As thirteen-year-old Dawn Rochelle deals with cancer, she befriends others in similar positions, in four stories about loss, survival, and courage. An alien race calls on one woman to revive mankind after Earth’s apocalypse in this science fiction classic from the award-winning author of *Parable of the Sower*. Lilith Iyapo has just lost her husband and son when atomic fire consumes Earth—the last stage of the planet’s final war. Hundreds of years later Lilith awakes, deep in the hold of a massive alien spacecraft piloted by the Oankali—who arrived just in time to save humanity from extinction. They have kept Lilith and other survivors asleep for centuries, as they learned whatever they could about Earth.

Now it is time for Lilith to lead them back to her home world, but life among the Oankali on the newly resettled planet will be nothing like it was before. The Oankali survive by genetically merging with primitive civilizations—whether their new hosts like it or not. For the first time since the nuclear holocaust, Earth will be inhabited. Grass will grow, animals will run, and people will learn to survive the planet's untamed wilderness. But their children will not be human. Not exactly. Featuring strong and compelling characters and exploring complex themes of gender and species, Octavia E. Butler presents a powerful, postapocalyptic interplanetary epic, as well as a ray of hope for humanity. This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate.

“Anne Lamott is my Oprah.” -Chicago Tribune From the bestselling author of Help, Thanks, Wow comes an inspiring guide to restoring hope and joy in our lives. In Dusk, Night, Dawn, Anne Lamott explores the tough questions that many of us grapple with. How can we recapture the confidence we once had as we stumble through the dark times that seem increasingly bleak? As bad news piles up—from climate crises to daily assaults on civility—how can we cope? Where, she asks, “do we start to get our world and joy and hope and our faith in life itself back . . . with our sore feet, hearing loss, stiff fingers, poor digestion, stunned minds, broken hearts?” We begin, Lamott says, by accepting our flaws and embracing our humanity. Drawing from her own experiences, Lamott shows us the intimate and human ways we can adopt to move through life’s dark places and toward the light of hope that still burns ahead for all of us. As she does in Help, Thanks, Wow and her other bestselling books, Lamott explores the thorny issues of life and faith by breaking them down into manageable, human-sized questions for readers to ponder, in the process showing us how we can amplify life’s small moments of joy by staying open to love and connection. As Lamott notes in Dusk, Night, Dawn, “I got Medicare three days before I got hitched, which sounds like

something an old person might do, which does not describe adorably ageless me.” Marrying for the first time with a grown son and a grandson, Lamott explains that finding happiness with a partner isn't a function of age or beauty but of outlook and perspective. Full of the honesty, humor, and humanity that have made Lamott beloved by millions of readers, *Dusk, Night, Dawn* is classic Anne Lamott—thoughtful and comic, warm and wise—and further proof that Lamott truly speaks to the better angels in all of us.

DISCUSSION QUESTIONS INCLUDED Story Behind the Book “When my six kids’ eyes glossed over during a reading from the Bible, I paused to explain the significance of redemption to a sin-sick soul. I was rewarded with patronizing elephant nods and more blank stares. Shortly thereafter, I awoke in the middle of the night with a medieval story enveloping my mind. I wrote it down and later read it to my children. Their waning attention transformed

into complete anticipation. I was amazed and disappointed. Why did it take a fictional story, not a Bible passage, to get that response? Then I realized—that is how Jesus taught! Parables are powerful! I penned the Kingdom series to help young people get excited about the supremely significant story of Jesus Christ and His mission to save mankind.” — Chuck Black
