confidence, edge, attitude, and her own form of grace. For the first time, this renowned model, actress, socialite, pop culture maven, and self-proclaimed “bad bitch” is sharing her secrets on how to lead a powerful life in this edgy yet accessible guide to life, love, and success. With unparalleled candor, “Muva” pulls back the curtain on her rollercoaster of a journey from a young trailblazer to a worldwide phenomenon—and it's this evolution that has influenced her intoxicating, authoritative outlook on life and love. Filled with expert advice and personal anecdotes, How to Be a Bad Bitch covers finances, career, love, beauty, and fashion while emphasizing confidence, positive self-acceptance, and authenticity. Above all, Amber delivers a message to all women in this fiercely fearless guide: work hard, love yourself, embrace your femininity and sexuality, and most importantly, chase the best vision of you

being greatly, it can even reduce our risk of suffering from certain diseases. Whether the problem is big or small, there are many things you can do to get your sex life back on track. Even in the best relationship, sex can become ho-hum after a number of years. But you can rekindle the spark by making a few adjustments in your lovemaking style. Keep in mind that it can be a challenging task trying out new sex positions variations and persuade your partner of the need for trying out different forms of sex. However, it is better done than said, and that is the reason this book breaks down everything you need to know about sex positions for your relationship. To that end inside, you will find an in-depth analysis of the positions and will enhance your understanding about it. As a result, you may change your perception about it and eventually view your sexual relationship differently. Similarly, a clear understanding puts off the myths and misconceptions associated with various forms of sex and gain grounds to support you in case of resistance from your partner. The advice contained within these pages is absolutely invaluable to all people, regardless of whether or not you are new to sexual experiences or if you approach them like a pro. No matter what your experience level, there is guaranteed to be endless advice listed within that you have never come across before, and are unlikely to find anywhere else. The information will be a guide and recommendation for couples who wish to perfect their sex life and have fun. In this book you will learn: * How to make love through seduction and foreplay. * Different sex positions described in detail and their level of complexity as well as the pros and cons of each one of them. * Sex positions suitable for everyone, from beginners to advanced, even if you're 50+. * Different forms of sex that may either be penetrative and non-penetrative. * The best sex positions to help your male or female partner achieve a powerful orgasm. * How to spice up your sex life and couple.

Praise for *The Secrets of Happily Married Men* "Manly men rest assured: You can hope to become a better husband without having to get in touch with your feminine side. . . . Lively and entertaining, this broad guidebook provides Haltzman's insights illuminated by anecdotes from his online discussion forum for married men." —Psychology Today "Haltzman . . . launches his eight strategies with remarkable vigor. More important, they are extraordinarily well fleshed out and convincingly supported with useful 'to do' lists and a multitude of examples. They will no doubt prove helpful to many men struggling to build a happy marriage." —Publisher's Weekly "Scott Haltzman, a psychiatrist and Brown University professor, has been studying marriages good and bad for a long time. . . . View marriage as your most important task, Haltzman urges men, and pursue success as you would anything else that matters." —Washington Post "Men are good at fixing problems, not talking about them, so Haltzman advises playing to your strength. The genius of this book is that it . . . asks politically incorrect questions about men and women at home—the neglected front in the gender wars." —New York Times "The insights in this book reveal a new and effective way for men and women to understand and

appreciate each other. It shows what it really takes to create a loving and lasting relationship." —John Gray, author, *Men Are from Mars, Women Are from Venus* Marriage and relationships are in crisis. The breakup and divorce rate remain incredibly high, despite all the couples therapy, afternoon talk shows, and other books in the marketplace, many of which describe men as abusive commitment phobic creeps who'd better change fast or else. But this new book is totally different, a whole different way of looking at how to build a successful long-lasting relationship from a man's point of view, men who are happy in their partnerships, who have figured out what works for them in accomplishing the goal of a loving, intimate, lifetime commitment. Dr. Scott Haltzman, Clinical Assistant Professor of Psychiatry and Human Behavior at Brown University, and founder of www.secretsofmarriedmen.com, has devised a proven method for improving relationships, based on a man's special and unique skills, strengths, powers—as a responsible and motivated worker, manager, leader, problem-solver, partner, husband, and father. Men are different, Dr. Haltzman says. They don't approach relationships with the same skills and techniques that women do—and viva la difference. Dr. Haltzman therefore lays out eight ways, tasks, proven techniques which men have revealed in confidential correspondence to his highly successful website, including The First Way: Make Your Marriage Your Job, The Second Way: Know Your Wife, The Third Way: Be Home Now, The Fourth Way: Expect Conflict and Deal With It, The Fifth Way: Learn to Listen, The Sixth Way: Aim to Please, The Seventh Way: Understand the Truth About Sex, The Eighth Way: Introduce Yourself, and finally, Celebrate Your Love. Within each of these steps, he provides both specific analysis, guidelines and techniques based on male biology, neuroscience, brain differences, unique developmental stages from

Read This If You Want To Take Your Love-Making To The Next Level How do you learn to have good sex? ? By watching adult videos? ? By trying? ? By reading books? First of all, pornography isn't the best educational material out there. For example, it rarely focuses on female pleasure and authentic female orgasms. Also, many scenes are highly unrealistic. Actual sex experience is very important but you may be missing out on some awesome sexual practices. Even if your partner is a sex god (or goddess) they won't teach you every possible love-making technique. So reading books about sex should be an important part of your sexual life, no matter if you prefer to read alone or with a partner. Erotic fiction will teach you the art of dirty talk and invite you to explore forbidden fantasies. Non-fiction books will teach you everything else. This book is a uniquely comprehensive guide for everyone who wants to have better sex. No matter if you're just getting ready for your first time or you're an experienced lover already - there's something to learn here. Here's a sneak peek of what you'll learn... An essential exploration of why and how women's sexuality works—based on groundbreaking research and brain science—that will radically transform your sex life into one filled with confidence and joy. Researchers have spent the last decade trying to develop a “pink pill” for women to function like Viagra does for men. So where is it? Well, for reasons this book makes crystal clear, that pill will never be the answer—but as a result of the research that's gone into it, scientists in the last few years have learned more about how women's sexuality works than we ever thought possible, and *Come as You Are* explains it all. The first lesson in this essential, transformative book by Dr. Emily Nagoski is that every woman has her own unique sexuality, like a fingerprint, and that women vary more than men in our anatomy, our sexual response mechanisms, and the way our bodies respond to the sexual world. So we never need to judge

ourselves based on others' experiences. Because women vary, and that's normal. Second lesson: sex happens in a context. And all the complications of everyday life influence the context surrounding a woman's arousal, desire, and orgasm. Cutting-edge research across multiple disciplines tells us that the most important factor for women in creating and sustaining a fulfilling sex life, is not what you do in bed or how you do it, but how you feel about it. Which means that stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it. Once you understand these factors, and how to influence them, you can create for yourself better sex and more profound pleasure than you ever thought possible. And Emily Nagoski can prove it.

Good health and a fit body are inextricably entwined with great sex. On a physical level, fitness makes one a more attractive and skilled lover. On an emotional level, studies show that body image plays a key role in sexual desire and satisfaction. Research has linked a healthy sex life to lower risks of cardiovascular disease, diabetes, depression, and obesity. Based on the latest research on sexual health, behavioral psychology, fitness, and nutrition, The Men's Health and Women's Health Big Book of Sex is brimming with useful tips, exercise photos, practical sidebars, and more. The two-sided book also features the Better-Sex Workout, the Better-Sex Diet, a Trouble-Shooter's Guide to Sexual Health, and Q&A columns from the Men's Health "Girl Next Door" and Women's Health "Guy Next Door" and leading sexual health experts.

Best-selling sex therapist Anne Hooper is an expert in helping couples spice up their love life

If you have an unsatisfactory relationship and want to increase excitement in bed with your partner without the need to go into couples therapy, then keep reading... According to recent research... 78% of couples are not satisfied with their sex life. 82% of relationships ending after two years are due to lack of sexual gratification. 98% of people who have a lover no longer feel sexual attraction to their partner. Did you know all this? If you are reading this description, it is probably because you too are facing sexual problems with your partner. Perhaps you are thinking that it is normal to feel no attraction after a few years. Your sexual situation seems to have become monotonous and you have nothing left to discover about each other. These days, you only have sex a few times a month, and when it happens you seem to have to do it almost by obligation. You must understand that it's not your fault. It is simply normal to go through these moments of low sexual attraction towards your partner, especially if no one has ever taught you how to maintain your sexual

Including details about the male anatomy and answering questions most women never dare ask, this work tells women what men really want and offers over 100 ideas to drive them wild with desire. Popular marriage counselor and seminar leader John Gray provides a unique, practical and proven way for men and women to communicate and relate better by acknowledging the differences between them. Once upon a time Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to earth and amnesia set in: they forgot they were from different planets. Using this metaphor to illustrate the commonly occurring conflicts between men and women, Gray explains how these differences can come between the sexes and prohibit mutually fulfilling loving

relationships. Based on years of successful counseling of couples, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater understanding between individual partners. Gray shows how men and women react differently in conversation and how their relationships are affected by male intimacy cycles ("get close", "back off"), and female self-esteem fluctuations ("I'm okay", "I'm not okay"). He encourages readers to accept the other gender's particular way of expressing love, and helps men and women learn how to fulfill each other's emotional needs. With practical suggestions on how to reduce conflict, crucial information on how to interpret a partner's behavior and methods for preventing emotional "trash from the past" from invading new relationships, *Men Are from Mars, Women Are from Venus* is a valuable tool for couples who want to develop deeper and more satisfying relationships with their partners.
