The farm, the garden, the fireside.

The classic social history of the Great English Agricultural Uprising of 1839 by two of the greatest historians of our age. In our increasingly mechanized age, the Swing revolts are a timely record of the relationship between technological advance, labour and poverty. With the onset of the Industrial Revolution, capitalism swept from the cities into the countryside, and tensions mounted between agricultural workers and employers. From 1830 on, a series of revolts, known as the 'Swing' shook England to its core. Landowners wanting to make their land more profitable started to use machinery to harvest crops, causing widespread misery among rural communities. Captain Swing reveals the background to that upheaval, from its rise to its fall, and shines a light on the people who tried to change the world and save their livelihoods.

Following her New York Times Editor's Choice collection of short stories Tales of the New World, historical fiction master Sabina Murray returns with an epic and bold novel of friendship and betrayal set across four continents and a 40 year time-span. In prose that is darkly humorous and alive with detail, Valiant Gentlemen reimagines the lives and intimate friendships of humanitarian and Irish patriot Roger Casement; his closest friend, Herbert Ward; and Ward's extraordinary

wife, the Argentinian-American heiress Sarita Sanford. Valiant Gentlemen takes the reader on an intimate journey, from Ward and Casement's misadventurous youth in the Congo—where, among other things, they bore witness to an Irish whiskey heir's taste for cannibalism—to Ward's marriage to Sarita and their flourishing family life in France, to Casement's covert homosexuality and enduring nomadic lifestyle floating between his work across the African continent and involvement in Irish politics. When World War I breaks out, Casement and Ward's longstanding political differences finally come to a head and when Ward and his teenage sons leave to fight on the frontlines for England, Casement begins to work alongside the Germans to help free Ireland from British rule. What results is tragic and riveting, as both men are forced to confront notions of love and betrayal in the face of the vastly different tracks their lives have taken. Reminiscent of the work of Peter Carey and Michael Ondaatje, Valiant Gentlemen is a uniquely human account of some of early 20th century's larger historical figures from a "ravishing" (O magazine) and "brilliant" (Boston Globe) voice in fiction today.

really is gorgeous, funny, charming, great in bed, well-hung (I saw that thread, LMAO), and is totally respectful of Mr. Web and our relationship. He is pretty much perfect in every way except one: he travels and is pretty much gone all the damn time. When we do get to play, its awesome, but I think Id like to have it a little more frequently. OK, OK, I would like to have it a lot more frequently (LOL). What can I say? Im a freak! So I am actively looking for another boy toy . . . or toys. Which brings me to my second problem: we are in the middle of freaking nowhere in the freaking Bible belt! What is a horny (but fairly picky) chick to do? I think Im screwed (or not screwed in this case). Any suggestions, comments, and just plain ol sympathy will be welcome (LOL). What if one day you discover everything you have ever believed about world and relationships was a lie? Imagine everything you have ever been taught concerning women and how to engage them was fabricated? What if you discovered your family, the media, the film industry, the music industry, women, as well as the government were greatly invested in your miseducation? The Gentlemen's Book Of Enlightenment seeks to explore these questions and reveal a truth that has been hidden in plain sight. Men were bred to be utilities and are disposable. Weather through war, taxes, marriage, children, divorce, alimony, or child support men are forced to sacrifice their happiness and live a life of servitude in many if not all these areas. The reality is men are not valued as people. Men receive value based on what they can provide. This book is a guide to help men avoid the pitfalls of a society who has laid various

these childhood accounts to life with a narrative that is as distinctively authentic as it is universally relatable. "This Peruvian legend has many versions depending on who is telling, the story. I will relate to you what I heard a long, long time ago, as a child, from an elderly storyteller Quechua woman named Mama Cunchina ... " -The Cave of Maria Josefa With voices spanning from the small and elderly mouse (The Emigration of Domestic Animals) to the all-encompassing Mama Patcha (Mother Earth), every story is uniquely enchanting while still supporting the overall parable that is weaved throughout the collection. Marting illustrates her memories with the ease of the Quechua storytellers of her youth, and indeed these accounts of love, loss, family, nature, friendship, and respect are as crucial and resonant today as they were during the inception of Peruvian Folklore. I invite you to navigate to a foreign land and to a foreign culture and enjoy these stories as much as I have ... " -Mary L. Jones, Introduction

Men's Health magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle.

This book describes many of the relationships, rules, and practices involved in alternative adult lifestyles like swinging, BDSM, and polyamory. It was written to dispel some of the myths surrounding these lifestyles and give a basic primer on the true way they work. Upon reading this book, you should have a better understanding of the importance of sex in modern marriage. This book discusses the reason some people choose these lifestyles, and the benefits and challenges associated with them. It also discusses the role of communication in modern marriage and the reasons why open, honest communication benefits not only alternative relationships, but traditional ones as well. There's advice for single men and single women, and we discuss some of the benefits, challenges, and realities facing singles in the dating world, in and out of the lifestyle. The author has drawn the most experience from 8 years in the swinger lifestyle, but the lessons learned are lessons from which anyone can benefit. In this book, those life lessons are translated into a perspective of someone who is not in any way interested in becoming involved in swinging, BDSM, polyamory, or any other fetishes or kinks. Traditional couples can learn the same lessons that "lifestyle" people learn, without ever having to change their beliefs or invite someone else into their

bedroom. This book is a tool for understanding the lifestyle, and is the farthest thing from a recruitment tool. There are more people becoming interested in alternative relationships every day, but no guidebook for how to go about living those relationships or overcome some of the challenges they will face. This is that guidebook.

In some small Southern towns the old ways still exist. Breeding counts and the old boys hold court. Everyone has a place and no one's supposed to cross the line. But rules are made to be broken... In *Southern Gentlemen*, authors Jennifer Blake and Emilie Richards deliver two contemporary stories of family, love and betrayal, all set against the colorful backdrop of the Deep South. This is their South—filled with old families, old money and old grudges. A place where the finest women are ladies and the best men are gentlemen. And where men from the wrong side of town have more honor than all the blue bloods combined.
