Lots of people think Christianity is all about doing what Jesus says. But what if doing what Jesus says isn't what Jesus says to do at all? Jesus' invitation is an invitation to relationship, and it begins with a simple request: follow me. Religion says "Change and you can join us." Jesus says, "Join us and you will change." There's a huge difference. Jesus doesn't expect people to be perfect. He just wants them to follow him. Being a sinner doesn't disqualify anyone. Being an unbeliever doesn't disqualify anyone. In fact, following almost always begins with a sinner and unbeliever taking one small step. In this eight-session video-based Bible study (DVD/digital video sold separately), Andy Stanley takes small groups on a journey through the Gospels as he traces Jesus' teaching on what it means to follow. Sessions include: Jesus Says Next Steps Fearless Follow Wear The Fine Print What I Want to Want Leading Great Unfollow Designed for use with Follow Video Study 9780310823551 (sold separately). In this six-session small group Bible study (DVD/digital video sold separately), Lysa TerKeurst teaches participants how to process emotions and resolve conflicts in ways that lead to a much more peaceful life. Lysa TerKeurst admits that she, like most women, has experiences where others bump into her "happy" causing her to come emotionally unglued. What do we often do with our raw emotions? We stuff, we explode, or react somewhere in between. Is it really possible to make emotions work for us instead of against us? Her answer is yes, and in her usual inspiring and practical way, Lysa shows you how. Filled with gut-honest personal examples and Biblical teaching, Unglued will equip you to know with confidence how to: Resolve conflict in your important relationships Find peace in your most difficult relationships as you learn to be honest but kind when offended Identify what type of reactor you are and how to significantly improve your communication Respond with no regrets by managing your tendencies to stuff, explode or react somewhere in between And how to gain a deep sense of calm by responding to situations out of your control without acting out of control Sessions include: Grace for the Unglued Freedom for the Unglued Four Kinds of Unglued A Procedure Manual for the Unglued Lingering Words for the Unglued Imperfect Progress for the Unglued Designed for use with the Unglued Video Study (sold separately).

We live in a culture that's all about self, becoming the best "me" I can be instead of becoming like Jesus. This me-centered message affects every area of our lives--our friendships, our marriages, even our faith--and it breaks each one in different ways. The self-focused life robs our joy, shrinks our souls, and is the reason we never quite break free of insecurity. In this book, Sharon Hodde Miller invites us into a bigger, Jesus-centered vision--one that restores our freedom and inspires us to live for more. She helps readers - identify the secret source of insecurity - understand how self-focus sabotages seven areas of our lives - learn four practical steps for focusing on God and others - experience freedom from the burden of self-focus Anyone yearning for a purpose bigger than "project me" will cherish this paradigm-shifting message of true fulfillment.

This revised edition of *Bookmarks* reflects the end of the coordination of the youth campaign by the Council Europe. The campaign may be officially over, but the education and awareness-raising to counter hate speech and promote human rights values remain an urgent task for young people of all ages. The work of the Council of Europe for democracy is strongly based on education: education in schools, and education as a lifelong learning process of practising democracy, such as in non-formal learning activities. Human rights education and education for democratic citizenship form an integral part of what we have to secure to make democracy sustainable. Hate speech is one of the most worrying forms of racism and discrimination prevailing across Europe and amplified by the Internet and social media. Hate speech online is the visible tip of the iceberg of intolerance and ethnocentrism. Young people are directly concerned as agents

and victims of online abuse of human rights; Europe needs young people to care and look after human rights, the life insurance for democracy. Bookmarks was originally published to support the No Hate Speech Movement youth campaign of the Council of Europe for human rights online. Bookmarks is useful for educators wanting to address hate speech online from a human rights perspective, both inside and outside the formal education system. The manual is designed for working with learners aged 13 to 18 but the activities can be adapted to other age ranges.

The word *If* is a powerful little word. Some people are stuck in *if* only, trudging through lives marked with regret. But God wants us to live lives marked with possibilities, with the *what if* attitude that looks forward to the future with confidence. Why? Because the answer to "If God is for us, who can be against us?" is "No one." God is always on our side, every day, in every way. Young people especially need to hear this life-changing message of hope and freedom from Mark Batterson and his son Parker. With his trademark enthusiasm and

contagious joy, Batterson helps teens and young adults overcome those feelings of guilt, fear, and doubt that plague them and embrace the truth that in Christ there is no condemnation. Unpacking the promises of Romans 8, he shows young readers that they are more than conquerors--right now and forever. And because of that, the possibilities for their lives are limitless.

Take Hold of God's Vision for Your Life. A Life that is GREATER. This companion guide to Steven Furtick's life-changing Greater DVD will help you take the next step—and the ones after that—to follow Jesus's call to do even greater things than He did (John 14:12). Drawn from the powerful book Greater—and designed to be used with the Greater DVD—this user-friendly resource shows you how to apply four

“greater”-releasing principles from the prophet Elisha's life: • Burn the Plows: Make a decisive break with your old life. • Digging Ditches: Start small and make practical preparations. • Upon Further Review: Live with the knowledge that faith is never wasted. • Strike the Water: Step out to live the greater life God promises. Each chapter includes a study plan that corresponds with the DVD, discussion questions, space for individual reflection, a Bible study, and suggestions for group leaders. Created to ignite your passion and move you forward, the Greater DVD Participant's Guide will inspire you to reach for the greater life—and show you how to get there. DVD not included.

New York Times bestseller Pastor Steven Furtick draws on the biblical story of Elisha to give you the confidence to know that nothing is impossible with God, the clarity to see the next step He's calling you to take, and the courage to do anything He tells you to do. Most of us aren't in danger of ruining our lives, but we are in danger of wasting them. We all have honest moments when we're gripped by a desire to feel that what we're doing matters more. That who we are matters more. And according to John 14:12, Jesus wants the very same thing for every one of us: “Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father.” That single promise—“even greater things than these”—should be enough to shatter our acceptance of spiritual mediocrity.

Unfortunately, most believers have only tried and given up on vague notions of greatness...then settled into a life that's just good enough. But God has a vision for your life that is Greater. God is ready to accomplish a greatness in your life that is entirely out of human reach—beyond anything you see in yourself on your best day, but exactly what God has seen in you all along. In Greater, Pastor Steven Furtick draws on the biblical story of Elisha to empower you to: • Take a God-given dream from idea to reality • Stretch your limited resources and abilities in ways you never thought possible • Replace the images of yourself that keep you feeling stuck in the past • Make a significant impact with your life starting today, rather than making endless plans for tomorrow that you never get around to If you're tired of being ordinary, it's time to dream bigger. If you're

feeling overwhelmed about where to begin, it's time to start smaller. It's time to ignite God's Greater vision for your life.
