

Shadowfall Book One Of The Godslayer Chronicles

Stranded on an alien planet, two astronauts must battle deadly elements and each other to recover a reserve shuttle built for one Black Star is a debut graphic novel by Eric Anthony Glover, based on his original unproduced screenplay, and illustrated by Arielle Jovellanos. In the future, interstellar travel is past its prime and sending shuttles beyond our solar system—even for vital scientific research—is a life-threatening gamble. However, in order to retrieve samples of an alien flower that may hold the key to saving countless lives, Harper North and her crew of scientists must journey to Eleos, a dangerous planet in deep space. But as they approach Eleos, their ship is caught in an asteroid storm and as it hurtles towards the surface, its reserve shuttle detaches, landing over 100 kilometers away. When the rest of the crew perishes in the burning wreckage of the ship, North races towards the rescue shuttle built for one, hoping to fulfill their mission and survive. But North isn't alone: The team's wilderness expert is still alive and hell-bent on hunting North down and claiming the shuttle for herself. Now, North has no choice but to reach the shuttle first—and fast. The fuel is leaking. Her GPS battery is dying. And the planet's deadly seasonal change is coming. As she battles the flora and fauna and tries to elude her ruthless former crew mate, North will find the cost of survival is dear . . . Will she be willing to pay that price?

For Kira Solomon, normal was never an option. Kira's day job is as an antiquities expert, but her true calling is as a Shadowchaser. Trained from youth to be one of the most lethal Chasers in existence, Kira serves the Gilead Commission, dispatching the Fallen who sow discord and chaos. Of course, sometimes Gilead bureaucracy is as much a thorn in her side as anything the Fallen can muster against her. Right now, though, she's got a bigger problem. Someone is turning the city of Atlanta upside down in search of a millennia-old Egyptian dagger that just happens to have fallen into Kira's hands. Then there's Khefar, the dagger's true owner -- a near-immortal 4,000-year-old Nubian warrior who, Kira has to admit, looks pretty fine for his age. Joining forces is the only way to keep the weapon safe from the sinister Shadow forces, but now Kira is in deep with someone who holds more secrets than she does, the one person who knows just how treacherous this fight is. Because every step closer to destroying the enemy is a step closer to losing herself to Shadow forever....

"I loved every page of this book. Clemens has constructed a world of magic that's never been seen before, with a cast of beings who are so engaging and entrancing that you never want the story to end."—John Saul On a fateful night five centuries ago, three mages made a desperate last stand, sacrificing everything to preserve the only hope of goodness in the beautiful, doomed land of Alasea. Now, on the anniversary of that ominous night, a girl-child ripens into the heritage of lost power. But before she can even comprehend her terrible new gift, the Dark Lord dispatches his winged monsters to capture her and bring him the embryonic magic she embodies. Fleeing the minions of darkness, Elena is swept toward certain doom—and into the company of unexpected allies. There she forms a band of the hunted and the cursed, the outcasts and the outlaws, to battle the unstoppable forces of evil and rescue a once-glorious empire . . . Praise for Wit'ch Fire "Wit'ch Fire grabs at your heart and tears a little hole, then tears another, and another—a brutal and beautiful ride. I can't put the book down!"—R. A. Salvatore "Full of violence, magical pyrotechnics, and black-headed

villains.”—Publishers Weekly

The aces of the New Republic have one final chance to defeat the darkness of Shadow Wing in this thrilling conclusion to the Star Wars: Alphabet Squadron trilogy! In the wake of Yrica Quell’s shocking decision—and one of the fiercest battles of their lives—the remnants of Alphabet Squadron seek answers and closure across a galaxy whose old war scars are threatening to reopen. Soran Keize has returned to the tip of Shadow Wing’s spear. Operation Cinder, the terrifying protocol of planetary extermination that began in the twilight of the Imperial era, burns throughout the galaxy. Shadow Wing is no longer wounded prey fleeing the hunters of the New Republic. With its leader, its strength has returned, and its Star Destroyers and TIE squadrons lurk in the darkness between stars, carrying out the fallen Emperor’s final edict of destruction—as well as another, stranger mission, one Keize has championed not for the dying Empire, but for its loyal soldiers. Alphabet Squadron’s ships are as ramshackle and damaged as their spirits, but they’ve always had one another. Now, as they face the might of Keize’s reborn juggernaut, they aren’t sure they even have that. How do you catch a shadow? How do you kill it? And when you’re finally victorious, who pays the price?

The murder of Meeryn, goddess of the Summering Isles, by a mysterious dark entity draws the sole witness to the crime, Tylar de Noche, a crippled and disgraced former Shadowknight, into a dangerous battle against friends and foes alike. Reprint.

The first novel in a new trilogy starring veteran New Republic pilots! On the brink of victory in a brutal war, five New Republic pilots transform from hunted to hunters in this epic Star Wars adventure. Set after Return of the Jedi, Alphabet Squadron follows a unique team, each flying a different class of starfighter as they struggle to end their war once and for all. The Emperor is dead. His final weapon has been destroyed. The Imperial Army is in disarray. In the aftermath, Yrica Quell is just one of thousands of defectors from her former cause living in a deserters’ shantytown—until she is selected to join Alphabet Squadron. Cobbled together from an eclectic assortment of pilots and starfighters, the five members of Alphabet are tasked by New Republic general Hera Syndulla herself. Like Yrica, each is a talented pilot struggling to find their place in a changing galaxy. Their mission: to track down and destroy the mysterious Shadow Wing, a lethal force of TIE fighters exacting bloody, reckless vengeance in the twilight of their reign. The newly formed unit embodies the heart and soul of the Rebellion: ragtag, resourceful, scrappy, and emboldened by their most audacious victory in decades. But going from underdog rebels to celebrated heroes isn’t as easy as it seems, and their inner demons threaten them as much as their enemies among the stars. The wayward warriors of Alphabet Squadron will have to learn to fly together if they want to protect the new era of peace they’ve fought so hard to achieve. Part of a Marvel and Del Rey crossover event, Alphabet Squadron is the counterpart to Marvel’s TIE Fighter miniseries, which follows the exploits of Shadow Wing as they scheme to thwart the New Republic.

For three years, Miranda Grey-Solomon has kept her role as Vampire Queen of the South separate from her Grammy-winning music career. But now, her dual lives are starting to collide, threatening everything Miranda and David, her Prime, have worked for. The entire Signet Council has descended upon Austin for its ten-year summit, bringing with it Prime James Hart of the Northeast, a sworn enemy come to take his

revenge on those who defied him. But Miranda and David receive an unexpected offer of help from David's sire, an ancient and powerful vampire with knowledge that may be their salvation--or their doom.

Supreme Commander Lord Tanaros was once human. But he chose darkness and immortality when his wife betrayed him with his king. He killed them both, and fled the realms of Men and now cares nothing for their fates. A thousand years passed. His only allegiance is to his master, the dark god Satoris, who gave the gift of Life to the race of Men. Satoris, who rebelled against his elder brother God Haomane who had demanded that gift be taken away. Their fight cracked the very world in two; the name of Satoris became the word for evil throughout all the races, while the legend of Tanaros is the seminal tale of treachery. And yet not all tales told are true. A final prophecy has begun to unfold, and the races are uniting in their quest to rid the world of Satoris. The elder gods and goddesses, stranded on the other side of the world, send dreams to spur all to destroy Satoris and Tanaros, but those loyal to their god know a different side of the story and try to defend their citadel of Darkhaven, where Satoris sits in sorrow, controlling his own dominion, seeking neither victory nor vengeance. Satoris's followers capture the beautiful Elvish princess Cerelinde, and without her the Allies cannot fulfill the prophecy. All who support Satoris clamor for her death-but Satoris refuses to act like the monster that he is made out to be, for he recognizes in Cerelinde a spark of the love that he once bore for his fellow gods. She is a great danger to Satoris--and a greater danger for Tanaros and all that he holds dear. For she reminds him that not all women need be false... and that though he may be immune to death, his heart is still very much mortal. Strong storytelling with evocative, compelling, and unforgettable characters, *Godslayer* is the thrilling conclusion to the events begun in *Banewrecker*, a haunting tale of love and loss that ultimately asks the question: If all that is considered good considers you evil, are you? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

When Haven Ashwood's best friend is taken by a curse, she's forced to partner with an immortal Lord she'd rather kill than trust. The rules are simple: break the curse or die. The rare magic flowing through Haven's veins gives her a fighting chance, but mixing light and dark magic might just cost Haven her soul.

Shadow's Fall, Book 4 . . . The Conclusion. "I have tried to share everything. I have tried to hold nothing back. And so, I will tell you what happens next. You may judge me. You may cast your disapproval. You may call me fatalistic or dramatic. Weak. Or macabre. But you will never know. You will never understand. Because you have not lived my life. Find faults in my choices if you will, but this is what happened. Judge as you like, but know that my story does not require your permission. Do not forget that you are the one who decided to listen . . ." *** Violet Archer knows that something is coming. She just doesn't know what . . . or who. And, oh boy, is she ever in for it. She will need to battle the Darkness--all which surrounds her--as well as all which lies within. And while she knows her heart, it will be tested. Left behind by one man. Pursued by another. She believes she is the hero of her story. But Violet is about to learn that some heroes turn into villains. ***Adult novel. Contains mature and explicit content.

After using her powers to heal Vampire Queen Miranda Grey-Solomon, young witch Stella Maguire must save the Shadow World from a new regime of vampires. Original.

TERROR COMES TO SIN CITY. Bizarre murders. Disappearances. Suicides. Sightings of strange creatures in the night. The strangeness soon snowballs out of control, with people turning insanely violent without warning and sinister cults growing bolder and more dangerous. Nightmares come to life and monsters walk the streets of Las Vegas. And all those events are but a prelude to something far worse. Darkness is coming. A police detective, a street gang member, an exotic dancer and a visiting tourist cross paths with a bizarre collection of occult troubleshooters trying to prevent the looming disaster. Their actions will determine whether or not Las Vegas will be destroyed by the occult forces gathering around it - and whether or not the rest of the world will follow. Shadowfall: Las Vegas is set in the same universe as the short story Bad Vibes (<http://www.amazon.com/Bad-Vibes-C-J-Carella-ebook/dp/B00MAYJCVM/>). It's a horror-action novel with a dash of humor and film noir sensibilities, with a diverse and compelling cast of characters, Lovecraftian undertones and more than a few zombies.

A dark and riveting fantasy of three dragon siblings, from the author of The Vampire Earth novels The fourth in the Age of Fire series following Dragon Champion, Dragon Avenger, and Dragon Outcast... Scattered across a continent and scarred by their harsh experiences on the path to adulthood, the three dragon siblings are among the last of a dying breed, the final hope for their species' survival. After being separated by dwarf slave traders who found their nest, the three—AuRon, the rare scaleless gray; Wistala, the green female; and Copper, the embittered cripple—are reunited. But their reunion is not a happy one, since the three find themselves at odds over the coming human war. AuRon thinks dragons should have no part in the affairs of humans. Wistala believes dragons and man can peacefully co-exist. And Copper has designs of his own on the world. And the civilized humans who have turned to Copper for assistance against their savage enemies have just given him the perfect opportunity to fulfill his plans...

A mortally wounded R'shiel seeks the healing powers of the believed-extinct magical Harshini, while Tarja and the Defenders consider an alliance with a long-time adversary in order to protect themselves against Karien invaders.

Fifteen-year-old Neryn is alone in the land of Alban, where the oppressive king has ordered the capture of anyone with magical strengths, but when she sets out for Shadowfell, a training ground for a rebel group, Neryn meets a mysterious soldier and the Good Folk, who tell her that she, alone, can save Alban.

Paired with a dark prince in a murderous game of survival, Maia Graystone discovers the only thing more dangerous than the Emperor's court is her conflicted heart.

Alphabet Squadron's hunt for the deadliest TIE fighters in the galaxy continues in this Star

Wars adventure! News of the New Republic's victory still reverberates through the galaxy. In its wake, the capital ships of the newly legitimized galactic government journey to the farthest stars, seeking out and crushing the remnants of imperial tyranny. But some old ghosts are harder to banish than others. And none are more dangerous than Shadow Wing. Yrica Quell's ragtag Alphabet Squadron still leads the search for Shadow Wing, but they're no closer to their goal—and the pressure to find their quarry before it's too late has begun to shake them apart. Determined to finish the fight once and for all, Quell works with New Republic Intelligence's contentious Caern Adan and the legendary General Hera Syndulla to prepare the riskiest gambit of her starfighting career—a trap for Shadow Wing that could finish the chase once and for all. But in the darkness, their enemy has evolved. Soran Keize, last of the Imperial aces, has stepped into the power vacuum at the head of Shadow Wing, reinvigorating the faltering unit in their hour of need. Once adrift in the aftershocks of the war, Keize has found meaning again, leading the lost soldiers of his unit through to safety. The only thing standing in his way? The most mismatched squadron in the New Republic Navy, led by his former mentee: the traitor Yrica Quell.

My name is Maia Graystone: rebel, terrorist, and . . . traitor. Imprisoned in the Tower at the Archduchess's mercy, awaiting certain execution, I spend every moment thinking of ways to escape so I can find Riser and fulfill the promise to my father. When the perfect moment arises, I break free, only to discover the unthinkable—the rebels have branded me a traitor. It gets worse. War looms, my friends have abandoned me, and Nicolai refuses to help find the Mercurian. There's only one way to change his mind and regain the rebels' respect. I must fight in the ruthless Blood Courts, a violent, gladiatorial arena where only the strong survive. Only problem is, first I have to defeat the reigning champion. Someone I once trusted with my heart. Win and the entire rebel army is mine. Lose and the world burns. Dare to enter the gritty world of Shadow Fall where tyrants rule, misfits reign, and anti-heroes are tasked with saving the world. If you like enemies-to-lovers romance, high-octane action, and epic themes of good versus evil, you'll binge this rollercoaster of emotions late into the night!

In the ninth romantic suspense novel in the New York Times bestselling Tracers series, author Laura Griffin brings back her elite cadre of forensic experts as they hunt down the most brutal serial killer yet. Special Agent Tara Rushing arrives at a grisly murder scene and quickly discovers she's got a serial killer on her hands. The killer is meticulous, making sure to wipe up even the smallest traces of evidence...but the Delphi Center experts are on the case. The local sheriff has a suspect all picked out—ex-Marine and current security expert Liam Wolfe. Despite all her digging, Tara knows very little about Liam when she shows up at his sprawling Texas compound, which serves as headquarters for Wolfe Security, and she's surprised by her intense physical reaction to him. As she and Liam grow closer, Tara finds herself depending on his skills and expertise to help her track a killer. But when another body turns up, Tara must decide if she can trust the man who's quickly stealing her heart. The ninth novel in the Tracers series that combines gripping plot twists with spine-tingling romance, Shadow Fall once again proves that "Laura Griffin gets better with each book" (The Romance Reviews). Wit'ch War is the dazzling third volume in the epic saga of *The Banned and the Banished*. In her hands, the young wit'ch Elena holds the awesome energies of blood magick—and more. For the fate of all Alasea hinges on her recovery of the Blood Diary, a potent talisman forged five hundred years ago, then locked away behind wards too strong for any mage to break. But only with the secrets recorded . . . in its pages can Elena defeat the evil magicks of the Dark Lord. The challenge? The Diary lies hidden in A'loa Glen, the fabled city that belongs to Shorkan, chief lieutenant of the Dark Lord, and his fearsome army. Now, with the aid of the ocean-dwelling Sy-wen and her great dragon, Elena prepares a desperate invasion of A'loa Glen. At her side stands the one-armed warrior Er'ril, her faithful protector and the only man who knows how to unlock the wards surrounding the Blood Diary—a man who also happens to be the brother of the dreaded Shorkan. Meanwhile, Elena's brother, whose magick brings him prophetic dreams, has glimpsed a future in which Elena falls by the deadly sword of . . . Er'ril. But his visions do not always come true. How can he act against his sister's trusted guardian on the basis of a future betrayal that may never happen? For Elena's sake, and for the sake of all Alasea, how can he afford not to?

Four thousand years ago, a great war took place among the gods, which shattered their heavenly realm. This Sundering created the land of Myrillia, where near-invincible gods live amongst men. Yet the weapon that fashioned the Sundering may also strike down the immortals, as failed Shadowknight Tylar discovers. He witnesses the death of a god, whose blood heals his deformities but brands him a Godslayer and a hunted criminal. Tylar flees with now god-like powers, seeking to avenge the god's death and clear his name. He must ultimately confront the greatest god of all and face the supreme treachery ...

Award-winning author Juliet Marillier's "lavishly detailed" (Publishers Weekly) Blackthorn & Grim series continues as a mysterious creature holds ancient Ireland in thrall... Disillusioned healer Blackthorn and her companion, Grim, have settled in Dalriada to wait out the seven years of Blackthorn's bond to her fey mentor, hoping to avoid any dire challenges. But trouble has a way of seeking them out. A noblewoman asks for the prince of Dalriada's help in expelling a creature who threatens the safety and sanity of all who live nearby from an old tower on her land—one surrounded by an impenetrable hedge of thorns. With no ready solutions to offer, the prince consults Blackthorn and Grim. As Blackthorn and Grim put the pieces of this puzzle together, it's apparent that a powerful adversary is working behind the scenes. Their quest soon becomes a life-and-death struggle—a conflict in which even the closest of friends can find themselves on opposite sides.

Custo Santovari is a fallen hero, a man who sacrificed himself for his best friend, an angel who's earned himself a well-deserved place in Heaven. But he risks it all to rescue a woman from soul-sucking wraiths.

Epic Fantasy: Redefined The city of Wyvern's Rest has fallen... The "Jewel of the Highland" is now a ghost of its former glory. Those with the means to live and the will to dream have already fled the city. Those lacking remain, condemned to bury their sorrow while the walls crumble around them. Lawlessness and poverty have overtaken the streets, and as the days grow longer, the shadows of the abandoned Outer Quarter loom ever darker. Ava spends her days tethered to her prison, the belly of an old, stone inn, overlooking the docks and the familiar, sea-side market. She leans on her friends for innocent laughter and talk of unimportant things. Every day, the tavern fills with the hopes and dreams of those fleeing for brighter horizons; and every day, Ava watches them leave with the simplest wish...to join them. Little does she know, her fate is woven to the enormous, crimson carriage that creaks through the shadows of another forgotten morning. The odd-shaped man who emerges from the carriage carries two simple things: an old, leather satchel and a sinister secret. One will free Ava from her prison. One will forever seal her tomb. Both will alter the course of Wyvern's Rest forever.

Life is perfect for Freya Rose. She has a gorgeous boyfriend, a loving mother... Oh, and her very own stalker... Okay, so maybe Freya's life isn't quite as perfect as she thought. There is more to the picturesque town of Jasper, Alberta than meets the eye. The residents quiet, and laid back demeanors perfectly disguise an extraordinary community of werewolves, vampires, and hunters. When Freya is finally able to see beyond the secrets, she is introduced to a supernatural world full of temptation, power, and love rivals. Freya's relationship with Tristan struggles to make it past all of the lies and secrets, so when a mysterious stranger strolls into her life, will she be able to resist his seductive charms? The biggest question is, how will she react when she discovers that she belongs in this new world, far more than she ever realized. This book contains adult themes, therefore 18+ is advised. This story ends in a cliffhanger, and is then continued in *Abandoned By An Alpha*. There may be some triggers in this book, ie, stalking, murder, adultery, and hunks that might melt your clothes off. The series as a whole, has a reverse harem feel to it, but Freya does not entertain all of the guys at once. That being said, there are a few scenes where more than one guy is involved, so be prepared. Lastly, if you would like to follow me, I can be found on Facebook (L.P. Dillon) or at Author L.P.Dillon's Divas on Facebook. I'm also on Twitter and Instagram occasionally, and my Freya Rose series can be found on Radish. Ps. I'm sorry that you're hanging by your fingertips on that cliff edge, I'll send one of Freya's guys along to save you soon xxx

Thirteen-year-old Rigg has a secret ability to see the paths of others' pasts, but revelations after his father's death set him on a dangerous quest that brings new threats from those who would either control his destiny or kill him.

The world is split in two... and both sides are deadly. In a society of extreme have or have nots, Tenly Hawkins is just trying to improve her future. Born into the Cobalts, the lowest rung of society, she has done everything possible to escape her fate by playing by the rules. Against all odds, she secures a coveted position in the Premier Workforce... and a way out of squalor into Scarlet society. But when her scoundrel of a best friend, Kalib, also secures a spot, she's suspicious. Did he cheat, and will his fortune somehow collapse everything she's worked for? Placed in a high ranking household as a governess, Tenly settles into her new role. That is, until she caught in the middle of growing progressive upheaval due to the inequality of the rich and poor. But it's all being covered up. Her life's dream is not the safe haven Tenly once thought it would be. And if anyone finds out about her secret meetings with Kalib, she can't seem to refuse; it could not only put them both at risk... It could be fatal.
