

Shattering Your Strongholds

Equip your family for spiritual warfare. Few families are aware of the Devil's attacks. Fewer know how to withstand them. Is yours ready? Jim Logan used to think spiritual warfare was a radical idea. That was before he realized just how real it was, especially in the lives of families. Moved by this discovery, in a ten-year span he read over 400 books on spiritual warfare and counseled hundreds of families under satanic attack, soon emerging as a spiritual warfare expert. Reclaiming Surrendered Ground represents the insights gained in those years of study and ministry, and it contains the principles he turned to repeatedly in counseling families. Logan will help you and your family: Become alert to the enemy and his tactics Discover your areas of vulnerability Live freely in Christ's victory Don't let the enemy gain ground in your family. Read Reclaiming Surrendered Ground and be equipped for battle. www.biblicalrestorationministries.org

Your mind is a BATTLEGROUND, but THE TRUTH WILL SET YOU FREE We have all experienced battles with thoughts that need to be diffused and defeated. We have all battled mental strongholds, though we may not have realized it. A stronghold of the mind is a lie that Satan has established in our thinking that we count as true but is actually a false belief. When we embrace these lies, they affect our attitudes, emotions, and behaviors. God wants all of His children to walk in victory and freedom in their thought lives. But the Bible tells us that we have an evil and deceptive enemy who is "the father of lies and of all that is false" (John 8:44, AMP). Defeating Strongholds of the Mind explains how Satan traps us in lies and false perceptions. It shows us how to partner with God, enter into worship, and embrace our kingdom identity to gain victory through: Identifying thinking patterns that can become strongholds Explaining how certain types of entertainment can negatively influence our thinking Offering specific prayers to bring victory in the mental battles we fight Sharing stories from people who have overcome the deceptions, struggles, and strongholds in their minds

Sitting at the Saint-Roch Train Station with tears in her eyes, Meg contemplated where her life had gone wrong. She was at a point in her life where she felt abandoned by God after the last remaining person who truly loved her, died. Now with a baby on the way, she had begun to lose hope that the future, she knew the Lord had promised her was never meant for her. With a gentle tap on her shoulder, her gaze turned to meet that of Derek's, the kind stranger whose smile brought warmth into her heart. "Was he sent to fulfil God's promise in my life?" she thought. With assured faith, she followed him as he led her away, trusting that God had not forsaken her. Now she felt content to allow God to have his way in her life and totally surrender all to him.

This book is an exposé from God's record in the Bible of what is happening in the spiritual realm that is causing families and nations to be torn apart. God states that he is against manipulation and oppression and calls it witchcraft. The book awakens one's awareness of the contrasts of darkness versus light. It addresses modern-day family dynamics and outlines my personal journey as a victim of manipulation and how I was able to overcome it when I accepted Jesus Christ, the light of the world, as my personal Savior. My Heavenly Father warned me through a series of dreams and visions about the devil's plans to destroy my life and taught me through his precious Holy Spirit how to overcome it. This is my opportunity to expose the plans that the devil has for families nationwide and worldwide, thereby giving those who have lost their way an opportunity to receive healing, deliverance, and restoration.

Every time you get your hopes up, they come crashing down--shattering like broken promises. You crumble under the weight of your own disappointment. In despair, you cry out to God, "Why don't You do something? I need your help! Will You ever save my husband?" This is the heart-wrenching cry of a Christian woman whose husband doesn't know Christ as his Savior and Lord. A great spiritual gulf separates them. It is difficult to agree on day-to-day decisions, let alone larger questions. Everyday life becomes a lonely and painful existence. Linda Davis lived in this difficult situation for fifteen years as she prayed and waited for her husband to become a Christian. Her pain came not only because her husband wasn't saved, but also because very few people in the church knew how to help her during her struggle. Yet understanding how to cope with this situation is crucial for a wife's own spiritual health and for strength to endure the strain she is under. Drawing from personal experience and biblical wisdom, Linda Davis describes how you can: Be happy in spite of your circumstances Understand your husband's point of view Witness to your husband without saying a word Release your husband to God Rely on God's perfect timing for your husband's salvation Understand what God means by submission Deal with rejection and hostility Be set free from worry and guilt The Christian wife of an unsaved husband has a special ministry that no one else can fulfill. Linda Davis explains how to minister to your husband while living a rewarding life both spiritually and personally. This book will benefit any woman who desires a deeper spiritual life for both her husband and herself.

Author Bob Buford called them "code breakers". They are people age 40 and older who have pioneered the art of finishing well in these modern times, and who can teach us to do the same, starting today. Buford sought out 60 of these trailblazers—including Peter Drucker, Roger Staubach, Jim Collins, Ken Blanchard and Dallas Willard—and has recorded their lively conversations in these pages so that they can serve as "mentors in print" for all of us. "Twenty years from now," Buford writes, "the rules for this second adulthood as a productive season of life may be better known. But for now, we're out across the frontier breaking new ground." Buford gives you a chance to sit at the feet of these pioneers and learn from them about *Finishing Well* so that you may shift into a far more fulfilling life now, no matter your age. A life of significance that will be a legacy for future generations too.

The Failure of Denominationalism and the Future of Christian Unity One of the unforeseen results of the Reformation was the shattering fragmentation of the church. Protestant tribalism was and continues to be a major hindrance to any solution to Christian division and its cultural effects. In this book, influential thinker Peter Leithart critiques American denominationalism in the context of global and historic Christianity, calls for an end to Protestant tribalism, and presents a vision for the future church that transcends post-Reformation divisions. Leithart offers pastors and churches a practical agenda, backed by theological arguments, for pursuing local unity now. Unity in the church will not be a matter of drawing all churches into a single, existing denomination, says Leithart. Returning to Catholicism or Orthodoxy is not the solution. But it is possible to move toward church unity without giving up our convictions about truth. This critique and defense of Protestantism urges readers to preserve and celebrate the central truths recovered in the Reformation while working to heal the wounds of the body of Christ.

A Proverb a Day Keeps the Devil Away applies the principles of God found in the Book of Proverbs to daily living. Illustrations are used to trigger the memories of its readers to past and present experiences in life; hopefully, causing the lesson of each devotion to profoundly impact the reader. These illustrations stem from relationships, home, work, play, decisions, reactions, thoughts, injustice and justice. Some are humorous and some very serious. Each one demonstrates the theme of that verse. The Book of Proverbs is as timely as time itself. Times have changed but people have not. They still face the hard issues of life: the same fears and hurts, the same temptations and sin, the same struggle with what is right and wrong, and the same questions about what role God really plays in their life. This devotional study aids its readers in getting a grip on these challenges. Philip Ayers was born in Roanoke, Virginia, on March 2nd, 1948. He is the second born of a family of five. Jesus Christ called him to ministry in 1981. He is the pastor of a local church in Roanoke, Virginia. He brings a large pool of experience and Bible knowledge to his readers.
