No longer her leader's closest confidante, Alexis has to face the ever growing longing she has for the Debrek housekeeper, Katie Brekman. Katie is enjoying her new role as head housekeeper for the Debreks. All she has to worry about is the moody, bad tempered Alexis. Katie has no idea why Alexis dislikes her so much, or why she has refused to feed from her. Certainly Amelia's theory that Alexis is attracted to Katie couldn't possibly be true. Katie can't imagine her showing any kind of emotion, let alone attraction. When Katie is attacked amid a burgeoning vampire-witch war, Alexis is set to go against everything her clan believes in. Forced to face her longing for Katie, she is torn between opening her heart to a human and abandoning her clan when they need her the most.

Until the night that two old acquaintances break into Magnus's apartment and steal the powerful *Book of the White*. Now Magnus and Alec will have to drop everything to get it back. They need to follow the thieves to Shanghai, they need to call some backup to accompany them, and they need a babysitter. From C. C. Hunter, the bestselling author of the *Shadow Falls* series, comes *Saved at Sunrise*, an unforgettable new e-original novella. Nestled deep in the woods, *Shadow Falls* is a secret camp where teens with supernatural powers learn to harness their abilities and live in the normal world. But *Shadow Falls* is facing a problem that could finally expose them to the rest of the world. Humans are showing up dead, and rogue vampires may be to blame. Camp resident Della Tsang, who's still coming into her own vampire powers, is assigned to help find those responsible. If she succeeds, maybe she'll even land her dream job: working for the F.R.U., the enforcers of the supernatural world. But when she sees that her new partner is a hunky shapeshifter, things get complicated. Steve, too gorgeous to be trusted and capable of seeing through her tough-as-nails exterior, knows just how to get under her skin. And only hours into the mission, Della realizes rogue vampires aren't the only threat she's facing. If she's ever going to complete her assignment, she'll need his help...but learning to trust him will be her hardest challenge yet.

When shadows fill the night, it's hard to tell friend from foe. With young to raise and her Pack under attack, Sylvan, Alpha of the wolf Weres, takes on her greatest challenge when she determines to uncover the faceless enemies know as the *Shadow Lords*. While her mate Drake struggles to find the link between the deadly *Were fever* virus and the mutation she carries, Sylvan calls upon her allies among the *Vampires* and *Fae* to defeat the secret pact of humans and *Praeterns* bent on destroying her and those she is bound to safeguard. Liege Jody Gates, Sylvan's ally and heir to a powerful *Vampire Clan*, must choose between her promise to Sylvan and her duty to *Clan* when she aligns her forces against the deposed *Vampire Regent Francesca*. If the battle to come is lost, all the *Praetern* species will be sentenced to exile in the shadows.

In the aftermath of an assassination attempt, Sylvan Mir, wolf *Were Alpha*, and her mate Drake McKennan turn their backs on the government that has threatened their survival, vowing to protect their own with primal force, regardless the cost in blood. After escaping the *Vampire dungeons* beneath the blood club *Nocturne*, *Fae* royal Torren de Brinna petitions Sylvan for sanctuary, setting Sylvan and her allies on a collision course with *Francesca*, *Viceregal* of the *Eastern Vampire* seethe. In the midst of war, Torren finds her heart at risk from a young dominant *Were*, while *Francesca's Vampire enforcer Michel* draws one of Sylvan's trusted guards into a web of seduction and danger. Hunted by human extremists, targeted by the *Shadow Lords* who fear her growing power, and beset by enemies masquerading as friends, Sylvan leads the *Timberwolf Pack* to war on two fronts as alliances shift and long-held beliefs are challenged. A *Midnight Hunters* novel.

Medic Ryon Drake has never been good at following protocol, so she doesn't think twice about rendering emergency care when a young girl's life is at stake—even if the girl is in the throes of *Werefever* and any sane mortal should know better. It isn't the bright shining pain of the bite or even the wrenching agonies of the fever that convinces her everything in her life has changed. It's the

way she feels about the blonde with the silver-blue eyes leaning over her hospital bed when she finally wakes up. Sylvan, the Alpha of the Adirondack Timberlake Pack--the one woman Drake can't have. And the only one she wants. The first in the Midnight Hunters series.
